

## Army 85

Chapter 85 Solving the hidden danger

a 2nd rank Deacon was actually instakilled in one hit.

Hong Luan was hiding in the distance, standing on the roof of a building. The roof blocked most of her body, and only her head was exposed.

It was also because of her petite figure that the roof could block her.

“It’s mainly because of the weapon in his hand. I’ve never seen it before.”

Hong Ling’s expression was solemn and he was extremely surprised. He muttered to himself, ” I’m afraid Silver Eagle is doomed this time. He has kicked an iron plate. I don’t know if he can survive this time.

“Jiang Li!”

BOOM!

The Silver Eagle finally made his move. His silver hair danced in the wind, and his half-beast power surged, creating a silver light that surrounded his body like mercury.

rip!

A pair of Silver Wings appeared on his back. Like a bird Man, he jumped up and flapped his wings. He charged at Jiang Li like a silver light.

The distance of several hundred meters was covered in an instant.

let’s go! Jiang Li quickly retreated and the meches beside him rushed forward.

“The elder has finally made his move.”

” elder yin ying has completed level two. he’s only one step away from breaking through the ‘celestial bridge’. he’s determined to turn the tide and capture jiang li. ”

“!!!”

The members of the half-monster Alliance were full of anticipation and confidence.

“Overlord halberd art!”

go! Hong Tianqi shouted and activated his property internal force. A blood-red evil Qi appeared around him. The internal force with the ‘evil Qi’ property gathered in the halberd.

“You’re looking for death.”

Bang!

The Silver Eagle waved his hand and hit Hong Tianqi’s attack with his internal force. The powerful force even sent Hong Tianqi flying and he spat out blood.

He defeated Hong Tianqi with only one palm.

Although Hong Tianqi had just broken through to level two, he was still a martial artist at the early stage of level two. In addition, he had experienced many battles and had rich combat experience.

However ...

Even so ...

He was still sent flying by the Silver Eagle’s palm.

It could be seen that the Silver Eagle was extremely powerful.

Bang! Bang!

JJ01 pulled the trigger and fired a shot. The normal sniper bullet tore through the air, forming a vortex-like airflow as it shot toward the Silver Eagle.

“claw tear!”

The Silver Eagle’s pupils shrank as he felt the danger. He gathered his power, and the mercury-like half-beast power gathered in his right hand, almost becoming solid.

Clang!

the normal sniper bullet was blocked. it collided in the air and caused an explosion. the bullet was sent flying, and the silver eagle’s momentum was also blocked.

Bang!

The bullet that was shot by the Silver Eagle created a hole in the ground, and soil flew everywhere.

“What a strong power!”

The Silver Eagle steadied itself. Its silver eyes were cold. It looked up at Jiang Li and then at JJ01, who was standing next to Jiang Li. Its eyes fell on the weapon in JJ01’s hand.

“Ah!”

In the surroundings.

The members of the half-fiend Alliance screamed as the meches killed one half-fiend after another. If it weren’t for the level two executors who blocked most of the meches, they would have been killed.

At this moment.

SH01 raised the bazooka in its right hand and the Rotary gatling cannon in its left, aiming at the half-fiend Alliance members.

BOOM! boom!

The cannonballs and bullets exploded among the members of the half-monster Alliance, setting off a terrible storm. The fire soared to the sky and the ground shook.

“Ah!”

Dismembered limbs and corpses flew everywhere.

there were countless deaths and injuries.

“JC01, do it, finish him off.”

okay. Jiang Li waved his hand and looked at the Silver Eagle.

“Yes.”

Thump!

Hammer mech JC01 walked out from behind Jiang Li. He was two meters tall and was wearing black full-body armor.

“!!!”

...

the silver eagle’s pupils contracted as it felt a sense of oppression and danger.

kachaa! kachaa!

JC01 took off the Twin Hammers on his back and looked at the Silver Eagle.

“Dragon-Eagle form!”

BOOM!

The Silver Eagle mobilized all the power in its body. The mercury-like half-demon power gathered and finally formed a huge illusionary Dragonhawk. Its wings were three meters long and it was completely silver.

this is the Silver Eagle’s strongest move. It’s using its half-demon power to form the ‘Dragon-Eagle form’. It’s obviously going all out.

I wonder if Jiang Li’s men can stop it, ” Hong Luan said to herself.

“Meteor strike!”

thump!

JC01 held the hammer with both hands and jumped up. There was no huge energy fluctuation, only a terrifying force. The huge iron hammer smashed over, producing a terrifying air explosion.

...

‘boom!’ there was a loud sound.

The silver Dragonhawk was smashed into pieces. Energy rumbled and silver light scattered in all directions. The giant hammer that contained extremely strong power destroyed the opponent as easily as breaking dry weeds and smashing rotten wood.

“Pfft!”

“Ah!”

The Silver Eagle let out a shrill cry as his Dragon-Eagle form collapsed. His chest caved in, his ribs were broken, and he spat out blood. His body flew backward like a Ragdoll and fell to the ground. He rolled for more than ten meters before he stopped.

The Silver Eagle lay on the ground and coughed up blood. It was seriously injured and could not even get up.

One hammer!

It was a hammer strike!

the silver eagle was severely injured and almost killed by the hammer.

“.....”

Hong Luan was also dumbfounded. With a dumbfounded expression, her red lips slightly opened and she was somewhat dumbfounded. how is this possible? ” That Silver Eagle was crippled by a hammer?”

what a terrifying power!

I didn’t know Jiang Li had such a powerful subordinate. He’s probably invincible under level three. I’ve underestimated him.

“elder!”

“Elder has lost!”

“It’s over, it’s over, run!”

quickly run!!!

This time.

The morale of the half-monster Alliance members also collapsed, and only fear was left in their hearts.

“kill them all, leave no one alive.”

kill him! Jiang Li ordered coldly.

Bang! Bang! Bang! Bang! Bang!

JJ01 fired continuously. The sniper bullets shot out and pierced through the air, killing one rank two executor after another. All of them were killed in one shot.

Buzzzzzz! Buzzzzzz!

gray light dots came out of the body and flew into jiang li’s body. there were also one or two black light dots.

Ten minutes later.

The battle was over.

In total, they killed 320 half-monster Alliance members, 200 unranked half-monsters, 114 level-one half-monsters, and six level-two half-monsters.

He had collected eight level-one soul Tinders and one level-two soul Tinder.

The drop rate could only be considered average.

Five meches were scrapped and 375 energy points were recovered.

Jiang Li!!!

The Silver Eagle had lost his ability to fight. He lay on the ground and spat out blood. He looked at Jiang Li with his silver eyes as if he wanted to say something.

“Goodbye, I won’t send you off.”

bang! bang!

shoot! Jiang Li raised the pistol in his hand and shot. The bullet pierced through the Silver Eagle’s forehead and blood splattered. The Silver Eagle was killed.

“My marksmanship is getting more and more accurate.”

okay. Jiang Li nodded in satisfaction.

In fact.

Jiang Li aimed at the heart.

Buzzzzzz!

Suddenly.

A black light came out of the Silver Eagle's body and flew into Jiang Li's body. He seemed to be quite lucky today. He caught another level-two soul Tinder.
