

Army 86

Chapter 86-serpent

The Dominator panel opened.

As for the soul Tinder, there were ten level-one soul Tinders and four level-two soul Tinders.

For now.

Now that all the level-one army classes had been unlocked, the level-one soul Tinder had no other use except for fusion.

Of course.

If other soldiers were unlocked, a level-one soul Tinder was needed to unlock them.

“fuse.”

Jiang Li fused the ten level-one soul Tinders.

A few seconds later.

Shua!

[fusion failed!]

Jiang Li received a notification.

I knew it wouldn't be that easy to fuse. I'm so lucky today because of the drop rate of the second-stage soul Tinder.

Jiang Li shrugged.

in order to trigger the prerequisites for unlocking ‘mech Navy service’ and ‘mech Air Force service’, you need to have a ‘full Army’.

Jiang Li recalled the rules of the game. according to the rules of the ‘super mechanical Army’, the entire Army has ‘100000’. With my current number, I’m still far from it.

“so now is not the time to think about such things.”

Shua!

Jiang Li closed all the interfaces.

“You’ve been following this city Lord for so long, and you’re still not coming out?”

Jiang Li turned around and looked at the roof where Hong Luan was hiding.

“i’ve been discovered.”

Hong Ling was shocked and reacted.

Shua! Shua!

let’s go. Jiang Li waved his hand and the meches immediately rushed to where Hong Luan was hiding.

“Wait a moment.”

Hong Luan immediately jumped down from the roof and appeared in front of Jiang Li. She saluted and said, ” “City Lord Jiang, I have no ill intentions.”

“You’re a half-fiend,”

Jiang Li felt the same aura from Hong Luan as Silver Eagle and the others.

“Yes, I am.”

Hong Ling didn't conceal anything and spoke frankly, ” city Lord Jiang, I'm the same as silver Eagle, an elder of the half-monster Alliance. My name is Hong Luan.

the half-monster Alliance? that means they're enemies.

jiang li said in a deep voice.

“No, no, no,”

Hong Ling quickly waved his hand and explained, ” “City Lord Jiang, you have completely misunderstood. Although we are both elders, I have no relationship with the Silver Eagle.”

everything that Silver Eagle did was his idea. It had nothing to do with the half-monster Alliance. He asked for it.

“Is that so?”

jiang li looked at hong luan with suspicion.

Hong Luan wasn't tall, only about 1.5 meters tall, and her figure was petite and exquisite. She had originally planned to sneak into the city Lord's mansion, so she wore black night clothes.

“City Lord Jiang, I think you are too prejudiced against our half-monster Alliance.”

Silver Eagle is just an elder of the 'half-monster Alliance's division, “Hong Luan explained. he can't represent the entire half-monster Alliance.

in fact, the power of our half-monster Alliance is far beyond your imagination. We have branches all over the continent, and the division of fog soldiers is just one of them.

it's hard for us half-demons to survive. We've been ostracized by the six major races, and we formed an alliance just to survive.

“Stop!”

No. Jiang Li stopped him. I'm not interested in how bad your living environment is. Since you said the half-monster Alliance is powerful, how about we make a deal? ”

“Deal? What kind of deal?”

” huh? ” hong ling was stunned. she couldn't keep up with jiang li's thought process. he just suspected that she was an enemy. why did he suddenly want to make a deal with her?

” the medicinal herbs trade. ”

I need a lot of ordinary herbs, ” Jiang Li said with a smile. to be exact, I can buy as many as you can.

“unlimited purchase!”

purchasing ordinary medicinal herbs? ”

Hong Luan was puzzled.

“Yes,”

...

okay. Jiang Li nodded.

“Let me think, Yingluo.”

Hong Luan was thinking about why Jiang Li wanted to buy herbs, ordinary herbs at that. The most important thing was that he could buy them in unlimited quantities.

“Elder Hong Luan, if you agree to the deal, we’ll be friends.”

But if you don’t agree, “Jiang Li said.

As soon as he finished speaking.

Jiang Li glanced at the Silver Eagle’s body.

“.....”

Hong Ling’s face darkened.

A threat!

This was definitely an undisguised threat!

...

“Alright, I agree.”

Hong Ling could only nod. the half-monster Alliance has indeed stocked up a batch of ordinary herbs recently, but we can’t find a good way to sell them. Since you want them, I can discuss with the other elders of the half-monster Alliance and sell them to you.

however, there are a lot of ordinary herbs in this batch. I hope City Lord Jiang can prepare enough silver. It’ll be fine as long as you don’t be unable to afford it.

“There are a lot of them.”

jiang li’s eyes lit up. ” specifically? ”

“I don’t know about that.”

hong ling shrugged her shoulders. ” i’m not in charge of the sale of spirit herbs. i’ve only heard about it. i’m not sure about the exact amount, but it’s definitely not a small number. ”

“Well said, well said.”

jiang li smiled. ” i don’t have much, but i have a lot of money. i can buy all the herbs in the half-monster alliance. ”

If he really didn’t have enough money, he would just Rob them.

Of course.

Jiang Li didn’t say the second half of the sentence out loud.

elder Hong Ling, it’s getting late. Why don’t you follow me to the city Lord’s mansion to rest? ”

let’s go. Jiang Li invited.

“.....”

Hong Luan took a step back and looked at Jiang Li warily. She quickly waved her hand and said, ” no thanks, city Lord Jiang. I’ll take my leave. I’ll contact you after I’m done with the medicinal herbs.

As soon as he finished speaking.

Hong Luan immediately slipped away.

“Why are you running so fast?”

Jiang Li didn't understand.

“Eh?!”

Hong Tianqi did not dare to answer.

“hong tianqi, take care of these bodies.”

search, ” Jiang Li ordered. remember to search them all.

“Yes.”

Hong Tianqi immediately responded.

After killing Silver Eagle tonight, Jiang Li had dealt with the half-monster Alliance and another hidden danger. Next, he had to prepare to deal with green scale city and barren city.

However ...

In order to take down the green scale city, they had to cross the ‘Green Mountain Range’ before they could enter the red eyebrow Yao Kingdom. There were a large number of wild beasts in the Green Mountain Range, as well as fierce beasts that were comparable to Warriors.

Wild beasts were easy to deal with, but fierce beasts were more dangerous.

That was why Jiang Li sent meches to Qingshan mountain in advance to explore the situation and draw a map. At the same time, he also wanted to determine the route.

On the other side.

Green scale city.

At the city gate.

ta ta ta da

The sound of marching footsteps could be heard. As far as the eye could see, a black mass of demi-human soldiers came into view. They were numerous and exuded an extremely baleful aura, all of them wearing blood-Black Standard armor.

At the front.

a military flag was erected. the flag had a blood-black base and a lifelike long snake was drawn on it. it had a pair of wings on its back and looked like a ring. the snake's head was biting the snake's tail.

It was like the 'Ouroboros clan'.

The monster army of long snake City.

the number had reached 10000.

"City Lord,"

scaled wing walked out of the Army and came to the city gate, bowing.

"Yes."

Qing Wenling had already walked out of the city and was looking at the Army in front of him. The Army's demonic aura was overwhelming, and they were in neat rows and disciplined. They were clearly a powerful demon Army.

"The commander of the single-line serpent Army, snake-biting, greets city Lord Qing Wenling."

Snake-biting walked over slowly. He was wearing black armor and holding a snake-shaped spear. Only his facial features were exposed, and his Amber pupils were vertical like a snake's eyes. He bowed to Qing Wenling.

“you’re the one with the title of ‘the strongest commander of red dragon county in the red eyebrow yao kingdom’, the snake-hunter who once used a scheme to take down the three major cities of the black snake barbarian kingdom.”

Qing Wenling sized him up with respect in his eyes. I didn’t expect the red snake to send you.

“No!”

No. snake biting shook his head and said, “I’m the one who asked the city Lord of the long snake City.

“Why?”

qing wenling asked.

I’ve heard about the human ‘Jiang Li’. He must die, or he’ll become the second’ silver-armored Valkyrie’.

“This is a huge threat to the ‘red-browed demon Kingdom’, so we must kill him before he grows up,” the snake-biting man said in a deep voice.

“you must know that just a ‘silver-armored valkyrie’ was able to stop the black snake barbarian kingdom’s army in front of tianshui city.”

Youyou, commander Naga, you’re overestimating Jiang Li.

Qing Wenling was stunned.
