

The Amazing Son In Law Chapter 4473 (The Charismatic Charlie Wade Chapter 4473)

Since Qiao Feiyun was also caught by Wanlong Palace, charlie has not been in a hurry to go to New York again.

According to his plan, first let Kazuo Hattori cut off Qiao Feiyun's ear and lock him up with Jamura, so that the two of them can be frightened for a night, and then after he goes to New York, he will defeat them one by one.

And Stefanie sun is also a well-informed girl. Jamura's affairs did not have any effect on her. The day after charlie asked a man from Hattori to kidnap Jamura, she put this matter aside. Then, concentrate on preparing for the next concert.

All day today, Stefanie sun was busy with the concert. In order to better cooperate with the team, her agency rented a dance center in New York specifically for Stefanie sun and the dancers to rehearse and choreograph.

After returning to the hotel in the evening, Stefanie sun had just finished washing up and was about to rest when assistant Zuri knocked on the door and said to her, "Stefanie, yogi from the Fei family is calling and wants to invite you to their house for dinner tomorrow at noon. "

yogi?" Stefanie sun frowned slightly and asked, "Is it Jamura's father?"

"That's right." Zuri nodded and said, "It's him, what he means is that Jamura's grandfather wants to meet very much." You."

Stefanie sun said without hesitation: "Don't go! Refuse it!"

Zuri hurriedly said: "Stefanie, the Fei family has a lot of influence in New York, I'm afraid it would be inappropriate to refuse directly..."

"What's wrong? Is it appropriate?" Stefanie sun, who has always been humble, showed a rare expression of disgust and disdain, and said coldly: "How influential their family is, it has nothing to do with me. I don't ask him to borrow money, and I don't ask him to do things. Even the richest man in the world, I don't need to give him face!"

After speaking, Stefanie sun said again: "Besides, they invited me to dinner, I don't need to guess what the purpose is, I just want to take this opportunity to find out from me. How did Jamura disappear? In the end, I still want to find out brother charlie, so I won't give them any chance!"

Zuri said helplessly: "If we leave New York and the United States tomorrow, then you don't need to tell me, I will refuse them directly, but we still have a lot of shows in the United States, I'm really afraid that the Fei family will give us them when the time comes. Make a stumbling child..."

Stefanie sun said lightly: "It's alright, we're not used to their faults, you can just refuse, and the rest will be blocked by soldiers and water will come to cover!"

"Okay." Zuri nodded, Said: "Listening to you is just to be angry, I will refuse to go!"

Afterwards, Zuri walked out of Stefanie sun's room, picked up the phone and gave yogi back to the past, the call was connected, she was lukewarm He said, "I'm sorry, Mr. Fei, Miss sun has to prepare for the performance recently. There are a lot of things to do, and I don't have time to come to the door to disturb. Please forgive me."

yogi did not expect that this Stefanie sun even dared to refuse the invitation of the Fei family, and suddenly felt a little angry. "No matter how busy Miss sun is, there is always time for a meal, right?"

Zuri smiled and said, "I'm sorry, I really don't have time for this."

After that, Zuri said quickly: "Mr. Fei, I have something to do. Hang up first."

Hearing the disconnected busy tone on the phone, yogi was furious.

He immediately reported to his father on the side: "Dad, that girl surnamed sun refused! It's really outrageous!"

Zaki was also a little annoyed, and said coldly: "This little girl is a bit arrogant."

After that, Zaki said With a big wave of his hand, he said sharply: "Isn't she coming to New York for a concert? You arrange someone to buy her performance venue, and then tell her team that the entire venue will be upgraded and the performance will be postponed indefinitely. As for For the contract signed by the venue with her, we will compensate according to the price, and I will see what she will do when the time comes."

... The

next morning, Stefanie sun got up early to wash up and clean up, ready to go to the dance center to continue the rehearsal.

Since charlie didn't come to New York yesterday, she was always worried, so she took the initiative to send charlie a message asking him if he planned to come to New York today.

charlie originally planned to go today, to find a way to get Jamura and Qiao Feiyun to speak, to tell all the deeds they had done, and to find a way to fix the evidence.

As long as you get the evidence, the rest will be solved.

In order not to make his wife Claire suspicious, he used the reason of helping Stefanie sun adjust Feng Shui, and planned to take a helicopter directly to New York after his wife went to school.

So, when he received Stefanie sun's text message, he replied directly: "I'll go there later, but I have something to solve first."

Stefanie sun said, "Brother charlie, I'm going to rehearse at the dance center today, if you're not in a hurry If we go back, we will have dinner together in the evening."

charlie readily agreed.

Seeing charlie's agreement, Stefanie sun was naturally very happy, and hurriedly made an appointment with him, then hung up the phone happily and prepared to go out.

At this time, Zuri ran over in a panic and said, "Stefanie, it's not good! The performance venue sent a notice saying that the venue needs to be upgraded and repaired. The time required is uncertain, and the performance will be postponed indefinitely!"

"What?!" Stefanie sun was shocked and blurted out: "How could this be? Didn't we sign a contract with them and paid a 50% deposit in advance?! They are not afraid of what they signed in black and white. Breach of contract?"

Zuri said helplessly: "People said that we will be compensated tenfold according to the contract..."

Stefanie sun was even more surprised after hearing this, and quickly asked: "What the hell is going on?! I have played so many games. This is the first time that the venue has voluntarily breached a contract for a concert..."

Zuri explained: "I heard that the venue just changed hands this morning, and the entire venue, together with all hardware, all contracts, debts, and receivables Wait, wait, etc., all of them were transferred to the new buyer, and our contract was naturally transferred to the new buyer. The new buyer made it clear that the money was not bad, and directly charged ten times the liquidated damages to our account. It's gone!"

After hearing this, Stefanie sun's expression suddenly became solemn, and she analyzed seriously: "Ten times compensation is definitely not a small sum, and no

business person would make such a decision, because doing so, he simply There is no interest at all, unless he doesn't care about interest at all!"

Zuri hurriedly asked: "You mean, someone is deliberately trolling us?"

Stefanie sun nodded and said without thinking: "I guess this matter It's what the Fei family did, don't worry, wait for the Fei family to contact you!"

Zuri hurriedly asked: "Stefanie, what if yogi took this as a threat and insisted you go to the Fei's house? They must be asking I'm going to ask you to ask for sin!"

Stefanie sun thought for a while, and said, "If he dares to open his mouth, I'll ask charlie to accompany me, anyway, charlie will come to New York in a while! As long as there is charlie Now, I'm not afraid of anything! I still don't believe it, who can bully me in front of charlie!"
