Twenty minutes later, Jian, Fei Kexin, and jay came to the deck with their carry-on luggage.

By this time, the sky over the sea had dimmed, leaving only a dim light from the western skyline.

On the deck, Xion has been waiting here for ten minutes.

When Jian saw Xion, he said very politely, "Miss Xion, you have to accompany us again after all the hard work..."

if( ) }

Xion smiled slightly and said, "Mr. Fei is not polite, as long as it is Ye I will do my best to do whatever Mr. asks me to do."

After that, she looked at the time and said, "Mr. Fei, the helicopter will arrive soon, and we are about 200 kilometers away from Colombo. , the flight time is about an hour."

Jian nodded slightly.

Although he wanted to ask why charlie suddenly arranged for himself and his granddaughter to go to Colombo, he wanted to ask himself what the next step would be after arriving in Colombo.

if( ) }

But after thinking for a moment, he decided to follow charlie's arrangement.

They come, the security.

Soon, a heavy helicopter on the sea flew close to the sea at high speed, and the aircraft began to slow down as it approached the cargo ship, and then descended directly above the deck.

As soon as the helicopter landed on the deck, the door was opened immediately. Several Wanlong Palace soldiers with guns and live ammunition got off the boat and came to Xion in three or two steps. The hall master ordered to pick you up and a few others to Colombo, time is running out, please get on the plane quickly."

Xion nodded and said to Jian, "Mr. Fei, please go first."

Jian didn't hesitate, and with the help of several people, he boarded the cabin.

After everyone boarded the plane, the heavy helicopter immediately roared up and flew in the direction of Sri Lanka.

...

Meanwhile, New York, USA.

After Stefanie sun finished the morning rehearsal, she called charlie.

After the phone call, she asked Charlie: "charlie, have you been to New York?"

if( ) { }

"Here you are." charlie smiled and said, "What's the matter, do you have something to do with me?"

Stefanie sun said aggrievedly: "charlie, someone bullies me, you have to decide for me!"

charlie hurriedly asked: "Who bullied you?"

Stefanie sun said angrily: "It's yogi! A company under their family bought it at a high price. I immediately held the venue for the concert, and then suddenly said that the venue was going to be renovated, forcing me to postpone the concert or change the location. Our stage is almost set up, and the audio and stage art equipment have all entered the venue. At this time, the venue must be changed. It's too late..."

charlie frowned and said, "This bastard did it on purpose! What is his purpose in doing this?"

Stefanie sun said, "He called Zuri and said he wanted to invite me to dinner at home, I think They must have malicious intentions, maybe they suspect that Jamura's disappearance is related to me, and want to talk to me..."

charlie asked a little sullenly: "What? What he means is if you don't accept it. With their invitation, this performance must be postponed?"

"Yes!" Stefanie sun said angrily, "They are threatening me with this now. If I don't go, the concert will probably have to be postponed, but There are so many concerts after me, one time has changed, and other times will change, even if I put this concert on hold first, they will do the same article at the subsequent concerts."

## **The Amazing Son In Law Chapter 4484 ( The Charismatic Charlie Wade Chapter 4484 )**

charlie asked her: "Then what are your plans?"

Stefanie sun said tenderly: "charlie, I want to trouble you and accompany me to Fei's house, I don't know if it's inconvenient for you... If it's inconvenient, I'll just announce it directly. There is a problem with the venue, the first concert will be temporarily put on hold, the following concerts will be held first, and the same will be held in New York at the end."

charlie smiled: "Then your fans in New York will be disappointed. already?"

Stefanie sun said helplessly: "There's no way, but I believe they can understand."

if( ) }

charlie said: "Forget it, you can't let tens of thousands of fans down, isn't it just to go to Fei's house for a meal? , I happen to be next to Fei's house right now, you ask Zuri to tell them, just say you go at noon, I'll send you an address in a while, pick me up by the way when you come, and I'll go with you."

When Stefanie sun heard this, she immediately asked in surprise: "Really, charlie? You won't cause trouble for you to accompany me, will you?"

"No." charlie smiled: "Anyway, I want to be there soon. Let's meet the Fei family, and take this opportunity to meet at noon today."

Stefanie sun said quickly: "That's good! Then I'll let you communicate more. If the time is confirmed, I'll pick you up and go with you!"

if( ) }

...

Zuri was relieved to learn that charlie was willing to accompany Stefanie sun to Fei's house.

If Stefanie sun went to the meeting alone and killed her, she would not dare to agree.

But since charlie is willing to accompany Stefanie sun, she has nothing to worry about.

In her opinion, charlie must have the strength to deal with the entire Fei family, otherwise it would be impossible to directly tie Jamura.

Immediately, she called yogi and said to him: "Mr. Fei, Miss sun has time at noon, I wonder if it is convenient for you?"

yogi knew that his method had worked, and immediately Said: “Convenient, of course convenient! If Miss sun comes over at noon, I will let the back kitchen prepare a sumptuous family feast, waiting for Miss sun to come!”

Zuri said with disgust in his heart, and his mouth was lukewarm. “If that’s the case, then it’s settled. Miss sun will go directly after she’s done.”

yogi hurriedly said, “Miss Zuri, why don’t you give me an address, and I’ll send a motorcade to pick up Miss sun.”

“No need . It’s over.” Zuri said lightly: “Miss sun has a car, and I will go directly to your Fei family’s manor in Long Beach.”

yogi smiled, but didn’t insist, he said with a smile: “Okay, since Miss sun insists, I will wait at home!”

if( ) }

Zuri said impatiently: “That’s what I said, hang up first.”

yogi put down the phone and said to Zaki in front of him: “Dad, the girl surnamed sun has already promised to come over and will be there at noon.”

Zaki nodded with satisfaction, and said coldly, “This girl must have Hei Hao on her body. The clues related to foreign countries will depend on whether we can get them out of her mouth in a while!”

yogi said with some worry: “Dad, this girl is indeed a very famous public figure, if she deliberately pretends to understand with us. Confused, we are not very good at doing things to her!”

“Public figures?” Zaki sneered disdainfully, and said coldly: “Public figures are not even a fart in my eyes! If I can really find out from her Clue, I don’t care whether she is a public figure or not, if she doesn’t honestly explain everything she knows, don’t think of my Fei’s door!”

Soon, Stefanie sun took a car to the villa where charlie was.

After picking up charlie at the door, the convoy drove to Fei’s manor not far away.

When the convoy arrived at the gate of the manor, yogi went out to greet him.

Although his son was still missing, he still had a fake smile on his face.

if( ) }

However, when charlie and Stefanie sun got out of the car together, his face full of fake smiles immediately became extremely ugly.

Although he had only one relationship with charlie, his impression of charlie was extremely deep.

On the night his son disappeared, he suffered a lot in front of charlie.

yogi had such a big life, and it was the first time he was so useless in front of a hairy boy, so he always remembered this matter in his heart. When he saw charlie at this time, he was naturally very upset.

if( ) }

So, he frowned and asked charlie, "I invited Miss sun, why are you here? Do you think, with your low status, you are qualified to come to the Fei family's manor?"

"Huh. charlie smiled and said, "You're so loud, why? I'm not welcome?"

yogi said coldly: "Bullshit! Of course not! Those who are sensible, get out of here, don't get in the way here. Stefanie sun did

not expect that yogi would attack charlie, so he immediately stepped forward and said coldly, "Mr. wade is my good friend, and I asked him to accompany me here. If your Fei family is so inhospitable, Then let's go now!"

yogi said angrily: "miss sun , don't you want your concert to start as scheduled?"

"It's not important." Stefanie sun said disdainfully, "In front of Mr. wade, even if all concerts are What's the point of canceling it?"

After that, she immediately looked at charlie and said unswervingly, " charlie, let's go!"

yogi didn't expect that when charlie didn't speak, Stefanie sun would stand up for him, and said It's so absolute, there's no room left for myself.

He couldn't help but warned with a black face: "miss sun , I advise you to be more careful, my Fei family can force all your North American concerts to be cancelled at any time! Even I can make you never have a chance to come back to North America in the future. Concert!"

Stefanie sun said coldly, "You think I'm rare?"

She immediately took out her mobile phone and posted a message on her Twitter account: "Because of some force majeure, all my tours in North America It may be cancelled, if it is really cancelled, please bear with me, and I will also ask the agency to start refunding tickets as soon as possible."

if( ) }

Stefanie sun has tens of millions of fans on Twitter, and once the news is released, it will be immediately Caused an earthquake on the Internet!

And Stefanie sun didn't care at all, she handed the phone to yogi, and said coldly: "If you don't apologize to my charlie, we will leave now!"

yogi fixed his eyes on the content on Stefanie sun's phone, his expression Suddenly speechless.

He didn't expect that he was only threatening Stefanie sun, but Stefanie sun announced directly on the Internet that all tours might be cancelled.

This time I fell into a passive state.

Of course he didn't want to apologize to charlie, but if Stefanie sun really gave up the tour, it might be difficult for him to understand the secret of his son's kidnapping.

At this moment, yogi was extremely angry in his heart. He never expected that he had just met Stefanie sun and was immediately pinched by this young girl.

Seeing that he was still hesitating, Stefanie sun immediately pulled charlie and said, "charlie, let's get in the car and go back!"

## **The Amazing Son In Law Chapter 4486 ( The Charismatic Charlie Wade Chapter 4486 )**

charlie smiled slightly, nodded and said, "Okay, if it really doesn't work, I'll go back at noon today, and I'll go back at night. Come here."

charlie said that he came at night because Jian and Fei Kexin would arrive in New York at night.

At that time, he would naturally bring the two of them to the Fei's house and make this matter a complete end.

How could yogi know the deep meaning of charlie's words, he didn't have time to think about why charlie said to come back at night, he only knew that the two of them must not be allowed to leave at noon today, otherwise all efforts would be wasted.

if( ) }

Moreover, the kidnappers did not have much time left for themselves.

Thinking of this, he could only bite the bullet and say, "Don't be angry, you two, I was wrong just now, and please don't know me in the same way."

After that, he looked at charlie again, and said against his will, "Mr. wade , I was offended just now, please don't mind!"

charlie laughed: "I didn't expect that the eldest son of Fei, from such a privileged background, can be so flexible and stretched, which is really impressive."

if( ) }

yogi knew that charlie was sarcastic I didn't dare to say anything more at this time, so I could only nod and say, "Mr. wade is wrong, what happened just now was a misunderstanding, I hope we can turn over this article, what do you think?"

charlie laughed Said: "Okay, if you want to turn the chapter, then let's turn it over first. It's really not good. You can turn it back again when you find a suitable time in the future. If Young Master Fei wants to turn it back, I will accompany you at any time."

yogi is I really didn't expect that charlie's words were thorny everywhere, and he didn't take himself seriously at all.

At this time, he already wanted someone to beat charlie to death on the spot.

However, considering that there are more important things at noon today, he can only hold back his anger temporarily.

Then, he took the initiative to take charlie and Stefanie sun into the gate of the manor.

At this time, three Rolls-Royces had been parked in the manor, and yogi said to the two: "There are regulations in the Fei's manor, and no cars outside are allowed to enter, so I bothered the two of them and took another car to enter.

After that, he opened the door of the Rolls-Royce in the middle and said to the two, "Two, please."

charlie and Stefanie sun didn't hesitate and got into the Rolls-Royce directly. among them.

After the two got into the car, yogi turned around and got into the first Rolls-Royce, and then the team quickly started and drove into the interior of the manor.

A few minutes later, the motorcade stopped in front of the largest villa in the Fei family. yogi invited the two of them and said, "Two, my father has been waiting in the banquet hall for a long time, please come with me."

if( ) }

Stefanie sun felt a little uneasy, but she He raised his head and glanced at charlie, then immediately relaxed.

Although there were many bodyguards in the Fei family, she knew very well that as long as charlie was there, everything would be under control.

The two followed yogi to the banquet hall. At this time, an old man in his seventies sat on the master seat of the huge round table in the banquet hall.

The appearance of this old man was seven points similar to Jian. charlie guessed the identity of this man at a glance, and it must be Zaki.

Seeing charlie and Stefanie sun coming in, Zaki narrowed his eyes slightly, and kept looking up and down the two.

yogi said to the two of them at this time: "I'll introduce you to the two of you. This is my father and the head of the Fei family, Zaki."

Stefanie sun nodded slightly to Zaki as a gesture, while charlie was straightforwardly, he asked: "What's the purpose of you all thinking about this?"

Zaki said lightly: "This little brother, I invited miss sun to come over today, just want to have a casual meal with her, and by the way to inquire about some private matters, So please go out and wait first."

"I'll go out and wait?" charlie smiled, sat down directly opposite Zaki, raised his eyebrows and said, "If I go out, where are you going to ask your grandson Jamura whereabouts?"

## **The Amazing Son In Law Chapter 4487 ( The Charismatic Charlie Wade Chapter 4487 )**

As soon as charlie said this, Zaki's expression suddenly turned hideous.

He stared at charlie, and asked coldly, "You kidnapped my grandson?!"

charlie didn't answer, but pushed back the dining chair, raised Erlang's legs, looked at the empty dining table, and asked lightly "Didn't I say I want to invite you to dinner? Why don't you even have a plate of peanuts? Is this the way your Fei family treats guests?"

Zaki didn't expect charlie to take himself seriously, and was immediately furious. He slammed the table and said sternly, "Boy! This is the Fei family! If you don't tell me honestly where my grandson Jamura is, then you won't want to get out of this door alive!"

if( ) }

yogi was also extremely angry . .

He had been scolded by charlie several times in the Wangfu Hotel before. He always remembered this hatred in his heart. He didn't expect charlie to go to his own house now, but he would not repent and say nonsense. It was simply unbearable and unbearable!

So, he gritted his teeth and said to charlie: "Boy! If you don't tell the truth, I will definitely let you die! If I find out, you really have something to do with my son's kidnapping. I, yogi, swear to God, I will definitely Kill your whole family!"

"Kill my whole family?" charlie smiled disdainfully, and said, "yogi, in broad daylight, you should talk less in your sleep, and you must know that there is a saying that disaster comes from your mouth!"yogi was irritated by charlie's arrogant attitude, and shouted angrily: "You are bullying my Fei family!"

if( ) }

After that, he immediately shouted: "Zhang Chuan!" As soon as he finished speaking

, a middle-aged man quickly appeared in the At the door, he clasped his fists with both hands and said respectfully, "What is the eldest young master?"

At this time, it was Zaki and yogi's personal bodyguard, jay's junior brother, Zhang Chuan.

Although Zhang Chuan was not as powerful as jay, he was also a five-star warrior, and among the current bodyguards of the Fei family, he was the absolute ceiling.

yogi could no longer bear charlie, so he pointed at charlie and yelled at Zhang Chuan, "Cut off his ears and avenge my son jamura!"

Zhang Chuan hesitated for a moment, and his eyes unconsciously looked at Zaki.

In his opinion, this kind of thing must be done by Zaki nodding his head.

Zaki's expression was also extremely gloomy at this time, and charlie's arrogant attitude made him feel that this person must be connected with the disappearance of his grandson, and repeatedly humiliated their father and son, which really made him angry.

Seeing that yogi had called Zhang Chuan out, he immediately nodded to Zhang Chuan without thinking too much.

Zhang Chuan glanced at charlie, and felt that this kid had no cultivation base. If he cut the ears of such a person, he would probably be ridiculed if he spread it out.

But at this time, yogi asked angrily: "Zhang Chuan, what are you doing? Don't you understand what I said?"

if( ) }

At this point, Zhang Chuan could only nod his head, and then said to charlie, "This is Younger brother, offended!"

After saying that, he suddenly rushed towards charlie.

charlie didn't even look at Zhang Chuan at this time, until Zhang Chuan rushed in front of him before he suddenly shot.

I saw charlie stood up very fast, grabbed Zhang Chuan's collar easily with his left hand, and then slapped Zhang Chuan's face with a sudden wave of his right hand and a slap in the face.

Zhang Chuan was stunned.

## **The Amazing Son In Law Chapter 4488 ( The Charismatic Charlie Wade Chapter 4488 )**

Under the sudden impact of his own five-star warrior, even if his senior brother jay is here, he has to deal with it with all his strength.

However, in front of this young man, he was like a waste, and he was easily grabbed by the collar, and then, his inner strength disappeared without a trace in an instant.

Before he could recover from the shock, the slap slapped straight up, making a crisp sound.

Pa...

if( ) }

Not only Zhang Chuan was stunned, even Zaki and yogi were petrified on the spot.

Who would have thought that the ceiling of the Fei family's force value was actually a big beep pocket...

Then, a scene that made them incredible appeared again.

charlie slapped Zhang Chuan with a slap, then pulled up with his backhand, and then used the back of his right hand to give Zhang Chuan a big beep again.

if( ) {}

Although Zhang Chuan was dumbfounded like a tree, tears fell from his eyes uncontrollably.

No one knows how much psychological damage two big beep pockets are to a five-star warrior...

At this moment, charlie sealed Zhang Chuan's meridians with a trace of spiritual energy, and shouted coldly, "I don't want to be a waste all my life. , just kneel down for me!"

Zhang Chuan's whole body suddenly cheered!

He immediately realized that the five meridians that he had spent half his life working through and suffering through countless hardships were completely blocked by a nameless force!

At this moment, his whole heart collapsed instantly. He couldn't care about the psychological damage just now. He collapsed and knelt on the ground and cried: "Senior... Please be merciful, senior..."

For Zhang Chuan, he was not The warriors who were trained by the Fei family were ordered to serve the Fei family.

Therefore, his loyalty to the Fei family cannot be said to be strong.

The previous obedience, of course, was from the perspective of the teacher and the interests.

But now, one's own cultivation base is instantly zeroed, and his life's efforts are destroyed. In this case, what is the Fei's father and son? Even the division and his dignity are no longer important. All he wants is to keep his cultivation. Otherwise, he is likely to become a waste...

charlie looked at Zhang Chuan, who was full of tears, with disdain. At a glance, he shouted in a cold voice: "Kneel farther!"

if( ) {}

Zhang Chuan didn't dare to say more, he hurriedly knelt back all the way, all the way back to the corner, at this time, he couldn't help choking: "Senior... I'm also

taking people down. Money, and people to eliminate disasters, I hope you don't remember the villain's deeds..."

charlie waved his hand: "You keep kneeling here, someone will come and teach you a lesson for me later! If you dare to move even a little bit before that, I will break your hands and feet, so that you can't even do it for ordinary people!"

Zhang When Chuan heard this, his face suddenly became horrified.

He didn't know who charlie was looking for to teach him a lesson, but when he thought of charlie's threat, he was so frightened that he lost his mind.

For a martial artist, the cost of losing one's cultivation base is too great to accept, but if there is no chance to become an ordinary person, then it is really from the nine heavens, directly falling into the eighteenth hell, he would rather die than Wish it ended like this.

So, he could only choked with fear and said: "Senior, don't worry, I will kneel here and kneel until you are relieved..."

Zaki and yogi were completely stupid.

yogi couldn't help but murmured in his heart: "This...what the hell is this? As soon as he came up, he threw his king bomb out. I didn't expect that his king bomb would be in the eyes of others, not even a f\*cking one-to-three... .."

Zaki was even more shocked, and he couldn't help thinking about the current situation in his heart: "In this room, our father and son have not arranged any other bodyguards except Zhang Chuan, and now Zhang Chuan is kneeling in the corner and living his mother's ashes. Grandson, how could my son and I be the opponents of this kid? This fucking is going to capsize the boat in the gutter..."

Thinking of this, he stood up nervously, bowed his hands and said, "Young master, calm down... .."
