

The Amazing Son In Law Chapter 4543 (The Charismatic Charlie Wade Chapter 4543)

charlie's words sounded like thunder in every Fei family, and they were deafening!

Everyone can see that charlie's face is full of chills, and he is not testing, let alone joking!

yogi was pale and burst into tears at this time.

He knew very well that no matter what he said, he could not save his son's life.

If he said something wrong now, then his fate after his son's death would be very sad.

So he could only touch his head and lower his head, not daring to look at charlie, let alone answer.

charlie didn't let him get away with it, but asked sharply, "yogi! I'll ask you again! I'll k*ll your son, will you accept it?!"

" Charlie's aggressive posture had no way to retreat, and his heart was still broken. He could only kneel on the ground, clasped his hands together and kept bowing, and at the same time shouted desperately in his mouth: "I accept it! I accept it!! I accept it!!! "

When Jamura heard this, his eyes darkened and he almost fainted.

A strong desire to survive drove him, widened his eyes hard, stared at his father, and shouted, "Dad! You have to save me, Dad! You can't just watch him k*ll me, Dad!!"

yogi Turning his face to the side, he gritted his teeth and said, "All this...you brought it on yourself...I can't save you..."

Jamura blurted out and shouted, "You can't be so heartless, Dad! Seeds of the Fei family, if you see me being k*llled with your own eyes, will you be able to live with peace of mind for the rest of your life?!"

charlie kicked his chest and said coldly, "No more nonsense, I promise to let you live. It 's better to die!"

Jamura didn't dare to say a word even though his whole body was in severe pain when he heard this, the inhuman torture for the past two days was more terrifying than hell for him, and he was already terrified.

At this time, charlie asked yogi again: "yogi, I'll ask you again, should your son Jamura die?!"

yogi closed his eyes and shouted desperately, "Damn! Damn!!"

charlie nodded and said this again. Looking at Jamura's grandfather Zaki, looking at him, he asked in a cold voice: "Zaki! I will k*ll your grandson, do you agree?"

Zaki immediately bowed down, not daring to look up, and said loudly: Mr. Wade, let's be convinced!"

charlie frowned and asked, "Are you really convinced?"

Zaki said repeatedly: "It's really good! It's really good!!"

charlie said again: "You are the Fei family. Patriarch, even if you are ruthless, even your own father will not let go, so if you say you are convinced, I don't believe it."

Zaki hurriedly shook his head and said, "Mr. Wade, I swear to God, I am truly convinced, If you plan to seek revenge from you in the future, I will die without a place to be buried!"

Zaki was indeed dissatisfied, but he did not dare to seek revenge against charlie.

His biggest wish now is to continue to be the head of the Fei family. As for Jamura's bad life, he really doesn't care at all.

Therefore, he felt that as long as he could keep his position as the head of the family, he would never have any revenge against charlie.

Of course, if he is no longer the head of the Fei family after tonight, he will not be able to find Charlie for revenge.

Charlie didn't care about Zaki's oath, and continued to ask: "Then you say, should your grandson Jamura die?"

"Damn!" Zaki blurted out without hesitation.

Charlie sneered and said indifferently: "I won't go into the details of whether what you said is true or not. After today, if you want to take revenge on me, Charlie will accompany you at any time."

Zaki said in a panic, "Mr. Dare! Never dare!"

Charlie ignored him, turned to look at Jian, and asked loudly, "Jian! I killed your great-grandson, do you accept it?!"

Jian said with sincerity and fear, "Mr. Wade...you act for the heavens, not only are you convinced, but also thank you for removing such scum from our Fei family!"

Charlie asked again, "Should Jamura die?"

Jian cupped his hands and said, "Mr. Wade, these beasts don't deserve to die, they deserve to be smashed into pieces!"

"Okay!" Charlie nodded, looked around, and said coldly, "Since you have no opinion, then I'll send Jamura on the road!"

When Jamura heard this, he went crazy and shouted, "You bastards who can't help you! If I die, I won't let me go. You!"

Yogi, Zaki, and Jian did not dare to look at him.

They were somewhat superstitious, afraid that Jamura would really come to them to seek revenge after his death.

At this time, Charlie looked at Jamura and said coldly, "Jamura, if there really are ghosts in this world, then at this moment, I don't know how many ghosts are waiting for you there! It's time to send You went to see them!"

Jamura was instantly horrified when he heard this, and opened his mouth to say something, but he couldn't say a word.

Because at this time, charlie had pulled the trigger!

With a bang, a snowflake gradually appeared on the back of Jamura's head, and instantly fell to the ground, motionless!

In the center of his forehead, a bullet hole as thick as a thumb is constantly pouring out red and white things!

The Fei family's faces were pale, and they turned their heads instantly, not daring to look at Jamura even once.

yogi and Zaki burst into tears instantly, and Jian couldn't help but burst into tears.

After all, he is a son, grandson, and great-grandson whom he has raised for more than 20 years, and there is still a deep affection for him in his heart.

yogi rushed to Jamura, picked him up, and said to charlie crying, "Mr. Wade, can I have someone send Jamura to the funeral home first..."

"No!" charlie said coldly: "Those girls who were killed by him are all dead, and he is not qualified to be buried in the ground." After

that, he looked at Abbas and instructed: "Abbas, let someone take Jamura's body away, find a place for cremation, and dump the ashes directly into the sea."

Abbas said immediately, "Okay, Mr. Wade, your subordinates obey!"

yogi was desperate, he wanted to live a good life Bury Jamura and let him be buried in the ground in peace, but charlie didn't even want to give this opportunity.

However, he also understood that what charlie said was true.

The girls who died at the hands of his son have long since died. At this time, how can he expect his son to be treated better than those innocent girls?

At this time, charlie looked at Qiao Feiyun, who was already frightened, and said coldly: "And you Qiao Feiyun, Jamura is already on the road, you should hurry up, run fast on Huangquan Road, and be with your good brother. A companion, by the way, let's see if I can catch up with your younger brother Qiao Feiyu."

Qiao Feiyun burst into tears and blurted out: "Mr. Wade... I was instructed by them... Please forgive me..."

"Bang !"

charlie didn't wait for Qiao Feiyun to finish his words, and shot him directly in the head!

Immediately afterwards, Qiao Feiyun also fell to the ground, motionless and completely dead.

These two scumbags finally paid the price of their lives for what they did!

charlie handed the gun back to the Wanlong Palace soldier with a blank expression, and then said to Fei Kexin, "Miss Fei, so many people in the Fei family said so many plans just now, only your plan can satisfy me. , you will be in charge of the rest of the operations."

Fei Kexin nodded lightly and said, "Don't worry, Mr. Wade, I will definitely do what I say and handle it properly."

charlie pointed at Qiao Feiyun's corpse and said coldly: "Don't forget to publish all the affairs of the Qiao family. I asked Abbas to prepare a list. All those who participated in their filthy acts were basically arrested. The list is listed, and you can announce it together."

Fei Kexin said without hesitation: "Okay, Mr. Wade, please send me the list of Palace Master Abbas, and I won't leave any of them."

charlie turned to Abbas, He opened his mouth and said, "Abbas, you give the list to Miss Fei."

Abbas immediately stepped forward and respectfully said, "Okay, Mr. Wade, your subordinates obey!"

charlie said again: "By the way, I have another one. The task is for you."

Abbas hurriedly said: "Please tell me!"

charlie said coldly: "Before dawn, kill everyone on the list, and leave none of them!"
