"This...this..."

Zaki was speechless.

If people talk about how he won the title of head of the family, he can confidently and hold his head high and say that he obtained it by legal means.

This is called a teacher who is famous.

Ancient and modern, all over the world, in all major events, a teacher is famous. Even a heinous aggressor will fabricate a set of high-sounding lies, not to mention Zaki.

However, if people know that he is hunting his biological father all over the world, this is not a famous teacher.

Once this kind of scandal is exposed, it is impossible for him to continue to be the head of the family, and he has no choice but to take the blame and resign.

Thinking of this, he could only do his last effort and said, "Mr. Wade, but my father and I both have stains and are no longer suitable to be the head of the family, so let my son yogi take over!"

For Zaki , if he had to give up his seat as a last resort, it must be to give up his seat to his son.

However, charlie refused him without hesitation, and said coldly: "What? Just as Jamura's matter is about to be exposed, you want Jamura's father to be the head of the house? Who do you think is the most tainted? Is it suitable to be the head of this family?"

"I...this..." Zaki was speechless.

Only then did he realize that when charlie threw out this tainted theory, not only himself and the old man were rejected, but even his eldest son yogi was rejected.

He just wanted to propose his second son, but at this time, his mind suddenly came back to his senses: "charlie has been around for a long time, just to make Kexin the head of the Fei family?! The reason why he didn't say it clearly must be because he wanted to. Make a smooth sailing and leave others speechless, if I continue to bite the bullet at this time, once I provoke charlie, it will definitely not end well for me..."

Thinking of this, he quickly said, "Mr. Wade... ..Since that's the case, then I have a suggestion for a more suitable candidate..."

At this time, Zaki's second son Rowan was already excited.

He felt that he had no blemishes, and since the eldest brother could not inherit the position of the head of the family, he just took advantage of the situation and picked up a ready-made one.

Moreover, he also felt that his father would definitely propose him to charlie at this time.

charlie looked at Zaki with great interest at this time, and asked, "What is the right candidate, let's hear it."

No one expected that Zaki clasped his fists at this time, and said respectfully, "Mr. , Now the most suitable person to take over as the head of the family is my niece, Fei Kexin..."

As soon as these words came out, Rowan suddenly collapsed and blurted out, "Dad! How could the head of the Fei family let a What a girl?! Are you confused?"

Zaki glared at Rowan and said angrily, "Shut up!"

Rowan was frightened by his eyes and fought a cold war. closed his mouth.

Jian did not expect that Zaki would change so quickly, and directly proposed to let his granddaughter Fei Kexin be the head of the house.

He couldn't help thinking in his heart: "Zaki saw charlie's intentions, and started to use the donkey to go down the slope to please charlie and Kexin..."

charlie looked at Jian at this time, and asked: " Mr. Fei, what do you think of Zaki's proposal?"

Jian's center was extremely helpless, he knew that his wish to take back the throne of the homeowner today was completely in vain.

It seems that under the influence of charlie, his son Zaki couldn't continue to sit as the head of the family.

This also means that although he has not taken the position of home master, at least he will no longer have to hide from XZ and avoid being chased and k\*llled in the future.

Thinking of this, he could only say respectfully, "Mr. Wade, I also think that letting Kexin be the head of the house is the best choice right now."

charlie nodded slightly, looked at Fei Kexin, and said, "Fei Kexin. Miss, what do you think?"

Fei Kexin was a little nervous all of a sudden.

In fact, she never thought about taking the position of the head of the Fei family.

After all, the Fei family had never allowed a woman to be the master of the house.

Moreover, her idea before was very simple, that is, before her grandfather passed away, she would strive for as many benefits as possible for her parents and other family members, so as to prevent her family from being excluded and expelled after her grandfather left.

Advertisement

In other words, she originally wanted to have a place in the Fei family enough to live in through her own efforts, but she never wanted to be the helm of the family.

Therefore, she was a little undecided for a while, not knowing what to do.

charlie knew that Fei Kexin was different from Jasmine moore and Helena.

Jasmine moore has no father or mother, and has a deep relationship with Mr. Moore. At the same time, she has no ambitions herself. She only wants to run the business of Jiqingtang well. In the future, her uncle and cousin will succeed her as the head of the family, and she will not treat her small stall. Interested in things, so that she can have a stable life.

The main reason why things took a huge turn was because charlie's rejuvenation pill was too tempting for Mr. moore, so that Rueben and his son regarded Jasmine moore as a thorn in their side.

It can be said that Jasmine moore was pushed all the way by charlie to the position of the head of the moore family.

As for Helena, she has always had ambitions and ambitions, but she has not had the chance to achieve it for a long time. She was even suppressed to the extreme by her sister Olivia. It was charlie who gave her a chance to reverse, and she followed the trend. Turn over smoothly.

And Fei Kexin seemed to be between the two of them.

She is not like Jasmine moore, who has no ambition at all, nor does she want to be like Helena, who has accumulated a strong ambition due to hatred in her heart.

She wants to be the intermediate between the two. Although she has ambitions, she is not big enough to control the entire Fei family in her own hands.

Jian saw that Fei Kexin was a little hesitant, and he couldn't help but feel a little nervous.

After all, he is experienced and has already seen the current situation clearly. Since charlie does not allow himself to be the head of the Fei family, the best situation at the moment is to let Fei Kexin succeed him.

Otherwise, if anyone succeeds, he is worried that the other party will attack him.

So, he hurriedly said to Fei Kexin: "Kexin, Mr. Wade asked you something! Hurry up and answer!"

Fei Kexin came back to his senses and said nervously: "Mr. Wade...I...I'm afraid that I can't Competent for such an important role..."

charlie pointed at Zaki, and said lightly, "He doesn't even think he is incompetent, what else have you to worry about?"

Zaki's expression instantly became extremely bitter.

He also knew that although he was dozens of years older than Fei Kexin, he really couldn't compare to the younger Fei Kexin in terms of management ability.

However, being picked up and buried by charlie so directly, he couldn't hang on his face.

Seeing that Fei Kexin was still unsure, charlie said, "Miss Fei, with the current situation of the Fei family, only you can coordinate everything in the house, think about the old man, and then think about your parents and relatives. , If you don't sit in the position of the head of the family, what can you use to ensure their future life and safety?"

Speaking of which, charlie said again: "If I guessed correctly, there should be no you in the Fei family who are here tonight. parents?"

## **The Amazing Son In Law Chapter 4549 ( The Charismatic Charlie Wade Chapter 4549 )**

charlie's words made Fei Kexin startled slightly.

She had been at sea all this time and had no chance to have any contact with her parents at all.

And this time, she didn't see her parents, brothers and sisters at Fei's house either.

Therefore, she could basically conclude that after the uncle seized Grandpa's power, he had already expelled his family from the Fei family.

In the big family, the first thing the new head of the family has to do after taking office is to first suppress the brothers who are a threat to him, or who have been unpleasant, and at the same time, he will also leave a few loyal brothers by his side as right-hand men. , After the country is stabilized, the loyal brothers will be driven out. In this way, basically even if all threats are cut off, the brothers who were driven out of the house have become foreign relatives.

If Fei Kexin does not become the head of the family, no matter who is present, the Fei Kexin family will not be able to return to the Fei family.

Advertisement

They can only carry a small amount of assets and set up their own businesses outside, and they have since become relatives of the Fei family.

Thinking of this, she immediately gritted her teeth and said to Charlie, "Mr. Wade, I am willing to be the head of the Fei family!"

Fei Kexin knew very well that the head of the Fei family was not easy to be accepted.

With my age, experience and network resources, I am afraid it will be difficult to get a firm seat in this position.

Advertisement

But she also knew very well that she had no other choice but to face the difficulties.

Although the following things are unknown, in her opinion, it is nothing more than opening a road in the mountains and building a bridge in the water.

Although it is difficult, there is still hope.

Seeing that Fei Kexin finally expressed his position, Charlie nodded with satisfaction, looked at Zaki, and said, "The current Fei family head is still you, so you will have to work hard for a while to complete the formalities for the transfer of your position, such a thing you also know that it has to be legal."

"Okay, Mr. Wade, I will cooperate fully next time!" Zaki didn't dare to say more at this moment, even though he was reluctant to give up, he could only agree repeatedly.

He knew very well in his heart that he didn't have the right to choose and refuse now, because Charlie didn't play cards according to the usual routine. His precious grandson, if he angered him in this situation, maybe he would pick up a gun and put a bullet in his forehead.

In this case, even if he is still the head of the Fei family, there is still no chance of a comeback.

Hurry up to abdicate and let Xian, win a good impression in front of charlie, and get a little benefit for yourself in the future, this is the immediate priority.

Then, charlie looked at Jian again, and said lightly, "Jian, although Zaki is the head of the Fei family, most of the assets of the Fei family should still be in your name, right?"

Advertisement

Zaki hurriedly stepped forward One step, he said respectfully, "Mr. Wade, most of the Fei family's assets are indeed in my name..."

## **The Amazing Son In Law Chapter 4550 ( The Charismatic Charlie Wade Chapter 4550 )**

charlie nodded and said, "To be honest, you are not too young, if you really want to live a long life, The utilitarian heart still has to be accepted. I suggest that you might as well give Miss Fei the control of all the assets under your name. Since she is the owner of the family, you have to hand over all the country and society to her, and only the position of the family owner. She, the control of assets is in your hands, which is also a great constraint to her, it is better to let her centralize the power and let the resources of the Fei family make the most of it, what do you think?"

Jian How dare you not.

Although he was somewhat uncomfortable and unwilling just now, he has really thought about it now.

He felt: "If I can live to this day and return to the United States alive, you will be something I didn't dare to hope for before. At this time, there is no meaning in the control of assets, so it is better to hand it over to Kexin. It can be regarded as helping her to mount..."

As soon as he thought of this, he immediately said respectfully: "Mr. Wade, don't worry, I will ask the lawyer to prepare the documents later, and put all my assets under the control of Kexin."

After that, He said with some emotion: "I don't have a year or two to live, and I have experienced so many things, and I have already seen money."

Advertisement

charlie nodded slightly with satisfaction, and said, "I know, it's not easy for you to work hard in your life, and now that you're older, the money you earn, normally, it's meaningless to you, And because of the money, even your own son has murdered you. Speaking of which, I feel sad for you."

Jian sighed and said with a melancholy face: "Mr. Wade, you are right. Right...before I reach my age, it has no positive meaning..."

charlie smiled slightly, and said lightly: "Normally this is true, but I can give you a chance to spend money."

Jian was startled, and quickly asked: "Mr. Wade, what do you mean?"

Advertisement

charlie smiled indifferently: "Didn't you always want to buy pill? If I remember correctly, at the auction in Aurous Hill, you were The price of 210 billion was called." When

Jian heard this, although he was not sure what charlie meant, he was so excited that he couldn't control it, and said repeatedly: "Yes... yes... Mr. Wade ...At that time...it was indeed a price of 210 billion...you...how did you think of asking this?"

charlie smiled playfully, instead of answering his question, he looked at Fei Kexin said, "Miss Fei, after you succeeded as the head of the Fei family and took over the control of all the assets of Mr. Fei, in order to express my congratulations, I can make an exception to give you a chance to buy the rejuvenation pill!"

Jian Hearing this, the whole person suddenly fell into ecstasy!

"Magical pill!"

"charlie is willing to sell it to me!"

"If I can get this Pill, I can live for at least ten or twenty years..."

"This...Is this a loss of horses? How can you know it's not a blessing?!"

Thinking of this, Jian suddenly began to worry again in the depths of his heart.

## Advertisement

Because what Charlie just said was very clear, this opportunity to buy Pill was not for himself, but for his granddaughter Fei Kexin.

Moreover, it must wait until the granddaughter Fei Kexin becomes the head of the Fei family and inherits the right to control the assets.

In this way, the character and disposition of granddaughter Fei Kexin will be tested.

If she really took her grandfather seriously, she would definitely be willing to pay for the rejuvenation pill.

However, if she, like her eldest son Zaki, is reluctant to pay the money for herself, then she will use the bamboo basket for nothing.

So, he looked at Fei Kexin subconsciously, his eyes full of eager anticipation.

Fei Kexin did not disappoint Jian.

She also said very excitedly at the moment: "Mr. Wade, are you telling the truth? Can you really give me a chance to buy rejuvenation pills?"

Charlie nodded and said lightly, "I, Charlie, always say something. Jiuding."

After speaking, he looked at Jian and said again: "That day you were at the auction, and you asked for 210 billion US dollars. Today, for the sake of your Miss Fei, I will give you a fraction. Erase, \$200 billion a piece."

Fei Kexin blurted out without thinking, "Okay! I'll buy it!"

## **The Amazing Son In Law Chapter 4551 ( The Charismatic Charlie Wade Chapter 4551 )**

Hearing Fei Kexin's unswerving decision, Jian was so excited that he couldn't add anything.

However, he also kept an eye on it.

Because Fei Kexin just said that she would buy this rejuvenation pill, but for whom she bought it, she has not expressed her position yet.

Jian has experienced several ups and downs in this period of time, so he naturally has more concerns about this kind of thing in his heart.

At this time, Fei Kexin looked at him and said very seriously: "Grandpa, I will pay Mr. Wade later, and I will leave this rejuvenation pill for you to take!"

Hearing this, Jian finally felt relieved, and he was so excited that he burst into tears.

Advertisement

He really wanted to get a rejuvenation pill.

Originally, he thought that he might be out of luck with Huichundan in this life.

But I didn't expect that it was Charlie and his granddaughter who gave him such a huge surprise!

At this time, he was so excited that he said to Charlie, "Mr. Wade... Thank you... Thank you! Your kindness will definitely be remembered in my heart forever!"

Advertisement

Charlie waved his hand and said very seriously: "Jian, I have something I need to say first, although I am willing to make an exception to sell Miss Fei a rejuvenation pill, and Miss Fei is also willing to give you this rejuvenation pill. , but I will deliver this rejuvenation pill to Miss Fei in four installments."

Jian asked subconsciously, "Four times?"

"Yes." Charlie said indifferently: "From now on, I will cash out a quarter of the rejuvenation pill to Miss Fei every three years, until I have cashed out the whole rejuvenation pill."

Charlie knew very well in his heart that if Mr. Fei didn't live too long, then Fei Kexin's position as head of the family would not be stable no matter what.

And after all, he still has his own things to do, and it is impossible to escort Fei Kexin all the time, so the best way is to let Mr. Fei continue to live.

And not only let him live, but also ensure that when he is alive, he will stand behind Fei Kexin and support her with all his strength.

If the old man gets a whole rejuvenation pill by letting the fee all at once, then after he completely solves the problem of survival in the next ten years, the desire for power deep in his heart is likely to come back.

In that case, he would no longer be Fei Kexin's biggest supporter, but would become Fei Kexin's worst enemy.

That's why Charlie came up with such a strategy of delaying batch delivery.

Advertisement

Give Fei Kexin a quarter of a rejuvenation pill first, and let Jian not have to worry about survival for the next three to five years.

However, this will also give Jian a strong sense of crisis.

Because he still has three-quarters of the rejuvenation pills to get.

As the seller, Charlie only recognizes Fei Kexin as a buyer, so as long as Jian wants to get the remaining rejuvenation pills, he must maintain his full support for Fei Kexin.

Only in this way can he obtain the remaining rejuvenation pills in the remaining three key nodes, so as to realize his wish to prolong his life by ten or twenty years.

Jian has lived for more than 90 years and is a full-fledged man. He immediately understood that Charlie did this because he wanted to pinch himself.

## **The Amazing Son In Law Chapter 4552 ( The Charismatic Charlie Wade Chapter 4552 )**

However, how could he dare to be dissatisfied with Charlie's handling right now?

I couldn't help but sigh in my heart: "If Charlie takes hold of me, at least I can still live; if he takes hold of me, what other way do I have to go besides death?"

Therefore, he said without hesitation: "Mr. Wade, everything is according to your wishes! I don't have any opinions!"

Charlie nodded, looked at Fei Kexin, and asked her, "Miss Fei, are you okay?"

Fei Kexin said hurriedly: "I...I have no opinion...I will follow Mr. Wade's arrangements!"

Fei Kexin also understood the purpose of Charlie's actions at this time, knowing that Charlie was protecting herself, she was naturally very grateful, and at a certain moment, she even asked herself: "Mr. Wade is so kind to me and so kind to me. Heavy, in my life, what should I do to repay one ten thousandth of his kindness..."

Advertisement

At this time, Charlie said with a smile: "I'm actually thinking about your Fei family. It must be stressful for you to spend 200 billion US dollars at one time. The Fei family will soon face a huge reputational crisis, you have to pay a huge amount of compensation to the families of the victims. If you give me another 200 billion, the cash flow will be stretched. In that case, after this reputation crisis is over, even if you want the Fei family to tide over the difficulties and rise again, you will have no money at hand. There is not enough liquidity."

Speaking of this, Charlie said again: "However, if you deliver the rejuvenating pills in batches, you can also pay in batches, you only need to pay me 50 billion US dollars each time, and it will be reduced from 200 billion to 50 billion. , for your Fei family, naturally there is no pressure."

Fei Kexin said quickly: "Mr. Wade said very much... Thank you Mr. Wade for thinking about the Fei family everywhere..."

Jian also immediately said gratefully: "Mr. Wade, you are really the savior of the Fei family... Thank you!"

Advertisement

Although he said so, Jian Center couldn't help but sigh: "This Charlie will really put gold on his face... In two or three sentences, the fact of deliberately pinching me has been twisted into a help fee. The family has survived the difficulties, and I don't know how he is so thick-skinned at such a young age..."

At this time, Charlie looked at Zaki and Yogi again, and said, "You two, from today onwards, you must fully cooperate with all Miss Fei's requirements, and you must shine in the development of the Fei family, if you let me know if the two of you have any thoughts, I will definitely let the people from Wanlong Temple come over and take you to Syria to experience the local customs. to be your second home."

Zaki trembled in fright.

I thought to myself: "Damn, I'd rather stay at Fei's house and be a dog for Fei Kexin, and I definitely don't want to go to Syria to experience the so-called customs. The surname wade's words are really f\*\*king damaging. , what else to experience the customs, what is there to experience in that place? What about five years and eight years of in-depth travel, isn't that five years and eight years in prison?!"

Frightened, he hurriedly bowed ninety degrees and said respectfully, "Mr. Wade, please rest assured, I, Zaki, swear to heaven that I will do my best to help Kexin manage the Fei family, and will never do anything against the interests of the Fei family. things!"

yogi also bowed and said, "Please rest assured, Mr. Wade, I will never let you down..."

"Okay." charlie nodded slightly with satisfaction, and said, "Since you are so smart, I believe that Miss Fei will also arrange a relatively comfortable errand for you at the Fei family in the future."

Having said that, charlie looked around for a week, and said again: "But I want to remind everyone, from now on, don't do anything, intrigue, yin and yang are fake! Don't imitate that Jamura's wrongdoing!"

Everyone nodded in agreement, and no one dared to say a word.

Advertisement

charlie looked at Fei Kexin again, and explained, "Miss Fei, the Fei family must have an internal review team in the future, and every member of the Fei family will be strictly investigated at regular intervals. If any problems are found, they will be Cut the mess with a quick knife, don't give them a chance to grow!"
