## The Amazing Son In Law Chapter 4575 ( The Charismatic Charlie Wade Chapter 4575 )

Li Yalin's words shocked Asher.

He also immediately began to calculate the rationality of the matter in his mind.

After thinking about it, he felt that Li Yalin's point of view was right.

If all this is a coincidence, then the old man can't even describe it as a blessing, he is simply blessed by the gods.

Moreover, Stefanie sun's time node is really good.

If she is more than ten minutes late, if the old man suffers brain death due to lack of oxygen in his brain, then it is possible that even Da Luo Jinxian will not be able to save him.

In addition, she suddenly flew so far to visit Los Angeles this evening, which was indeed a bit bizarre.

After all, there are more than 4,000 kilometers between the east and west coasts of the United States. This distance is farther than from Mocheng, the northernmost city in China, to Hainan Island, the southernmost point.

It's a little unreasonable to come to visit across such a long distance at night.

What's more, Stefanie sun has not come to the United States for a day or two. If she wants to visit, she can arrange it earlier, or she can simply make it later. When she goes to Los Angeles for a concert, she can stop by at home to visit.

But she chose this time. It is very likely that Li Yalin said that she came in a hurry after knowing that the old man was critically ill.

Thinking of this, he couldn't help but say: "If this is the case, where did Miss sun get the news? There are so many An family members, I certainly can't guarantee that all the An family members and their servants are absolutely reliable, but the outflow of information It takes time, and it can't be done so fast." Li Yalin said: "If you really want to know, you must start from the moment she landed at Anjia, and then sort out her entire movement, such as which airport does her plane take off from and what time does it take off?, and then push it forward from the airport, such as how did she get to the airport? When did she arrive? Who was she with? Then go back and see where she started from before going to the airport. "

Having said that, Li Yalin immediately tapped in front of the computer for a while, and said, "All civil aviation flight information and flight trajectories are publicly available on the Internet, and the same is true for private jets. I'll take a look now. I'm flying from New York this afternoon. Flights to Los Angeles."

While speaking, Li Yalin found a series of information from the website, and then he opened the mouth while operating the mouse: "There are only seven private planes flying from New York to Los Angeles this afternoon, and they finally landed on the Anjia runway... um, There are only two, I know the one of yours, and the one with the registration number B9733 should be the one that Stefanie sun was on."

After all, Li Yalin exclaimed: "She and you both took off from Kennedy Airport, and the difference between the two of you's departure time is only 20 minutes."

Asher was horrified when he heard this.

Before he could speak, Li Yalin said excitedly: "Okay! Okay! I finally caught a clue! I asked people to check the information and monitoring of the airport to see where Stefanie sun's supernatural powers came from. In such a short time, you can receive the news!"

Asher was slightly startled, and quickly said: "Old Li, otherwise this matter will stop here, and don't investigate any further."

Li Yalin asked in astonishment: "Why? This is the only clue that can be caught so far, and now I feel more and more that my judgment must be correct, just because the old man's critical illness came too suddenly, so this Stefanie sun did not I have the opportunity to deal with the clues I left behind, otherwise, if we really give her enough time and let the person hiding behind make a little bit of strategizing, we will not even be able to find this clue!"

After speaking, Li Yalin asked again: "Don't you want to find out, through what channel did Stefanie sun know about the old man's critical illness?"

Asher hurriedly said: "Old Li, no matter what channel Miss sun learned about the old man's critical illness, I feel that she has absolutely no hostility to our settlement, not only no hostility, but he is also our big benefactor. It wasn't that

she came over thousands of kilometers and saved the old man's life, the old man must have passed away now."

When Asher said this, he paused slightly and continued: "We haven't had the chance to repay such a great kindness, but now we have to investigate her again., will feel that our An family is not doing things kindly."

Li Yalin hesitated for a moment, then said seriously: "Asher, this matter is not only to investigate for your settlement, but also to solve this case. As I said before, this Stefanie sun can be safe in Jamura's trap, and even let Jamura shoots herself in the foot, which proves that there must be a powerful person around her, maybe, that person did all of this!"

After that, Li Yalin said again: "Whether it's about Jamura or the matter of Mr. Fei's killing, I haven't been able to find any clues. Now this opportunity, I can't let go of anything."

Immediately, Li Yalin hurriedly added: "Asher, don't worry, I have nothing to do with you in my investigation of Stefanie sun. It is entirely my decision as a police officer to solve the case. You don't have to have any negative emotions."

Asher sighed helplessly and said, "Old Li, you are a policeman. It is your freedom to investigate the case, so I won't interfere more."

"Okay!" Li Yalin said excitedly: "Thank you for your understanding Asher, I won't tell you first, I must break this case!"

Asher hurriedly asked: "Old Li, if this matter has something to do with Miss sun, please do me a favor and try not to involve her as much as possible."

Li Yalin said without hesitation: "Don't worry, I will!"

After hanging up the phone, Li Yalin immediately called his most trusted subordinate and instructed: "Go to JFK Airport immediately, start from the airport, and investigate all the information before the takeoff of the B9733 private jet, including the passenger's boarding pass by the name of Stefanie sun. Check the flight time, security check time, and arrival time at the airport, and then follow this line forward until Stefanie sun leaves the hotel this morning, and investigate all her movements after she wakes up! Bring me all the video files I got!" The subordinate asked in surprise: "Boss... You want to investigate that big star?! She has a lot of attention now, and we are investigating her for no reason. This... If this is asked from above, how do we explain it?"

Li Yalin said coldly: "I suspect that she has something to do with Jamura's kidnapping case, so I have to investigate her thoroughly, but before finding any actual clues, you must make sure that nothing is leaked about this matter. Wind, otherwise, both of us will be in trouble!"

Li Yalin's subordinates are very aware of the seriousness of this matter.

In the United States, a country where law enforcement power is extremely clear and restricted everywhere, without the permission of the superior, a public figure can be tracked and investigated at will. Once exposed, it is likely to cause a lot of pressure from public opinion.

However, he himself is Li Yalin's confidant and obeys Li Yalin's orders very much, so he didn't dare to delay much at this time, and immediately said: "Boss, then I'll go check it out!"

Li Yalin instructed: "Remember, Qian Qian Don't miss any clues! Maybe an inadvertent discovery can affect the detection of the entire case!" The other party nodded and said

, "Don't worry, I've been with you for so many years, don't you understand my behavior?" , he looked at the time and said, "It 's

already two o'clock in the morning. I will try to bring back the clues you want before nine o'clock in the morning!"

Li Yalin nodded and said, "Thank you for your hard work!"

, Li Yalin finally had a faint excitement in his heart.

Since Jamura was kidnapped, he has been very depressed because he couldn't find any clues, and now he finally sees a glimmer of hope.

At this time, New York was nocturnal, but the city was not asleep.

Jamura's video is still spreading rapidly on the Internet.

Countless New Yorkers were so stimulated by the video that it was difficult to fall asleep, and the mood of the people was very complicated, ranging from anger, nervousness, fear, or anxiety.

People are constantly expressing their opinions on this matter online, and many people have begun to denounce Fei Jian online.

Although everyone knows that these things are Jamura's personal actions, but the sober people are very clear that the reason why Jamura can commit so many indescribable crimes is largely due to the blessing of the Fei family's halo and Jamura. financial support.

The reputation of the Fei family suddenly fell to the bottom and became the object of everyone's scorn.

And Zaki, as the head of the Fei family in the eyes of the public, has also become the target of frantic attacks by netizens.

Fei Kexin did not immediately come out to express his position on behalf of the Fei family, but Zaki watched so many people on the Internet scolding him to the death, and his mood was extremely low.

He really wanted to ask Fei Kexin to express his stance quickly, and by the way, he also officially announced that Fei Kexin had replaced him and became the new head of the family.

However, he didn't dare to go to Fei Kexin to open his mouth.

After all, Fei Kexin and the old man were extremely generous for not calculating the account of their seizure of power with him. If he ran over to ask for it at this time, he was simply asking for trouble.

And he is also very clear that charlie has already explained to Fei Kexin that the press conference will be officially held tomorrow morning.

This also means that from now until tomorrow, before the press conference starts, he will have to block the gun for the entire Fei family.

•••

the next morning.

Just when the enthusiastic netizens on the Internet scolded Jamura and Zaki to death all night, another video was suddenly released on the Internet.

In the video, the bodies of Jamura and Qiao Feiyun were lying in front of a crematorium. The person who filmed the video checked their bodies, then pushed the two bodies into the incinerator and burned them clean.

From the corpse being revealed, to the corpse being pushed into the crematorium to be ignited, to the fact that the corpse was finally turned into a pile of ashes, the entire video has no editing, and it is completely one shot to the end.

At the end of the video, the video publisher used Chinese subtitles to present seven big characters: Good and evil will be rewarded in the end.

As soon as the video was released, it immediately detonated the entire network.

Before, people only knew that Jamura was kidnapped, and his two ears were brutally cut off by the kidnappers, but people didn't know what Jamura's current condition was.

And now, the two culprits of the whole thing have been executed by the kidnappers, which instantly made everyone extremely excited!

They also knew very well in their hearts that once the two men were arrested and brought to justice, they would definitely only be sentenced to life imprisonment.

If so, I believe everyone will be very dissatisfied.

And now, the mysterious kidnapper has actually killed these two scumbags, what could be more pleasing than this?

As a result, people stopped calling these mysterious people kidnappers, but began to call them robbers and praised these robbers.

In the eyes of the majority of netizens, if it wasn't for this group of mysterious thieves who kidnapped Jamura and exposed his crimes, then Jamura would not be punished, but would continue to mutilate innocent women. Therefore, these robbers not only stopped the atrocities, but even sent the criminals to hell. It can be said that the merits are boundless.

As the video has become popular all over the Internet, there are also seven Chinese characters for good and evil in the end.

Countless Americans who don't understand Chinese were shocked after finding out the meaning of these seven characters on the Internet, and put these seven characters on their social media signatures.

There are even many tattoo lovers who call their tattoo artist early in the morning and can't wait to tattoo these seven characters on their bodies.

At this time, Li Yalin, who had not slept all night, just made a cup of coffee to refresh himself.

He was so eager to solve the case that he didn't leave his office all night.

He was waiting with great anticipation for the results of his subordinate's investigation. At this moment, someone knocked on the door. A subordinate rushed in in a panic, and blurted out, "Detective, something has happened!"

Li Yalin, who had not slept all night, heard this. , Immediately, he felt that his head was extremely large, and he quickly asked: "What happened again?" The

other party hurriedly said: "Jamura is dead! And that Qiao Feiyun, all dead!"

"What?!" Li Yalin heard this , asked in awe: "When did it happen?"

"Just now!" The other party explained: "A video has just appeared on the Internet. In the video, Jamura and Qiao Feiyun have been cremated!"

Li Yalin's brain was dizzy, and he quickly said: "Quick, let me see!

" Handing over the phone, on the screen is the video just exposed.

After Li Yalin opened it, he saw the bodies of the two being pushed into the incinerator, and immediately cursed angrily: "These people are absolutely amazing! We have blocked all escape routes for us!"

For Li Yalin, Jamura was kidnapped, he didn't catch anyone, Jamura was cut off his ear, he didn't catch anyone, until Jamura's so many evil deeds were exposed, not only did he not notice it before, but he also failed to catch anyone. It has made him, and the entire New York police, faceless.

And the only way to get face back is to find a way to find the person who kidnapped Jamura, and then bring Jamura back for public trial.

Only in this way can the New York police find their last face.

However, he did not expect that these kidnappers would be so ruthless, they directly killed Jamura and Qiao Feiyun!

This is equivalent to blocking more than half of the last retreat of the New York police!

From the beginning to the end, the New York police failed to seize the opportunity and regain face. Now that Jamura is dead, Li Yalin feels that the only thing he can do is to catch the kidnappers.

Only by catching those kidnappers can the NYPD be of any use.

However, Li Yalin still has a worry in his heart. If he really finds a clue, should he arrest someone?

If you don't arrest it, the police will lose face and justice will be challenged;

but if you do arrest, how will you explain it to the public?

After all, these kidnappers became the knights in the eyes of the public. The police did not catch the bad guys, but finally arrested these knights. The people will definitely scold them to death...

At this moment, Li Yalin felt a headache. , don't know what to do at all.

The subordinate who was sent out to investigate called at this time and said, "Boss, there is a clue!"
