

The Amazing Son In Law Chapter 4708 (The Charismatic Charlie Wade Chapter 4708)

Although charlie said it vaguely, it was actually just to point out these two people.

Although charlie didn't say anything about Fang Jiabin's specific deeds, the couple both thought about Fang Jiabin's elopement with Arman.

For so many years, this incident has been Fang Jiabin's weakness in front of Liu Jiahui, and it is also a pain point in Liu Jiahui's heart.

charlie clicked here obscurely, which made the two of them very uncomfortable.

And the reason why charlie said that was completely intentional.

He just wanted to see how much patience Liu Jiahui had in front of him.

He is only provoking him a little now, if he can bear it, there will be even bigger provocations waiting for him later.

It would be great if Liu Jiahui could turn his face in front of him.

After all, charlie flew all the way from the United States this time to teach him how to be a man.

Moreover, what charlie is best at is to use the topic to play, even if Liu Jiahui accidentally stepped on charlie's foot, charlie would use this pretext to rip him off.

However, how did Liu Jiahui know that charlie was not the God of Wealth who came to cooperate at all, but the evil star who came to peel the skin.

At this time, he suppressed the anger that was exposed by charlie, and said to charlie with a smile on his face: "Mr. Wade has come from a long way, and the journey must be very hard. I have prepared a welcome banquet for Mr. Wade at the house. If Mr. Wade If you don't dislike it, we will go straight now."

charlie nodded and said lightly, "Then I'd rather be respectful than obey."

Liu Jiahui laughed, made a gesture of invitation, then hugged charlie's back, and said enthusiastically, "Come here, Mr. Wade, please here!"

Outside the exit hall of the airport, a fleet of multiple Rolls-Royces parked neatly on the side of the road.

Liu Jiahui took charlie to the Rolls-Royce sedan in the middle, and then said to his wife Fang Jiaxin, "Jiaxin, you take the front car, and Mr. Wade and I take this car."

Fang Jiaxin had no choice but to nod, turned and walked to the Rolls-Royce in front of her. After the bodyguard opened the door for her, she bent down and got in.

Liu Jiahui took the initiative to open the rear door for charlie, and said with a smile, "Mr. Wade, please go first!"

charlie was also welcome. After nodding slightly, he got into the car directly.

Liu Jiahui also sat in immediately, and the convoy slowly left the airport. Liu Jiahui took the initiative to chat with charlie: "I wonder if Mr. Wade has been to Hong Kong Island before?"

charlie said indifferently: "I've been here, but I was very young."

Lau Ka Fai said with a smile: "In the past few years, the changes have been very, very big. If Mr. Wade has enough time in the past two days, I will take you around Hong Kong Island to see the development of Hong Kong Island over the years!"

While talking, Liu Jiahui's cell phone suddenly rang, and it was his daughter Liu Manqiong who called.

He said apologetically to charlie, "I'm sorry, Mr. Wade, I'm answering a call, it's my daughter."

charlie nodded: "Mr. Liu, please."

Liu Jiahui answered the phone and asked, "Manqiong, are you home yet?"

On the other end of the phone, a cold voice came: "I have something to do at noon, so I won't go back."

Liu Jiahui suddenly said angrily: "What are you doing?! I didn't tell you that there is a distinguished guest at noon! I don't care what your business is, you must go home at noon today!"

The other end of the phone said very dissatisfiedly: "I said that I have something to do. You treat your distinguished guest yourself. What does it have to do with me?"

Lau Ka Fai said angrily, "If I don't see you coming home within half an hour, don't want the second donation of HK\$50 million!"

"You..." The voice on the other end of the phone trembled with anger: "How can you go back on your word!"

Liu Jiahui said coldly: "The money is mine, I can give it if I want, and I won't give it if I don't want to. In short, think about it for yourself!"

After all, Liu Jiahui hung up the phone immediately.

Immediately afterwards, he hurriedly said to Charlie, "Mr. Wade, I'm really sorry, the little girl is naughty, I made you laugh!"
