Mia was completely helpless to charlie.

Although she knew that charlie was very strong, she still had no hope in her heart whether charlie could overwhelm the Zhong family and Hongmen.

However, she already had a plan in mind.

If this matter is really too troublesome to end, I will go and ask my father to come forward.

If Dad can't solve the problem, he will go to the police directly.

What happened today was that Pankaj led people to follow them, and even killed charlie. charlie could be regarded as self-defense.

At that time, Dad and the police will put pressure on the Zhong family and Hongmen together, and there may be a chance to mediate!

Later, Mia took charlie to a very lively wanton noodle stall.

Seeing that the small tables in front of the booth were full, she smiled and said to the boss, "Uncle Cheng, business is so good today!

" Miss mia, we are all very happy to hear that you are dating!"

Mia asked in surprise: "This... Who said this... It's too gossip!"

Cheng laughed: " Street mouth Anan said it in our whatsapp group! We know about the whole street! He even took pictures of you and your boyfriend secretly!" After

speaking, he took out an old smartphone and put a Zhang cong from the back to show the photos of Mia and charlie in front of them, and said with a smile: "Miss Mia, you and your boyfriend are really talented and beautiful!"

Mia was helpless: "Uncle doesn't want to be a paparazzi. The gossip news is really underpowered! They said they are just ordinary friends..." After speaking

, she quickly changed the subject: "Forget it, Uncle Cheng, please help us cook two bowls of wonton noodles."

Cheng Bo nodded, took out a folding table from under the booth that was obviously much cleaner than the other tables, set it up in an open space, took out two folding chairs and placed them on both ends of the table, and said to Mia: " Miss Mia, you two sit first, and I'll cook it for you."

Mia said, "You've worked hard for Uncle Cheng, and I'll go buy some other things." Uncle Cheng hurriedly said, "Miss Mia

, just sit down and just sit. Okay, tell me what you want to eat, and I'll send them to the group directly."

Mia said: "That's inappropriate... I'll go by myself..."

Cheng Bo smiled and said, "Miss Mia, you often The stalls you went to were all a group of old women. You went to Ken

must be ridiculed by them. "

Oh..." Mia sat down immediately, and said with some fear: "Then it's better for Cheng Bo to tell me, I want a piece of money belly and a piece of curry fish balls, brine platter and roast goose. I'll have one. Cheng Bo said with a smile: "

Wait a minute, Miss Mia, I'll tell them now." charlie couldn't help sighing: "

It seems that everyone likes you very much. "

"Yeah." "Mia said with a smile: "They watched me grow up, and they may also feel that they owe me some favors because of the stall, so they are very kind to me." charlie said seriously: "

It's true that they appreciate you, but it's true that they like you. It can be seen that each of them treats you as a family member, and their eyes are very pure. "

Mia nodded and said with a smile, "I'm also very grateful to them. If it wasn't for them, things would have gone wrong. They were here, helping me keep the best memories of my life together." "

Speaking, Mia said with some sadness: "Everything here is the same as before, but they are old, I have grown up, and my mother is no longer there. Seeing

that she was a little melancholy, charlie pretended to be relaxed and said, "My parents left very early. After they left, I became an orphan and lived in a welfare home for ten years. In comparison, you are still better than you." I am much happier. "

"Are you an orphan?" ! Mia looked at charlie in surprise, with an expression of disbelief.

charlie nodded and said, "Before the age of eight, I was probably the happiest child in the world, and fell from the sky into the mud overnight. , and then all the way in the mud puddles, until today. "

Mia exclaimed: "You are so young, you can play a key position in Yisu Shipping, which proves that your personal ability is still very strong." "

"Really?" " charlie suddenly scratched his head a little embarrassedly, and said with a smile, "Haha, it seems like that's the case. "

He couldn't tell Mia that he was actually the boss with the most shares in Yisu Shipping.

At this time, many middle-aged people walked quickly towards the two with smiles on their faces.

The leader was the uncle Nan just now. I saw that he was still holding a big box in his hand, and he didn't know what was inside.

When everyone came to the two, Uncle Nan smiled and said, "Miss Mia, happy birthday!" After

that, Uncle Cheng, who was beside him, hurriedly opened the lid of the big box, which turned out to be a beautiful birthday cake.

Everyone also cheered and said in unison: "Miss Mia, happy birthday!"

Mia was stunned and murmured: "Today is not my birthday...I Uncle Nan, Uncle Cheng, what the hell is going on?"

Uncle Nan said with a smile: "Miss Mia, today is the fourth day of the fourth month of the lunar calendar, and it is your birthday according to the lunar calendar. Look at the lunar calendar, but we old guys usually look through the old yellow calendar first thing every day, and can't remember the days of the solar calendar, but the days of the lunar calendar are very clear."

Mia's eyes suddenly became wet, Covering his mouth, he said softly: "I don't know..."

Cheng Bo said with a smile: "We were all preparing for this a few days ago, and I want to give you a little surprise. In the afternoon, we will I'm worried that you won't come today, but I didn't expect you to bring your boyfriend here."

Mia's eyes slid two lines of tears, this time she didn't explain, but said gratefully: "Thank you everyone...Thank you..."

Uncle Nan and Uncle Cheng held the cake and sang a birthday song in Cantonese: "Congratulations to you and Tianqi, congratulations on your happy birthday! Every year has today, every year has this day! Congratulations, congratulations to you Everyone

who followed applauded, Uncle Nan handed two candles and a box of matches to charlie, and said with a smile, "Young man, Miss Mia's 24th birthday today is her birth year, so we I have prepared two candles, please help Miss Mia to light them!"

charlie nodded slightly, inserted the two candles, and then lit the candles again.

Everyone hurriedly urged her to make a wish and blow out the candle.

Mia glanced at charlie, closed his eyes, acquiesced to a wish, and then blew out the candle in the presence of everyone.

Everyone cheered again, and then everyone served Mia and charlie their own special meals or snacks, because each serving was very small, Cheng Bo still said to them: "We know Miss Mia I don't like to waste, so I prepared a small amount for each portion. If there is not enough to eat, don't hesitate to speak, and we will prepare it for the two

of you!" Mia said with red eyes: "Thank you for being so caring, still remember mine. Birthday..."

Cheng Bo smiled and said, "It's all right, Miss Mia, let me say something lofty for everyone, you are in our eyes, just like our own daughter!" After

that, he hurried to everyone Said: "Everyone is gone, let's go, don't disturb Miss Mia's two-person world!"

When the crowd dispersed, they left behind a cake and a table of snacks.

Mia's eyes were still red, and she stared at the table full of food, even to the second floor.

charlie looked at her and asked softly, "Missing mom?"

Mia came back to her senses and nodded lightly. Douda's tears rolled down her cheeks. She quickly wiped them away with her hands and said, "Whenever it's my birthday, I miss her so much..."

Saying that, she quickly smiled, looked at Charlie, stretched out her hand, and said in a coquettish tone, "Give me a birthday present, anything will do."

Charlie said embarrassedly: "Look at this mess, I didn't know it was your birthday today, and I didn't prepare anything in advance..."

Mia smiled and said, "It doesn't matter, you can do anything, just send me a coin."

Charlie thought for a while, and asked her, "Do you want a powerful pill that cures all diseases?"

Mia couldn't help laughing and said, "Isn't it... You really have magical powers?"

Charlie nodded and said seriously: "To tell you the truth, I usually work part-time as a pill maker, and I always carry a few powerful pills with me. When I meet someone who can form a good relationship, I will sell him one. Grains."

With that said, Charlie took out a wax-sealed Sanxue Xindan from his pocket, put it in Mia's palm, and said very seriously: "This is my birthday present to you, I wish you a happy birthday.!"

Charlie said here, paused, and instructed: "You must keep it, don't let others know, see, and don't pass it on to others, it's better to keep it with you. Carry it, if you are seriously ill or injured in the future, take it out and eat it, it may save your life at a critical moment!"

Seeing that Charlie was speaking so seriously, Mia thought that he was deliberately teasing her, so she cooperated and said, "Okay, I see, next time I have a period and the pain is so painful that I'm about to die, I'll put it in my mouth!"

charlie hurriedly said: "Don't, don't, don't! If the effect of this powerful pill of mine is a big bowl of rice, then my aunt's pain is like a hungry ant, you must not put a big bowl of rice. Feed this ant, and you just pick one out of the bowl, and it will live a long time."

After speaking, charlie said again: "If your period is unbearable next time, just scrape a little powder on it with a blade and soak it in water. The effect will be immediate."

Mia looked at charlie with a look of surprise, and asked, "Are you sure you don't wink with me, or raise your eyebrows or something? You're so serious, I'm almost taking it seriously."

charlie smiled and said, "It's alright, just listen to it seriously."

Mia didn't believe it in her heart, but she happily took the Sanxuexin Pill from charlie and said with a smile, "Thank you! This is the first birthday gift I asked for from the opposite s*x, although I received one. Dali Pill, it's a bit strange, but thank you very much, I will treasure it well!"

"Okay." charlie nodded and instructed: "You must remember what I said, and review it in your mind several times to make sure that you can recall it in the event of an emergency."

Mia nodded again and again and said seriously, "Don't worry, I will!"

The Amazing Son In Law Chapter 4740 (The Charismatic Charlie Wade Chapter 4740)

When the two were eating on the street, the Zhong family was anxious like ants on a hot pot.

Tonight, Pankaj's father, Huzaiifa, will take Pankaj to a banquet at the home of Zyaire, the head of Hongmen.

However, Pankaj had been out for an afternoon and never came back, and the phone couldn't get through, which made him very anxious.

In the past few years, as Huzaifa's business has grown bigger and bigger, he actually really wanted to get rid of his relationship with Hongmen, but Zyaire is also a human being, so he didn't want to be treated by Huzaifa as a night pot, and he would take it to urinate when he used it. It's fun, and when he's not using it, he thinks he's stinking and wants to kick it away.

Huzaifa also realized that Zyaire has now regarded himself as a cash cow, just like he used to regard him as a backer, and is unwilling to let go of life or death.

Therefore, he could only try his best to find a way to stabilize Zyaire.

Zyaire recently made a lot of money in the business of smuggling frozen meat, but due to the lack of scale, he hoped that Huzaifa could come forward and register a shipping company to help him pick up goods from overseas to Hong Kong Island.

In addition, he also wanted Huzaifa to pay him a sum of money to buy a batch of powerful speedboats, so that he could smuggle frozen meat directly to the mainland through this channel.

In order not to give Huzaifa a chance to refuse, Zyaire, the godfather, was going to put down his body and invite his godson and grandson to the banquet, and then put forward demands at the dinner table. Even if he wanted to come, Huzaifa could not refuse.

However, after waiting at home for a long time, Zyaire was a little annoyed when he saw Huzaifa's figure.

He made a phone call and said, You're a jerk now! Even I can't stand up to you! I've been waiting for you at home for a while, and I haven't seen you until now, what are you? What do you mean? If you look down on my godfather, just say it, I, Zyaire, will never let you embarrass! The big deal is that all the help I gave you before was just feeding the dog, and the two of us will never communicate with each other in the future!"

Huzaifa didn't know Zyaire's routine.

This Zyaire is scheming and good at attacking the heart.

The reason why he said that is nothing more than retreating.

He expected that he would not be able to borrow the donkey and say the words of old age and death, so he deliberately showed weakness while firmly occupying the moral commanding heights.

Since then, I have no choice but to apologize to him.
