

The Amazing Son In Law Chapter 4753 (The Charismatic Charlie Wade Chapter 4753)

When Liu Jiahui saw that Zyaire began to play a hooligan, he knew that it was impossible to reason with the other party about this matter.

So, his expression gradually calmed down and he asked, "MR. Zyaire, how do you want to solve this matter? Just give me a straightforward statement."

Zyaire looked at Liu Jiahui, then looked at Mia, snorted coldly, and said, "Mr. Liu, don't say that I am not funny, I know that your daughter did not hurt my Hongmen members, nor did she hurt me. The godson, so you can take her away as long as you come out with ten million dollars."

"Ten million dollars?!" Liu Jiahui blurted out as if his tail had been stomped on, "Did you make a mistake, MR. Zyaire, you said it yourself, my daughter didn't do anything, and she would take 10 million if she didn't do it. Dollar, you are too loud to speak!"

Zyaire sneered and said: "What? A mere 10 million should be nothing to you, Mr. Liu, right? But for me, Zyaire, it's not the same. Thousands of people up and down my Hongmen are waiting to eat. , without money, they can only go to the streets to beg for food; without money, they can only do things that people like you don't want them to do! Do you think you only need to explain to me alone? I have an explanation for the entire Hongmen!"

An old man like Zyaire has long since mastered the means of threatening others.

Lau Ka Fai is not a fool either.

The meaning of Zyaire's words is nothing more than taking Hongmen as a threat.

Although he is rich and powerful, the more rich and powerful people like him, the more afraid of those who want money but not life.

Now that her daughter has given Zyaire the handle for money, she may not be able to take her away without any blood.

So, he gritted his teeth and said, "MR. Zyaire, I won't say more nonsense. Ten million dollars is too much. If I pay two million, this incident will not happen. What do you think?"

"Two million?" Zyaire said disdainfully: "You are sending beggars, do I have the words "beggars" written on my face, Zyaire?!"

Liu Jiahui sat next to Mia and said, "If two million dollars is not enough, then I will let you, MR. Zyaire, deal with it today. You can do whatever you want to get rid of your hatred. I can do it."

Don't look at Liu Jiahui's usual cheerful smile, but he also has a strong street color in his bones.

He knew very well that if he was taken advantage of in front of Zyaire today, Zyaire would treat himself as an ATM in the future.

I must have some blood today, but I must not make him 100% satisfied, I must let him know that he is also temperamental.

Zyaire really did not expect that Liu Jiahui, a billionaire, would actually play tricks with him.

He now looks like a dead pig is not afraid of boiling water, which immediately makes Zyaire feel a little tricky.

Although he is the master of Hongmen, he does not dare to openly do what to Liu Jiahui.

After all, after the Li family went to the UK for development, the richest person on Hong Kong Island was almost Liu Jiahui.

If he really did something to Lau Ka Fai today, the whole of Hong Kong Island would know tomorrow, and then he would definitely be criticized and criticized, and the Hong Kong Island Police would definitely not sit idly by under pressure.

Therefore, he really did not dare to do anything to Liu Jiahui.

So, his expression softened a little, and said with a smile: "Mr. Liu really has the courage, I appreciate it!"

Liu Jiahui snorted and said, "MR. Zyaire, whether it's okay or not, please give me a word."

Zyaire nodded and said, "Mr. Liu, I don't speak secretly. Today's matter is five million dollars."

Liu Jiahui frowned, then pointed at Mia and charlie, and said loudly, "Five million dollars is fine, but I'm going to take both of them away."

Zyaire laughed out loud: "Haha, Mr. Liu, you may not have understood the situation, the reason why you came is to solve your daughter's problems, and the reason why you are asked to solve your daughter's problems is because of you My daughter is not the main culprit in this matter, so I will give you a chance to resolve the conflict for your sake."

Saying that, he pointed at charlie and said coldly, "As for this kid, no matter how much money you pay today, you can't take him away, because I want his life!"

Seeing Zyaire's killing intent, Liu Jiahui's scalp felt numb.

He could see that Zyaire really wanted charlie's life.

However, if charlie really has something in Hong Kong Island, then his cooperation with Yisu Shipping will probably be permanently strangled in the cradle.

So he hurriedly said to Zyaire: "MR. Zyaire, I am here today, Liu Jiahui, to solve the problem with you completely, so you can directly tell me a price and how much it will cost me to bring them both. Let's go, it's a big deal, I'll add more money to you!"

Zyaire's brows couldn't help but twitch, and he said coldly, "It's not about money anymore, he tied up Zyaire's godson, and he just said mad to me, if I let him go, how can I come out and hang out in the future? "

Lau Ka Fai realized the seriousness of the problem and said quickly, "MR. Zyaire, me wade is new here, and he is not familiar with the situation on Hong Kong Island. He may have some conflicts with you. I apologize to you on his behalf. For my face, let him go! The big deal is that I will add a little more money to 10 million!"

Zyaire has already negotiated with Huzaiifa the terms of 60 million US dollars for three years, so how could he be moved by Liu Jiahui's mere 10 million dollars?

What's more, he has nothing to lose by letting Mia go. On the contrary, if he, as the head of the Hongmen Sect, can't get along with a girl Mia, the whole Hong Kong Island will despise his actions tomorrow.

Therefore, Liu Jiahui paid several million dollars to redeem Mia, which was a windfall for him, not to mention buying a few Rolls-Royces, why not do it himself.

However, if I let charlie go today, if it gets out, I really can't get along.

So, he looked at Liu Jiahui and said coldly, "Mr. Liu, I asked you to take your daughter away with five million dollars. It's already very good for you. If you are wise, write a check for five million dollars. Take your daughter out of here immediately, if you are ignorant, don't blame me for changing your mind!"

Liu Jiahui also realized that Zyaire would definitely not agree to let charlie go, and he was afraid that there was no way he could save him.

At that time, charlie died in the hands of Zyaire, and his cooperation with Yisu Shipping would definitely be in vain, so right now, there is no need for him to stay here and risk the safety of himself and his daughter.

Thinking of this, he gritted his teeth and said to Zyaire, "Okay! Five million is five million. I'll write a check to you now!"

As soon as Mia heard this, she knew that her father had given up on charlie, so she blurted out without hesitation: "If you want to go, you can go by yourself, and I want to stay here with charlie!"

Mia's words made Liu Jiahui stunned.

He subconsciously asked: "Are you crazy? Don't you know that you have to die here?"

"I don't care." Mia said with a firm expression: "YOU will stay with me or leave, or die or live, and I will follow you. charlie together!"

Liu Jiahui was anxious and blurted out: "Mia! Now is not the time to be loyal! Now as long as one person can leave, it is better than two dead together!"

Mia's eyes were firm and he said without hesitation: " Don't persuade me, just go by yourself."

Liu Jiahui stomped his feet angrily: "You have a funny head?! You can't do anything by staying here!"

Mia said coldly: "I said, I don't care! I am I want to stay with Charlie!"

"Go!" Liu Jiahui gritted his teeth, took out his checkbook, kept writing on it, and gritted his teeth, "It was up to you in the past, but not today!"

said After all, he tore off the written check, slapped it in front of Zyaire, and said coldly, "The five million dollar check is here, I will take my daughter out of here!"

Zyaire took the check and looked at it. After confirming that it was correct, Putting the check in his pocket, he said indifferently: "I have to go quickly, my patience is almost exhausted."

Liu Jiahui did not dare to delay, reached out and grabbed Mia's arm, and said loudly: "Go back with me now! "

"I'm not leaving!" Mia was in a hurry. While trying to fight against Liu Jiahui, he subconsciously grabbed Charlie's hand, and two lines of tears could no longer be contained in his eyes.

Charlie couldn't bear it, so he said, "Miss Mia, you don't have to worry about me. You should go back with Mr. Liu. I can handle the rest of the small scenes by myself."

Mia didn't know what Charlie said. From the bottom of my heart, I thought that Charlie was trying to persuade himself to leave, and suddenly cried and said, "I'm not leaving... I want to be with you!"

Charlie said very seriously: "Miss Mia, I'll be fine, you go back with Mr. Liu first, I'll be there in 20 minutes."

Mia shook her head desperately, because she was afraid of being dragged away by her father, five fingers and Charlie clutching her fingers, she cried and said, "I don't want 20 minutes, I want to be with you! You go, I go, you leave me!"

For Mia, she was reasonable and could not leave Charlie who went alone.

After all, Charlie did it for himself, so how could he just walk away at such a time?

However, Mia didn't realize that the motivation that drives him to stay at this moment is not just pure morality.

In her heart, she already had a different kind of emotion towards Charlie, which had never appeared in her 24-year life journey.

Therefore, Mia herself did not realize the existence of this emotion.

At this moment, she just wants to stay and stay by Charlie's side, that's all.

Zyair became impatient, and shouted sharply: "Go! You guys came to me to play Qiong Yao drama?"

After that, he pointed at Mia and scolded loudly: "If you know what you are looking for, just follow your father and get away, or else If so, I'll clean it up with you!"

charlie frowned suddenly, and said coldly, "Damn, your mother never taught you to be polite when talking to girls?!"

Zyaire's last patience was almost exhausted. At the end, he pointed at charlie and said coldly: "Grass! Boy! I've been putting up with you for a long time!"

After that, he pointed at Teacher Lin, and said sternly: "Teacher Lin, immediately tear this kid's tongue off me.

Teacher Lin squinted at charlie, and said coldly: "Boy, you are courting death yourself, no wonder !!"

Charlie Wade looked at him and asked with a sneer, "I think you are also a warrior, why would you be like this? Mixing up with trash? Are you practicing martial arts hard just to be a dog for this kind of trash?"

When

Coach Lin heard this, his eyes widened and he blurted out, "You...how can you tell that I'm a martial artist? At

this time, Coach Lin was a little flustered in his heart.

Martial arts cultivation has always been able to look down on the top, but not from the bottom.

charlie can see that he is a warrior at a glance, but he can't see his cultivation, which means that charlie is likely to be stronger than himself!

If charlie is a four-star warrior, then he does have crazy capital.

If charlie is a five-star warrior, then he can easily counter-kill with his hands!

Seeing that Coach Lin was a little flustered, charlie deliberately said, "I can't see anything, but I have heard others talk about you, and they all say you are a three-star warrior."

In fact, charlie was just talking nonsense, he didn't listen Who has mentioned this person and this person's cultivation.

And the reason why he said that was because he didn't want to let Coach Lin be too quick.

After all, Coach Lin is the most powerful among these people. If he is too cowardly to do anything, then this is a real problem.

When Coach Lin heard this, his heart that had been hanging in the air immediately dropped.

He, a three-star warrior, is indeed very famous among Hongmen and other gangs.

On the roads of the entire Hong Kong Island, almost everyone knows his prestige and his strength.

It's not surprising that charlie has heard that he is a three-star warrior.

So, he breathed a sigh of relief, and said arrogantly: "To tell you the truth, I used to be a three-star warrior of Wanlong Palace!"

charlie was slightly taken aback, raised his eyebrows, and asked with a smile: " Oh? You used to belong to Wanlong Palace? Is that the mercenary organization Wanlong Palace?"

Coach Lin said coldly, "That's right!"

charlie asked again, "Then who are you in charge of? abbas?"

"Angrily said: "Presumptuous! How can you call the prestige of the master of Wanlong Palace directly!"

charlie asked curiously: "Since you respect Abbas so much, why did you leave Wanlong Palace? Is it true? You was kicked out?!"

Teacher Lin's face suddenly flushed with shame, and then he shouted angrily: "My business, what does it have to do with you!"

After that, he looked at charlie and said coldly, "Boy, I heard Brother Aaron say that you are good at skills, and I'll come to experience it!" As

soon as he finished speaking, Lin instructor suddenly rushed towards charlie.

Mia didn't know where the strength came from, she broke free from Liu Jiahui's hand in an instant, and wanted to block in front of charlie, but was pulled behind by charlie.

In the face of Coach Lin's offensive, charlie did not blink, and said lightly: "Since you are from Wanlong Palace, I don't want to do anything with you, it's boring."

Coach Lin stopped and asked charlie, "Why? Afraid?"

charlie shook his head: "I'm afraid it is impossible to be afraid. I, charlie, have grown up so much, and I have never been afraid."

After speaking, he stretched and said lightly: "I'm just tired of playing, I'm not pretending, it's a showdown!"

Teacher Lin frowned and looked at him: "What do you mean? I'm giving you a fair chance to fight. If you don't cherish it, don't blame me for being rude!"

charlie waved his hand and said lightly, "Compete with me fairly? You don't deserve it."

Teacher Lin felt greatly humiliated, and shouted angrily: "Boy! Don't be too arrogant! Do you really think I dare not do it?!"

charlie said indifferently: "Let's talk about it in a while, I'll ask someone to come and see you."
