"Call someone?!"

Teacher Lin snorted coldly: "Why, you still want to find a helper?!"

charlie laughed: "It's not a helper , don't you want to know the whereabouts of Pankaj? I can call now and arrange for someone to bring him in."

Zyaire sneered: "Boy, you are so f\*cking dead that you don't even know it, you think you are calling to find him. Two helpers can come and let you escape safely? Let me tell you, on my Zyaire site, even if the king of heaven comes, he will not be able to take you away!"

charlie smiled: "I don't need anyone to take me away, After I clean up your old dog, I will walk out of here by myself, and then you will be on your knees, crawling like a dog, and barking like a dog to send me out."

"F\*ck you!" Zyaire Completely furious, he pointed at charlie and yelled at Coach Lin, "Kill him! Immediately! Immediately!"

Huzaifa, who was beside him, panicked, and he quickly said to Zyaire, "Godfather, don't act rashly for the time being, godfather! After all, Pankaj is still in his hands, I heard what he meant, it seems that he has an accomplice outside to meet up, if we act rashly, maybe the other party will attack Pankaj!"

Huzaifa is most worried about himself. The safety of his son, before seeing his son, he did not dare to let Zyaire really treat charlie.

After all, if charlie was in a hurry and his accomplices were tearing up tickets outside, then his precious son would be gone.

Zyaire also knew that Pankaj's life and death had to be confirmed now, otherwise if something happened to Pankaj, then Huzaifa's promise of \$60 million over three years would definitely be in vain.

So, he looked at charlie and said coldly: "Boy, if Pankaj can come back safely, I will let you die! Otherwise, I will let you die!"

charlie smiled lightly: "You wait. ."

After all, he took out his mobile phone and sent a message to Abbas.

Let him go directly to the Tesla at the entrance of the bar, and after the car is unlocked, he will bring Pankaj in the trunk.

Then, he said to Mia next to him: "Miss Mia, your car should be able to be unlocked remotely, right?"

Mia nodded lightly, and asked with some doubts, "charlie, who did you ask for help??"

charlie said casually: "A friend, you don't have to worry, just unlock the car."

"Okay..." Mia took out his mobile phone and remotely unlocked the car.

door, Abbas and the two war kings of Wanlong Palace were already standing in front of Tesla and waiting.

After the vehicle was unlocked, Abbas opened the trunk and saw a comatose guy lying inside. He said to Salmaan beside him, "Salmaan, you carry him.

", pulled Pankaj out with one hand and carried it on his shoulders.

Afterwards, the three of them swaggered into the Wave Club.

The younger brother who was in charge of guarding at the door immediately stopped them and said loudly: "There is no business here today, please leave!"

Abbas frowned slightly, looked at him and asked, "Are you sure?"

Jun's murderous eyes were startled, and he said in a panic, "I...I'll go ask..."

After that, he turned around and ran in, panicking: "Sect Master! There are three people coming in outside, oh No, there are four people, and one person has one on his shoulder..."

Zyaire frowned, and immediately guessed that the other person should be carrying his own grandson, Pankaj, so he murmured: "Three people? Three people dare to come and play with me? Don't you know there are more than 100 people here? Let them in!"

The younger brother hurriedly ran back to the door and said to Abbas, "A few, please come in."

Abbas The army didn't say a word, and walked in with the two war kings, Salmaan and Chen.

At this time, Zyaire had a successful smile on his face.

He felt that Charlie was not only crazy, but also stupid to death.

So, he looked at Charlie with a playful face, and said with a smile: "Boy, when you first entered the arena, you can't just pretend to be forceful, you have to use your brains! In this case, my grandson is your only trump card. If you change If I were you, I would definitely fight to the end with this trump card. I didn't expect you to take the initiative to send this ace card back. It's really impressive. You are such a stupid offspring. I've been out for so many years. I saw it once."

Charlie had already seen Abbas and the three of them at this time, so he smiled and said to the three: "Come on, Abbas, let me introduce to you, this is the famous Hongmen Gate on Hong Kong Island. Lord, Zyaire, this old dog is teaching me some experience of walking in the rivers and lakes, so you can also listen to it together."

Standing in front of Charlie, Teacher Lin, who was arrogant, looked back subconsciously at this moment.

He thought that if charlie called a few helpers, the only way was to die.

But when he sees the person coming

his whole body instantly felt like a thunderclap, his brain was instantly dizzy, and his eyes even started to see things clearly.

He never dreamed that he would be able to see Abbas, the master of Wanlong Palace, and two of the four great kings of Wanlong Palace here!

At the beginning, during the battle at Yeling Mountain, the outside world did not know the actual situation of the battle. Everyone thought that the Wanlong Palace had crushed the Wade family, but they did not know that in fact, two of the four kings of the Wanlong Palace had died under charlie.

In the current Wanlong Hall, there are only three people at the top of the pyramid, one is Abbas, and the other two are Salmaan and Chen. Now they are all here.

Even when he was in Wanlong Palace, Lin had no chance to have such close contact with Abbas. His immediate superior was a five-star general, and that five-star general was under Salmaan's command.

Therefore, when suddenly seeing Abbas and the three of them, Coach Lin only felt that all the blood in his body was taken out of time, and he only felt that all this was unrealistic, like a dream.

At this moment, Zyaire didn't notice that Lin, who was struck by lightning, was scolded by charlie as an old dog just now, and he was extremely angry in his heart.

So, he pointed at the three Abbas and sneered at charlie: "Boy, do you really think that calling in these three bad boys will keep you safe?! I tell you! It's not just you today! Even these three bad boys don't even want to leave alive!"

Abbas was stunned for a while, and couldn't help but ask, "Are all the local gangs on Hong Kong Island so fierce?"

Zyaire sneered: "What? Yes. You dare to come here without knowing anything about Hong Kong Island?! Believe it or not, I will let you guys come and return!"

Abbas smiled and shook his head, then looked at charlie and said respectfully: " Mr. Wade, this old dog can bark like this, you must be very upset, do you need your subordinates to shut him up?"

charlie smiled and said, "Let him bark if he likes to bark. Such an old dog can't run fast, bite and bite. If you don't let him bark, he will suffocate to death."

Zyaire couldn't bear it anymore, he saw Looking at the sluggish instructor Lin, he shouted angrily, "Teacher Lin, what are you still doing, why don't you kill them for me!!!"

Only at this time did Salmaan notice the motionless instructor Lin, and he frowned. He couldn't help wrinkling, and asked, "You are...Lin Feiyang?" When

Lin Feiyang heard this, he seemed to wake up in a moment of chaos. Then, he knelt on the ground with a thud and trembled with great respect: "I Lin Feiyang... see the hall master! See the tiger king in white! See the blue-eyed wolf king!"

## The Amazing Son In Law Chapter 4759 ( The Charismatic Charlie Wade Chapter 4759 )

Coach Lin suddenly knelt on the ground, causing everyone present except charlie, Wanlong Hall and others to be stunned, as if struck by lightning!

You know, Coach Lin is definitely a unique top presence on Hong Kong Island.

The city of Hong Kong Island is not a big city, even though the place itself is mixed, but in the eyes of many martial arts masters, this is simply not a qualified place to live.

Take the gang members on Hong Kong Island as an example, they are far from being as awesome as they play in the movie. In front of the real gang, they are just a bunch of younger brothers playing in the mud.

The gang members here have committed something. Taking an hour-long boat ride to Tai O is considered a runaway. If you tell the truth, you will be laughed at by people outside.

This is also why many Chinese gangs go to Japan or farther North America to develop. The reason is that there is really no room for development here.

It is precisely because of this that Coach Lin can become the top of the pyramid of combat effectiveness among the members of the entire Hong Kong Island gang.

Even a veteran like Zyaire had to be respectful when facing Coach Lin.

But it is such a person who is like a star holding the moon, but suddenly kneels down to others, and the whole person is shaking like Parkinson's, which simply subverts everyone's three views.

This group of people was speechless, and Zyaire was even more frightened. After all, he was an old man. Unlike other people who lost their ability to think, he immediately grasped what Teacher Lin said. focus.

"Palace Master... What Palace Master?! Could it be that this person... is the Palace Master of Wanlong Temple?!"

Thinking of this, he was so frightened that he lost his mind and stared at Teacher Lin. , I hope to get a clear message from him.

At this moment, Abbas looked at Teacher Lin, frowned slightly, and asked in a cold voice, "Are you a member of Wanlong Temple?"

Teacher Lin lowered his head and said in a very ashamed manner, "Returning to the Hall Master... This subordinate...subordinate...subordinate used to be a member of Wanlong Palace...Leaving Wanlong Palace two years ago..."

Abbas questioned Said : "Why did you leave?"

"Because...because..."

Having said this, Lin was at a loss for words.

He didn't have the face to talk about his past being expelled from Wanlong Palace in front of Abbas.

Abbas saw that he was submissive and hesitating, and shouted sharply: "You used to be a member of the Wanlong Palace, but you are like a waste with your head down and submissive, what kind of demeanor! Raise your head for me

to come! "

Teacher Lin was so frightened that his whole body was trembling.

However, Abbas's coercion forced him to raise his head to meet Abbas's torch-like gaze.

At this moment, his whole person collapsed and burst out loud. Weeping: "Palace Master...it was his subordinate who violated the discipline of Wanlong Palace, so he was expelled from Wanlong Palace... In the two years since his subordinate was expelled, not a single day has been absent. I long to be able to return to the Wanlong Palace, and I also hope that the Lord of the Palace can be kind to you, so that your subordinates can continue to serve the Wanlong Palace..."

Abbas turned around and looked at Salmaan, He asked, "Salmaan, why was he expelled? Salmaan replied: "

Back to the hall master, if I remember correctly, he should be the one who violated the prohibition and abused banned drugs in order to pursue a breakthrough in cultivation. Dragon Palace.

Abbas nodded, then looked at Coach Lin and questioned him, "Do you know why I don't allow members of Wanlong Hall to use banned drugs ? !

## **The Amazing Son In Law Chapter 4760 ( The Charismatic Charlie Wade Chapter 4760 )**

Coach Lin cried and said, " subordinates know... Although banned drugs are of great help in improving strength in a short period of time, their essence is to overdraw the human body's potential ahead of time, and it has great side effects on the users themselves. " , the harm outweighs the benefit, the gain outweighs the loss..."

Abbas looked at him, pointed his finger at Zyaire, who was frightened aside, and asked again: "Although you have been expelled from the Wanlong Palace, you were once my Wanlong after all. A member of the temple, every member who has served in the Wanlong Temple is proud! But why are you willing to degenerate and work your life for this kind of unpopular garbage? ! Lin J cried and repented: "

The hall master...the subordinates were also confused and greedy for profit for a while, only to be persuaded by this old dog and became the head of the Hongmen...the subordinates lost." The face of the hall master and countless brothers and sisters in Wanlong Hall, please punish the hall master! "

Abbas said, "You are no longer a member of Wanlong Palace. Anything you do has nothing to do with my Wanlong Palace, so you can't talk about losing the face of Wanlong Palace."

After that, Abbas looked towards charlie clasped his fists with both hands and said respectfully, "Mr. wade, although this person is no longer a member of the Wanlong Palace, but he also served under his subordinates, and now he is willing to degenerate, helping Zhou to be the first to abuse, having no eyes, and offending you. After that, the subordinates can't escape the responsibility, how to punish, please

let Mr. wade decide!" Abbas's words made everyone focus on charlie.

At this moment, these talents understood why Charlie never cared about Zyaire at all. It turned out that he was the real big boss.

Even Abbas, a famous and mega-powerful man in the world, must be in front of him

self-proclaimed subordinate, what is the meaning of this, it is self-evident.

This means that everyone in Wanlong Hall, including Abbas, is actually loyal to charlie!

The old fox-like Zyaire instantly understood who he had offended today.

The one who offended him today turned out to be the real master of Wanlong Palace!

He knelt on the ground almost instantly, slapped his face, and cried to charlie, "Mr. wade, I have offended you today with no eyeballs, and please don't have the same knowledge as me, an old bone that is about to sink into the ground.. ...."

charlie smiled: "Don't, you are not an old bone, you are an old dog."

Zyaire's inner fear had crushed all the anger and humiliation in his heart, and he nodded hurriedly: "You're right... I'm down... there's an old dog down here, an old dog that just barks... I beg you to see that I'm an old dog down here. For my sake, forgive me this time..."

charlie sneered: "You were going to kill me just now, but now you are kneeling on the ground and saying that you are an old dog, and you want me to let you go, I so good at talking, what will he do to convince the public in the future?"

Zyaire trembled, crying and said, ". I just tried to speak quickly... and there is no malicious intent... ...."

"Oh." charlie hummed and said, "It turned out to be a quick talk. You said just now, what did you want to ask Lin to do? Oh, by the way, you let him tear my mouth open, and then Pull my tongue out, am I right?"

Zyaire's frightened whole person trembled like chaff, and stammered: "Under... Bullshit...no...no...that's just fart...it's bullshit..."

### **Advertisement**

charlie waved his hand: "Zyaire, you are an old man anyway, you use your own experience to analyze today's events, you think you kneel on the ground and beg me for a few words, and then humiliate yourself, Can this matter pass like this? You have been out for so many years, and there must be many people kneeling on the ground begging you, how did you do it? "

Zyaire looked at charlie's cold expression, and immediately understood in his heart. , Today's catastrophe, I certainly cannot survive it safely.

Thinking of this, he asked charlie in tears: "Mr. wade...you...what are you going to do so that you can raise your hand?"

charlie raised his eyebrows and said lightly: " It's very simple, I want to treat others with the way of others!"
