

The Amazing Son In Law Chapter 4793 (The Charismatic Charlie Wade Chapter 4793)

Seeing Mike crying and begging for mercy, Zyaire's expression was extremely disgusting.

However, he was overwhelmed with beauty.

"It seems that today's trip is the right one! After this incident, charlie's senses of me will definitely improve a lot!"

Thinking of this, he couldn't wait to express his attitude further.

So, he stepped on Mike and said coldly, "Mike, you offended Mr. Wade, which is much more serious than offending me. Don't blame me for being ruthless, but blame yourself for provoking people who shouldn't be provoked. !"

Mike almost collapsed. He really couldn't figure out what the origin of this charlie was, so that Zyaire could turn his face against him without hesitation, and he kept saying that he wanted to kill him.

Moreover, he knows Zyaire very well. This person is cruel and ruthless. When he said that he killed himself, he was not just talking about it, he might actually do it!

Thinking of this, he hurriedly looked at charlie, crying and begging: "Mr. Wade, I offended you because I didn't know You... Please let me go..."

charlie waved his hand: "You didn't speak in this tone just now, don't you think it's a little late to pretend to be a grandson now?"

Mike choked and said, "Mr. Wade, just now I was blind... Fortunately, I am lost and know how to return. Please don't follow the general knowledge..."

charlie said lightly: "I am a person who eats hard and not soft. If you can always maintain your style, I can still respect you as a man. I didn't expect you to be defeated so quickly, and you can't see it at all. The fierceness just now is really disappointing."

After that, he said to Zyaire: "I'll leave this person to you to deal with. I think the method you just said is good. Let's do it this way."

Zyaire gritted his teeth and said, "Don't worry, Mr. Wade, I will definitely handle this matter beautifully, and I will never let any outsiders know about it."

As soon as Mike heard this, his whole body was terrified.

He knew that if Zyaire really wanted to kill him, he would have no chance of escaping at all, so he quickly said: "Mr. Wade...if I die, everyone on Hong Kong Island will know that I am missing from Jiahui's office. At that time, even if Jia Hui jumped into the Yellow River, he would not be able to wash it off! Please look at Jia Hui's face and spare me this time..."

At this time, Zyaire blurted out his thoughts and said: "Mr. Liu don't have to worry about this matter once it is exposed, I will assign a younger brother to carry it down. Anyway, there is no death penalty on Hong Kong Island. It's a big deal. I will give some more pensions. To ten or twenty million Hong Kong dollars, some younger brothers are willing."

Mike hurriedly looked at Lau Ka Fai and burst into tears: "Jia Fai! You and my brother have a fight, Ka Fai, you can't wait until i die, Ka Fai! Please help me and Mr. Wade to beg for mercy, Ka Fai! "

Liu Jiahui said angrily: "I just told you to be low-key just now, you f*cking didn't listen to it at all! If you had stopped earlier, Mr. Wade probably wouldn't have embarrassed you, but you made things like this now. Like, how do you ask me to plead for you?"

Mike burst into tears and kept begging: "Jia Fai... It's all my fault, but you can't just watch me die after so many years of our relationship..."

Liu Jiahui couldn't help but feel a little pity in his heart when he saw that he was crying with snot and tears.

As Mike said, the two of them have known each other for so many years, and it is true that Liu Jiahui can't bear it if he wants to die.

So he hesitated again and again, but still said to charlie: "Mr. Wade, this person is born to be arrogant, plus he hasn't suffered any losses for so many years, so he can't do things without thinking about the consequences, but as he said, He has had a relationship with me for so many years, I really can't bear to see him die, and I also ask you to raise your hand and let him live."

charlie sneered: "He ran over to me and pretended to be such a big deal. If I just spare him like this, where would you put my face?"

Liu Jiahui hurriedly said: "Mr. Wade... I don't mean to let you stop investigating his fault... I just hope you change the way of investigation, at least save his life..."

Mike also nodded quickly and begged: "Yes, Mr. Wade... As long as you can spare me a dog's life, I have nothing to say about what you want me to do..."

Having said that, Mike hurriedly said: "Mr. Wade, I can pay to make amends! You only need to say the amount!"

charlie sneered: "It's not that I look down on you, there are many people who want to exchange money for me to open up, but you are definitely the poorest of them."

Speaking, charlie asked with a bit of contempt, "What is the market value of your company?"

Mike hesitantly said: "Almost 3 billion Hong Kong dollars..."

charlie said disdainfully: "Converted to US dollars, it is only 400 million. To be honest, it is not enough for me to plug my teeth. In addition, I estimate that all your assets add up to a

billion dollars. Just ask. Zyaire and Huzaifa agreed to me yesterday in exchange for my forgiveness.”

“Huzaifa?!” Mike exclaimed, then looked at Zyaire in awe, waiting for his reply.

Zyaire said arrogantly at this time: “Tell you Mike, Huzaifa promised Mr. Wade yesterday that he will pay a total of 10 billion US dollars in compensation within the next ten years!

“Ten billions in ten years?! Or dollars?!” Zyaire was stunned, he said subconsciously: “This Huzaifa has a total net worth of 10 billion dollars! How could he agree to give out so much money...”

When Zyaire went up, he received a fierce slap in the face, causing Mike to see gold stars in his eyes.

At the same time, he said cursingly: “Crap! Do you think I’m joking with you?! Mr. Liu was there yesterday, if you don’t believe me, ask him!”

Mike hurriedly looked at Liu Jiahui beside him, his eyes filled with consultation.

Liu Jiahui nodded slowly and sighed: “Born, what MR. Zyaire said is true, ten billion dollars in ten years, without any moisture!”

Mike only felt extremely dry in his throat and swallowed hard, not knowing what to do for a while.

Although he did not believe in Zyaire’s behavior, he had no doubts about what Liu Jiahui said.

Before I didn’t believe what Liu Jiahui said, I suffered a big loss. Now, every word Liu Jiahui said to me was from the bottom of my heart. It’s a pity that I was blinded by lard just now, and I didn’t listen to this old man. Friends of the good words to persuade, and now it is too late to regret it.

However, he still couldn’t understand one thing: “How big is this charlie, so that Huzaifa can promise to pay 10 billion US dollars as compensation in 10 years?”

"If Huzaifa can only solve the problem by spending 10 billion, how much money do I have to spend?! I'm far less rich than Huzaifa!"

Just when he didn't know what to do, Liu Jiahui looked at charlie and pleaded: "Mr. Wade, I think I know it's wrong, if you don't know what to do, give him a chance to make amends for you. He died..."

charlie smiled and asked him, "What life do you want me to keep him for?"

"Huh?"

Liu Jiahui was stunned by charlie's question, and said subconsciously, "It's just... just keep him alive... even if you break his legs..."

charlie laughed, looked at Mike, and said, "Come on, say it yourself, what kind of life do you want me to save ?"

Mike blurted out without hesitation: "Dog life! Leave me a dog life! Beg you Me. wade Raise your hand, sir, and save me a dog's life!"

charlie nodded and said, "Since Mr. Liu has also interceded for you, it's not impossible that you want me to save your dog's life, I'm in a good mood now. For your sake, I'll give you a solution."

After that, charlie reminded: "Listen, I'll only give you this one solution, if you agree, today's matter is over, if you don't Promise, this matter will be handled by Zyaire."

Mike was surprised and happy when he heard this, and blurted out, "Mr. Wade, don't worry, I will definitely agree!"

charlie waved his hand and said lightly: "Don't promise so early, when I'm done, tell me if you will."

Mike hurriedly said, "Please tell me!"

charlie glanced at him, then pointed at Zyaire and said, "You now Just draft a document and sell your entertainment company to Zyaire at a price of 10,000 Hong Kong dollars. From now on, you are not allowed to step into the entertainment industry."

"What?!" Mike collapsed instantly and blurted out: "This is It's half my life's hard work!"

charlie frowned: "You mean you don't accept it?"

Liu Jiahui became anxious at this time, and blurted out, "Mike, do you still care about the things outside your body when your f*cking death is imminent? Mr. Wade just wants your entertainment company, and he didn't ask you to hand over all your other assets, so why do you have any hesitation?"

charlie looked at Liu Jiahui and said very seriously: "Mr. Liu, I don't like hearing what you say, why do I want his entertainment company? A company with a mere two or three billion Hong Kong dollars, I will pay attention to charlie. I just feel that I am very satisfied with Zyaire's performance today, so I want to fight for a little benefit for him. As I said just now, I asked him to sell the entertainment company to Zyaire, and I will not take any money myself."

Liu Jiahui raised his hand to draw He slapped himself and repented: "Mr. Wade, calm down your anger, it's all inappropriate words and slaps!"

Zyaire was overjoyed at first, but quickly calmed down.

Come on, I thought to myself: "How could this charlie be so good, give me this entertainment company... He just wants me to be his black glove and come forward to help him hold it... I really want to treat this entertainment company as my own industry and act recklessly, he is afraid that he will break my leg!"

So he immediately said to charlie, "Don't worry, Mr. Wade, I will definitely help manage this entertainment company in the future. The company!"

charlie frowned and said, "I'll give you a chance to repeat it."

Zyaire trembled in fright, and quickly said, "Don't worry, Mr. Wade, I will definitely manage this entertainment company in the future!"

charlie said lightly : "Don't talk too early, I just proposed this solution, but people may not accept it."

At this moment, Mike felt that all his blood was dripping from his heart.

How can I give up the foundation that I have worked hard for half my life.

But seeing this situation today, he is already doomed.

Even Huzaifa was not his opponent, so how could he escape?

The Amazing Son In Law Chapter 4796 (The Charismatic Charlie Wade Chapter 4796)

So if you want to survive, the only way is to agree to his conditions.

So, he couldn't help choking and said: "Mr. Wade, I'm here... I'm willing to..."

charlie waved his hand: "Don't tell me this, I have nothing to do with you, although you humiliated me over and over again today, But I haven't touched a single finger from you, let alone asked for a penny from you. Today's matter is all personal affairs between you and Zyaire. He was called by you. Selling it to him is also of your own free will, so the two of you find a place to solve this matter, I don't want to get involved."

Liu Jiahui was stunned, and sighed inwardly, "I'm going to slap your lungs. This charlie is really shameless, and with just these two sentences, he has completely picked himself out of it?"

Mike was also dumb eating Huanglian at this time, and he couldn't say anything.

In his opinion, although charlie behaved extremely shamelessly, what he said just now was impeccable.

Today, I called Zyaire over by myself, and it was Zyaire who beat him, not charlie.

Now charlie asked himself to sell the company to Zyaire, and it was also between himself and Zyaire that he completed the transaction, and it really has nothing to do with him, charlie.

In other words, after passing the hurdle today, if

I regret it. If I want to ask the police to intervene, there is no way for the police to arrest charlie, but to have the police arrest Zyaire.

However, there are thousands of disciples of Zyaire, and if he really broke his face with him, wouldn't there be only one dead end?

Just when he was extremely depressed, he heard charlie say to Zyaire: "Zyaire, this matter is a private matter between you and Mike. In my opinion, the two of you should find a place to deal with it in private. There is still something to talk about, sir, and it is not appropriate for you to stay here and harass."

Zyaire knew that Mike would have to take it upon himself today.

However, he didn't care about that.

Ten years of ten billion dollar fundraising managers have become managers, and it doesn't matter how many more they become managers of entertainment companies. Anyway, I know the stuff in the entertainment industry, and I have already mastered it.

Zyaire didn't bother to think about how much impact this matter would have after it got out. After all, he only recognized one thing, that is, he couldn't offend Charlie. As for the others, it's up to him.

Thinking of this, he immediately said, "Mr. Wade, Mr. Liu, I'm really sorry today, because some personal grievances between me and Mike disturbed the tranquility of the two of you. I'll take him elsewhere to solve it now."

charlie nodded, pointed at Xue Shiyu, and said to him: "The first thing you do after you take over the entertainment company is to change Miss Xue's contract, from the previous full management contract to a music consultant employment contract, the content of the contract. It is to hire Miss Xue as a part-time music consultant of the entertainment company, and pay Miss Xue 1 million Hong Kong dollars every year. At the same time, this contract shall not force Miss Xue to do anything for the entertainment company, and shall not restrict Miss Xue's freedom in any field. Do you understand?"

Zyaire said without hesitation, "Don't worry, Mr. Wade, I will finish this matter as soon as possible next time!"

Xue Shiyu said nervously at this time: "How can this work, Mr. Wade... I am very grateful if you can help me terminate this contract. As for the previous 1 million signing fee, I will definitely work slowly in the future and rely on it. Work-study and pay it back slowly!"

charlie waved his hand: "The 1 million yuan doesn't have to be repaid, and you don't have to refuse the 1 million yuan every year in the future. Since you want to study, you should study hard. After you finish your master's degree, you can also study for a doctorate. After you finish reading, you can also go to post-doctorate, as long as you are willing to read, you can continue to read, as long as you are still studying, the annual salary of 1 million will always be there!"
