

The Amazing Son In Law Chapter 4807 (The Charismatic Charlie Wade Chapter 4807)

By virtue of his status as a shareholder of Hong Kong Island Airport, after Liu Jiahui made a phone call, an airport executive hurried over. After a while, he invited everyone to the VIP lounge on the second floor of the arrivals hall.

This VIP lounge itself is used to receive VIP customers. Liu Jiahui had really thought about whether to prepare a lounge.

But when he thought that Fei Kexin was a distinguished guest, he had to stand in the arrival hall and wait to be greeted, in order to appear to be paying enough attention.

Otherwise, if he sits in the VIP lounge and waits for others to bring Fei Kexin over, his posture will be a little too high.

After coming to the VIP lounge, Liu Jiahui still had this concern in his heart, so he asked charlie: "Mr. Wade, is it inappropriate for me to sit here and wait for your VIP guest? Otherwise, tell me the guest's name. I, I will write a sign to go outside and wait to meet you, you and Miss Fei will rest here!"

charlie waved his hand and said with a smile, "Mr. Liu, don't be so polite, that distinguished guest is my elder, so of course I will personally Welcome, then you will rest in the room for a while, and when I receive him, I will invite him over to meet you."

Liu Jiahui said hurriedly and diligently, "Mr. Wade, let's accompany you next time!"

charlie smiled slightly: "I really don't need to, I'll just go there myself."

After speaking, he no longer gave Liu Jiahui a chance to mediate, and instead said to Fei Kexin: "Miss Fei, Mr. Liu is very strong on Hong Kong Island. We can talk more."

Fei Kexin nodded with a smile, and said, "Okay, Mr. Wade."

Liu Jiahui hurriedly smiled and said, "Miss Fei, how many days are you going to stay on Hong Kong Island this time? Fei Kexin looked at Charlie subconsciously and smiled: "

How long I stay depends entirely on Mr. Wade. I will stay as long as Mr. Wade needs me to stay."

Liu Jiahui felt more and more surprised in his heart: "It seems that Fei Kexin is not as simple as having a good impression of Charlie, it is completely like falling in love! The big family in charge of thousands of trillions of dollars, but How can I let go of what I am doing for Charlie, and run to Hong Kong Island from thousands of miles away, and also said that as long as Charlie asked her to stay, she will stay as long as possible, this... This man can't stand it!

" This, he felt even more bleak for his daughter Mia: "If I were Charlie, I would definitely choose Fei Kexin... In that case,

Isn't Mia no chance at all? With

emotion, he looked at Fang Jiaxin next to him subconsciously, and couldn't help thinking: "Actually, for a man like Charlie, with such a strong strength and background, there must be no only one woman, right? Maybe he is just like me in his bones, showing mercy everywhere... He even has a second or third bedroom outside... If that's the case, there may be hope for Mia! "

Thinking of this, Liu Jiahui's hanging heart dropped a little.

However, he immediately thought to himself: "That's not right! I, Lau Ka Fai, are also the richest on Hong Kong Island, so I can't let my daughter be Charlie's child, right? If this is spread out, it would really be a shame! At

this moment, Fei Kexin on the side said to Charlie, "Mr. Wade, the Fei family's shipping business has accumulated for many years, and the business scale is relatively large. Recently, I want to work hard to expand the Asian market. I want to simply Carry out in-depth cooperation with your Yisu Shipping. If Yisu Shipping has excess waybills in Asia, it can be digested by Feijia, and then the profit will be taken by Yisu Shipping. Charlie said casually, "

No problem, China's export volume has surged recently, and the demand for unilateral shipping capacity is indeed huge. It is impossible for Yisu Shipping to eat it. I will say hello to ziva later and let her integrate. Take a look at the capacity on your side and arrange them uniformly. "

"Okay. "Fei Kexin smiled coquettishly: "Then thank Mr. Wade first!" "

charlie said with a smile: "It's such a small matter, you're welcome. After speaking, he pointed to abbas and said, "

If you also need armed escort here, you can directly connect with abbas." "

Fei Kexin smiled and said, "I just wanted to say, since this is the case, then I will turn back and let the person in charge of the shipping business connect with Mr. abbas."

Abbas clasped his fists and said, "Miss Fei, don't worry, I will definitely cooperate with you. " "

Liu Jiahui, who was next to him, was shocked when he heard this, and thought to himself, "Why do I listen to what Fei Kexin said, it seems that charlie is the real boss of Yisu Shipping? That ziva hank seems to be following charlie's orders to do things?"

Thinking of this, he couldn't help sighing: "If you want to come to charlie with such a big background, he can't just be an assistant of Yisu Shipping!"

"If charlie is the behind-the-scenes boss of Yisu Shipping, then charlie's real strength is probably more than I imagined. Even stronger!"

Immediately, he subconsciously looked at Charlie, seeing charlie's talent, and with Abbas and Fei Kexin, two great people, his future prospects are bound to be limitless.

So, he couldn't help but sigh in his heart: "Hey! Be young when you are young! What about him! As long as a man is really capable, even when he is young, he will climb high, and whether he will be able to climb the great Buddha charlie in the future, he will be Look at Mia's ability!"

At this time, Liu Jiahui was all thinking about how to get closer to charlie, but he didn't realize that danger was approaching.

More than ten minutes later, Abbas received a call from his subordinate and hurriedly came to report: "Mr. Wade, the guest is coming out."

"Oh?" charlie immediately stood up and said, "The distinguished guest is here, Everyone wait here, I'll come when I go."

Liu Jiahui said quickly and diligently: "Mr. Wade, will I accompany you?"

"No need." charlie waved his hand: "You wait for me here for a while, and you can follow me by the way. Miss Fei, talk more."

Liu Jiahui hurriedly said, "Okay, then we'll wait for you here."

charlie greeted Fei Kexin, and then walked out of the VIP lounge together with Abbas. Come out and walk quickly towards the customs exit.

At this moment, Arman has also completed all the entry procedures.

After all, he is a legal citizen of Hong Kong Island, and he has not violated the laws of Hong Kong Island, so after completing the formalities, he regained his freedom, took his luggage directly, and walked out of the customs office.

At this time, Arman was already ready for his death. His only hope was that he would not be killed by an anxious killer after going out. He also hoped that he would be able to return home to see his elderly mother.

However, he is also entangled, if he goes home by himself, will it bring death to his family as well.

Or, will the elderly mother take a bigger hit if she sees herself killed.

Thinking of this, Arman made a decision in his heart. He didn't plan to go home. He simply waited for the other party at the airport gate.

In this case, at least the old mother who bought Nian will not watch her being killed.

After making up his mind, Arman stepped out of the customs exit, ready to die.

At this moment, he suddenly heard a familiar voice: "Uncle Arman, welcome home!"
