

The Amazing Son In Law Chapter 4879 (The Charismatic Charlie Wade Chapter 4879)

Fei Kexin's smiling remarks made all the reporters on the scene stunned.

Although everyone guessed that Fei Kexin might know Liu Jiahui, no one thought that Fei Kexin could give Liu Jiahui such face.

In her capacity as the chairman of a trillion-dollar enterprise, being a VIP here has already made Liu Jiahui flourish, but who would have guessed that she was actually invited by Liu Jiahui to make a cameo appearance at this housewarming ceremony. Moderator, in the eyes of everyone, this is really too much face for Liu Jiahui.

You know, Liu Jiahui's assets are only one percent of the Fei family's.

Seeing the horror of these reporters, Liu Jiahui only felt an unprecedented relief in his heart.

No one does not love face, and at this time, Liu Jiahui only feels that his old face has never been so bright in his life.

When Fei Kexin came forward, those reporters who originally wanted to see Liu Jiahui's jokes also put away their usual gossip attitude and began to take this housewarming ceremony very seriously.

And Fei Kexin also used her perfect eloquence and personal charm to reveal 100% what Charlie wanted her to express.

When she said that she admired Liu Jiahui and Arman's actions to release their previous suspicions, the media reporters at the scene suddenly felt the same way.

At this time, when they looked at Liu Jiahui and Arman again, they no longer had the mentality of watching a good show, but they really believed that the two people could still laugh at each other after 20 years, which is simply a story of the century.

With Fei Kexin's threading, this housewarming ceremony became full of humanistic spirit. The reporters on the front line sent the situation back to the headquarters. Countless

Hong Kong Island media also immediately wrote a large number of very positive news reports.

For a time, the whole Hong Kong Island was moved by the reconciliation between the two people after 20 years.

In this way, it can be regarded as giving Liu Jiahui the best step, which greatly saves his face.

As for Arman, he can finally live upright on Hong Kong Island, and no one will try to kill him and ask Lau Ka Fai for secret flowers.

And Arman's family not only ushered in a family reunion, but their lives have also undergone earth-shaking changes.

In the past, because they were relatives of Arman, they suffered all kinds of exclusion on Hong Kong Island.

However, starting today, this situation will take a 180-degree turn.

charlie finally felt relieved when he saw this scene.

Help Uncle Arman come back and help him and his family at Hong Kong Island Station to stabilize the foundation, and at the same time get Uncle Arman's promise.

In the future, there will be one more general in his business empire.

Moreover, it was still recognized by his father back then, and even a general he had appointed.

After the housewarming ceremony, Liu Jiahui arranged for his assistant Amin to give all the media reporters a big red envelope in the name of Arman, which was nominally a car and horse fee.

After the media reporters left contentedly, Liu Jiahui arranged a sumptuous banquet in the villa.

In this banquet, in addition to Arman's family, there were also Liu Jiahui and Fang Jiaxin, as well as his daughter Mia.

There were also two VIP seats at the scene, reserved for Charlie and Fei Kexin.

After Charlie was seated, Liu Jiahui stood up with the glass of wine, and said to Charlie with great gratitude: "Mr. Wade, everything is thanks to you today, I can't describe my gratitude to you in words, in order to express my gratitude to you. Thank you, I will do it first as a tribute!"

After saying that, before Charlie could speak, he drank all the wine in the cup in one gulp.

Charlie smiled slightly and asked him, "Is Mr. Liu satisfied with today's affairs?"

"Satisfied, satisfied!" Liu Jiahui nodded his head like a garlic, and said excitedly: "Mr. One thousand satisfactions, ten thousand satisfactions! Oh no! It's not satisfaction, it's gratitude! Thank you, Mr. Wade!"

Charlie nodded and said indifferently, "It's best if you're satisfied, this matter is everything today. The dust has settled!"

Liu Jiahui said quickly, "Yes, yes, everything has settled, and there are no more variables!"

Arman also stood up with a glass of wine at this time, and said respectfully, "Young Master Wade, I can return to you in some time. Hong Kong Island, the family reunion, thanks to your help, I also toast to you!"

After that, he, like Lau Ka Fai, drank it all.

Charlie first clenched his fists at Liu Jiahui, and said, "Mr. Liu, I have something to ask for your help."

Liu Jiahui said flatly, "Mr. Wade, if you have any orders, just open your mouth, go up the mountain of knives, go down to the sea of fire, I'll never blink!"

charlie smiled slightly: "It's not so troublesome, I just want to ask you to take care of Uncle Arman's family in the future. After all, the two of you live so close now, which is relatively more convenient."

Liu Jiahui didn't think about it. He said, "Don't worry, Mr. Wade! In the future, Arman's family is my family, and I will definitely take good care of it!"

he looked at Arman and said earnestly, "Arman, if you go to the mainland for development in the future, your family members can rest assured and leave it to me!"

Then he pointed to The villa opened his mouth and said: "I have already told that I will bear all the expenses of this villa in the future, and I will also bear the labor of the driver, Filipino maid, and housekeeper. In addition, I will pay another one million US dollars per month. Living expenses!"

charlie said seriously: "Of course you can't make money and work for this kind of thing, so I have to pay the money."

Arman hurriedly said: "Master wade, my family is used to being frugal all my life, so I can't use it at all. So much money..."

charlie said with a smile: "It's fine, it's all part of your salary in the future, just let your family keep it for you."

Arman said nervously: "Master wade, I have been working for so many years. I run that roast goose shop in Chinatown, and I haven't done any serious work. If you need my old bones, I will die. But how can I get such a high salary as you? As long as you prepare a place for me in Aurous Hill, and give me a meager salary, it will be enough for me to live in Aurous Hill..."

charlie said seriously: "Uncle Arman, you are someone that even my father admires very much. , Uncle sun has always praised you, and I believe that their vision will never go wrong." After

speaking, charlie added: "What's more, human society has developed for so many years, only science and technology are constantly developing. , but the basic logic of human

nature and the operation of the entire society has not undergone any changes. As the so-called "change is the same, I believe that you will be able to create great value."

Liu Jiahui, who was on the side, also echoed: "Arman, you are the smartest person I have ever met in my life. I have always believed that for so many years. I believe that you will be by Mr. Wade's side in the future, and you will definitely be his right-hand man and expand the territory for Mr. Wade's business. And I believe that Mr. Wade must think the same as I do, otherwise he wouldn't be able to put so much thought into you."

Speaking of this, Liu Jiahui couldn't help but sigh: "Actually, I thought a lot in bed last night, and I wanted to understand one thing, that is, with Mr. Wade's strength, if you just simply help you solve my trouble, it is really too simple, as long as he says a word, the soldiers of Wanlong Palace may make me die inexplicably, and then you can naturally return to Hong Kong Island safely, and he doesn't have to come in person at all;"

"But Mr. Wade's So if you come to Hong Kong Island in person, I definitely want to help you completely open up this knot, not only to let you have no worries, but also to let you find the old Arman who dominated Hong Kong Island!"
