

The Amazing Son In Law Chapter 5381 -

When charlie returned to Tomson Yipin Villa, Claire was still cleaning the house with several cleaning staff.

Because the smell of tobacco and alcohol, moldy food, and vomiting on the first floor were really too strong, the cleaning company even used professional deodorizing equipment to thoroughly clean the entire first floor.

And Jacob, who was one of the sources of the smell, had been invited to the yard by Claire at this time.

After Jacob was heavily drugged by Charlie, he didn't drink too much alcohol all day long, but he was still a bit decadent. At this moment, he was sitting in the yard alone, wearing a pair of underpants and a basketball vest, smoking a cigarette and sighing.

Only then did charlie realize that his old father-in-law's body had become more and more swollen, especially when he was sitting there, his belly had piled up into a large lump, coupled with his scruffy beard, the whole person's state suddenly It's much greasy.

Seeing charlie come back, Jacob's eyes suddenly lit up, he quickly got up to greet him, and asked, "charlie, my good son-in-law, Dad has something to do, and I want to ask you for advice!"

charlie asked him, "Dad, what is it?" Just say it when the time comes."

Jacob looked around and saw no one around, so he said with a serious face, "I plan to go to Hank to have a good chat, why don't you come with me?"

charlie asked in surprise, "Go to him What are you talking about?"

Jacob said seriously, "Isn't he a gentleman? People say that a gentleman doesn't take away people's love. I'll reason with him and tell him not to pester you, Auntie Matilda. Did you let go? If he lets go, your Auntie Matilda's heart might come back to me!"

charlie's face was full of question marks, "Dad, there's nothing wrong with saying that a gentleman doesn't take people's love, but strictly speaking , Your lover is Mom, not Aunt Matilda! If he came to confess to Mom, your theory is still useful, and the key point is that he didn't do it."

Jacob said eagerly, "Then...then I have to give Does he create some difficulties? If you can't create practical difficulties, at least you should create some psychological difficulties for him!"

As he said that, Jacob said again, "By the way, isn't he a professor? I'll go to their school to find him. In front of his students, colleagues, and leaders, I beg him not to pester you, Aunt Matilda, and create some public opinion pressure for him!"

charlie said embarrassingly, "Dad, I will definitely not go to something so embarrassing and has no bottom line. In addition, you have to think about it. The pressure of public opinion is a double-edged sword. Now that the Internet is so developed, you just go to make troubles." Son, there is a high probability of being photographed and posted on the Internet, and once on the Internet, there is a high probability of being seen by mom, if mom sees it and troubles you, then I can't control it."

When Jacob heard this Words, the scared neck shrank suddenly, and the two-finger-long soot fell to the ground in shock.

He became depressed all of a sudden, and murmured, "If Elaine finds out, wouldn't his mother die?"

Just after he finished speaking, there was a roar of an engine.

The iconic V8 engine of Mercedes-Benz Big G is still very recognizable, and charlie knows that there is a high probability that souna and Elaine are back without looking. So, he reminded Jacob

, "Dad, Mom is back, you'd better pay attention."

Big G has arrived at the door.

Jacob didn't dare to pick it up any more, so he raised his foot to wipe out the cigarette butt. At this moment, he saw the window of the co-pilot was lowered, and the red-faced Elaine leaned out half of his body, and shouted, "Jacob, what the hell are you doing in a daze? Come pick up my old lady." One!"

"Hey, here we come!" Jacob hurriedly agreed twice, and trotted all the way.

When he arrived at the Mercedes-Benz Big G, he helped Elaine out of the car, and souna in the cab said to Elaine, "Elaine, if you are fine tomorrow morning, I will take you to eat the best Cantonese style food in Aurous Hill." Morning tea."

The Amazing Son In Law Chapter 5382 -

Elaine turned her back to souna, curled her lips and made a disgusted expression, then suddenly changed into a smiling face, turned around and said, "Okay, you honk the horn at the door tomorrow, and I'll be down in five minutes.

souna nodded, and snapped her fingers chicly, "Let's go, goodbye. "

After speaking, he kicked the accelerator and drove the car out.

Elaine was walking home with the support of Jacob, cursing and swearing, "This damn souna, she was so embarrassed in front of my old lady this day, I don't think she even knows her last name! Damn, God is really short-sighted, let this kind of woman make money!"

Jacob said casually, "Since you can't see it this way, stay away from her in the future, don't pay attention to her, don't give her a chance to embarrass you in front of you. "

"You know what a fart." Elaine said very seriously, "When I was rich, even though souna hated me to the bone, she always followed me behind my ass. Sister Elaine is long and Sister Elaine is short. Is it why?"

Jacob nodded, "I know, don't take advantage of the bastards, although you two were not born by the same mother, your temper and personality are no different from your own sister. If you kill your father and enemy and invite you to dinner, you two will be fine. I will definitely go."

Elaine didn't feel that Jacob was mocking herself at all, but said very proudly, "This is called being able to bend and stretch, and no one will have trouble with money."

Then, Elaine said, "Hurry up and help me go back to the house, I have something important to do!"

Jacob didn't dare to make mistakes, and quickly helped Elaine into the house, and then took her up to the third floor.

As soon as Elaine entered the room, she drove Jacob out, then took out her cosmetics, and began to carefully dress herself up in front of the mirror.

While putting on makeup, she muttered in her mouth, "Damn, didn't you, souna, just make some money by doing live broadcasts? As if no one knows how to live broadcast, I want to live broadcast too, Grandma Ma! I will start broadcasting tonight! not muchFor a long time, I must have more fans and earn more than you! " It's

also a day that I haven't put on makeup carefully. Elaine couldn't control it when she started using too much force, and quickly turned herself into a heavy makeup look.

But Elaine is very immersed in herself in the mirror, proud of herself He muttered, "Isn't this much prettier than souna? She souna attracts fans by selling miserables, but I, Elaine, can't afford to lose that person. I, Elaine, can also attract a lot of fans by relying on my beauty! At

this time, Claire knocked on the door and said, "Mom, dinner is ready." Elaine didn't care about eating, so she said

casually, "I don't want to eat, you can eat!" "

Claire said, "You have been out running for a day, how can you not eat dinner. Elaine said casually, "

I don't want to eat, my legs and feet are not convenient, and I have to toss about going up and down the stairs." "

Claire didn't say any more after listening, turned and left downstairs, prepared a single dinner for Elaine on the dining plate, and then brought it up.

Thinking that they were all women, Mom was alone in the room Claire didn't knock on the door when he came in. After entering the door, he walked in and said to Elaine, who was sitting on the dressing table with her back to her, "Mom, I don't have time to cook today. I ordered some takeaway. Everything is delicious." I'll give you a little bit, and you can eat it while it's hot. Elaine turned her head, pointed to the

beanbag sofa and small table by the window sill, and said casually, "Put them there first." Seeing

Elaine wearing heavy makeup, Claire took a step back unconsciously in fright, and blurted out, "Mom, you...why do you wear such heavy makeup..."

"Is it thick? Elaine looked around in the mirror and muttered, "I think it's pretty good." "

Claire said awkwardly, "But you have been out all day, what is the operation of putting on makeup when you come back... Could it be that you still have to go out at night? Elaine quickly waved her hand and said, "

If you don't go out or go out, I'm just playing for fun, so don't worry about it!" "
