

The Amazing Son In Law Chapter 5387 -

Claire didn't expect that she came here to comfort his mother, but in the end he was misinterpreted by her mother. In desperation, he could only explain, "Mom, I didn't mean that..."

Elaine waved her hand dejectedly, "Forget it, you too You don't need to explain to me, the explanation is to cover up, you just think in your heart that I can't do the live broadcast!"

Claire sighed, "Then what do you think? If you want to think that you still have a chance, then you If you want to continue the live broadcast, I also support it, but there is one thing, no matter whether this matter succeeds or fails in the end, you must control your emotions. You can't do things if you don't succeed. , wouldn't the gain outweigh the loss?"

Although Elaine was aggressive and unreasonable, she could still hear the good and the bad sometimes, and she knew very well that there was nothing wrong with what her daughter said.

When doing things, you must not lose money, lose battles and lose people.

So, she looked at Claire, nodded and said, "Okay, Claire, don't worry, I was a little angry just now, and I will be able to adjust it soon, isn't it just blocking me for 72 hours? After 72 hours, I will Come again! I have been serving Willson's family for nearly 30 years, and I still care about these 72 hours? Even if it is 72 days, I will fight them to the end!"

Seeing her mother's unyielding attitude, Claire suddenly I don't know whether to praise her or criticize her.

However, she thought about it again, after all, she was banned for 72 hours, which meant that in the next three days from now, she no longer had to worry about her mother being such a moth.

This made her feel a little easier in an instant, so she asked Elaine, "Mom, I saved your dinner for you. Would you like to go down and eat some?"

" The egg is full, what else to eat..."

Claire said helplessly, "Then let's talk about it when you are hungry."

Elaine nodded, and said with a little gloom, "Okay, Claire, go eat, let's eat." Mom is alone for a while."

After speaking, Elaine couldn't help sighing, "It's been really unlucky during this period, did I use up all my luck after winning the lottery?"

Claire asked curiously, "Mom, what did you mean by winning the lottery?"

"Hey!" Elaine subconsciously said, "That's the last time I bought something..."

At this point, Elaine realized that she had almost slipped her mouth, so she hurriedly said, "Actually, I went to the mall before. I won a special prize, saying that I can buy Laokeng jadeite with a 0.1% discount, and a million Laokeng jadeite can only be sold for 10,000 yuan..."

Claire subconsciously said, "That's all a lie, you didn't Are you fooled?"

Elaine hurriedly said, "Of course I didn't buy it, is there anyone who can fool me?"

Claire breathed a sigh of relief, and said, "It's fine if you don't buy it. This kind of thing is a lie. It's a million Selling it for 10,000 yuan may not be worth a hundred yuan."

Then, seeing that Elaine's current mood was fine, she wanted her to digest it by herself, so she said, "Mom, you should be alone. I'll go down first."

Just as Claire turned to leave, Elaine thought of something, stopped her quickly, and said, "By the way, Claire, do you have any plans for tomorrow?"

Claire thought for a while, and said "I'm going to visit the company. I'm just busy cleaning up the house today, so I didn't go there."

Elaine asked her pleadingly, "Claire, can I ask you something?"

Claire said, "Mom Why are you being polite to me, just tell me what you need me to do."

Elaine said very seriously, "Mom wants to go to Qixia Temple to worship Buddha tomorrow morning, and I beg Buddha and Bodhisattva to bless Mom. I went to the United States, and it didn't seem to go very well! If the luck is not good, the fortune will definitely not be too good. It's a ghost to make money by live broadcasting! So I'd better take advantage of the time when the live broadcast room is blocked. , go to temples to pray more."

The Amazing Son In Law Chapter 5388 -

Claire hesitated for a moment in her heart. She felt that it was inappropriate for her mother to go to Buddha to pray for blessings for the live broadcast, not to mention that she hadn't been to the company for so long, and she wanted to go back and have a look.

So she said to Elaine, "Mom, why don't you let charlie go with you."

Elaine said with a look of embarrassment, "That... Claire... you should go with Mom, I'm too embarrassed to order me Good son-in-law, it would be inappropriate for him to have any opinion on me... Besides, I am inconvenient to walk now, and I have to walk on crutches, so it is not appropriate for a good son-in-law to support me..."

"And I don't want to Let him and your father know that we will go together. If it doesn't work, we will leave early. We will leave home at seven o'clock and arrive at the place at half past seven. After I worship the Buddha, you will go to work again. It will be half past nine for sure. It's not too late to be able to go to the company, right?"

In Elaine's eyes today, charlie is already the pillar of the whole family, so she didn't dare to waste charlie's patience with her, live streaming things like bringing goods, Although she felt in her heart that she could definitely do it, she really didn't want people around her to know about it before it was done, especially if she didn't do it after knowing it, it would be too embarrassing.

She encountered Waterloo when the live broadcast premiered tonight. She also wanted to go to Qixia Temple to worship Buddha and ask for the blessing of Buddha. If charlie accompanied her, she was also worried that charlie would look down on her.

After all, she also knew very well that she did a lot of hip-pulls when she went to America this time, which caused charlie a lot of trouble.

Hearing what she said, Claire also knew what she was worried about. While helpless, she also wanted to try her best to help her mother maintain a healthy life. The next is not a glorious image.

So, her heart softened, and she said, "Okay, let's leave early tomorrow."

...

At this moment.

Zijin Villa.

The whole mountain has been plunged into darkness at this time. Although there are dim lights in the courtyard on the third floor, the trees are dense after all, and there is basically no light to be seen from the outside.

At this time, in the courtyard on the top floor of Zijin Villa, Lin Wan'er (Alani) was using her pair of flawless fragrant shoulders to break open the fresh rose petals floating on the surface of the hot spring pool, causing ripples on the water surface.

Then, with her incomparable figure, she stepped on the stone steps in the water and slowly walked up to the bluestone beside the hot spring pool.

At her feet, in a bronze incense burner, a plate of seal incense made of old sandalwood is burning, and the green smoke slowly rises with a refreshing woody fragrance.

Lin Wan'er (Alani) wrapped herself in her bathrobe unhurriedly, squatted down slightly with her legs sideways, picked up the incense burner, held it in both hands, and returned to the room.

After bathing and burning incense, Lin Wan'er (Alani) put on a clean and plain robe, gently pulled her long hair behind her head, and took out a satin-wrapped object from a carry-on package.

She slowly opened the silk and satin, and lying in it was the wooden sign brought from Northern Europe, on which was written the spirit tablet of the late father Lin Zhulu.

She respectfully placed the spiritual tablet on the altar, then lit three more sticks of incense, and after three respectful prostrations, she inserted the incense into the incense burner in front of the spiritual tablet.

Then, she knelt down on both knees, looked at the spiritual tablet with both eyes, and said respectfully, "Father, Wan'er has arrived in Aurous Hill safely, and she was lucky to find the person she was looking for. You said before that you always wanted to come to Qixia Mountain in Aurous Hill to worship your ancestors, but you have never been able to." As I wish, Wan'er will go to Qixia Mountain to pay homage to the ancestors of the Lin family tomorrow morning, I hope your spirit in heaven will know!"
