

The Amazing Son In Law Chapter 5550 -

“Become a master of the dark world?”

Xion was so shocked by charlie’s words that he couldn’t speak.

She subconsciously asked charlie, “Mr. Wade, if you are not talented, do you really have a chance to become a master of the dark world?” “Yes.”

charlie said firmly, “To become a master, talent is not important, what is important Whether to grasp the right time, place and people, although some people are very talented, it is impossible for them to cultivate to the Great Perfection of the Bright Realm in a lifetime, so let alone become a master of the Dark Realm.” After finishing speaking,

charlie looked at Xion, He said very seriously, “You have the right time and place to become a master of the dark realm. As long as you can work hard and consolidate your existing cultivation base, you will be able to become a master of the dark realm in the future. Maybe in two or three months, you will be able to become a master of the dark realm. It’s gone.”

Xion’s eyes were flushed with excitement, and even filled with tears.

She never thought that one day, she would have the opportunity to become a master of the dark realm.

For the vast majority of martial arts masters, the dark realm is a supreme realm that can never be reached.

Without a complete set of martial arts mentality, not to mention entering the dark realm, even becoming an eight-star martial artist is an extravagant hope.

Many martial arts families and sects have cultivated for dozens of generations relying on some incomplete martial arts mental methods, and they can’t even train a five-star martial artist, as was the case with the Elms family before.

Therefore, it is as difficult as climbing to the sky to cultivate a dark realm warrior.

Moreover, in the journey of martial arts, every level from the three-star warrior to the next is a big hurdle. Any hurdle in front of you may not be able to overcome it in your life. It is as difficult as climbing the sky.

This is also the reason why many eight-star warriors, even warriors in the Dzogchen realm, could have been admired by thousands of people in various places, but they are willing to join the Huben Camp of the Poqing Society, and will be controlled by the Poqing Society for the rest of their lives.

For them, the Huben Camp has a great probability of allowing them to successfully break through the Great Perfection of the Light Realm and become masters of the Dark Realm. This alone is fatally attractive to them.

Before becoming a master of the dark realm, money and status are all floating clouds.

Therefore, charlie guessed that the reason why the Huben camp of the Po Qinghui (Benn) was able to cultivate dark realm masters in batches was that there was a high probability that masters like himself who were proficient in aura and elixirs were sitting behind them.

Because only spiritual energy and elixir can ignore the level barriers of martial arts practitioners and help them successfully break through.

For charlie, although the Abbas Army under his command and the master Qiu Zhiyuan of the Abbas Army have entered the dark realm, it is not enough.

In addition, although Duan Liye and Bick, the original special envoys of the Qing Society, were also masters of the dark realm, charlie could not regard them as his own.

After all, these two people are controlled by psychological hints. If the two armies are at war, and the people who broke the Po Qinghui (Benn) have the ability to resolve their own psychological hints, they will immediately become enemies.

Therefore, charlie asked Duan Liye to return to Turkey to continue to be his special envoy, while Bick was arranged by him by the side of the Abbas Army Master Zun Qiu Zhiyuan.

In the future, if he wants to confront the Poqing Society head-on, he must have at least 20 or 30 dark realm experts under his command to have a chance.

If you want to cultivate masters in the dark realm in batches, a lot of pills are naturally necessary, and this medicine cauldron can just help charlie get twice the result with half the effort.

charlie planned in his heart to train Xion to be the third master of the dark realm first, and then systematically select a group of potential martial arts experts from the Wanlong Palace, the Elms family and other martial artists, and train them one after another. A group of dark masters came out.

Therefore, charlie felt that he could also choose a suitable address and set up an organization similar to Huben Camp, and train dark masters from this organization in the future.

Seeing that it was getting late, Charlie said to Xion, "Xion, you go back and continue preparing for the wedding. Right now, no one in the Elms family can see your cultivation level. The matter of breaking through the eight-star martial artist is temporarily out of the question." Don't tell anyone else."

Xion said without thinking, "Don't worry, Mr. Wade, Xion won't tell anyone."

Charlie said again, "In the next few days, I will ask Isaac to buy back several villas here, and then transform the entire Champs Elysees Hotel into a private club. It will no longer be open to the public. At that time, I will be here I will reserve a villa for you, and I will contact you after the wedding is over, so you can come here and concentrate on retreat."

Xion quickly asked, "Mr. Wade, why is such a big hot spring hotel turned into a private club?"

"It's a private club, but it's actually just a cover. At that time, it will be completely closed to the outside world. I think it's a beautiful place, and I plan to transform it into a good place for retreat and cultivation." Xion was surprised

"Mr. Wade, do you want to cultivate martial arts masters here?"

"That's right." Charlie didn't hide anything, and nodded very simply, "To compete with the Poqing Society, we need many martial arts masters like you." , in the future, I will gradually transform this place into a secret base for cultivating masters, and then you will be the senior sister here."

Xion asked curiously, "Mr. Wade, Xion has a question for you..."

Charlie nodded said, "Tell me."

Xion said, "Mr. Wade, is it more appropriate for this kind of cultivation base to be placed in the base of Wanlongdian in Syria? Wanlongdian has hundreds of ordinary kilometers of land there, and it is not subject to any restrictions." Any control would be more convenient there."

Charlie smiled lightly, and explained, "It's good to put it in Syria, but I'm too far away after all, I'm afraid I can't take care of it, and it's more suitable in Aurous Hill." He said

, Charlie said again, "However, I plan to take two steps for the time being. At that time, everyone will concentrate on closed-door training in Aurous Hill. After improving their cultivation, they will be sent to Syria for closed-door training immediately, and they will also receive modern military training there."

Xion asked in surprise, "Do you want them to receive military training?"

"That's right." charlie said seriously, "Although martial arts masters are rare, many martial arts masters have no power to fight back in front of modern weapons. The masters trained must not only be strong, but also proficient in modern weapons. Only by working together can their combat skills be improved. Maximize fighting power. "

...

On the way back to downtown Aurous Hill, charlie called Abbas in order to prepare for the construction of the Huben Camp. The call was

connected, and Abbas respectfully asked, "Mr. What order? "

charlie said, "Abbas, I want to build a high-secret training center in the base of Wanlongdian, and you will start to organize it in the near future. "

Abbas quickly asked, "Mr. Wade, what requirements do you have for the training center?" "

charlie said, "First of all, the level of confidentiality must be high enough. Even inside the base of Wanlong Palace, it must be absolutely confidential. It is best to build it completely underground;" Abbas said respectfully, "Mr. Wade, this is

good Well, the base of Wanlongdian originally has many underground parts, some of which have some high-level three-defense designs. You can see how much area you need and what functions you need to achieve. I will arrange the rest! "

Secondly, at least 10,000 square meters of construction area is required, at least 20 or 30 people can be guaranteed to practice and live here in isolation at the same time, even if they don't come out for a year, there will be no problem at all. "

Abbas immediately said, "No problem, I will build corresponding life support hardware to ensure that it meets your requirements.

charlie asked him, "When will the project be completed? " "

Abbas replied, "Mr. Wade, we are currently working overtime on construction, and the entire base should be fully operational next year. I will try my best to complete the 10,000 square meters you requested by the end of this year!" "

" Good. "charlie said with satisfaction," there is still a task for you during this time. "

Abbas hurriedly said, "Mr. Wade, please do not hesitate to order, the subordinates will definitely go all out!" "

charlie said, "I want you to conduct a private comprehensive assessment inside the Wanlong Palace. You can choose by yourself and choose 30 core members with the strongest strength, the best understanding, and the highest loyalty. Submit the list to me. "

Abbas said without hesitation, "Good Mr. Wade!"
