

The Amazing Son In Law Chapter 5553 -

August 8th.

The wedding of Zayne and Kairi is about to kick off.

Kairi and Xion, the mother and daughter who lived in the Elms family villa, got up early before five o'clock in the morning. The makeup artist arranged by Jasmine moore also arrived on time and began to make up for the two.

And Zayne, who lives in Shangri-La, has already started to get up and change clothes at this time.

According to the normal practice of marriage, Zayne had to do the groom's style first, and then went to He's house to pick up the bride with his best man and the wedding car team.

Since the wedding was not notified to the outside world, Zayne only invited his son Fitz to be his best man.

Fitz, who had changed his past, was also happy that his father's feelings had found a true belonging, so he naturally agreed to his request very readily.

Just after five o'clock, charlie's pre-arranged wedding team has already tied up bouquets and is waiting downstairs in the Shangri-La Hotel.

At this moment, in Zijin Villa on the top of Zijin Mountain in Aurous Hill.

Lin Wan'er (Alani) had already washed and dressed early, and sat alone in the yard with the door open, enjoying the misty morning scenery of the Zijin Mountain while boiling a pot of Pu'er tea over a low heat.

With the experience of encountering charlie in the basement of Tomson Yipin last time, Lin Wan'er (Alani) didn't go out for the past two days, not even the top-floor courtyard of Zijin Villa.

Sister Xian came up with a wooden basket, and seeing Lin Waner's courtyard door was open, she asked in surprise, "Why did Miss Lin get up so early today?"

Lin Waner nodded slightly, smiled slightly, and said, "I usually wake up very early , It's just that I didn't start making tea so early in the past."

Sister Xian placed the basket in front of Lin Wan'er (Alani), half-kneeled in front of her, and opened the basket, which contained some exquisite refreshments.

Sister Xian picked up the plate containing the refreshments, carefully placed it beside Lin Wan'er's teapot, and said respectfully, "Miss Lin, this is the tangerine peel Pu'er cake you mentioned yesterday. The pastry chef at home has never made it before. According to your description This is the first time I try this method, I don't know if it suits your taste, you can try it."

Lin Wan'er (Alani) nodded, gently pinched a piece with her slender fair fingers, put the five fingers of the other hand together in the shape of an ingot, and put it under her lips. The little one took a bite.

Sister Xian on the side looked at Lin Wan'er (Alani) nervously, wondering if this unfathomable young lady liked it.

Lin Wan'er (Alani) tasted lightly, her beautiful eyebrows furrowed slightly, and then gradually relaxed.

Sister Xian watched from the side, and couldn't help sighing in her heart, "Miss Lin really has a beautiful appearance. Just seeing her brows stretched makes people feel refreshed unconsciously. She is only seventeen or eighteen years old and she has such beauty. If you wait a little longer In the past two or three years, I still don't know what it looks like to be beautiful..."

At this time, Lin Wan'er (Alani) put the tangerine peel Pu'er cake aside, took a sip from her teacup, and said to Sister Xian with a smile, "It's pretty good, probably I want it It's just that the tea leaves are a little bit worse."

Sister Xian was secretly surprised, and couldn't help laughing and said, "Miss Lin, this is already the best Pu'er tea my husband can buy." "

Yes." Lin Wan'er (Alani) smiled Said: "This tea is really good, but it's not as good as mine... But it doesn't matter, I'm already very pleasantly surprised that I can achieve this kind of taste, thank you, sister Xian, and thank you for my hard work, sister Xian That pastry chef."

Lin Wan'er (Alani)'s words made Sister Xian very surprised.

She has known Lin Wan'er (Alani) for more than a few days, but these days, she has never heard Lin Wan'er (Alani) say thank you to herself.

Don't talk about yourself, even if her husband has done so much for her, and even gave away the entire Zijin Villa, Lin Wan'er (Alani) has never seen Lin Wan'er (Alani) thank her. It seems that in her eyes, what her husband does for her is a matter of course. I will not be grateful, even a word of thanks is stingy.

Sometimes, Sister Xian also has some opinions on Lin Wan'er (Alani) in her heart. She always feels that this girl is young, she looks educated and reasonable, like a lady of everyone, but in reality she is extremely arrogant and lacks etiquette. She was busy and attentive, but she never showed the respect she deserved.

However, at this moment, Sister Xian was very surprised again, and thought to herself, "Mr. has done so many for her, and the out-of-print other houses that are hard to buy for billions can be broadcasted to her, but she has never said thank you, but today But because I made her the tangerine peel Pu'er cake she wanted to eat, and said thank you to me and the pastry chef at the same time, I really don't know what Miss Lin's worldview is like." Just when Sister Xian was puzzled, she heard a rumor from home

. Mr. Qiu 's voice, he said out of breath but full of excitement, "Miss! Lao Zhang is here!"

Lin Wan'er (Alani) raised her eyebrows slightly, and looked at the door with her beautiful eyes.

After a while, I saw Qiu Yingshan and Sun Zhidong walking in with an old man, supporting each other.

And the old man who came up with Qiu Yingshan and Sun Zhidong was the old man who had been with Lin Wan'er (Alani) in Northern Europe back then.

Seeing Lin Wan'er (Alani), the old man took a step forward with difficulty concealing his excitement, knelt down in front of Lin Wan'er (Alani) tremblingly, and respectfully said, "Miss, the old slave is late, please punish me!" Lin Wan'er (Alani) smiled lightly, raised her hand in the void

, He said softly, "Get up, you're not too late, don't blame yourself too much."

Then the old man stood up slowly.

Sister Xian on the side was stunned.

The old man in front of him seemed to be about the same age as his husband, conservatively estimated to be around ninety years old, but at such an advanced age, he still had to kneel down to Lin Wan'er (Alani). How much respect did he have for Lin Wan'er (Alani) in his heart?

This made her wonder even more, "What is this Miss..."

At this moment, Qiu Yingshan said to Sister Xian, ", go down first."

Sister Xian nodded quickly, and said respectfully, "Sir, Miss Lin, I will take my leave first."

After all, he quickly exited the yard, and did not forget to close the door again when he went out.

When Sister Xian walked away, Lin Wan'er (Alani) looked at the old man and asked, "Is Lao Zhang's journey smooth?" The

old man called Lao Zhang quickly said, "Going back to Miss, it's pretty smooth, just follow the arrangement of Miss, and take a few more detours." and there are too many things to take care of, so the itinerary is a bit slow."

Lin Wan'er (Alani) asked him, "Did all my things come here safely?"

Lao Zhang couldn't stop nodding, and said, "I've brought all your blue and white porcelain here, Because the things are too expensive, I am afraid of attracting the attention of the border inspection and customs, so I chose to enter Kazakhstan by special land route for the last part of the journey." Lin Wan'er (Alani) asked, "Where are the things?" Lao Zhang hurriedly said, "It's all

below

, Ying The mountain has already arranged for someone to unpack it, and it will be delivered to you after it is unpacked."

Lin Wan'er (Alani) nodded, and said, "You have worked hard on this journey, so take a good rest, I may settle in Aurous Hill for a while, you Take advantage of this time to have a good rest."

Lao Zhang cupped his hands respectfully and said, "Old servant obeys!"

After speaking, he remembered something, and quickly asked, "By the way, miss, I heard from Yingshan that you have found what you are looking for. Already?"

"Yes." Lin Wan'er (Alani) nodded, and said, "He is in Aurous Hill, although you don't remember him anymore, he must still remember you, so during this period, you should not leave Zijin Villa to avoid revealing your identity "

Old Zhang said respectfully, "Okay miss, I understand!"

While speaking, several servants walked in carrying a lot of items wrapped in special foam.
