Afterwards, they went to the cargo warehouse at the bottom, covered all the goods with steel wire mesh, and welded the steel wire mesh tightly to the bottom plate of the cabin.

After doing all this, several people came to a middle-aged man and said respectfully: "Report to the deputy governor, all the entrances and exits have been sealed, and the goods have been fixed." The middle-aged man called the deputy governor

, It was Arlo, who was in charge of the line between Turkey and Cyprus, and one of the three deputy governors of the Right Army Governor's Mansion.

At this time, Arlo nodded with grief and indignation, and murmured: "Everyone, today's sacrifice of life for righteousness is not only for the sake of loyalty to the Lord, but also for our wives and children to live better, so I hope everyone will not be too sad

The leader said with a miserable smile, "My lord, our life and death have long been out of our control. If the lord lets us live, we can live. If the lord lets us die, we must die... "

said Then, he asked: "My lord, the only question I have is, after we die, will the British Lord really give our wives and children freedom?"

Arlo nodded: "Don't worry, even if the British Lord doesn't take us seriously, and put his reputation first, otherwise, how can anyone be willing to take the initiative to die in the future?"

Hearing this, several people breathed a sigh of relief.

They have long been ordered by the British Lord, knowing that everyone on their ship will not escape death.

What's even more cruel is that their final mission is to personally destroy the ship and all the people on board.

And the condition for the British Lord to let them die generously is to give their family members freedom after their death.

For these people, if they don't understand the medicine, they will die sooner or later. Instead of doing this, they might as well go to death and give their family a chance.

In fact, these people are different from Xiao Qiwei ( Bertrand ), and also different from dead men. They are Arlo's confidantes. When Arlo brought them here to take office, their family members did not follow, nor could they.

From the moment they took office, they shouldered the attribute of self-destruction. Once this place needs to be destroyed, they are the executors of self-destruction.

And the reason why the British Lord arranged this is just in case, once there is a big problem in a certain station, they can complete self-destruct in the shortest time, completely cutting off all risks.

Their families are the key to their generous death.

Arlo looked at the time at this time, and said, "It's almost time, prepare to sink the ship."

The leader nodded, and with his men, he placed directed explosives in the bow and stern of the ship.

After finishing all this, several people returned to Arlo, handed the detonator to Arlo, and respectfully said: "My lord, you can detonate it at any time." Arlo took the detonator and asked him: "Are all the exits sealed

? Make sure that after the ship sinks, nothing can float to the surface of the sea, otherwise, once other ships find it, they will realize that the ship has sunk."

The man cupped his hands and said: "Don't worry, my lord, all cabins are closed, all The doors and windows are also closed, and the goods in the warehouse are all fixed with dense iron nets. Once the explosion is detonated, the sea water will flood in instantly, and the ship will sink soon, and nothing will surface. As for The fragments produced by the explosion, because they are all made of iron, will sink to the bottom soon and will not float to the surface of the sea, so you can rest assured."

Arlo nodded and said: "Now there are only a few of us left . It's fixed, you come with me to the captain's cabin."

"Of order!"

Several people followed Arlo to the captain's room. Arlo locked the heavy cabin door firmly, then took out a bottle of spirits, poured a few glasses, handed them to the people in front of him, and said, "Everyone, we work together. For many years, it is fate to be able to die together today, and this glass of wine is for us!"

At this time, several people also regarded death as home, nodded heavily, and took the wine glass.

Arlo clinked glasses with several people, raised his head and drank the spirits in the cup, then picked up the detonator, and pressed it without thinking.

Suddenly, there were two muffled sounds from the cargo warehouse at the bottom of the ship, and two large holes about one meter in diameter were blasted at the bow and stern of the ship.

A large amount of sea water was quickly poured into the cabin, and the freighter immediately began to sink at an extremely fast speed.

However, no one on board ran for their lives in a hurry.

Because all the people except them were sleeping soundly in each cabin at the moment, Arlo specially asked people to add special medicine to their meals to make them all fall asleep.

Now, everyone is sealed in each cabin.

The frantic influx of sea water did not wake these people up, and they suffocated to death one after another in their sleep.

Soon, the seawater began to pour into the captain's cabin, Arlo looked at death as if at home, and sat on the ground with several other people until the seawater filled the entire cabin.

Twenty minutes later, the 8,000-ton freighter completely sank into the sea water.

Due to the preparations made in advance, after the freighter entered the sea, it did not leave any other traces except for a vortex on the sea surface. The whole ship was like a huge cage, and sank to the bottom of the sea without looking back...

## **The Amazing Son In Law Chapter 5665 -**

In Aurous Hill in mid-August, the weather is extremely hot.

In the past two days, charlie was busy urging Don Albert to renovate the Champs Elysees Hot Spring Hotel. As for the Middle East and the Qing Dynasty, he didn't ask any more questions.

And these two days, charlie didn't have the time to talk to Hong Changqing.

However, Hong Changqing was very active, and called his chief personal disciple from the United States, intending to hold a serious ceremony in front of Charlie, to draw a clear line from Taizhen Dao, and then wholeheartedly be loyal to Charlie.

At this moment, Hong Changqing was waiting anxiously at the exit of Aurous Hill International Airport.

The flight he was waiting for was half an hour late.

Just when Hong Changqing was impatient, the big screen at the airport finally updated the flight information, and the flight he was waiting for had arrived.

After waiting for another half an hour, the passengers of this flight came out of the exit one after another.

Hong Changqing was looking forward to it. When he saw a tall woman with long hair reaching her waist in the crowd, a smile appeared on his face again, and he waved to her cheerfully and said, "Longer, here is my teacher!"

The long-haired woman is about 1.78 meters tall, with flowing hair and long straight legs, and her temperament is full of classical charm, extraordinary and refined.

This person is Hong Changqing's personal disciple, Maxton.

Maxton was thirty years old at the time, his father was Chinese-American, his mother was of American-Chinese mixed race, his father was a registered disciple accepted by Master Hong Changqing when he was wandering in the clouds, although he had no extraordinary talent in Taoism and martial arts, but he has a real ability to make money, so he donated money to Taizhen Dao back then.

When Maxton was young, he often followed his father in and out of the Taizhen Dao. At the age of eight, he showed his talent in Taoism and martial arts. Just when Hong Changqing took over as the head of the sect, he took Maxton as his personal disciple.

And Maxton did not disappoint Hong Changqing. At the age of twenty-six, he broke through to a five-star martial artist, which was faster than Hong Changqing.

Although Maxton has a quarter of American blood, his appearance seldom looks like American blood. On the contrary, he still has a temperament of classical Chinese beauty.

However, with a quarter of American blood, she is fairer than ordinary Chinese girls, and her height is relatively prominent.

Seeing Hong Changqing, Maxton hurriedly took the suitcase and walked a few steps quickly, until he stood in front of Hong Changqing, and then said respectfully: "Master, why did you come to pick up your apprentice in person?" Hong Changqing smiled and said casually

: "You have never been to Aurous Hill, and you are not familiar with the place where you live. I will not come to pick you up as a teacher. I am afraid that your eyes will be blackened when you get off the plane."

Maxton nodded slightly, and said, "Thank you, Master!"

After finishing speaking, She couldn't help asking: "Master, is there something important that you suddenly asked me to come to Huaxia?" "

Yes, of course!" Hong Changqing nodded seriously, but said in a mysterious way: "But I can't tell you today. , Master has booked a room for you in the hotel, I will take you to the hotel first, and tomorrow I will take you to meet someone."

Maxton asked curiously: "Master, who do you want me to meet? " "

Hong Changqing said mysteriously: "Who is it? I can't tell you now, but you will know tomorrow."

Hong Changqing didn't tell Maxton that she was asked to come to Huaxia to pass on the headship to her.

It stands to reason that such a big matter as the passing of the head should not be done so casually and hastily.

## **The Amazing Son In Law Chapter 5666 -**

The normal process is that the current head and the successor of the head need to return to the Taizhen Dao Dojo together, and then hold a grand ceremony in front of the Taizhen Dao disciples, and also offer sacrifices to the Taizhen Dao ancestors, such a set of procedures After walking, the new head can officially succeed to the throne under the witness of everyone and the ancestors.

However, Hong Changqing wants to hug charlie's thigh in his dreams now, and he is really unwilling to go back to the United States to pass on the throne.

What's more, he still has a small thought in his heart, that is, he must let charlie witness with his own eyes that he passed the position of head to Maxton.

Only in this way can charlie believe that he has no second thoughts about him.

That's why he called Maxton all the way from America.

Although Maxton didn't know what her master was planning, but out of respect for her master, she naturally didn't want to ask any more questions.

And it was precisely out of respect for Master that she didn't deliberately look at Master's cultivation.

If she took a closer look, she would find that her master's cultivation had already regressed to a four-star martial artist, which was one level behind her.

After the two left the airport, Hong Changqing stopped the car and went to Shangri-La.

Originally, he didn't live in Shangri-La, but after knowing charlie's identity, he hurried to Shangri-La to open a room, not for anything else, just to get a little closer to charlie, even if it was just a drop in the bucket, in his eyes It is also better than nothing.

After the two arrived at Shangri-La, Hong Changqing asked Maxton to check in, while he walked out of the hotel lobby and called charlie.

At this time, charlie had just returned to the urban area from the Champs Elysees Hot Spring Hotel. Seeing a call from Hong Changqing, he answered the call and asked, "Master Hong, do you have any advice for calling?"

Hong Changqing said in fear: "Master Wade, you are too serious. I don't have any advice from my subordinates. I just want to ask you for something..."

charlie said casually, "I'm short on time, so just tell me if you have anything."

Hong Changqing hurriedly said, "That's it. Master Wade, the eldest disciple of my subordinate has already arrived in Aurous Hill, and my subordinate intends to pass on the position of head of Taizhen Dao to this disciple tomorrow, I wonder if you have time, I would like to invite you to be a witness."

charlie chuckled lightly and said, "I'm not one of your too-true people. If you pass on your position, what kind of testimony do you ask me to do?"

Hong Changqing hurriedly said: "Master Wade, this subordinate has sworn to be loyal to you in the future. After the subordinate announces the position of the head of Taizhen Dao, he will officially withdraw from Taizhen Dao. He will only obey your orders in the future, so I hope you can come to witness ..."

charlie teased: "Master Hong, in my impression you seem to be very respectful of teachers, why are you suddenly leaving the school now?"

Hong Changqing felt a burst of heat on his face, embarrassing He laughed and said: "Master Wade... As the saying goes, a good bird chooses a tree and dies... The

subordinates respect your strength and character very much. If you can be by your side, it will not only be a subordinate It's an honor for you, and it's also an honor for Taizhen Dao!"

charlie couldn't help laughing and said: "Master Hong, I didn't expect that your ability to flatter horses is much better than your martial arts cultivation, your words have made you Taizhen Dao for thousands of years The patriarchs who came here have all been sold out, so you are not afraid that they will find someone to settle accounts with you?"

Hong Changqing hurriedly said: "Master Wade, your strength is unmatched by the patriarchs of the Taizhen Tao. The "Taizhen Hunyuandao" that I talked about Taizhendao for the first time is just the beginning. This incident shocked my subordinates greatly, not to mention my subordinates. Under the door..."

charlie chuckled and said, "Okay, there's no need to talk about flattery, when do you plan to give up your position to your apprentice?" Hong Changqing blurted out: "

Of course, the sooner the better, it's up to Master Wade and you When will you be free?"

charlie thought for a while, and said, "Tomorrow morning, you can decide the location."

Hong Changqing hurriedly said: "Master Wade, let's go to the Champs Elysees Hot Spring Hotel! The last time my subordinates were confused, I was not lucky enough to go in, this time I hope you can give your subordinates a chance..."
