

The Amazing Son In Law Chapter 5747 -

Hong Changqing praised and affirmed Nanako so much, but Nanako herself was extremely humble. After bowing deeply, she said flatly, "Thank you Hong Tianshi for your compliment. Compared with you, I am just a primary school student who has just started. I dare not be called a martial arts genius. Now I have just found the way of introspection, so I should work hard."

Hong Changqing praised, "In addition to talent, a good martial arts technique is the second element of martial arts practice, and being not arrogant or impetuous is the first element of martial arts practice." Three elements, Ms. Ito monopolizes the three, and the future is bound to be limitless!"

Ito Nanako bowed again, "Thank you for the affirmation, the students must go all out!"

Hong Changqing nodded, smiled and said, "The lunch break is short, let's go to eat I will continue in the afternoon."

Nanako smiled and shook her head and said, "Students will not go, hurry up and continue to consolidate!"

Seeing her working so hard, Aurora on the side quickly said, "Then I won't go either! I want to try Nanako said That kind of method!"

Hong Changqing didn't know what the two of them were talking about just now, thinking that Nanako had imparted some experience to Aurora, so he said with a smile, "Okay, okay, if you two keep encouraging and helping each other like this, you will definitely be able to Get twice the result with half the effort!"

After that, he smiled and said, "Then I won't bother you two."

The two hurriedly bowed to say goodbye, and after seeing Hong Changqing leaving, they hurriedly sat back on the futon again.

Aurora couldn't wait, so she quickly sat down cross-legged, and said excitedly, "Nanako, I'll try it now as you said!"

Nanako nodded, and said, "Be sure to have nothing else to do, once you start trying to brainwash yourself, subconsciously tell You have really realized your soul is out of your body, so you must not be troubled by any movement around you anymore, look for that high place in your heart, and when you find it, jump, you will definitely gain something!" "Yes!" Aurora said

heavily Nodding, I am also grateful to Nanako in my heart.

For ordinary people, if they find a way to break through, they will regard it as the biggest secret in their hearts, and they will rarely reveal it to others.

But Nanako didn't keep any secrets at all, and even explained all the details to herself in great detail, which made Aurora thank her and admire her very much.

However, the two girls didn't have too many polite words at the moment. After Aurora settled down, she began to concentrate on finding a breakthrough according to the method Nanako introduced.

Nanako, on the other hand, quietly took out her mobile phone with flight mode turned on from under the futon, turned off the flight mode, and quickly sent a message to charlie.

charlie's mobile phone saw her fingers flying on the screen for a while, and the mobile phone in his pocket immediately vibrated, and he knew that it must be the message from her.

He took out his phone and saw that it was her.

In the message, Nanako said, "Mr. charlie, I have great news to share with you!"

charlie pretended to be ignorant of everything, and replied, "What good news? Come and listen."

Nanako replied, "I have already I have mastered the method of peeping into the meridians and circulating true energy! Strictly speaking, I am already a real warrior!"
charlie

pretended to be surprised, "Really?! Breakthrough into a warrior so quickly?! This Isn't it too fast?"

The Amazing Son In Law Chapter 5748 -

Nanako replied, "Hee hee, Hong Tianshi also said that I got started very fast, but I think this should be related to the elixir that charlie gave me before! It must be the elixir for me. That's why I found the way to get started so quickly!"

charlie said, "Pillions can only strengthen your physical fitness and help you open up the meridians, but if you can't master how to use the meridians yourself, then I will give you everything you have. The meridians are all opened up, you can't grasp the key to internal observation, and it is still impossible to circulate your true energy, this is a real talent, your talent is really great, there is no doubt about it." Nanako looked shy at this time, pursing her lips and staring

at After looking at the phone for a long time, I mustered up the courage to ask him, "Mr. charlie, do you have time tonight? I want to treat you to a meal and thank you in person!"

charlie asked her, "Why should you thank me?"

Nanako said, "You helped me so much, and even arranged for me to learn martial arts here. Now that I'm finally getting started, shouldn't it be right to treat you to a meal? Think of it as a thank-you banquet. I don't know if charlie Willing to show you the honor?"

charlie thought for a while, and then replied quickly, "No problem, tell me the time, and I will go on time."

Nanako said, "Master Hong's lectures are until 6:30 every day, and we will be later, at 8 o'clock." How is it?"

"No problem." charlie said, "Then practice hard and see you tonight."

Nanako was very happy, and quickly replied "See you tonight!"

charlie knew that she was eager to practice, so he didn't intend to go in and bother her, and replied directly Said, "Then you should practice hard first, and we'll talk when we meet tonight."

"Okay!" Nanako replied, switched her phone to flight mode again, stuffed it under the futon, and then regained concentration and began to circulate her true energy.

charlie didn't say hello to Hong Changqing again, and turned around and left the Champs Elysees Hot Spring while everyone was heading towards the restaurant and no one saw him.

On the way back, he kept thinking about the wonderful scene that Nanako described to Aurora. Although he is not a warrior, he can also try according to Nanako's experience.Should be helpful too.

Just as he was thinking about it, his cell phone rang suddenly, it was Lisa calling.

During the phone call, Lisa asked him, "Brother charlie, what have you been up to lately?"

charlie smiled and said, "Busy about all kinds of miscellaneous things, what's the matter? Do you need me?"

Lisa said, "Aurous Hill University is about to start, Claudine Ya will be registering for school tomorrow, do you want to accompany her to school with me?"

charlie asked in surprise, "Registering so soon?"

Lisa said, "Today is August 24th, Aurous Hill The freshmen of the university will start to register tomorrow! After the registration is over, the military training will start immediately." "

Oh!" charlie suddenly realized that he had never been a freshman, and he thought that freshmen should start school earlier. After all, there is still two weeks of military training for him.

Thinking that Claudia has no relatives, only Mrs. Lewis (Aunt Angie), Lisa and myself are the three people who are close to her. She will register for school tomorrow, so I will definitely go to the platform.

So, he readily agreed and said, "No problem, I will drive to pick you up tomorrow, what time do you leave?"

Lisa said, "Don't worry, there are two days to report, and you can arrive at any time. I guess there are most people in the morning How about setting off around ten o'clock?"

"Yes." charlie asked her, "Do you want to prepare some daily necessities for Claudia? Didn't she also allocate a bedroom?"

Lisa, yes With a sigh, he said, "Mrs. Lewis (Aunt Angie) has already prepared it for her. Mrs. Lewis (Aunt Angie) will go with her tomorrow. You can just drive and pull up together." "Okay." charlie said with a smile, "Then I will arrive at around 9:30

tomorrow I will pick you up at home!"

"Okay, then it's a deal!"

The Amazing Son In Law Chapter 5749 -

This moment.

Aurous Hill Zijin Villa.

Lin Wan'er (Alani) was standing in front of the desk, looking at the completed landscape painting in front of her.

In the painting, the winding mountains stand tall and the Tianchi Lake is rippling, which is beautiful.

Lin Wan'er (Alani) stretched out her slender fingers, and tapped on the thickest part of the painting like a dragonfly. After feeling that there was no stickiness, she looked at the

tender white fingertips and saw that there was no ink stain, so she was sure that the painting was completely dry. .

Afterwards, she used the prepared scroll to carefully mount the painting into a golden scroll. After finishing all the mounting and rolling it into a scroll, Lin Wan'er (Alani) sealed the scroll with a silk ribbon.

At this time, Lao Zhang's voice sounded outside the door, "Miss, I beg you to see me."

Lin Wan'er (Alani) said loudly, "Come in." Lao

Zhang, who was already a little rickety, staggered in and saw that the landscape painting on the table case had become Picture scroll, and quickly said, "Congratulations, Miss, for your masterpiece!" Lin Wan'er (Alani) said indifferently,

"It's not a masterpiece."

As she spoke, she asked him, "By the way, what can I do for you?"

The freshman registration will start, and the registration will last two days tomorrow, when do you think the old slave will accompany you there?"

Lin Wan'er (Alani) thought for a while, and said, "When will I go, it depends on when that girl named Claudia will go, and also It depends on whether charlie will go with Olivia."

She said to Lao Zhang, "Well, let Lao Qiu arrange it. I will start by car tomorrow morning and wait near Aurous Hill University first. Once it is confirmed that Claudia has started to register, I will go to school."

Lao Zhang nodded slightly, and said respectfully, "Okay miss, I will go to Lao Qiu to confirm."

Immediately, he asked again, "Yes Miss, if I really see that charlie tomorrow, what should I pay attention to so that he won't notice the abnormality?"

Lin Wan'er (Alani) said indifferently, "You can't appear in front of him tomorrow. We were in northern Europe that day, and in the end only the two of us walked out of the farm alive. When he sees us, he will definitely try his best to verify whether there is any problem with us. I can handle him." If he sees you, I won't be able to hide it, so during this period of time, you are in Zijin Villa and don't go anywhere." Lao Zhang

said without hesitation, "Okay miss, this old slave must take every step Don't leave Zijin Villa."

Lin Wan'er (Alani) hummed, and then said, "That's right, tell Lao Qiu that he doesn't have to accompany me there, just let Sister Xian drive me." "Old servant

obeys!"

Lin Wan'er (Alani) said, "Okay, here It's none of your business, let's go down."

"Okay miss, I'm leaving first!"

Lao Zhang bowed and left, Lin Wan'er (Alani) held the scroll in both hands, and walked slowly to the long table, where On the top of the desk is enshrined the tablet that she has always carried with her, on which are written the spirit tablet of her late father Lin Zhulu in eight big characters.

Lin Wan'er (Alani) knelt down slowly in front of the spiritual tablet, carefully placed the scroll aside, folded her hands together, looked at the tablet, and respectfully said, "Father, if you are lucky, my daughter will be able to meet her benefactor charlie tomorrow.

The Amazing Son In Law Chapter 5750 -

Appearing in front of him will surely arouse his full vigilance, whether he can gain his trust is yet to be known, I hope you are the spirit in the sky, and bless your daughter to gain his trust..." Lin Wan'er (Alani)'s expression was tangled for a moment, and she stretched out her hand to

caress Touching the scroll on the ground, she said softly, "If...if charlie still doesn't believe in my daughter...if he regards her as an enemy...my daughter will have to tell the whole story..." At this point, Lin Wan'er (Alani) paused for a few seconds

, Tears are already welling up in my eyes.

Two lines of tears slid down her cheeks, she didn't care to wipe it, and said softly, "Daughter always remembers what you told me before you left. Don't tell anyone about your life experience and past, and my daughter has never disobeyed you." My last wish...But if one day my daughter can't help but tell charlie these things, please be in the spirit of heaven, don't blame her..."

After finishing speaking, Lin Wan'er (Alani) wiped away her tears, and kowtowed three times to her father's spiritual tablet.

...

evening.

After the lecture, Nanako Ito drove back to Tomson Yipin alone.

When she got home, her father and aunt had prepared the ingredients she needed according to her instructions.

Knowing that Charlie was going to eat at home, Yuhiko Ito was naturally overjoyed.

He had long regarded Charlie as the best candidate for his son-in-law, and Charlie was also very kind to him, so he appreciated it all the more.

After Nanako came back, she hurried into the kitchen and began to cook for Charlie herself.

She first prepared some high-end seafood sashimi, and then heated up the oil to fry a tempura with seafood and vegetables.

Aunt Emi Ito was helping, and after the two of them made a few dishes one after another, she couldn't help but say, "Nanako, it's time for you to learn some Chinese cuisine. Japanese cuisine is relatively bland, and it's okay for Chinese men to eat it occasionally. If there is too much, it will definitely be boring."

Nanako was slightly taken aback, and then smiled helplessly, "Auntie, since I was a child, I always ate Chinese food in restaurants, how could I have the opportunity to learn how to cook it... and Chinese food is so delicious. It's complicated, there are countless spices for seasoning, and the cooking techniques are also quite particular. Unlike Japanese cuisine, choose some good seafood ingredients and cut them into slices, and then mix them with soy sauce and fresh mushroom wasabi sauce. It's a big dish. For any dish of Chinese cuisine, there are countless processes and cooking points. If no one teaches, it will be difficult to learn..." She said, "Actually, I have tried it before. I read the

textbooks on the Internet. I make some Chinese dishes, but there are always mistakes in the cooking process..."

Emi Ito smiled and said, "This is easy to solve. My aunt has seen it in Auros Hill in the past two days. There is a very good cooking school that trains novices, and they are very good at cooking. He is good at Auros Hill's local cuisine, so it should suit Mr. Wade's appetite."

Nanako said helplessly, "Auntie, I spend most of my time studying martial arts every day. How can I have time to learn cooking..." Emi Ito smiled and

said, "Auntie can sign up to learn first. After learning, take time to teach at home. You, the time you are studying martial arts in Auros Hill is the best time for you to cultivate your relationship with Mr. Wade. If you can learn more cooking skills of Auros Hill cuisine, he will definitely impress him." Nanako asked in surprise, "Really

? Is it aunt? Are you really willing to help me learn first?"

The Amazing Son In Law Chapter 5751 -

"Of course." Emi Ito said without thinking, "If aunt doesn't want to, why would I tell you this?"

Nanako was about to bow to thank her when she heard The doorbell rang, and she hurriedly said, "Mr. charlie must be downstairs, I'll pick him up!"

Emi Ito nodded and smiled, "Go now."

The senior management of Tomson Yipin all use elevators to enter the house, and they cannot enter the house without a physical card. Those who take the elevator, and charlie came to visit, can only ring the doorbell at the entrance of the unit door in the garage. After the upstairs is unlocked, they can enter the elevator and press the button for the designated floor.

Originally, Nanako only needed to help charlie open the door, but she still said to charlie through the access control system, "Mr. charlie, wait a moment, I will come down to pick you up.

" Going upstairs is the same as when the beloved man comes home and says "I'm back" at the door, but the wife doesn't kneel down to greet him at the door, but sits and waits on the sofa in the living room. It is absolutely rude.

So, she hurried out, took the elevator down to the garage, and kissedOpening the door of the elevator hall of the garage for charlie, she said with a smile, "Mr. charlie, I'm sorry to keep you waiting!"

charlie smiled and asked her, "Why did you come down in person?"

" This is the proper etiquette, charlie, Odosan and the others are waiting for you, let's go up!"

charlie nodded slightly, and took the elevator upstairs with Nanako.

As soon as the elevator door opened, Ito Yuhiko, Ito Emi, and Tanaka Koichi were already waiting in line in the elevator hall.

Seeing charlie, the three of them bowed at the same time and said, "Mr. Wade is welcome!"

charlie was a little astonished, and asked with a smile, "Mr. Ito, why is it so grand..."

Ito Yuhiko bowed and said loudly, "This is It should be, Mr. Wade, please come in!"

charlie had no choice but to follow Ito Yuhiko into the door.

Takehiko Ito invited charlie to the restaurant all the time, took the initiative to open a dining chair for him, and said respectfully, "Mr. Wade, please sit down!"

charlie was a little uncomfortable, so he said seriously, "Mr. Ito, we are old acquaintances." , you are suddenly so polite today, which makes me really uncomfortable."

Ito Yuhiko said very seriously, "Mr. Wade, all martial arts practitioners know that outsiders' kung fu is just superficial, and the real master is both internal and external. The master of both internal and external training is Chinese martial arts. Nanako has been yearning for martial arts since she was a child. Unfortunately, Japan only has ninjutsu but no martial arts, and ninjutsu is practiced to hide whereabouts and assassinate secretly. This kind of despicable and indecent Positioning is always difficult to enter the elegant hall. Now Mr. Wade gave Nanako a chance to learn real martial arts. She couldn't know how happy she is these days. As a father, I am very pleased to see it, so I must thank Mr. Wade very much. Thank you for preaching!"

Before charlie could speak, Nanako beside him couldn't hide his excitement and said, "Odo-san, I have some good news to tell you!"

Yuhiko Ito hurriedly asked, "What good news? Tell me quickly. listen!"

Nanako said, "Today I finally mastered the method of internal observation and really realized the operation of true energy! In other words, I am now a real warrior!" "

Really?!" Ito Yuhiko asked in surprise "Nanako, have you really become a martial artist? Didn't everyone say that getting started as a martial artist is the most difficult thing? It is said that the vast majority of people will never be able to step into the door of martial arts in their lifetime, and among the very few who can get started, most of them need It takes a year or even a few years to find the trick, but you only learned it for a few days, how did you master it so quickly?!"
