

The Amazing Son In Law Chapter 5762 -

From the moment charlie left, Lin Wan'er (Alani) expected that charlie would definitely turn back.

Therefore, she didn't relax for a moment, and she was packing her personal belongings pretending to be calm.

When charlie returned to the door of the dormitory, the door was still open. He pushed the door open and walked in, saying in a cold voice, "Lin Wan'er (Alani), what is your purpose in coming to Aurous Hill?" The sudden question scared Lin Wan'er (Alani) who was packing up

. jumped.

It's just that she has already rehearsed this startling action countless times.

At this time, she exclaimed at the right time, turned to look at charlie, very nervous, and asked extremely vigilantly, "You... who are you?!" charlie sneered, and asked her "

" After chasing here, you still ask me who I am, isn't it a bit fake?"

Lin Wan'er (Alani) showed even more panic, she couldn't help taking a step back, and said nervously, "You... who are you... how do you know Lin Wan'er (Alani) These three words..."

charlie snorted and said, "What? Are you still pretending? Come, let me show you something!"

As he spoke, he took out the ring that started jumping again from his pocket .

And Lin Wan'er (Alani) also cooperated very well to make an even more surprised expression, and blurted out, "Why do you have this ring?! Give it back to me quickly!"

Then, she rushed forward, trying to take it from charlie's hand. The key is taken away.

charlie frowned. Judging from Lin Wan'er (Alani)'s performance, it seemed that this girl really didn't remember herself, nor did she remember that she met him, she didn't remember that he had saved her, and she didn't remember that she gave the ring to her on him own initiative. own.

However, charlie didn't dare to jump to conclusions, so he held up the ring high and said coldly, "You gave me this ring with your own hands, do you want to admit it or really can't remember?"

“Impossible!” Lin Wan’er (Alani) blurted out in a very angry tone, “This ring is a relic left to me by my father! I have always regarded it as a treasure, and it is absolutely impossible to give it to you! You must have stolen it from me Tell me! Are you a member of the Poqinghui?”

charlie was even more puzzled when he heard her mention the word Poqinghui.

He also couldn’t figure out whether the girl’s series of behaviors were fake or real.

So, he injected a ray of spiritual energy into Lin Wan’er (Alani)’s brain again, and this time he used much more spiritual energy than usual!

Lin Wan’er (Alani) felt a burst of spiritual energy entering the spiritual sea, but her thinking was not affected by this spiritual energy at all, but she still cooperated very well and calmed down, looking at charlie with empty eyes.

The Amazing Son In Law Chapter 5763 -

charlie felt that since he had used more aura this time, he should be safe, so he asked, “Do you still remember who I am?”

Lin Wan’er (Alani) shook her head.

charlie asked again, “Haven’t you seen me?”

Lin Wan’er (Alani) murmured, “I haven’t.”

charlie asked again, “Do you remember when you were almost killed in Northern Europe?”

Lin Wan’er (Alani) nodded, “I remember part of it.

” Charlie said, “Let’s listen to it!”

Lin Waner said very cooperatively, “I only remember the things in Northern Europe. I packed my things and prepared to leave, but then my memory was lost. I don’t know why I fell into a coma and woke up again. At that time, most of the people around me had been killed, and the ring my father gave me was gone.”

charlie asked again, “You knew that Po Qing would be chasing you, why did you make it so grandiose? Come to Aurous Hill to study at university?”

Lin Wan’er (Alani) said with a dull expression, “It’s not an option to hide all the time, they thought I would hide again, and the more people there were, the more remote they became, so I would go to the place with the most people and change my identity. Not only is it hidden in the world, but it is also unexpected, so I chose to come to Huaxia.”

charlie frowned, and asked again, "Why did you choose to come to Aurous Hill? Why Aurous Hill University?"

Lin Wan'er (Alani) remained calm, and replied one by one, "The reason for coming to Aurous Hill is because my grandfather has some connections in Aurous Hill and can help me arrange to enter Aurous Hill University." "

"Your grandfather?" charlie asked again, "Who is your grandfather?"

Lin Wan'er (Alani) said, "My grandfather is the richest man in Malaysia, Qiu Yingshan."

"Qiu Yingshan?" charlie did it more than once when he was a transfer student at Aurous Hill University. I have heard of this name. Because Qiu Yingshan donated a lot of education funds to Aurous Hill University to help Aurous Hill University develop rapidly, his story was written into the history of Aurous Hill University.

He didn't expect that Lin Wan'er was still related to Qiu Yingshan, so he asked even more surprised, "What is your real name?" Lin Wan'er said without thinking, "My real name is Lin Wan'er." charlie asked again, "Qiu Yingshan's surname is Qiu, your

surname

is Lin, how could he be your grandfather?"

Lin Wan'er (Alani) said, "It's a distant grandfather, a distant cousin of my grandfather. After I escaped from northern Europe, I went to him, so I asked him for help in order not to be found out. Forged the identity of Lin Wan'er (Alani), who arranged for me to study in Aurous Hill."

charlie asked again, "Then why did you choose the Department of Archeology?"

The Amazing Son In Law Chapter 5764 -

Lin Wan'er (Alani) said, "I didn't come to school to learn anything, but to hide my identity and guarantee For my own safety, I chose the archeology major from some subjects in Aurous Hill University. I like porcelain, antiques and calligraphy and painting very much. Among the many majors in Aurous Hill University, this is the only thing that interests me." charlie was skeptical

, Shaking the ring in her hand again, she asked her, "What's so special about this ring?"

Lin Wan'er (Alani) shook her head, "I don't know what's so special about it. This ring is a relic left to me by my father. , he asked me to keep it safe before he left, and told me not to let it fall into other people's hands."

charlie deliberately asked her, "Then why did you give me this ring?"

Lin Wan'er (Alani) reacted very quickly, and said blankly, "You must have made a mistake. I can't give my father's relics to anyone. It means a lot to me." Charlie frowned and asked, "Your

father Who is he? What does he do? Who is his surname, where was he born, and where did he die?"

Lin Wan'er (Alani) said, "My father's name is Parker. He was born in Eastcliff and died in southern Yunnan. As for what did he do? Yes, I don't know, I only know that he is a warrior and has always been an enemy of the Poqing Society."

Charlie asked, "Why is it an enemy of the Poqing Society?"

Lin Wan'er (Alani) said blankly, "I don't know..."

Charlie Staring at Lin Wan'er (Alani), she continued to ask, "Have you seen me since you came to Aurous Hill?"

Lin Wan'er (Alani) shook her head, "I haven't."

Charlie said coldly, "Then you know that this ring of yours will jump when it gets close to you. Is it?"

Lin Wan'er (Alani) was at a loss, "...I don't know...I haven't let this ring leave my body since my father gave it to me, and I never knew it would jump when it leaves me and gets closer..."

Charlie coldly snorted, "When the ring jumped for the first time, I was driving away from Aurous Hill University, and you should be nearby at that time! What did you come to Aurous Hill University for?" Lin Wan'er (Alani) said, "Before today, I only came to Aurous Hill University

once, I followed my grandfather to solve the problem of admission, and I was looking for the principal of Aurous Hill University, as well as Director who was in charge of admissions." Thinking that the ring

jumped for the second time in the underground garage of Tomson Yipin, Charlie asked again, "Where are you going?" Haven't been to Tangchen Yipin?"

Lin Wan'er (Alani) (Alani) said truthfully, "I've been there once."

Charlie asked, "What are you going to do?"

Lin Wan'er (Alani) (Alani) said, "Grandpa's old friend's granddaughter lives in Tangchen Yipin, I went that time because of Grandpa's The driver wanted to drop by Tang Chen Yipin to pick up his old friend's granddaughter for dinner, so I went with him."

charlie asked again, "Who is your grandpa's old friend's granddaughter?"

Lin Wan'er (Alani) said, "She is a lecturer at Aurous Hill University, and she has just signed a contract with Aurous Hill University."

charlie wanted to go back a little bit to find out if what Lin Wan'er said was true, so he asked her, "What is the name of your old friend's granddaughter? Lin

Wan'er said without thinking, "Her name is Mia (Liu Manqiong)!"

The Amazing Son In Law Chapter 5765 -

"Mia (Liu Manqiong)?"

charlie was taken aback when he heard that, and thought to himself, "What a coincidence, there is also a female teacher named Mia (Liu Manqiong)?"

The next second, he thought to himself, "Should it be the same name as the Mia (Liu Manqiong) I know?"

However, when he thought that he could see Lin Wan'er (Alani) again here, if the Mia (Liu Manqiong) he knew also came to Aurous Hill University, it seemed impossible... So

he asked again, "Where is this Mia (Liu Manqiong) you are talking about?" People?"

Lin Wan'er (Alani) replied truthfully, "She is from Hong Kong Island, and her father is Liu Jiahui, a well-known wealthy businessman in Hong Kong Island." "

Hiss..." charlie gasped.

He thought to himself, "Why did Mia (Liu Manqiong) come to Aurous Hill University to be a lecturer?! She is a top rich second generation in Hong Kong Island, why did she come to Aurous Hill University to be a lecturer? And she came to Aurous Hill, why didn't she say hello to me?" Thinking of Lin Wan'er (Alani)'s

surprise I also met Mia (Liu Manqiong), and went to Tangchen Yipin to pick her up, so I asked again, "You said just now, go to Tangchen Yipin to pick up Mia (Liu Manqiong), and Mia (Liu Manqiong) lives in Tangchen Yipin?" "Yes.

" Ten said, "She bought a house in Tomson Yipin."

charlie subconsciously rubbed his temples. He and Mia (Liu Manqiong) were friends after all. This woman came to teach at Aurous Hill University without saying a word, and she didn't know what she was planning. ?

The point is, how could she get involved with Lin Wan'er (Alani)?

However, Charlie is not too entangled in Mia (Liu Manqiong)'s issue right now.

At this moment, he had already believed most of Lin Wan'er (Alani)'s answer in his heart.

It can't be blamed on Charlie's big heart, it's mainly because of Lin Wan'er (Alani)'s answer, there is no flaw in it.

According to Lin Wan'er (Alani), she came to Aurous Hill because she was related to Qiu Yingshan, and Qiu Yingshan was indeed the biggest benefactor of Aurous Hill University many years ago.

What's more, Charlie felt that he didn't leave any information for Lin Wan'er (Alani) in Northern Europe. The only message he left was his name, that's all. With the name as a clue, it is difficult to find him in such a short period of time, after all, his identity is already encrypted; in

addition, Lin Wan'er (Alani)'s answer was also very reasonable when the ring jumped twice.

The ring jumped for the first time. Charlie just took Claudia to leave Aurous Hill University. At that time, the ring jumped on the road. Although Charlie saw the car coming from the opposite direction, he didn't pay attention to who was sitting in the car, so looking at it now, Lin Wan'er (Alani) was in the car at the time, and Lin Wan'er (Alani) must have come to apply for enrollment like Claudia at that time; moreover

, when she came to the school that day, there was an episode, when she entered, the security guard happened to be at the door. A banner was hung, and the content written on the banner was "Warmly welcome old Mr. Qiu Yingshan and his wife to our school". Qiu Yingshan's identity.

Since Aurous Hill University had put up the banner a long time ago, it proved that before Lin Wan'er (Alani) came to Aurous Hill University to handle the admission procedures for Claudia, she had indeed asked Qiu Yingshan to come forward to solve the admission matter for her.

In addition, when I enrolled Claudia at the time, I didn't contact the admissions office of Aurous Hill University myself, but asked Chen Zekai to come forward on my behalf, so before I arrived at Aurous Hill University, no one knew that I was going to come. It can also be deduced from this that Lin Wan'er (Alani) came to Aurous Hill University, and she definitely did not show up because she came.

Therefore, it can be judged from this that Lin Wan'er (Alani) must have made a plan to study at Aurous Hill University long ago, and it was only a coincidence that she met her.

As for the second beating of the ring, it was indeed in the underground garage of Tomson Yipin. If it was really like what Lin Waner (Alani) said, she was going to pick Mia (Liu Manqiong) to Qiu Yingshan's house for dinner, then it made perfect sense. Did she lie? Just confirm whether Mia (Liu Manqiong) lives in Tangchen Yipin or not.
