

The Amazing Son In Law Chapter 5766 -

Therefore, he carefully reviewed Lin Wan'er (Alani)'s answer just now, and could not find any flaws.

Thinking of this, he thought again, "It seems that someone should check Lin Wan'er (Alani)'s entry records to see when she came to Aurous Hill and whether she lied. If she really didn't lie, then all this should be just a coincidence."

At this moment, he suddenly heard footsteps, and then, a familiar voice asked behind him, "Lin Wan'er (Alani), are you still used to the dormitory?"

charlie immediately recognized that it was Mia (Liu Manqiong)'s voice!

In order to prevent Mia (Liu Manqiong) from discovering that Lin Wan'er (Alani) was in an abnormal state, charlie immediately erased her memory just now, and then, while Lin Wan'er (Alani) was still in a daze, he turned to look at Mia (Liu Manqiong), and asked in surprise, "Miss Mia?! What are you doing?" Will you be here?"

Mia (Liu Manqiong) had just finished the teaching mobilization meeting, and heard someone talking about the arrival of two super beauties in the Department of Archeology, so she guessed that Lin Wan'er (Alani) must be reporting to the school today.

She felt that Lin Wan'er (Alani) was Qiu Yingshan's distant granddaughter after all, and she happened to work at Aurous Hill University. When Lin Wan'er (Alani) came to report to the school, she must come to see if there was anything she needed help with, so she checked Lin Wan'er (Alani)'s dormitory room number. I found it directly.

When she first arrived at the door, she saw that Lin Wan'er (Alani) seemed to be talking to a man, but she didn't think much of it, so she greeted Lin Wan'er (Alani) directly.

But she never dreamed that the man suddenly turned around, and it turned out to be charlie, the sweetheart she had been thinking about day and night!

Originally, she didn't expect to meet charlie so soon. She also thought that after the freshman started military training and she was not so busy with work, she would find a chance to surprise charlie.

But I never dreamed that this surprise turned into a shock at this moment!

What's more, he never expected that his sweetheart would appear in Lin Wan'er (Alani)'s bedroom!

The horrified Mia (Liu Manqiong) looked at charlie, then at Lin Wan'er (Alani), and asked falteringly, "charlie... Mr. charlie, you... do you know Lin Wan'er (Alani)?"

charlie waved his hand, "Oh no, I don't know , I sent one of my younger sisters to report for duty just now, and she happened to be in the same dormitory as this classmate, but I accidentally forgot the car keys here, so come and look for it." He said, and he glanced at Lin Wan'er (Alani) who was still in a daze

, She thought to herself, "Looks like I used a little more zhenqi this time, Lin Wan'er (Alani) hasn't recovered yet."

Just as she was thinking, Lin Wan'er (Alani) rubbed her temples vigorously, then pretended to see Mia (Liu Manqiong) suddenly, and said in surprise, " Sister Mia! Why are you here?"

Mia (Liu Manqiong) subconsciously said, "Oh, I... I came to see you..."

Lin Wan'er (Alani) then looked at charlie again, and asked with some doubts, "You are Claudia's Brother, right? Didn't you guys go to eat?"

charlie said casually, "Oh, I'm coming back to look for the car keys."

After that, he pretended to search for the car keys on Claudia's bed, and the car keys were quietly in his hands. Then he shook at the two of them and said, "I found it." Then

, he came to Mia (Liu Manqiong) again, and asked in surprise, "Miss Mia, you haven't told me why you are here?"

Thinking that he would suddenly be exposed in front of charlie, he could only bite the bullet and answer, "Well... I... I passed the interview at Aurous Hill University, and now I am a lecturer at Aurous Hill University..."

The Amazing Son In Law Chapter 5767 -

charlie had just asked about Mia (Liu Manqiong)'s recent situation from Lin Wan'er (Alani)'s mouth by chance, but when Mia (Liu Manqiong) said it himself, he still pretended to be surprised and asked, "When did you come to work at Aurous Hill University?" Mia (Liu Manqiong) could only explain

truthfully "Well... Aurous Hill University has a youth talent introduction program. I tried to apply for it, and then I was invited to come for an interview, and then I passed the interview..." Mia (Liu Manqiong)'s tone was very disturbed, like someone who had done something wrong and was discovered by her parents

. child.

charlie knew that she came to Aurous Hill most likely because of himself.

However, at this time, he could only pretend to be stupid, so he subconsciously said, "Although Aurous Hill University is not as good as Hong Kong Island University, it is still very good overall." Mia (Liu Manqiong) nodded slightly, looking at

charlie , stammeringly said, "I...I think it's pretty good too..."

Lin Wan'er (Alani) on the side seemed to have just recovered, rubbing her head, and asked in surprise, "Sister Manqiong, do you know this girl?" Sir?"

Mia (Liu Manqiong) hurriedly said, "I know...we are friends..."

Lin Wan'er (Alani) said in surprise, "That's such a coincidence!" Mia (Liu Manqiong) nodded slightly, and said awkwardly, "Yes...it's a coincidence..."

Lin Wan'er (Alani) looked at charlie, said to charlie, "Hello, my name is Lin Wan'er (Alani), I don't know what to call you?"

charlie said lightly, "My surname is wade, and the single name is Charlie."

Lin Wan'er (Alani) said with a smile, "Hello, brother charlie."

charlie smiled slightly, as a return of the courtesy, but he couldn't help but slander in his heart, "It seems that Lin Wan'er (Alani) probably doesn't remember me." However

, charlie knew that Mia (Liu Manqiong) was here, so he couldn't continue to ask Lin Wan'er (Alani), so he said, "Oh yes, my sister They are still waiting for me, I will go there first, you can see what time is convenient, and I will treat you to a meal."

Mia (Liu Manqiong) was suddenly exposed, shy and embarrassed, but when charlie said that he wanted to treat herself to dinner, she agreed without thinking, "I can do it for a few nights." Now, what time do you get off work at night?"

Mia (Liu Manqiong) said, "Around six o'clock."

"Okay." charlie nodded and said, "Then I will pick you up at six o'clock?"

Although Mia (Liu Manqiong) drove, she still nodded and said, " Okay, then I'll wait for you at the door, let's call."

charlie knew that Mia (Liu Manqiong) was here, and he couldn't continue to test Lin Wan'er (Alani), so he said, "That's it, you two talk first, I'm leaving."

The Amazing Son In Law Chapter 5768 -

After bidding farewell to Mia (Liu Manqiong), the first thing charlie did when he left the dormitory was to call Isaac Cameron.

Although Isaac Cameron was still in the Champs-Elysees Hot Spring at this time, worrying about how to realize the internal peep, but when he received charlie's call, he immediately retreated from the training ground calmly, and went to an empty room before answering. Talking on the phone, he said respectfully, "Master!"

charlie got straight to the point, and said, "Old isaac, help me check the entry record of a Malaysian rich man Qiu Yingshan, and after checking, check the information of all the people who entered the country with him. "

Isaac Cameron immediately said, "Okay young master, just wait a moment, I'll let someone check it."

A few minutes later, Isaac Cameron sent a form to charlie.

In it, there is the time when Qiu Yingshan entered the country, as well as the information of all the people who came to Aurous Hill from Malaysia with him and went through the entry formalities.

Among them, there is the name Suman.

Moreover, they have been in the country for some time.

It seems that Lin Wan'er (Alani) did not lie to herself, she indeed came to Aurous Hill with Qiu Yingshan.

Moreover, Qiu Yingshan already had an industry and foundation in Aurous Hill, and Aurous Hill University had indeed received his favor. Lin Waner (Alani) thought that she would live in seclusion in the city, and it was completely logical for Qiu Yingshan to arrange her to Aurous Hill University.

This made charlie feel even more that Lin Wan'er (Alani) shouldn't have lied.

What's more, when he gave Lin Waner (Alani) a psychological hint today, he used more aura. charlie is confident that with such a powerful aura, Lin Waner (Alani), who has no aura at all, will never have any chance to escape his own psychology. hint.

So far, charlie's doubts about Lin Wan'er (Alani) have basically dispelled eight or nine out of ten.

However, even though charlie believed that Lin Wan'er (Alani) didn't know his true identity, he kept frowning.

Although he basically believed that Lin Wan'er (Alani)'s appearance in Aurous Hill was just a coincidence, he was still faintly worried.

The last time Charlie saw Lin Wan'er (Alani), the Po Qinghui was hunting her down.

Now that she has come to Aurous Hill, if the Poqing Society gets any clues related to her, then they will definitely learn from the experience and lessons from last time, and send the most powerful experts to Aurous Hill to catch her; moreover, their grandparents have already

arrived Aurous Hill, like Lin Wan'er (Alani), their family is also an important target of the Qing Dynasty.

If you look at it this way, the two major goals of the Poqing Council are in Aurous Hill, then the probability of the Poqing Council touching Aurous Hill will be greatly increased.

Considering that the current meeting of the Qing Dynasty, almost all of them have been silent, and only three earls are still outside, Charlie is worried that some earl of the Qing Dynasty will come to Aurous Hill next time.

The Amazing Son In Law Chapter 5769 -

In Cyprus, I could let the Wanpo Army ambush the near-defense guns in advance, but in Aurous Hill, I didn't have the ability or the opportunity.

If the earl who broke the Qing Dynasty really came to Aurous Hill, if the other party was only for Lin Wan'er (Alani) and it was easy to say, if the other party also wanted to harm my grandparents and grandma's family, then it is still unknown whether I can have the strength to keep them safe.

Moreover, what was even worse was that I was in Aurous Hill, and it was difficult to set up an early warning system. If the other party really came to Aurous Hill, it would be difficult for me to know in advance before the other party sold it.

Thinking of this, Charlie's mood also changed. Extra heavy.

...

For lunch, Charlie ate nothing.

After dinner, after sending Claudia, Lisa and Mrs. Lewis (Aunt Angie) home, he drove the car to the riverside, found a parking space and parked the car, and sat by the riverside all afternoon.

Seeing Lin Wan'er (Alani) today gave Charlie an unprecedented sense of urgency.

It was a feeling of an imminent enemy.

But he still hasn't found a way to deal with it.

Six pm.

charlie drove to Aurous Hill University.

Although Mia (Liu Manqiong) came to the school by car, she left the car directly at the school. Before leaving the school, she put on a special make-up.

After the two met, Mia (Liu Manqiong) was somewhat cautious because of the sudden exposure today.

charlie asked her, "Miss Mia, what do you want to eat tonight?"

Mia (Liu Manqiong) said, "Just eat something light, it's best. After coming to Aurous Hill, eating has always been spicy and salty. I'm not used to it..."

charlie thought After thinking about it, he casually said, "If you want something lighter, why not eat Hong Kong style?"

Said, "This is the disadvantage of Chinese food. It is difficult to guarantee the taste. Those who can unify the taste are basically food packages and pre-made dishes." Thinking of this, he said, "Why don't you

eat Japanese food, as long as the ingredients are fresh, the taste should not be too different."

Mia (Liu Manqiong) said without thinking, "Okay, I'll listen to you."

So charlie drove Mia (Liu Manqiong) to the entrance of a Japanese grocery store.

When he opened the door and entered, the bell hanging on the door vibrated and made a crisp tinkling sound, which made charlie stunned on the spot.

Facing the current situation, a solution suddenly appeared in his heart...
