

The Amazing Son In Law Chapter 5807 -

charlie didn't expect that Claudia called him because he wanted him to treat Lin Wan'er (Alani)'s headache.

However, when he recalled the last time he saw Lin Wan'er (Alani), when he made psychological hints, he did intensify the penetration of spiritual energy, and it seemed that it did cause quite a lot of sequelae to Lin Wan'er (Alani).

In itself, he was a bit heavy-handed, and now that Claudia called her again, it was hard for him to shirk.

So he said to Claudia, "Then you wait for me for a while, I will drive there now."

Claudia said happily, "Okay, Brother charlie, call me when you arrive!"

"Okay." charlie agreed, and then said to Claire, "Honey, I have something to do when I go out, I'll be back soon."

Claire asked curiously, "It's already past 8 o'clock, who is looking for you so late?"

"Without concealing it, she said bluntly, "It's Claudia. Her classmate has encountered a little trouble and wants me to help."

Claire asked puzzledly, "What trouble is it? Is it serious?"

charlie smiled and said, "I'm not feeling well. I feel like I've been bewitched. I'll go over and see if there's anything wrong with the Feng Shui in their bedroom."

Claire nodded, and said, "Then You go, don't come back too late."

"Okay." charlie smiled slightly, took the car keys and left the house.

On the way to Aurous Hill University, charlie couldn't help wondering whether Lin Wan'er (Alani) still remembered herself.

Although he had already confirmed it once, for some reason, he always felt that something was wrong in his heart.

However, for charlie, the best way to prove whether a person is lying is through psychological hints, so if Lin Wan'er (Alani) really remembers him, then he has no good way to prove it.

However, charlie didn't get too entangled in this issue, because he felt that no matter whether Lin Wan'er (Alani) concealed the truth or not, he and her were definitely not enemies.

Leaving aside the fact that I saved him, even if we only look at the fact that everyone and Po Qing have a deep hatred, the two should be in the same camp.

Therefore, with this knowledge, whether Lin Wan'er (Alani) lied or not is not that important to Charlie.

...

In the girls' dormitory at this time, Claudia changed the dress she was wearing in the dormitory, and put on some lipstick in the mirror. Lin Wan'er (Alani) saw her and couldn't help smiling and said, "Claudia, it's so late Are you still wearing lipstick?"

Claudia said a little shyly, "Isn't this about to go out to pick up Brother Charlie? If I don't pick him up, he will definitely not be able to come."

Lin Wan'er (Alani) looked her up and down, Opened the mouth and said, "People say that women are the ones who please themselves. When you go out to pick up people at night, you wear such formal clothes and lipstick. Is this brother Charlie the lover of your dreams?" Claudia shook her head again and again, feeling

guilty After trimming her hair, she said unnaturally, "That's not it... I treat brother Charlie as my own brother, and he has helped me a lot. I am really grateful to him." Lin Wan'er (Alani) said seriously,

" Sometimes love is transformed step by step through gratitude, and if love is a fruit, then gratitude is one of the best fertilizers." Claudia

said nervously, "Lin Wan'er (Alani), please don't Nonsense, Brother Charlie is already married, if this kind of talk gets out, it will affect the happiness of other people's families, besides, I really don't regard him as the lover of my dreams..." Lin Wan'er (Alani) smiled slightly, and said in moderation, "You don't need

to Tell me, as long as you can convince yourself."

Claudia said in a panic, "I won't talk nonsense to you, I'll go down and wait for Brother Charlie, and I'll bring him up when he arrives."

Lin Wan'er (Alani) asked She said, "Your elder brother Charlie has arrived?"

The Amazing Son In Law Chapter 5808 -

"Not yet." Claudia said without thinking, "I'll go down and wait for him for a while, lest I go down and waste time after he arrives."

Lin Wan'er (Alani) didn't joke anymore, nodded lightly, and said, "Thank you, Claude Dia, I won't go down, it's really a bad headache, please tell him for me, lest people think I don't know how to be polite." "Okay."

Claudia nodded and said, "Just wait in the dormitory. I'll say hello to the housekeeper, and I'll bring brother charlie up, brother charlie is very capable, as long as he comes, your migraine will definitely be cured!" After saying that, Claudia hurriedly left the dormitory, came downstairs and waited.

Lin Wan'er (Alani) was forced to smile all the time because of the severe headache. After Claudia left, her complexion suddenly became very weak and painful, but even so, she subconsciously went to the mirror to look at herself in the mirror, and straightened herself up. She rubbed her cheeks to make her facial muscles less tense, but in her subconscious mind, she was worried that charlie would see her sick face too badly.

More than ten minutes later, charlie drove to Aurous Hill University. He drove directly to the downstairs of the girls' dormitory for foreign students. He was about to call Claudia, but found that Claudia was standing by the side of the road.

Claudia also recognized charlie's license plate, and ran towards him with joy.

When charlie stopped the car and pushed the door down, Claudia also came to her, and said a little shyly, "Brother charlie, you are here..."

charlie nodded slightly, and asked her, "What about you?" How is your roommate?"

Claudia replied, "I still have a headache and it hasn't been relieved. I'm waiting in the dormitory now. She asked me to convey it to you. She has a terrible headache, so she won't come down to pick you up. I hope you don't mind." charlie nodded and smiled.

"It's okay, I'll go up and show her."

After he finished speaking, he thought of something, and asked Claudia, "Can I enter the girls' dormitory? When I was in school, boys were not allowed in the girls' dormitory."

Ke Claudia smiled and said, "I've also heard that ordinary female dormitories do not allow boys to enter, but foreign students' dormitories are not so strictly controlled. If the opposite s*x visits, as long as the girls help to register, they can enter, but the rule is before 11 o'clock in the evening. You have to come out, you can't stay overnight."

charlie nodded, "If it's just some minor headache, it will probably be resolved soon, and it won't take too long."

Claudia was overjoyed, and hurriedly took charlie in Register downstairs in the dormitory, and hurried back to the dormitory.

When they came to the door of the dormitory, before Claudia opened the door, the ring in charlie's pocket started to dance again.

For the performance of this thing, charlie has long been familiar with it.

Now in his eyes, there are only two known uses of this cheating ring.

One purpose is to cheat one's aura without any bottom line, and not give anything in return; the

other purpose is to understand it as a sensor that is only effective for Lin Wan'er (Alani), as long as Lin Wan'er (Alani) is in front of her, this thing will jump a lot Stop, as if there is something serious.

charlie put his hand into his pocket, tried his best to control the beating of the ring, and at the same time couldn't help cursing in his heart, "I thought you were some kind of amazing baby, but after working on it for a long time, it's just such a weak function that can't be any more weak, another day!" Also throw you to Zhang Ermao (Cade), let him bury you in the latrine!"

The Amazing Son In Law Chapter 5809 -

The moment Claudia pushed open the bedroom door, charlie saw Lin Wan'er (Alani), who was a little pale, sitting on the chair in front of the desk with her brows furrowed.

Seeing charlie come in, she quickly stood up, and said a little awkwardly and weakly, "Mr. Wade, I'm really sorry to trouble you to come here so late..." charlie looked at Lin Wan'er (Alani) and said with a smile, "Lin

Wan'er Miss, you don't have to be so polite, you are Claudia's roommate, so I should come here."

Claudia hurriedly said, "Brother charlie, you don't have to call Miss Lin Wan'er (Alani) so polite, call her like me (Alani) is fine."

Then she said to Lin Wan'er (Alani), "Lin Wan'er (Alani), Brother charlie is ten years older than me, and almost eleven years older than you, why don't you do the same as me and call him Brother charlie Let's go."

Lin Wan'er (Alani) was slightly taken aback, hesitated for a moment, and said to charlie cautiously, "Brother charlie..."

Seeing this, charlie smiled and said, "Since You call me brother, so I won't be polite to you anymore, Lin Wan'er (Alani), Claudia said you have a terrible headache, what's going on, can you tell me about it?" Lin Wan'er (Alani) heard this and said

, I couldn't help slandering with grievance in my heart, "charlie, you bad guy, it's all thanks to you that I have such a severe headache, yet you pretended to be fine and asked me what's going on, don't you think

about it?" , but Lin Wan'er (Alani) didn't dare to let charlie see the signs of parting, so she dragged her temple with one hand, and said sadly, "I don't know what's going on. , I started to have a headache for no reason, and this headache was really terrible. It felt like countless needles were stuck in my brain, and then these needles were all connected to a thread, and that thread followed. My pulse kept pulling back and forth, and it hurt so badly that it was about to explode..."

As she spoke, Lin Wan'er (Alani) continued, "Besides, I took a lot of painkillers these two days, but basically it didn't work. When I was at home, I passed out at home..."

charlie was startled when he heard that, he never thought that his psychological hint of exerting too much force last time would bring such serious sequelae to Lin Wan'er (Alani).

And Lin Wan'er (Alani) was also secretly thinking, "If I don't tell, charlie will never know how painful I was tortured by him, I hope his conscience will suffer a little because of it!" At this time, charlie, in his heart

, Unavoidable guilt, thinking about a seventeen-year-old girl who almost died at the hands of the Po Qinghui, it's fine, hiding in Huaxia to study in a university, and being tossed to death by her own aura, it's not easy.

So, without further delay, he said to Lin Wan'er (Alani), "Lin Wan'er (Alani), let me take your pulse first." "

Okay..." Lin Wan'er (Alani) agreed, but when she thought of taking the pulse, there would inevitably be physical contact, and she felt a little shy , so he faltered and asked him, "Brother charlie... how do you get your pulse?"

charlie didn't think too much, just moved another chair, sat in front of Lin Wan'er (Alani), and patted his right leg. , opened the mouth and said, "Come on, put your right hand on my lap."

"Ah?" Lin Wan'er (Alani) asked subconsciously, "Shouldn't the pulse be placed on the table..."

charlie pointed to the desk behind her, and said "The table is behind you, it's inconvenient, it's okay, I'm not that particular about my personal identity, if you let me

set it up, I'll probably know what's going on." "Okay..." Lin Wan'er (Alani) knew that she could

n't Refused, he could only carefully stretch out his hand, and nervously placed it on charlie's lap.

The Amazing Son In Law Chapter 5810 -

She grew up so big, and she had never had such intimate contact with any man, so as soon as the back of her hand touched charlie's thigh, her heartbeat accelerated instantly, and her cheeks immediately turned bright red.

charlie didn't care about these.

He knew in his heart that calling Lin Wan'er (Alani)'s pulse was basically meaningless.

Her headache was not due to illness, but was injured by her own spiritual energy. The best way to treat her was to directly enter some spiritual energy to repair the damage to her brain.

But when charlie thought about it, this Lin Wan'er (Alani) has a good background, and she can have that fake ring, which proves that even if she doesn't master aura, she must know what aura is.

In other words, they grew up by the sea and have seen and eaten them. If they pretend to be fans with shark fins, they will be able to tell at a glance.

Moreover, charlie speculates now that Lin Wan'er (Alani) most likely doesn't remember herself, if she directly poured spiritual energy into her body, wouldn't she be exposing herself?

Therefore, the way charlie thought was to pretend to give her a pulse, and then give her half a blood-scattering heart-saving pill. Anyway, this thing is not worth much to him.

Moreover, charlie wasn't worried that Sanxue Jiuxin Pill would expose him. After all, his title of Master wade was well-known in Aurous Hill. It is estimated that even Claudia had mentioned it to Lin Waner. The majestic Master wade took out a cure It is reasonable and reasonable for the elixir for all diseases to come.

As for why she took half of it instead of one, it was to let Lin Wan'er (Alani) have a preliminary understanding that although this thing is good, she doesn't have many, so she needs to plan carefully.

So, he put his fingers lightly on the pulse gate of Lin Wan'er (Alani)'s wrist, closed his eyes and felt it for a moment, and then said, "Alani, judging from your pulse condition,

you should be unacceptable, and overwork caused you. You said that your headache started on the day you reported for duty, and you must have been a little tired that day.”

Lin Wan'er (Alani) knew that Charlie was talking nonsense, so she pretended to be puzzled and said, “But...Brother Charlie...no. To tell you the truth, I have been in Aurous Hill for quite a long time... If it is really unacceptable, I shouldn't have waited until now...”

Lin Wan'er (Alani) added, “Besides, on the day of reporting, I wasn't overworked at all. Grandpa's housekeeper sent me over and accompanied me to go through various procedures. I came to the dormitory to make a bed, logically speaking, I shouldn't be so tired that I have a headache...”

Charlie knew that Lin Wan'er (Alani) was right to question, because she logically didn't remember what she gave her psychological hints that day, so she was sure I don't understand why she suddenly suffered from migraines.

However, since Charlie came to show her, he naturally wanted to say something to interfere with her sight, and then paved the way for himself.

So he said, “Sometimes acclimatization is not manifested immediately, but a process of accumulating internal energy. When it has stored enough energy, it will selectively erupt, and sometimes it will choose to erupt in the mouth. It will cause mouth and tongue sores; sometimes it will choose to erupt in the intestinal tract and digestive system, which will cause long-term diarrhea or constipation; sometimes it will erupt on the skin surface, causing many hives and itching. Dissatisfaction is not as simple as you think.”

Speaking, Charlie said again, “You overseas Chinese who have lived overseas all year round may lack understanding of our traditional Chinese medicine. What Chinese medicine is best at is to peel off the cocoon, explore its true essence from the appearance, and then start from the root. Eliminate symptoms. Claudia

was surprised when she heard it, and sighed, “It sounds really profound...”

Lin Wan'er (Alani) thought in her heart, “Foolish...you can continue to fool!” “

Charlie felt that he was almost ready, so he waved his hand casually, and said, “It's normal for you young girls who don't know Chinese medicine, but it doesn't matter, I have some elixir here, Alani. In some cases, as long as you eat it, you can cure it!” “
