

## The Amazing Son In Law Chapter 5855 -

Willie knew very well that after two and a half days, he had to carry out the task entrusted to him by the British Lord no matter what.

With his strength, even if the An family is under the heavy protection of bodyguards, it is absolutely no problem for him to kill the An family.

However, he knew very well that once he attacked An's family, it would be difficult for him to escape under the encirclement and suppression of the Huaxia officials. At that time, he would never have the opportunity to dig more magic weapons from Zhang Ermao ( Cade )'s body.

For a moment, Uncle Willie also thought about whether he should just find an opportunity to tie Zhang Ermao ( Cade ), force him to give up the information about his family, and then follow the vines to find his family, and directly kill and rob him.

However, he was also worried that if there was too much movement, the news would leak out. The An family's hands and eyes were open to the sky. If they were aware of it, his core mission might be affected.

And he can't quite understand why the good news of getting such a great magic weapon can't make the British Lord postpone the plan to kill Anjia for a few days.

In desperation, he could only find a way to find a breakthrough in Zhang Ermao ( Cade ).

If money can be used to impress Zhang Ermao ( Cade ) and Zhang Ermao ( Cade )'s family and let them sell all the magic weapons in their hands to him as soon as possible, this will be the best result for Willie.

For Zhang Ermao ( Cade ), his task is to let Willie tell his final timeline, because it means a lot to Charlie.

After hearing Willie say that he could wait until the next day at most before dark, Zhang Ermao ( Cade ) nodded without hesitation and said, "Don't worry, old man, I will try my best to help you. If there is any news, I will go to the hotel where you live to find you as soon as possible. "

"Okay!" Willie nodded in satisfaction, and told them again, "Remember to tell them, as long as I can see something, money is definitely not a problem!"

Zhang Ermao ( Cade ) gestured an ok gesture and said with a smile, " I'll take care of things, don't worry!"

Only then did Willie feel relieved, and said to Zhang Ermao ( Cade ), “Since this is the case, then I will not delay your business. Tomorrow and the day after tomorrow, I will come here if I have nothing to do. If you have any news, please tell me as soon as possible.”

Zhang Ermao ( Cade ) agreed to come down and watched Willie leave.

Although Willie left Zhang Ermao ( Cade )’s booth, he did not leave the Antique Street.

He circled around and finally sat down in a restaurant about 300 meters away from Zhang Ermao ( Cade )’s booth, watching Zhang Ermao ( Cade )’s every move.

Although Willie did not intend to rob overtly and secretly in order to ensure the smooth completion of the task, but just in case, he still wanted to find out Zhang Ermao ( Cade ) and his upline in case of emergency.

At the same time, he didn’t realize that on the second floor not far away, an old acquaintance was staring at him. This old acquaintance was Dingyuan Boyun Ruge.

At five o’clock in the afternoon, Zhang Ermao ( Cade ) closed the stall, called the concierge of Shangri-La Palace, and called a Rolls Royce to pick him up from the antique market.

He is now a guest of the Presidential Suite at Shangri-La Palace. During his stay, the concierge has a Rolls Royce for his exclusive use.

The Rolls-Royce stopped on the side of the road. The driver in a suit and white gloves got out of the car, opened the rear door for Zhang Ermao ( Cade ), and said respectfully, “Mr. Cade, please get in the car.” Zhang Ermao ( Cade )

noded Nodding, he got into the car carelessly. The driver asked him, “Mr. Cade, where are you going next?”

Zhang Ermao ( Cade ) waved his hand grandly, and said with a smile, “Go to Yinghuang International!”

Yinghuang International is the largest The most luxurious nightclub, where Zhang Ermao ( Cade ) spent crazily last night, spending hundreds of thousands in one night.

Today, following charlie’s instructions, he still plans to go to Yinghuang International to experience the joy of spending money like water.

However, after he got in the car, he didn’t forget the task given by charlie, so he picked up his mobile phone and made a voice call to charlie through WeChat.

When the phone was connected, charlie asked him, "Cade, how are things going?"

Zhang Ermao ( Cade ) hurriedly said, "The ring has been sold, and the buyer still wants more goods."

charlie said, "Let him wait for the goods. The police and the bank have cooperated very closely recently. If the source of large transfers is unknown, it is easy to be targeted by them, especially this kind of USD transfer, so these days, you must quickly pour out all the money, you tell the buyer, and ship it to the buyer in a week Him."

Zhang Ermao ( Cade ) said quickly, "but the buyer can't wait that long. He told me today that he can only wait until the next day is dark at the latest. Do you think we can ship to him earlier? After all, This village won't have this shop anymore."

Hearing Zhang Ermao ( Cade ) say that the Earl of the Qing Dynasty can only wait until the next day before dark, charlie's heart trembled.

He felt that since the other party would say that, there was a high probability that the day after tomorrow would be his time to do it!

If there must be a battle between himself and him, then this battle should be the night after tomorrow!

So, he said to Zhang Ermao ( Cade ), "I'll think about this matter again. If the police don't do anything in the past two days and the timing is right, it's not impossible to send him some more goods." Zhang Ermao ( Cade ) asked, "Then I want to follow the

buyer Can you tell me first?"

"No need." charlie said indifferently, "For the sake of caution, it is better to observe in secret first, and don't be too active for the time being." "Okay!"

Zhang Ermao ( Cade ) smiled, and said, "Then I need to do something in the next two days. What?"

charlie said, "Let's continue setting up stalls on Antique Street, and I will notify you if there are special circumstances." "

Okay!"

Zhang Ermao ( Cade ) hung up the phone, then deleted the voice call record with charlie, and then turned off the phone. Kicking back into his pocket, he began to close his eyes and meditate.

He wondered in his heart, "I don't know why Master Wade is so cautious. He specifically told me to talk to him according to the script he set even after I got in the car of Shangri-La Palace. Doesn't Master Wade still trust the people in Shangri-La Palace? They are all confidantes carefully cultivated by Mr. Isaac... Besides, why did you say that you must use WeChat to talk? Are you afraid that someone will find the call records when you make a call?"

Zhang Ermao ( Cade ) didn't know that the content of his phone call with Charlie just now had been deleted. Willie, who was sitting in a taxi behind, heard it clearly.

other places Since he quietly followed Zhang Ermao ( Cade ), he just wanted to give himself a backhand, and the deadline for the final action was the night after tomorrow, so he didn't have any other tasks right now, so he might as well take the opportunity to follow Zhang Ermao ( Cade ) and clarify his situation. Can find his home.

It is precisely because of this that he has been concentrating on listening to every word Zhang Ermao ( Cade ) said in the car, as well as every word on the phone.

After he listened to this, he firmly believed in everything Zhang Ermao ( Cade ) said before.

Soon, the Rolls Royce that Zhang Ermao ( Cade ) was riding in stopped at the entrance of Yinghuang International.

When the doorman of Yinghuang International saw the Rolls Royce that Zhang Ermao ( Cade ) was riding in, he rushed to the side of the road to welcome him.

As soon as the car stopped, he immediately opened Zhang Ermao ( Cade )'s car door and said respectfully, "Mr. Cade, you are here!"

Zhang Ermao ( Cade ) hummed, took out a few hundred yuan bills, and proudly stuffed them to the other party.

At this time, a charming female publicist came over with her water snake waist twisted, and asked in a charming and soft tone, "Brother Zhang, you are here, what do you plan to do today, and my sister will arrange it for you!" Zhang Ermao ( Cade ) said

proudly Said, "Open the biggest booth, serve the most expensive set meal, and arrange for two little girls who can be taken away for me in the evening. Remember, I only want Japanese ones today!" The female

How about my sister give you a Korean one, do you think it can make do with it?" Zhang Ermao ( Cade ) waved his hand, "I can't do it! Brother

Zhang I need two Japanese ones today! Go and find a way for me, if you can't, you can borrow one from another place, the price is easy to negotiate! I'll give you 10,000 yuan if it's done!" Hearing this, the female publicist suddenly regained her spirits
