

## The Amazing Son In Law Chapter 5902 -

Counting from the moment he lost consciousness, charlie didn't know how long he had been wandering in the empty space.

Until his eyes, a faint light finally appeared suddenly.

At this moment, accompanied by the faint light, there was also intense pain and a sense of extreme powerlessness.

This feeling of powerlessness couldn't even support him to open his eyes.

Soon, he felt that his body seemed to be completely enveloped by a kind of warmth. This warm feeling relieved the severe pain all over his body to a certain extent.

Immediately afterwards, he discovered that the warm feeling was pushing him to float upwards.

Afterwards, he heard a familiar voice exclaiming "Brother charlie!"

This call gradually restored charlie's vision.

When the weak man opened his eyes and saw the person in front of him clearly, he was stunned!

Because he suddenly discovered that the beautiful girl in front of him soaking in the hot spring pool, showing only a touch of fragrant shoulders, turned out to be the mysterious Lin Wan'er (Alani)!

charlie was shocked immediately! I feel as if I am dreaming an unimaginable and illogical dream, and I can't tell whether I am dead or alive.

Lin Wan'er (Alani) looked at charlie's horrified look, smiled sweetly, and said softly, "Brother charlie, Wan'er is not afraid, what are you afraid of?"

charlie looked at her with a narrow smile , I was taken aback, I only felt that the severe pain all over my body disappeared in an instant.

In addition, deep in his heart, he also had an inexplicable illusion that the years are quiet.

He couldn't help muttering, "Damn, I'm probably already dead... But if I die, I will die. Why did I see Lin Wan'er (Alani)? She shouldn't be dead too, right? It doesn't make sense... I clearly told her to be honest. Really stay at school... Are these just hallucinations after death?"

After saying this, Charlie's eyelids became sour, and he couldn't help closing his eyes again.

Immediately afterwards, Charlie felt in a daze, a pair of delicate hands hugged and supported him from his armpit forcefully.

Then, the opponent's body was also tightly attached to his own.

He could even feel that the two soft plump places in front of the other party were now clinging to his chest.

But at this time, the other party was still trying its best to lift him up from the warmth.

At the moment when he was almost lifted out of the water, Charlie opened his eyes again.

Seeing that the woman next to him was still Lin Wan'er (Alani), the confused Charlie couldn't help muttering, "What's going on... Are you dead too?" Lin Wan'er (Alani) hurriedly said, "Brother

Charlie, you are not dead, this is Wan'er Where to live!"

Hearing these words, he seemed to be struck by lightning in an instant, and he looked around with wide-eyed eyes, and he was so shocked that he couldn't add it!

He still remembered that the moment Willie suddenly turned into a human nuclear bomb, he was severely injured and lost consciousness instantly.

I thought I would definitely die, but I didn't expect that when I opened my eyes, I actually appeared in the hot spring pool in Lin Wan'er (Alani)'s other courtyard, and was even hugged out of the hot spring pool by Lin Wan'er (Alani) naked!

Lin Wan'er (Alani) saw Charlie suddenly opened her eyes, and her pretty face immediately turned red to the back of her ears, she hurriedly said, "Brother

charlie, don't be nervous, you are absolutely safe here, if you have any questions, stay in the room, Wan'er will explain to you! "

charlie felt that his brain was completely exhausted, and he couldn't figure out the logic at all.

At this time, he suddenly remembered that Lin Wan'er (Alani) came to Aurous Hill with the identity of Alani, but after seeing him, she kept calling herself Wan'er.

## **The Amazing Son In Law Chapter 5903 -**

Although there is only one word difference between Alani and Wan'er, to charlie, the meaning is extraordinary!

He felt a chill on his back almost instantly, and asked weakly but shocked, "No...you...do you remember me?!"

Lin Wan'er (Alani) nodded, and while holding the weak charlie hard to move towards the boudoir, she said softly, "Brother charlie saved Wan'er's life in Northern Europe, Wan'er dare not forget!" charlie's heart was full of turmoil

! He murmured, "Why... why do you still remember... Could it be... Could it be that you are also a monk

?"

You erase the memory..."

After that, she felt the physical contact between herself and charlie, and said shyly, "Brother charlie, don't ask Wan'er any questions. After Wan'er settles you down, I will automatically put you on the bed." Tell everything clearly, and dare not hide anything!"

charlie nodded slightly.

He knew that it was very difficult for Lin Wan'er (Alani) to hold him, and he also wanted to use his body as much strength as possible to help Lin Wan'er (Alani) share the burden.

However, apart from being able to open his eyes and speak, his whole body was almost paralyzed, unable to do anything.

But what made charlie feel fortunate was that although his body couldn't move an inch, he still felt pain!

Feeling pain means that you are not a paraplegic.

It took the thin Lin Wan'er (Alani) half an hour to carry charlie back to the room little by little, and took charlie to the bedroom on the second floor with difficulty, and carefully placed him on her boudoir bed.

During the whole process, the two of them were not wearing any clothes, and their bodies were always tightly hugged together.

Lin Wan'er (Alani) was ashamed at the very beginning, but soon, she no longer took it seriously, and just hugged charlie wholeheartedly, moving his scarred body little by little.

The moment charlie lay down, he accidentally saw Lin Wan'er (Alani)'s bright red cheeks, the fine sweat on her forehead, and her perfect body without any cover. Knowing that no evil is to be seen, he quickly closed his eyes.

Seeing this, Lin Wan'er (Alani) felt even more ashamed, but she could only pretend not to know, she covered charlie with her thin quilt, and put two pillows behind him so that he could lean on the head of the bed.

During this whole process, charlie didn't open his eyes again, which made Lin Wan'er (Alani) feel warm in her heart.

After charlie settled down, she wrapped a cotton and linen robe from the hanger beside the bed, wrapping her graceful body.

Afterwards, she quickly returned to the bed, she sat on the floor beside the bed, looked at charlie and asked, "Brother charlie, how are you feeling now?"

"The voice, and hearing her asking next to her ear, slowly opened her eyes.

Although he knew that Lin Wan'er (Alani) was not simple, he also knew that Lin Wan'er (Alani) should not be his enemy, so he opened his chapped lips and asked, "Miss Lin...why am I here?" Lin Wan'er (Alani) smiled and said, "

Answer Before you ask a question, let me take your pulse."

Then, she gently pulled charlie's right hand out of the bed, put her finger on charlie's pulse gate, and after feeling her pulse, she said, "Brother charlie's

Although the internal injuries are serious, fortunately they are not life-threatening.”

charlie asked in surprise, “Do you know medical skills?”

Lin Wan’er (Alani) nodded, “I know a little about everything, but I only know a little bit.”

charlie couldn’t help but sigh, “Before I set off, , specially brought a lot of pills with me, but now I have nothing...”

As he spoke, he thought of something, and quickly asked Lin Wan’er (Alani), “By the way, what is the date and what time is it?”

charlie didn’t know either, How long did it take me to suddenly appear here.

## **The Amazing Son In Law Chapter 5904 -**

If the time is short, then I still have time to go home and destroy the letter left to charlie, if it has been a long time, then charlie may have known my secret...

Seeing that he was very nervous, Lin Wan’er (Alani) quickly said, “Brother charlie, don’t worry, Wan’er just heard the explosion in the southern suburbs, and you appeared in the hot spring in a few seconds, and it’s only been half an hour since you got here. Charlie finally breathed a sigh of relief when he heard this.

Lin Wan’er (Alani) remembered something from his previous muttering, and suddenly smiled and said, “By the way, the pill!”

After that, she quickly got up, and took out the four cents that charlie left for her from the wooden box beside the bed. the thirdPills.

Afterwards, she quickly returned to charlie, handed the elixir to charlie’s mouth, and said with a smile, “Brother charlie, look, the elixir you left for Wan’er will come in handy now!” charlie said

awkwardly “The things I gave you are useless to you, how dare I eat them...”

Lin Wan’er (Alani) smiled and said, “Brother charlie, you don’t have to be polite to Wan’er, after all, you saved Wan’er’s life, let alone this pill It was also given by you.”

She said, without waiting for charlie's response, she directly stuffed the pill into charlie's mouth.

The elixir melted in the mouth, and the pure medicinal effect instantly made charlie feel more comfortable all over his body. His body, which was completely immobile, also regained some mobility.

However, his injury was too serious after all. With such a small amount of medicine, it is still difficult to heal him completely. The injuries to his bones, meridians and dantian are still very serious. Right now, he has completely lost his fighting power, and he is afraid that even a three-year-old child Can't beat it either.

What's more, the spiritual energy in his body has completely disappeared at this moment, and this kind of medicine can't replenish it at all.

Only by going back to the Champs Elysees Hot Spring Villa and taking the Remodeling Pill and Peiyuan Pill can it be completely restored.

However, he still can't care about the pill at the moment, because he still has many questions that he expects Lin Wan'er (Alani) to answer for him.

So, he asked again, "Miss Lin, how on earth did I... appear here?"

Lin Wan'er (Alani) smiled slightly, pointed to the ring on his middle finger, and said softly, "The reason why brother charlie appeared... Here, it's because you wear the ring Wan'er gave you."

charlie glanced at the ring, frowned and asked, "But what does it have to do with these?"

Lin Wan'er (Alani) smiled and said, "Of course it does, Because it was the one who sent you to see Wan'er."

Hearing Lin Wan'er (Alani)'s words, charlie was horrified!

He murmured subconsciously, "A mere ring can send me a living person here?! This... how is this possible?!"

Lin Wan'er (Alani) chuckled, and said seriously, "Brother charlie, this ring can It's not just as simple as sending you here, even though Wan'er doesn't know

what you went through just now, Wan'er can be sure that it saved your life." charlie came back to his senses and blurted out,

" You are right... With my strength, it was impossible for me to escape by chance, and I can still appear here alive, all thanks to this ring..." Lin Wan'er (Alani) nodded slightly, and said with a smile, "

This ring has A very powerful ability is that it can send you to the person you want to see the most at your most dangerous moment. No matter how far you are from her, as long as you think of her in your heart, the ring will let you immediately and out of thin air Appear in front of her!"

## **The Amazing Son In Law Chapter 5905 -**

Hearing Lin Wan'er's words, charlie frowned subconsciously and asked, "How is this possible...you must be lying to me." "

How could it be?" Lin Wan'er said firmly, "Qianzhen It's true! Wan'er can swear on her life."

charlie shook his head, and said very seriously and frankly, "I believe what you said, this ring can indeed send people to other people, but Willie's sudden explosion just now At that time, I didn't think about you... What I thought about was my dead parents..."

As he spoke, charlie couldn't help murmuring, "It seems that at the end, my wife's image flashed through my mind. , if it is really like what you said, I should be sent to my wife by the ring..."

Lin Wan'er (Alani) pursed her lips, and said with a bit of sadness, "Brother charlie, Wan'er didn't lie to you, Wan'er Naturally, I know that you won't think of Wan'er in life and death, but this ring was left to Wan'er by Wan'er's father. Before he died, because he wanted to see Wan'er most, the ring sent him to Wan'er; "

charlie was dumbfounded! Unexpectedly, this ring actually has such a magical effect!

At this time, Lin Wan'er (Alani) paused for a moment, then continued, "Father left this ring to Wan'er, and later, Wan'er gave this ring to Brother charlie in Northern Europe ..."

Then, Lin Wan'er (Alani) changed the topic, and said, "However, although Wan'er gave it to Brother Charlie, in fact, this ring has already recognized Wan'er's father as the owner, so when Brother Charlie met today when you are in danger, it senses the danger you encounter, and remembers that Wan'er's father wanted to see Wan'er the most before he died, so it sent you to Wan'er just like it sent his father last time ."

Charlie was so startled that he couldn't speak for a while!

After a long time, he asked inexplicably, "As you said, this ring is simply a magic weapon that can save people from death. Why did you give it to me for such a precious thing?"

Lin Wan'er (Alani) laughed at herself and said, "The ring is not a perpetual motion machine. It needs a lot of spiritual energy to send a living person thousands of miles or even thousands of miles away in an instant. I don't have spiritual energy, so wearing it is useless."

r> As she said that, she looked at Charlie again and asked, "Brother Charlie must have poured a lot of aura into this ring

, right?" Unable to bring up the slightest bit of discomfort, he sighed, "It turns out that it sucked my spiritual energy to save me from fire and water one day..."

Charlie suddenly thought of something, and asked her quickly, "But aren't you participating in military training at Aurous Hill University? I remember I told you, don't leave school these days, why are you here?"

Lin Wan'er (Alani) replied, "Two days ago, a thunderstorm suddenly occurred in the suburbs, I noticed something different, and I calculated that Brother Charlie would There was a catastrophe, so I quickly asked for leave and came back. I haven't gone anywhere for the past two days, and I didn't let anyone enter this yard. I was afraid that you would show up at any time. In case Claudia and I were sleeping in the dormitory, you Suddenly appearing like today, how should you explain to her? Could it be possible to erase her memory again?"

## **The Amazing Son In Law Chapter 5906 -**

Charlie felt uncomfortable when he thought that he might appear naked in the female dormitory of Aurous Hill University , so I could only laugh a few times,

and thanked, "It turns out that Ms. Lin had already calculated that I would have a catastrophe, and that I might be sent to see you by this ring, so I came back early and waited. Thank you so much!"

" Brother charlie, you don't have to be polite." Lin Wan'er (Alani) said, and she couldn't help saying shyly, "It's just that Wan'er has calculated everything, never counting that brother charlie will show up when Wan'er is taking a bath..." charlie recalled just now, and he felt ashamed

. Can't help but feel a little embarrassed.

Immediately, he could only change the topic, and asked suspiciously, "By the way, you don't have aura, why didn't I erase your memory in Northern Europe that day?"

Lin Wan'er (Alani) sighed softly, "Hey...that's a long story

After finishing speaking, she saw that charlie's lips were chapped and he couldn't help swallowing, so she hurriedly asked, "Brother charlie must have said that this chapter is not finished, click on the next chapter to continue reading

charlie nodded lightly.

Lin Wan'er (Alani) smiled and said, "It just so happens that Wan'er still has the last piece of Pu'er tea cake left, and she has been reluctant to drink it. She just waits for the day when she can cook it for Brother charlie to taste. Brother wait a moment!

charlie hurriedly said, "Miss Lin doesn't need to be so troublesome, just pour me a glass of white water! " "

Lin Wan'er (Alani) stood up and said without looking back, "The piece of tea cake that Wan'er kept is the best Pu'er tea cake in the world, Brother charlie If you don't try it, you will definitely regret it in the future! "

Speaking, Lin Wan'er (Alani) said again, "Besides, Wan'er will start with that piece of tea cake for everything that elder brother charlie is curious about. After finishing speaking

, without waiting for charlie's response, she quickly went to get her complete set of tea sets, as well as the piece of Pu'er tea cake that she had always treasured.

Back in front of the bed, Lin Wan'er (Alani) carefully lit the charcoal made of olives in the copper stove, Then, taking advantage of the gap between boiling water, he took apart the old Pu-erh tea cake, and pried it open with an exquisite Pu-erh tea knife. The

moment the tea leaves were just unpacked, charlie smelled something that he had never felt before. The special tea fragrance.

This kind of tea fragrance is very rich and mellow, and after a long period of fermentation and storage, the smell of the tea cake itself also has a simple and unsophisticated atmosphere that cannot be described in words, which makes people feel refreshed.

charlie has watched his father drink tea since he was a child, and occasionally he can drink a cup and a half with him, so he is quite knowledgeable about tea, but he has never seen such a special tea. It is no exaggeration to say that in this piece of Pu'er In front of the tea cakes, all Pu'er teas were eclipsed!

## **The Amazing Son In Law Chapter 5907 -**

Lin Wan'er (Alani) boiled water elegantly to make the tea. After the tea leaves entered the water, they quickly dispersed at high temperature, and a more intense tea fragrance came to the nostrils immediately, making charlie feel that his mind was in this The scent of tea wakes me up a lot.

Immediately, Lin Wan'er (Alani) poured the brewed tea into a small Jianzhan cup, then handed the clear tea soup to charlie, and said with a smile, "Brother charlie, try it."

charlie took the cup, put it under his nose, smelled it lightly, and took another sip. The taste of this tea soup is extremely rich and sweet, and the perfect combination of smell and taste made charlie stare wide in surprise. Eye.

He couldn't help sighing, "This tea is so perfect, it definitely surpasses all my knowledge of Pu'er tea. May I ask Ms. Lin, where did you get such a good tea?" Lin Wan'er (Alani) said with a smile, "

charlie Brother, this cake tea was made three hundred years ago from the tea leaves of an ancient Pu'er tea tree called the mother of Pu'er tea. It is the mother plant of all Pu'er teas, and all Pu'er teas in the world are They all bred from it, and they were the earliest tea growers who kept breaking off its branches and taking them to various places to re-cultivate and plant them, so that the Pu-erh tea that was later sold all over the country came into being." charlie exclaimed, "Is this tea really 300 years old

? "

Lin Wan'er (Alani) nodded, "It's absolutely true, but this tree was struck by lightning three hundred years ago and turned into charcoal. What brother charlie is drinking now is the last cake of tea it produced in the last year. After drinking the cake and tea, the world will no longer have this taste."

charlie asked curiously, "Did the tea seller tell you this story?" "

No." Lin Wan'er (Alani) shook her head lightly, turned around and took it A small package, carefully opened it, inside, is a piece of lightning strike wood with a long history!

Lin Wan'er (Alani) took out the lightning strike wood and said quietly, "Everything that lives for a long time has its doom. People who practice Taoism are no exception, and this tree is no exception. It has lived for tens of thousands of years and bred countless tea plants, but it It also has its own catastrophe to overcome, and this is what it looks like after it fails."

charlie asked suspiciously, "Why do you know so clearly?"

Lin Wan'er (Alani) glanced at charlie, and then looked down at the piece in her hand. Lightning hit the wood, his expression seemed to be struggling.

After a while, she raised her head and met charlie's gaze with those clear eyes. Her red lips parted slightly and she said, "Because... three hundred years ago, my slave family stood by the Tianchi Lake in southern Yunnan and watched with my own eyes. It crosses the catastrophe..."
