

The Amazing Son In Law Chapter 5958 -

A few minutes later, all the servants of Zijin Villa returned to their rooms.

The careful old Zhang even asked Qiu Yingshan(Curtis) to temporarily suspend the monitoring of the entire Zijin Villa. After all, it was related to the reputation of his young lady, so naturally he could not leave any hidden dangers.

After everything was settled, Lao Zhang called Lin Wan'er to report, and then Lin Wan'er said to charlie Wade, "Master, Lao Zhang and the others are ready, let's go down." charlie Wade nodded and politely said, "Thank you, Miss Lin.

"

Lin Wan'er smiled sweetly, "My lord, you don't have to be polite to my servant."

charlie Wade put away the painting with the handwriting, and walked out of the top-floor courtyard with Lin Wan'er.

As soon as he walked to the gate of the courtyard, he saw three octogenarians standing side by side respectfully at the end of the long stone steps below.

What charlie Wade didn't expect was that among them, there was an important figure who was often seen on TV before, that is, Sun Zhidong (Meir) from the capital.

When he was young, he often heard the legendary and inspirational life experience of this great man mentioned by the elders around him, and even visited him with his father, but he didn't know until today that he , was actually one of the orphans Lin Waner adopted back then. charlie Wade and Lin Wan'er walked down the stone steps together, and

the three old people said to Lin Wan'er respectfully, "Hi, miss."

After speaking, they looked at charlie Wade again, and said with the same respect, "Hello, Mr. Wade!"

Too adaptable, after all, the combined age of these three people is almost 300 years old, so being so polite to me, a 28-year-old young man, really feels a bit out of harmony.

So charlie Wade also respectfully said, “Hello, three old gentlemen.”

Sun Zhidong (Meir) looked at charlie Wade, and couldn’t help sighing, “Mr. Wade really looks very similar to your father, just like the old saying, a tiger father has no dogs!”

charlie Wade respected He said, “Grandpa Sun, I followed my father to visit your house when I was young, I wonder if you still remember it.”

Sun Zhidong (Meir) nodded and said, “I remember, of course I remember. Your parents took you to my house for dinner. I still remember the situation back then. I didn’t expect so many years to pass in a blink of an eye.” , is indeed a talent for managing the world. He talked to me a lot about the direction of global economic development and the changing trend of the world pattern. His long-term vision and precise assessment of the situation are really the only ones I have seen in my life. It is a pity that God is jealous of talents. !”

charlie Wade also sighed in his heart.

He once heard adults mention Sun Zhidong (Meir) in a chat. At that time, his father had many ambitions to display when he returned to China. In fact, Sun Zhidong (Meir) had always wanted to cooperate with him on a macro level. Unfortunately, his father suddenly had an irreconcilable relationship with the wade family. Contradictions, and then left the wade family, went to Aurous Hill.

While charlie Wade was sighing, he was about to say something, when he suddenly felt that although Sun Zhidong (Meir) looked tough, in fact, his breath was already very bad, and he seemed to be at the end of his strength, and he would probably die of old age in a few months.

So, he said, “Grandpa Sun, your physical condition does not seem to be very good.”

Sun Zhidong (Meir) was stunned, and asked in surprise, "How did Mr. Wade see it?"

charlie Wade said modestly, "Your junior has learned a little medical skills. "

As he said that, he couldn't help feeling in his heart that these three people were all very old, and they were indeed on the verge of death.

Among them, Sun Zhidong (Meir) has only a few months left to live, and Qiu Yingshan(Curtis) and Zhang Decai, judging from the situation, have at most a few years to live.

Sun Zhidong (Meir) sighed at this time, "When people reach my age, they will basically run out of fuel, and it is normal to be in poor health." charlie Wade nodded lightly, thinking in his heart

that Lin Wan'er was his lifesaver, this I should repay the favor of saving my life, and these three are orphans brought up by Lin Wan'er. Among them, Sun Zhidong (Meir), who is in the most serious situation, has not long to live, so I should express it.

What's more, this Sun Zhidong (Meir) can be regarded as kind to his father for knowing him.

Because of emotion and reason, you can't sit idly by and ignore his current situation.

So, he said, "Three old gentlemen, the younger generation still has some important matters to deal with today. After the younger generation has settled the matter at hand, I will visit the third again. At that time, the younger generation will prepare some things for the three that can improve the situation of the three." The elixir for physical condition, I believe it will help the three of you."

All three of them were a little dazed.

They didn't know much about charlie Wade, they only knew that charlie Wade was Lin Wan'er's benefactor with great supernatural powers, so they didn't know what effect charlie Wade's medicine had.

At this time, Lin Wan'er on the side was overjoyed, and immediately said, "Old Sun, I said that your birthplace is in Aurous Hill, and it seems that all of this is

on Mr. Wade. Why don't you hurry up and thank Mr. Wade for saving your life?" ?"

Sun Zhidong (Meir)'s eyes widened suddenly, his face full of disbelief.

Lin Wan'er said to the other two, "Lao Zhang, Lao Qiu, Mr. Wade is going to give you a fortune, what are you still doing?"

"Intention, while being excited, he immediately wanted to bow down to Charlie Wade.

Charlie Wade hurriedly stopped the three of them with both hands, and said, "Don't disturb me, the three old gentlemen. The younger generation is in a hurry, and the younger generation will come to visit tomorrow, and then I will talk to the three old gentlemen in detail." After finishing speaking, he looked

at Lin Wan'er said, "Miss Lin, let's go first."

Lin Wan'er nodded lightly, and immediately said to the three of them, "I'll take Mr. Wade home, and you can let the servants go about their normal activities later."

Qiu Yingshan (Curtis) said respectfully, "Good lady!"

In the courtyard of Zijin Villa, a Rolls-Royce has opened the door and parked here.

Lin Wan'er was about to get into the main driver, Charlie Wade said first, "Miss Lin, let me drive."

Lin Wan'er nodded, and immediately went to the co-driver.

After getting in the car, Charlie Wade drove down the mountain to Tomson Yipin.

On the way, Lin Wan'er said gratefully, "My lord, Lao Zhang and the three of them are very old. If it weren't for the good fortune of your lord, I'm afraid it would be difficult to survive the new year. I thank you for your kindness on their behalf!" Charlie Wade smiled lightly

. “It’s just three pills, it’s not a big favor. Besides, that grandpa grandson and my father are also old acquaintances. Since we met, we can’t just sit idly by.” Speaking of this,

charlie Wade glanced at Lin Wan’er, and then “Like you said, you haven’t adopted since World War II Orphans, the youngest of these orphans is estimated to be seventy or eighty years old, right? “

Lin Wan’er looked a little lonely suddenly, sighed softly, and said, “These people, although I have always told them since they were sensible, that I only treat them as servants, but in fact, I have always regarded them as my relatives in my heart... ...The reason why I always make the relationship between master and servant very clear is that I don’t want to show myself too weak. When they are born, old, sick and dying, the slave family has always been very indifferent, but in fact, when each of them passed away, the slave family’s heart It’s all sad. “

charlie Wade nodded, and said seriously, “Now the three old gentlemen are finally able to accompany you together. If I can extend their lifespan, they will naturally be able to accompany you more. You are a girl. I don’t have the ability to protect myself. With their help, I will definitely be able to relax a lot. “

Speaking, charlie Wade said again, “If Aurous Hill can always be safe, Ms. Lin can also live in Aurous Hill forever. I am here, and if Ms. Lin needs help, I will definitely try my best to help. “

Lin Wan’er knew that charlie Wade really cared about her, and felt sorry for her three hundred years of running around.

She looked at charlie Wade gratefully, and choked up, “My family... Thank you for your love...”

charlie Wade said seriously, “Lin Miss, in my opinion, the greatest kindness in the world is nothing more than three, the kindness of parents, the kindness of life-saving and the kindness of knowledge, Miss Lin saved my life, and I will never ignore you at any time in the future. “

charlie Wade said these words from the bottom of his heart.

He knew how difficult Lin Waner (Alani)’s life was, and he also knew that once these old people passed away, her life would be like those years when she

just took the Everlasting Green Pill, with no one to rely on in this world. There is no one to rely on.

Therefore, Charlie Wade made up his mind early on that in the next hundred years of Lin Wan'er's life, he would not let her lose her support.

At this time, Lin Wan'er was already in tears.

For more than three hundred years, she has never had any idea of relying on others, and reality has never given her any chance to rely on others, but now, for the first time, she feels that her life has finally been relied on, And that reliance is Charlie Wade beside him!
