

## **The Amazing Son In Law Chapter 5984 -**

Aasif disappeared in an instant, which made Sara extremely shocked.

She hadn't figured out why Aasif disappeared out of thin air at first, but after a moment of astonishment, she realized that the senior brother must have been teleported to other places by the ring.

This made her roar angrily, and said through gritted teeth, "Old man, you are so biased! You said that senior brother and I are not qualified to inherit your inheritance, but you gave senior brother a magic weapon that can teleport! Why am I Sara?" No? Why! Say it! Say it!"

The cave where Meng Changsheng (Willie) the 1st was buried and the seriously injured Aasif disappeared, leaving only Sara and her hysterical roar echoing in the valley.

After a long time, Sara wiped off the blood on the top of the soft sword expressionlessly, inserted the soft sword back into her waist, and said coldly, "Senior brother, after today, you and I will be mortal enemies!" After saying that, she didn't turn her head

back He walked down the mountain with a steady pace.

More than ten days later, when she rushed to the south of Yunnan non-stop, she realized that Aasif had been buried in the ground, and his most beloved daughter, Lin Wan'er, had also disappeared without a trace.

After Sara dug up Aasif's grave and confirmed that Aasif was dead, and that the ring was not buried with Aasif, she began to treat Lin Wan'er for three years. Hundreds of years of hunting.

Because she had seen with her own eyes that the ring could teleport people thousands of miles away at the critical moment of life and death, so she had been emphasizing to those in charge of hunting Lin Wan'er over the years that Lin Wan'er must be captured alive and must not be killed.

However, after so many years, she still failed to capture Lin Wan'er back.

This incident made Sara very angry.

After a while, Sara, who was at the residence of the Po Qinghui, gradually withdrew her thoughts.

Looking back on those years, her heart is still resentful.

In the past three hundred years, apart from hunting down Lin Wan'er, she has also been looking for the inheritance left by her master, but for so many years, she has not found any clues.

More than 20 years ago, a young couple entered Shiwanda Mountain with clues they accidentally found overseas.

Sara has always suspected that they got the inheritance left by the master, but this guess has never been confirmed.

And for more than 20 years, Sara has been trying to confirm her conjecture, but she has exhausted all means, and still can't get the answer she wants.

Now, another descendant of Master suddenly revealed his identity and used Master's portrait as a warning to himself, which made Sara feel an unprecedented sense of crisis and oppression.

Although she didn't dare to go to Aurous Hill, in order to find the inheritance of Master's practice for thousands of years, she decided to go to the Shiwan Mountain again.

She has always been extremely cautious and did not dare to go directly to Huaxia, so she prepared to return to Huaxia via Burma.

Myanmar has thousands of kilometers of borders bordering southern Yunnan.

The reason why Sara wanted to go to Myanmar was because after thinking of Myanmar, she crossed the border alone and sneaked into southern Yunnan.

If you want to go to Shiwan Dashan, you need to fly to Vietnam, which is actually closer than Myanmar. However, Sara plans to go to southern Yunnan first, to visit Aasif's grave, and then go to Shiwan Dashan from south Yunnan.

at the same time.

Champs Elysees Hot Spring Villa in Aurous Hill.

The An family waited anxiously for a whole day, but they couldn't wait for charlie's figure.

## **The Amazing Son In Law Chapter 5985**

The family didn't think about food and drink all day long, they just wanted to see charlie as soon as possible and confirm with their own eyes that charlie was safe and sound.

At dinner time, Don Albert brought a few people to the door, knocked on the door and came in, and said to Asher who came to open the door, "Mr. An, I have prepared some good meals for you all, and these are the chefs of my Tianxiang Mansion." It is specially cooked here, and the ingredients of the meals are checked by me personally. I also watch them when they are cooking. It's okay, you can take it with confidence!"

Asher did not expect that Don Albert, a middle-aged man, could do things in a rough and detailed manner. When he was surprised, he couldn't help but thank him and said, "It's really troublesome Mr. Albert!" Don Albert hurriedly said, "Look at what you said, An

Asher Sir, all of you are relatives of Master Charlie, and I am Master Charlie's subordinate, and it is only right for me to serve you all." The old lady came over at this time and said quietly, "

Mr. Albert, we all prepare the meals you prepared at noon . I didn't move much, to be honest, we really don't have much appetite at this time, I don't know what happened to my family charlie, there has been no news, and I haven't seen anyone coming, I can't let this Kexin go..." "Yeah

... .." The old man An Qishan couldn't

help sighing, "Mr. Albert, can you contact charlie for us?" , Master Charlie specially told me to arrange it. Not only did I prepare all the special dishes in Tianxiang Mansion, but also specially asked me to prepare the best wine. As for Master Charlie's intention, I don't need to tell you. Guess."

The old man suddenly asked in surprise, "Mr. Albert, you...you mean, charlie is going to come over for dinner tonight?!"

The old lady on the side also said excitedly, "Mr. Albert, charlie really wants to eat ?" Are you coming?"

Don Albert said with a smile, "Old man, old lady, Master Charlie only ordered me to prepare the best banquet and the best wine, and didn't tell me anything else, but I think it should be your guess."like that. "

" Great! "The old lady's eyes turned red with excitement, and while wiping her tears, she said incoherently, "charlie is coming...Asher, get ready!"

Asher quickly asked, "Mom, if you need me to prepare anything, just tell me. "

The old lady said nervously, "I don't know...it's just that charlie hasn't eaten with us for twenty years. We have to prepare some things that charlie loved to eat when he was a child...I still remember that he likes my fried eggplant. Box, hurry up and prepare the materials, the sooner the better!

Asher patiently explained, "Mom, we were brought here by Mr. Albert in a hurry last night. Let alone the ingredients, even the kitchen utensils may not be complete. Besides, Mr. Albert said that charlie ordered us not to leave here. " "

The old lady said hastily, "Then you call someone to bring some over. My eldest grandson is back. As a grandma, I can't just prepare nothing!" An

Asher said helplessly, "Mom, there has been no mobile phone signal in this house, and I can't make calls to landlines. It's not realistic to find someone to deliver it temporarily." "

Don Albert hurriedly explained, "Mr. An, the cell phone signal here was blocked by Master Charlie. He said that there may be informers in the An family, and you are not allowed to contact the outside world for the time being.

Asher asked in surprise, "There are still informers in the An family? " ! Don Albert explained, "

Master Charlie is only suspicious, so for the sake of caution, you should not contact the outside world for the time being." "

After that, he quickly said to the old lady, "Old lady An, I brought all the chefs from Tianxiang Mansion here. I'll send it to you later! When the old lady heard this

, she immediately became happy, and said gratefully, “Oh, thank you so much, Mr. Albert!” “
