charlie knows that now is the best time to bluff.

The plane of the three elders of the Qing Dynasty turned around and turned back over the ocean, which proved that Sara was already scared.

Since you are afraid, strike while the iron is hot.

The An family will not leave Aurous Hill for the time being, and the An family must still have the eyeliner of the Po Qinghui. Taking this opportunity to let the word out, it can also play a role in knocking mountains and shaking tigers.

The current An family has 10,000 trusts in charlie. Since charlie said so, everyone naturally has no opinion, so they plan to implement charlie's plan.

As for Tablita's husband, charlie was not in a hurry and immediately began to test whether there was any problem with him, because according to his thinking, as long as the An family kept their walls clean from now on and did not give anyone with a foreign surname a chance to pry into the secrets, the situation could be stabilized.

As for Sara, since she has received her threat, she will definitely not do anything to the An family again in the future, and the An family can also breathe a sigh of relief.

At the dinner table, charlie exchanged cups with his grandfather, three uncles and Li Yalin.

Grandma and aunt also drank a few glasses of red wine with everyone, and the atmosphere among the family became more and more lively.

Grandma couldn't help but say, "charliee, you said you have been married for four years. When will grandma see her grandson and daughter-in-law?" Grandmother really thinks that you are one in a million. She has been waiting for you for so many years, and you say that if you let her down again, she will feel very sad..."

charlie felt a headache for himself, and quickly said, "Grandma, this matter...I don't know what to do now, so I can only put it on hold

The grandpa on the side said, "charliee, temporarily put aside the principle it's no problem, but have you ever thought about it, your daughter has also reached the grade of marriage, and you have been delaying telling others, if one day she doesn't want to wait for you and marries someone else, how would you feel? When Ye

charlie heard this, he had mixed feelings in his heart, and he didn't know how to answer it correctly.

At this time, Asher said, "Dad, Mom, the relationship problem is charliee's private matter. It's better for us not to point fingers and let charliee decide for himself." "

The old man nodded lightly, picked up the wine glass, and said, "charliee, let's have another drink!" "

The family banquet gradually came to an end. Except for charlie, everyone else was obviously drunk.

charlie was still thinking about going to see Lin Wan'er (Alani), so he said, "Grandpa and grandma, it's getting late. You two go to rest early today. I have to go to see a friend. I'll come to visit you again another day. Grandma quickly asked him, "

charliee, are you leaving?" "

charlie nodded and said, "I made an appointment with a friend to see her later, and it's quite late, so we can't delay any longer. "

Grandpa was a little bit reluctant, but he still said, "charliee, if you have something to do, go and get busy. Grandpa, grandma, and your aunts and uncles haven't been going anywhere these days. They're just in Aurous Hill. Come and sit at home whenever you have time. "

"Okay, grandpa." "charlie agreed, then remembered something, and said, "By the way, Grandpa, don't go to Wanliu Villa for the time being, you should live here. My people are watching here. It is relatively safe and convenient. "

Grandpa nodded, and said without hesitation, "charliee, don't worry, from now on, we will listen to your arrangements for everything!" "

Grandma couldn't help but said, "charliee, you drank,

Don't drive, or let your second uncle give you a contemporary driver. "

charlie smiled and said, "Grandma, don't worry, the alcohol has been consumed by internal energy, so I won't drink and drive. "

After that, charlie said again, "By the way, grandpa and grandma, I will transfer the rejuvenation pill formation of Wanliu Villa tomorrow. You two will live in Aurous Hill for a while, and your physical condition will further improve. "

Grandma subconsciously said, "charliee, it's better not to waste the rejuvenation pill on the two of us..." The old man

beside ★

For An Qishan, he has already swallowed the whole rejuvenation pill. In fact, the formation is not that important to him, but he believes in a basic logic. Since he said that he listened to charlie's arrangement, he must abide by this decision, no matter whether charlie's decision is good or bad for him. The old lady's idea is actually very simple, but she feels a little bit ashamed. From now on, we will listen to your arrangements, and you can decide everything

. "

charlie nodded slightly, and said again, "By the way, Grandma, Hong Tianshi is now my instructor at the hot spring hotel at the foot of the mountain. You and him are also considered old physicists. I will ask him to visit tomorrow. From now on here, I will ask him to arrange for anything I need.

The old lady exclaimed, "Hong Tianshi is actually here? " "

"Yes. "charlie smiled and said, "If you want to stay here, you can't drive him away, so let him be an instructor and let him play his spare time."

After that, charlie stood up and said politely, "Grandpa, grandma, uncles and aunts, and Detective Li, it's getting late, I have to hurry up to meet my friends, and I'll say goodbye first! "

An Qishan hurriedly said, "charliee, I'll take you to the door. ""

Others also got up one after another, and together with An Qishan, sent charlie outside the door.

charlie opened the door of the BMW, and before getting into the car, he said to everyone, "It's getting late, grandpa and grandma will also go to rest.

Grandma hurriedly asked him, "charliee, do you think you will come over tomorrow? " "

"Yes. "charlie nodded, "Tomorrow I will go to Wanliu Villa first, withdraw the formation there, and come to visit after the withdrawal. "

Grandma corrected, "It's not a visit, it's going home!" From now on, the place where your grandparents are will be your home! When you go home tomorrow, tell grandma in advance, grandma will cook your favorite dish when you were a child! Ye

Chen nodded slightly, and said seriously, "Okay grandma, then I'll come back for dinner tomorrow night." "

" Good! The grandma smiled gratifiedly, and said, "Go and get busy with business." Ye

Chen bid farewell to everyone, started the car, and left the Champs Elysees Hot Spring Villa.

He drove to Zijin Villa, and called Lin Wan'er (Alani).

Once the call was made, Lin Wan'er (Alani) happily asked him, "Young master, are you done with your work?" "

charlie hummed, and said, "Miss Lin, I'll drive over to meet you now, and I'll be there in about 30 minutes. It's a bit late, I wonder if it's convenient for Miss Lin? "

Lin Wan'er (Alani) said without thinking, "The slave family has been waiting for the young master, and the young master came directly. The slave family asked Lao Qiu to settle down the servants, and the three of them have been waiting for the young master. "

” Good! “charlie said again, “By the way, Ms. Lin, I have some things I want to ask you alone, can you give me some time to be alone first, and after I finish asking things, I will have a face-to-face chat with the three old gentlemen. “

Lin Wan’er (Alani) said, “Of course it’s no problem. The slave family asked them to avoid it first. After the young master arrives, come directly to the slave family’s other courtyard!” “
