

The Amazing Son In Law Chapter 6026 -

Qiu Yingshan(Curtis)'s wife clasped his hands together and said respectfully, "Mr. Qiu Yingshan(Curtis)'s lover, karina, Yingshan gave me the Rejuvenation Pill that Mr. Wade gave me last night, I thank Mr. Wade for his blessing!" As soon as he

finished speaking, karina was about to kneel.

charlie was about to stop him, but Qiu Yingshan(Curtis) stood between the two of them, and said respectfully, "Mr. Wade, miss said that if you don't give thanks sincerely, you will lose your blessing..."

charlie pursed his lips, wanting to say something, but held back.

Although the combined age of these four old people is almost 400 years old, they have always regarded Lin Wan'er (Alani)'s words as the standard in their hearts.

It is no exaggeration to say that Lin Wan'er is their life mentor, and they will believe and do what Lin Wan'er says.

Therefore, if what they said was different from Lin Wan'er (Alani), then they would definitely choose to listen to Lin Wan'er (Alani).

Helpless, charlie could only let the old lady kneel on the ground to thank her.

After she got up, charlie said, "By the way, is Miss Lin down?"

Qiu Yingshan(Curtis) said, "Mr. Wade, Miss has an order. After you are here, please move to her other courtyard."

charlie Thinking that they were in a hurry, Lin Wan'er (Alani) came down directly and the two went to the airport together, but Lin Wan'er (Alani) wanted to go up by herself.

However, he didn't have any other thoughts or opinions, if Lin Wan'er (Alani) asked him to go up, then he would go up by himself.

Immediately, he thought the four of them cupped their hands and walked up to the top courtyard.

At this time, Lin Wan'er (Alani) was still making tea in the courtyard.

Before charlie entered, he smelled the fragrance of tea from the courtyard, knocked on the door lightly, and heard Lin Wan'er (Alani)'s voice from the courtyard, "Please come in, sir."

charlie pushed the door open, Lin Wan'er (Alani) was wearing a slimming suit. An oversized Gucci white T-shirt, paired with a pair of lv classic printed shorts, and a pair of Hermès leather slippers on her feet. What is even more surprising is that her hair was permed into big waves, making her look young and fashionable. Kind of charming.

And Lin Wan'er (Alani), who was dressed up this time, was sitting in front of the stove making tea, the picture made charlie feel a little out of harmony.

charlie was a little surprised at this time. After all, Lin Wan'er (Alani) had always been a very classically beautiful girl in his impression. Even wearing school uniforms or summer T-shirts, it was difficult to conceal her classical beauty, which was completely different from her current image. It's like two different people.

Seeing charlie's surprised face, Lin Wan'er (Alani) couldn't help teasing, "Did this dress of the slave family scare you, sir?"

charlie smiled, "I really don't understand it, it doesn't seem to be your style."

, while pouring tea for charlie, she said, "After all, I want to go out to show my face, and it's safer to put on some disguise." Then,

Lin Wan'er (Alani) said, "By the way, my master, I have someone prepare a suit of clothes for you, do you want to go?" Change it?"

charlie asked in surprise, "Is it still prepared for me?"

Lin Wan'er (Alani) said with a smile, "The current look of the slave family is still quite different from that of the young master. If the two of us go out together, it may make people feel a bit incompatible. "

charlie smiled and said, "I listened to people's persuasion to eat a full meal. Since Miss Lin has prepared it for me, I will change it."

Lin Wan'er (Alani) blushed pretty, and said shyly, "Young master, please go in with the servant."

Following Lin Wan'er (Alani) into the room, Lin Wan'er (Alani) took a shopping bag from the table and handed it to Charlie, and asked softly, "Do you need a servant to change clothes?"

"Just come by yourself!"

The Amazing Son In Law Chapter 6027 -

Lin Wan'er (Alani) nodded a little disappointed, and said, "Then young master, go upstairs and change, the servant is waiting downstairs, if you need help from the servant, please ask me at any time."

Charlie said that changing clothes would be a shame. Why can I help, I'm not disabled, but I still said with a smile on my face, "Okay, then I'll go." When I went

upstairs, it was Lin Wan'er (Alani)'s boudoir.

The boudoir exuded the same faint fragrance as Lin Wan'er (Alani)'s body, which made people feel a little dizzy.

Charlie subconsciously recalled the experience of being helped to bed by Lin Wan'er (Alani) when he was seriously injured, and suddenly felt an indescribable strange feeling in his heart.

However, he didn't dare to think too much, and quickly took out the clothes Lin Wan'er (Alani) had prepared for him to change into.

After taking out the clothes, he realized that Lin Wan'er (Alani) had prepared the same couple outfits for him and himself.

The clothes in Charlie's hands were also enlarged Gucci t-shirts, classic printed LV shorts, and the same style of Hermès slippers.

Thinking about it, Lin Wan'er (Alani) wanted the two of them to disguise themselves as lovers and go to southern Yunnan.

However, Charlie didn't think much about it. It is relatively more reasonable for a man and a woman to go out and pretend to be a couple. This time, they are

going to meet Sara, the strongest master charlie currently knows. It is also safer.

So charlie immediately changed his clothes and went downstairs.

When Lin Wan'er (Alani) saw charlie coming down the stairs, even her eyebrows and eyes curved happily.

Although charlie was twenty-eight years old, he was blessed with aura after all. He looked like a young man in his early twenties. Coupled with this relatively trendy attire, no one would question him as a college student.

The more Lin Wan'er (Alani) looked at charlie, the happier she felt in her heart. She always felt that there was an indescribable sense of harmony between the two of them in couple outfits.

charlie came in front of Lin Wan'er (Alani), saw her blushing, and asked curiously, "Miss Lin, did you prepare this dress, or Mr. Qiu and the others?" Lin Wan'er (Alani) replied shyly, "My slave asked them to prepare it.

"

As she said that, Lin Wan'er (Alani) quickly explained, "I feel that the relationship between the slave family and the young master is determined by how the relationship between the slave family and the young master will be exposed when I go to the south of Yunnan with the young master this time. Couples are more suitable..."

charlie didn't think much, nodded and said, "In this case, after you and I go out, we can act as a couple in front of outsiders."

Lin Wan'er (Alani) bit her lower lip lightly, and said with a bit of coyness, "Since you are acting as a couple, does the young master want to think of a suitable name for the slave family?"

"What name?" charlie asked curiously, "How do you call it?"

Lin Wan'er (Alani) hesitated for a moment, then blushed and said, "I think young couples now call each other baby or dear, or call each other husband wife or something..." charlie said awkwardly, "

This...or is it Miss Lin? Forget it, you eat more salt than I eat rice, so you can do whatever you want.”

Lin Wan'er (Alani) rolled her eyes and muttered, “My lord, you are a dissatisfied elder...” “

No, no... “charlie subconsciously raised his hands and waved them together, and said solemnly, “I swear I didn't mean that, I just simply think that Miss Lin, you have much more experience than me in all aspects, and I won't play tricks in front of you.” I'll just do what you say.”

Lin Wan'er (Alani) stomped her feet anxiously, and said shyly, “The slave family just lived longer than the young master, but the slave family has no experience in the relationship between men and women, unlike the young master. , is already married, and has more experience than my slaves...”

charlie couldn't help sighing in embarrassment, and said, “The two of us are cripples when we meet cripples, let alone the other's legs and feet, let's help each other and grope together. Bar.....”

The Amazing Son In Law Chapter 6028 -

charlie's words made Lin Wan'er (Alani)'s eyebrows tremble unconsciously.

She seemed to understand something, but she deliberately didn't ask any more questions, but put the matter behind her, and said to charlie with a smile, “Since the young master can't make up his mind, let the slave family be the family.”

Said Forget it, she tilted her head to think for a moment, and said, “In ancient times, the slave family would definitely call the son a husband, but now no one calls you that, and the son and the slave family pretend to be lovers instead of husband and wife, so the slave family calls you son.” My dear, how about you call me your baby?”

After saying this, Lin Wan'er (Alani) breathed heavily, her pretty face flushed, and she looked at charlie anxiously, for fear that he would refuse or be dissatisfied.

charlie didn't think much of it, pretending to be a couple, even wearing couple outfits, it's normal to call them nasty, if they are a couple, it doesn't seem appropriate to call them by their names when they go out.

So he nodded indifferently and said, "Baby, right? Okay, then do it like this."

said, charlie told her, "Then you must remember, Qian Don't say the word Nujia in front of others, we are in a new era and don't like these old titles anymore, if you say that outside, people who don't know will think I have some special hobbies..." Lin

Wan'er Sticking out his tongue, he said unconvinced, "Young master, I have experienced all the way from the old age to the new era. I know what the young master said. Besides, the slave family has never said such a thing for hundreds of years, and it is only in front of the young master. That's all, after leaving this other courtyard, I will adjust myself."

"That's good." charlie nodded, then looked at the time, and said, "It's getting late, let's go." "

Okay." Lin Wan'er (Alani) Nodding his head, he said to charlie, "Master, when you leave this door, the servants will call you dear?"

charlie nodded, and said casually, "As long as you are not afraid of the jokes of the four old people below, you can call me dear."

Lin Wan'er (Alani) blushed immediately and said, "It's wrong, it's wrong, what I said is that after leaving Zijin Villa..."

charlie shook his head helplessly, "Okay, let's go quickly, they are still waiting below, probably waiting to follow You bid farewell."

"Okay." Lin Wan'er (Alani) nodded, and said apologetically, "Master, please wait for me outside the door for a while, and I will come as soon as I offer my father a stick of incense."

charlie readily agreed, and then went out alone. room.

Lin Wan'er (Alani) waited for charlie to go out, and then she came to the spiritual tablet of her father Aasif. She picked up three sticks of incense with her slender jade hands, and ignited them carefully. Insert three sticks of incense into the incense burner, Then he knelt on the futon in front of the coffin, put his hands together, and muttered to himself in a very low voice, "Father... Wan'er wants to marry her husband... oh no... oh no... Wan'er made a mistake when she entered the play... Wan'er is We are going back to the south of Yunnan together with Mr. Wade, I hope you are the spirit in

heaven, bless Wan'er and Mr. Charlie for their safe return, and bless Mr. Younger to get what he wants..." After saying that, she

kowtowed three times to the spirit seat, then stood up, and quickly step out.

The Amazing Son In Law Chapter 6029 -

charlie was waiting in the courtyard, and when he saw Lin Wan'er (Alani) coming out, he smiled at her, and the two walked down from the other courtyard on the top floor together.

Below, four old men were cats in the hall on the first floor, tilting their heads and looking up the stairs.

Seeing that the two really came out in couple outfits, Lao Zhang was very pleasantly surprised and said, "Oh! Mr. Wade and Ms. wade are really talented and beautiful, and they are a match made in heaven!"

Sun Zhidong (Meir) looked at the two of them, and couldn't help but wonder, "Old Zhang, you are the only three of us. I have been with Miss for the longest time, have you ever seen Miss smile like this in the past 90 years? Isn't this just as shy as a textbook?" At this

moment, Lin Wan'er (Alani) walked beside charlie with a shy smile like a girl on her face. , it can be clearly seen that she is in a very good mood, from the corner of her eye she glances at charlie beside her from time to time, and every time she just takes a look and doesn't dare to look for a long time, and every time she glances, her eyebrows and eyes are like the willow leaves blown by the wind Bend up a bend, it is really a beautiful face, a moon-like shame.

However, the Lin Wan'er (Alani) in the impression of the three of them, although she also loves to laugh, is always the kind who is heartless, playful and domineering. The word coquettish and shy has not matched Lin Wan'er (Alani) for hundreds of years.

Now, they finally realize that Miss also has such a girlish and shy side.

Qiu Yingshan(Curtis) looked at Lin Wan'er (Alani) approaching from a distance, and sighed with a smile on his face, "Miss must be more beautiful if she wears a wedding dress or Xiuhe?"

Sun Zhidong (Meir) waved his hand and said solemnly, “No, Miss looks too young, girls are married in their twenties and thirties now, and the young lady looks like she hasn’t graduated from high school, so wearing a wedding dress might be a bit out of harmony.”

Qiu Yingshan(Curtis)’s wife reminded in a low voice, “You three old men want to gossip at least after Miss and Mr. Wade leave. Mr. Wade has great powers. If he listens to it, I don’t know what to think of you!” Qiu Yingshan(Curtis) hurriedly said to the

other The two said, “Shut up, we’ll talk about it after Miss and Mr. Wade are gone.”

The other two are also interested

Shut your mouth, the three of them pretended to be okay, and glanced around in the hall.

After charlie and Lin Wan’er (Alani) came in, the three of them hurried forward, and together with Qiu Yingshan(Curtis)’s wife, they said respectfully, “Hello Miss, Mr. Wade!” Lin Waner’s shy smile just now disappeared, replaced by a serious like a parent

, He said, “Young Master wade and I set off for a trip to southern Yunnan, and you will take care of this place. Remember, no one is allowed to go up.”

Qiu Yingshan(Curtis) said without hesitation, “Don’t worry, Miss, I will arrange everything!”

Lin Wan’er (Alani) nodded, Then he looked at Sun Zhidong (Meir) again, and said calmly, “Old Sun, I had nothing to do last night, so I made a fortune for you. Your calamity has been broken by Mr. Wade. There will be no changes in the next twenty or thirty years. You can relax.” Take a breath, if you have something to do in Aurous Hill, you can go back to deal with it without worrying about it, and you don’t have to spend all the time here.”

The Amazing Son In Law Chapter 6030 -

Lin Waner knew that Sun Zhidong (Meir)’s path was different from other people’s, which meant that it was difficult for him to have absolute control. The right to choose independently, if you run outside for a long time, maybe someone from Aurous Hill will come out to find him.

Sun Zhidong (Meir) also knew his own situation, and sighed, "Miss, to tell you the truth, I have devoted my whole life to myself. Now that I am older, I don't want to worry about it anymore. My wife left early, and my three children are also very young." In other parts of the world, it is very boring to go back to Aurous Hill alone to live among the high walls, if you allow me, I would like to stay here for a while, and I can also catch up with the two brothers when they were children." Lin Wan'er (Alani) pondered for a

moment, nodded and said, "It's okay to stay here, let's do it first, you can make reasonable arrangements, and I won't worry about you." Sun Zhidong (Meir) cupped his hands respectfully and said, "Miss, don't worry about me, let's get busy with Mr. Wade as soon as possible.

"Let's go!"

Lin Wan'er (Alani) nodded slightly, and said to the four of them, "In that case, then Mr. Wade and I will leave first."

The four quickly sent the two of them to the yard, see charlie and Lin Wan'er (Alani) sat in the car on the left and on the right, and seeing them drive down the mountain, they felt relieved.

In the car, charlie focused on driving, while Lin Wan'er (Alani) beside her blushed for some reason.

She looked at charlie from the corner of her eye, looked out the window, hesitated again and again, and then asked him shyly, "Honey, how long can we get to the airport?" charlie casually said,

"Half an hour."

Shouldn't it be called Nujiabao?"

charlie coughed twice and asked her, "There's no one else here, do you really want to call it that?">

Lin Wan'er (Alani) wronged and said, "I made an agreement with the young master earlier..."

charlie immediately said in a serious manner, "Okay, keep the promise."

After finishing speaking, he adjusted, and said, "Honey, we will arrive at the airport in half an hour."

Lin Wan'er (Alani) She smiled shyly and sweetly, and said happily, "Got it, thank you dear!"

Satisfied, Lin Wan'er (Alani) couldn't help seeing charlie's left hand holding the steering wheel, and asked curiously, "My dear, didn't you wear the ring I gave you when you went out?"

charlie said casually, "Why are you wearing it? The owner of the ring is your father and not me. I will go out with you, and it will still teleport me to you in case of danger. If you really meet Sara, then Didn't she get stuck in a bug and couldn't fly out of her Wuzhi Mountain? I'm afraid she got that ring for nothing. Instead of doing this, it's better not to wear it." Then, charlie said, "Sara can't even dream of it.

" We all want that ring of yours, if we don't bring it with us, even if Sara really catches us, we still have some capital to negotiate terms with her."

Lin Wan'er (Alani) nodded and said, "My dear, you think more comprehensively, I never thought about it. This..."

...

Half an hour later, the two arrived at the airport.

charlie parked the car, and as soon as he got out of the car, Lin Wan'er (Alani) took a step forward and took the initiative to hold charlie's arm, looking very intimate.

charlie was slightly taken aback, but before he could speak, Lin Wan'er (Alani) beside him said, "Should couples be holding arms like this?" "

Oh..." charlie understood that she was pretending to be a couple with him, so he nodded and said, "It should be Right."

Lin Wan'er (Alani) couldn't help laughing and said, "When boarding the plane, in order to prevent the crew from suspecting, should I also hold your arm?"

charlie nodded and said, "No problem, just look at it."

With that said, charlie took out his mobile phone and looked at it. On the paid version of the flight software, he could clearly see that Sara's plane had already flown over New Zealand, and it was already very close to Melbourne.

While being held by Lin Wan'er (Alani), charlie looked at the phone and said in a low voice, "Sara's plane has already descended. It seems that it will definitely land in Melbourne and refuel. The whole journey will take at least an hour. We estimate that it will take off at about the same time as her." , considering that she is going to Myanmar first, so we have plenty of time, so much that we can even drive while playing,"

Lin Wan'er (Alani) nodded slightly, and sighed, "I haven't gone back for many years. When I arrive in southern Yunnan, everything is up to your arrangement. ."
