Seeing charlie Wade's serious face, Lin Wan'er (Alani) couldn't help but chuckled and said, "My lord, close-in defense guns can kill Uncle Nakul, but they may not be able to kill Sara. Besides, now I know where the master practiced in the past. Why, there is only Sara alone, the young master should bear with it, don't end Sara's life here."

charlie Wade laughed and said, "I'm just feeling emotional, even if someone can really bring the near-defense gun here, I will It can't be used here."

Lin Wan'er (Alani) nodded slightly, and said, "My lord, there is no monitoring here, please wait for me a moment, I will go to the front to pay homage to the ancestors of the Lin family."

charlie Wade nodded gentlemanly and said, "I'm waiting here You."

Lin Wan'er (Alani) gave him an apologetic smile, and then walked into the pine forest not far away.

Five minutes later, Lin Wan'er (Alani) came out of the pine forest with red eyes. At this time, five or six outdoor enthusiasts came together from the direction charlie Wade and Lin Wan'er (Alani) came from with their gear on their backs. One of them said, "I see here The scenery is nice, and the place is flat and big, which is very suitable for camping, how about we stay here tonight?" "

Yes." A young girl said, "Let's set up the tent first, and use the tent to cover the good place." Take it, and then go to the surrounding mountains, come back to cook in the evening, and have a bonfire party."

A young guy said, "Then I will notify Lao Hu and the others, send him the coordinates, and ask him to send the second group Bring all the members here."

"Great!" The girl said with a smile, "If that's the case, we'll have a lot of fun at night, hurry up and grab a place to set up a tent, and I'll go pick up firewood when I'm done." Lin Wan'er (Alani) sent

them I heard the conversation in my ears, and when I came to charlie Wade, I stretched out my hand to hold charlie Wade's arm, and said coquettishly,

“Honey, I want to camp here too! Why don’t we go buy some equipment and come over to experience camping?” Let’s go!”

After finishing speaking, without waiting for Charlie to respond, she asked the outdoor enthusiasts just now, “Can we join you?”? We have no camping experience and wanted to give it a go!

The girl smiled and said, “Yes, but we don’t have extra tents. If you want to go camping, you can go to the town and buy a tent as soon as possible. Let’s have a bonfire party at night! ” “

” Great! Lin Wan’er (Alani) said with a smile, “Thank you!” Let’s hurry up to buy some equipment and come back! “

Charlie Wade was taken aback by her words. In front of outsiders, he could only say vaguely, “Baby, the altitude here is quite high, and there is no shelter around, and we have little experience. If there is a strong wind, we may even people and tents were blown down directly, I was afraid it would be unsafe. At this time,

Charlie was tacitly playing riddles with Lin Wan’er (Alani).

The strong wind in his words was Sara;

and even people and tents were blown down, which meant that if they really camped here, they might be caught by Sara. Found it and killed it.

Lin Wan’er (Alani) naturally understood Charlie Wade’s words, and said seriously, “Can’t tents be nailed? After the ground nails are set, the wind of level 7 or 8 or even greater may not be able to blow the tent away. “

As she said, she deliberately said, “Didn’t you just learn how to tie floor nails with my cousin?” This time it will come in handy. “

Charlie Wade knew that the sister Lin Wan’er (Alani) was talking about was actually Dingyuan Boyun Ruge.

And the so-called learning to nail the ground in her words was to remind herself that she had mastered Professor Yun Ruge’s mentality and could hide herself. However, although

charlie Wade has confirmed the authenticity of the mental method, he is not sure whether the mental method is really watertight, in case Sara can pass through the phenomenon

What about the quality?

Besides, if something happened, it would be difficult for him to protect Lin Wan'er (Alani).

Lin Wan'er (Alani) seemed to know what charlie Wade was thinking, she took the first step and said with a smile, "Don't worry, my dear, there are very few strong winds in southern Yunnan, and it is even rarer here. What's more, the weather is so clear now, we only stay for one night, we will definitely not be there if there is any strong wind, even if it comes, it won't be able to blow us."

charlie Wade didn't expect that Lin Wan'er (Alani) would not give up on this immature idea, so she deliberately said, "Well baby, let's go down the mountain first and discuss it on the way. What should I do?"

"Okay!" Lin Wan'er (Alani) nodded contentedly, took charlie Wade's arm, and said affectionately, "Then let's hurry up, I'm afraid there won't be a suitable place if we come late!" The two turned

around After going down the mountain, after there was no one around, charlie Wade said, "Miss Lin, what you said just now, you must be serious, right?"

"I forgot about it."

charlie Wade had no choice but to say, "Baby, do you really want to camp there just now?" "

Yes!" Lin Wan'er (Alani) said very seriously, "I think Sara would never have imagined that at that time, I was only a few tens of meters away from her."

charlie Wade smacked his lips and said, "If she finds out that there is aura in me, wouldn't that be a trap for herself?"

Lin Wan'er (Alani) asked him, "Uncle Dingyuan taught you the mental method. Isn't it useful? In Wanliu Mountain Villa, didn't she rely on this mental method to keep you from discovering her?"

charlie Wade said, "The mental method is indeed effective. It can lock the spiritual energy in the body and prevent it from leaking out, but I don't know Will Sara notice it?"

"It's okay." Lin Wan'er (Alani) said very firmly, "I believe that although Sara is stronger than my dearA little bit, but it is definitely impossible to surpass my dear you by a few levels. Since Uncle Dingyuan can deceive you with this trick, then you must be able to deceive Sara with this trick! "

Speaking, Lin Wan'er (Alani) said again, "There must be risks, but I think this can make Sara black in front of the light instead!" "

"She must have been very cautious when she came to China this time. Although I don't have mastery of aura, I also understand some basic principles. It is impossible for her to consume such precious energy unscrupulously and perceive her surroundings all the time; "

"What's more, once a person uses spiritual energy to search for others, it means that he has exposed his own cultivation base and position. Now she is likely to suspect that her secret opponent is stronger than herself. Most people are more cautious. According to the law of the dark forest, no one dares to expose themselves in this situation, so my dear, I speculate that Sara will definitely not find you. After that ,

Lin Wan'er (Alani) said again, "Don't forget that there are so many camping enthusiasts with us, Sara came here and saw a group of young people camping here, how could she be suspicious?" What reason does she have to be suspicious?

Charlie was shocked when he heard that, and couldn't help but ask, "That... baby, can I ask you a question?"

Lin Wan'er (Alani) said with a smile, "My dear, you can ask. " "

charlie Wade asked seriously, "Have you been so strong all these years?" "

No..." Lin Wan'er (Alani) said seriously, "I used to do my best to avoid Sara, and Sara also knew that she had a crushing advantage in front of me, so in the past three hundred years, she has taken all the initiative." . "

As she spoke, Lin Wan'er (Alani) changed the subject, and said again, "But this time it's different. This time, she knows that the hidden enemy has a

greater advantage than her, so she will definitely be more cautious. Since she has become cautious, how dare we It can be bigger! “

charlie never expected that Lin Wan'er, who seemed weak and green, would be so courageous.

She clearly knew that she and she were no match for Sara at all, once they confronted Sara head-on, the two of them would almost certainly die.

After all, Yun Ruge once told them in front of them that Sara had already opened the Niwan Palace more than a hundred years ago, that is to say, her strength a hundred years ago was comparable to that of charlie now. Much stronger.

But even so, Lin Wan'er still took risks.

You know, once this kind of thing is played off, it will be fatal.

So, he said very seriously, “The two of us are in front of Sara, there is no possibility of escape, are you sure you really want to take risks here?”

Lin Wan'er nodded solemnly, looked at charlie, and said unswervingly, “In the past For more than three hundred years, I have been avoiding her. In order not to be discovered by her, I have always been very cautious. I am so cautious that I will almost never set foot in any place related to her. However, now I know that she may Will come here, I don't know why, but I suddenly want to take this risk!

charlie was dumbfounded, and couldn't help saying, “You're a bit late in the rebellious period Right?”

Lin Wan'er stuck out her tongue, “It's possible, but no matter what, I finally understand why those extreme sports enthusiasts climb skyscrapers with bare hands. They also know that if they are not careful while climbing, they will be smashed to pieces. , but they still want to try, for the tension and excitement of adventure, and the sense of conquest after success;” After a pause,

Lin Wan'er continued, “When people see skyscrapers, they look up, sigh and praise , and when they saw the skyscraper, what they thought in their hearts was, I once conquered it with my bare hands without relying on any external

force and protection, presumably that sense of accomplishment can make them happy for a long time!”

charlie pondered for a moment, and said, “I advise you to stay rational as much as possible. If this decision is wrong, then there may not be any chance to correct this mistake.” Lin Wan’er lowered her head and pursed her lips, then raised her head, a little

excited “I know myself. In this life, I can’t possibly have the ability to kill Sara. If I can’t be killed by her, it is already a great success...” “But, although I don’t have the ability to kill her, at least I can kill her.

” Today I have the opportunity to despise her with practical actions!

“Wouldn’t she, Sara, have dreamed of catching me? Then she might never have dreamed that I was close to her at a certain moment!” “

If this time If I succeed, then I will win the cat-and-mouse game with Sara once in my life!” “

If she doesn’t catch me by the day she dies, then I will win to the end!” “

As long as I I won this time, and one day in the future, I will definitely let her know,I, Lin Wan’er, was not blindly chased by her, Sara! “

“On that day, I will let her know that even though I, Lin Wan’er, have no strength to restrain a chicken, I still dare to talk and laugh in front of her, Sara!”
