

The Amazing Son In Law Chapter 6117

Hearing Lin Wan'er (Alani)'s question, the old nun explained seriously, "To be honest with Miss Lin, fifty miles ahead of here is where Miss Lin and Mr. Wade are going, but this place, Miss Lin can go, Sara can go, but Mr. Wade can't go."

"Master knows about Sara?!"

Lin Wan'er (Alani) was even more horrified when she heard the old nun mentioned Sara.

She really couldn't figure out the identity of this old nun, let alone why she was so powerful. She only knew Charlie Wade and herself. Even Sara knew it.

The fact that she can name Sara proves that she must know something about Sara's life.

In other words, she must know that Sara lived from the Ming Dynasty more than 300 years ago to today.

Lin Wan'er (Alani) looked at the old nun and thought horrified in her heart, "She knows Sara's secret. Does that mean she also knows my secret?" The

old nun stopped covering up at this time and said calmly, "The poor nun and Miss Lin opened the sky and spoke openly. Sara and the Po Qing Hui are also the enemies of the poor nun. Moreover, Sara is very strong personally and has the Po Qing Hui that has been running for three hundred years. The comprehensive strength is almost unmatched by anyone. "

At this point, the old nun suddenly changed the subject and said seriously, "But compared with that person fifty miles away, Sara is just a clown who has lived for more than three hundred years." The old nun's words frightened Lin Wan'er (Alani)

. Incessantly.

In more than three hundred years, Lin Wan'er (Alani) has never been as nervous as she is now, as if everything she has hidden for more than three hundred years has been seen through.

She suppressed the uneasiness in her heart and asked the old nun pretending to be calm, "Did Master Tai say it was Meng Changsheng (Willie the 1st)? Could it be... could he really not be dead?" The old nun sighed noncommittally and said, "

Sara is in such a short period of time." The period of time has come and gone, I think a smart person like Miss Lin can know the whole story at a glance."

Lin Wan'er (Alani) was even more nervous. In desperation, she quickly asked, "Young lady, dare I ask Master, what does all this have to do with Mr. Wade?! Why can Sara and I go, but Mr. Wade can't?" The old

nun clasped her hands together and said, "Amitabha, Miss Lin, no The poor nun didn't want to make it clear, but Miss Lin should know the fate. Some things can only be touched upon. Too much interference will cause uncontrollable changes. The poor nun's original intention was to remind Mr. Wade that there are many dangers in the road ahead. If there are too many, Mr. Wade will go to Hushan, then everything will be irreversible."

Lin Wan'er (Alani) pursed her lips and asked her, "Does the master think that the young lady should persuade Mr. Wade to give up now? With his character, there is no clear answer. Explain, will he agree?"

The old nun said seriously, "This is why the nun asked his apprentice to invite Miss Lin instead of inviting Mr. Wade directly. The nun believes that Miss Lin has an irreplaceable importance in Mr. Wade's mind. Regarding s8x, it should be much better for Miss Lin to persuade Mr. Wade than for a poor nun to do so."

Lin Wan'er (Alani) said in embarrassment, "Mr. Wade is particularly looking forward to this trip to the Hundred Thousand Mountains. He still has many problems that have been bothering him for a long time. I want to I want to get an explanation during this trip... I suddenly persuaded him to turn back, but he probably won't agree." The

old nun nodded, looked at Lin Wan'er (Alani), and said, "Going forward will save Mr. Wade and many innocent people. If Mr. Wade can temporarily put aside his hatred, he can buy himself valuable time and win more chances of winning." After that, the old nun looked at

Lin Wan'er (Alani) and said sincerely, "Ms. Lin , I have made it clear to you that I have a strong relationship. Whether you can persuade Mr. Wade to turn back depends on Miss Lin."

Lin Wan'er (Alani) looked at her and asked with a bit of pleading, "Master, little lady, please be more clear. Yes, Mr. Wade is the little girl's savior."
