

The Amazing Son In Law Chapter 6124 -

Lin Wan'er (Alani)'s words made Charlie Wade a little wary.

He couldn't help but ask Lin Wan'er (Alani), "Do you think there is a problem with her identity?"

Lin Wan'er (Alani) nodded lightly and said firmly, "The Nu family has also come into contact with some masters who have made great achievements in Buddhism in the past. These people have one thing in common, that is, strictly restrain oneself by the Dharma, constantly quote scriptures, and use the wisdom of the Dharma to guide one's daily life and speech and behavior. To put it more simply, even in their daily life, they always speak without departing from the Dharma. But that master's wife, except for Amitabha, rarely mentioned Buddhism, so the slave family suddenly felt that she might not be a real master."

Charlie Wade suddenly became alert and said, "If she is not a real nun, then she is pretending to be a nun. Waiting for us here, no matter whether she is an enemy or a friend, behind her, there must be another force outside of the Po Qing Society."

Lin Wan'er (Alani) nodded and said seriously, "But you don't need to worry too much, Master. The Nu family feels that they are sure they are not enemies, and there is a high probability that they will have enmity with Po Qing. The enemies of our enemies are friends, but they are still a little wary of us, or there may be other reasons, so it is not convenient for us to know their true identities for the time being." Charlie Wade was silent for a moment.

Lin Wan'er (Alani) asked Lin Wan'er (Alani), "What Greek mythology did she talk about?"

Lin Wan'er (Alani) didn't want Charlie Wade to know too much, so as not to guess the clues, so she said, "She just told me the story of Achilles. Even if she is very strong, she will not be able to guess the clues." Shen may be beyond redemption."

Charlie Wade didn't think much and said with a firm expression, "Let's go back and take a look!" Lin

Wan'er asked in surprise, "Master, are you planning to go to Qingzhao Nunnery? Take a look?"

“Yes!” charlie Wade nodded and said, “I want to know who they are, why they know so much about us, and why they deliberately disguise themselves as nuns and wait for us here. Originally, they said they were an important place for Buddhism and wouldn’t let me in. , I should naturally respect them, but now it seems that there is a high probability that they are not Buddhists at all, so it is better to go in and ask them face to face.”

“This...” Lin Wan’er (Alani) hesitated for a moment, nodded and said, “Sir, Since I want to see what happens, I will accompany the young master. However, the young master must not be impulsive, so as not to turn friends into enemies. “

charlie Wade nodded, “I just want to know who they are. If we can really become friends because of a common enemy, we must at least be honest with each other. It would be too shameful to be secretive. “

Lin Wan’er (Alani) also agreed with charlie Wade’s point of view. The other party already knew her and charlie Wade’s identities and backgrounds, but they still hid their true identities, which really made people feel a little uncomfortable. So the two turned around

again Go down the mountain and go straight to Qingzhao Nunnery.

After passing the Y-shaped intersection, charlie Wade and Lin Wan’er (Alani) went up all the way. When they were halfway there, charlie Wade frowned and said, “There is no one in Qingzhao Nunnery anymore.” “

Ah?” Lin Wan’er (Alani) asked in surprise, “Did Young Master use spiritual energy to check?” “

Yes.” “charlie Wade nodded and said, “No one is gone. They are probably gone.” “

This...” Lin Wan’er (Alani) frowned and said, “When I left just now, I looked back many times, but I never saw anyone coming down the mountain...”

After charlie Wade released more spiritual energy to investigate, he said, “There is a path behind the mountain.” Lin

Wan’er said with some annoyance, “It’s all my fault. If only I had thought of this earlier...”

charlie Wade smiled lightly and said with relief, "It's okay. Since everyone is gone, let's go up and take a look. Maybe It can also leave some clues.

Lin Wan'er (Alani) hurriedly asked, "Do you want Lao Sun to help check it out?" "These people may leave surveillance information in nearby towns. "

charlie Wade shrugged. "You can give it a try, but I feel like there won't be any gains. These people are different from Sara. Sara is suspicious by nature. This time when I come to Shiwandashan,

The Amazing Son In Law Chapter 6125 -

Acting alone, it is difficult to cover everything in this case, but they are different at first glance. Not only are they acting as a team, but they have also been prepared in advance. This kind of Under the circumstances, there should be no clues left for us. "

That's true..." Lin Wan'er (Alani) sighed and said, "It seems that they guessed that we were coming here in advance, so they prepared in advance at Qingzhao Temple." "

As she said that, Lin Wan'er (Alani) thought of something and said, "We can learn about the situation of Qingzhao'an from the local area, and maybe we can find some clues. "

Okay." "charlie Wade nodded and said, "Let's go up and take a look first. "

...

When the two came to the main entrance of Qingzhao'an, the door was already closed.

However, charlie Wade stepped forward and pushed it gently, and the door opened with a creaking sound. Ye

charlie stepped in, looked at the thick wooden door bolt behind the door, frowned and said, "It seems they knew we were coming, and they specially left the door open for us. Lin

Wan'er looked a little horrified and murmured, "This takes into account every step we take..."

“Yes.” “charlie Wade laughed at himself and said, “I thought it was hidden very deep, but it turns out that everyone knows everything. The key is that I can calculate everything. I really can’t understand it. “

Lin Wan’er (Alani) also said with some dejection, “The Nu family has never had any cultivation in more than three hundred years. What has always been more conceited is its own brain. Now it seems that it cannot compare with them. “

charlie Wade smiled and said, “That’s normal. Two fists can’t beat four hands. What’s more, there may be a huge organization behind them. With so many people working together, how can the two of us still not understand? Lin

Wan’er sighed softly and said, “Sara has never found the slave family in three hundred years, so these people may not be as strong as Po Qing Hui, but the people behind them must be smarter than Sara and me.” “

charlie Wade comforted and said, “Fortunately, there is no possibility that they are enemies.”Big, if we can become friends in the future, it should be of great help to us. Lin

Wan’er nodded slightly, but it could be seen that she was still somewhat shocked.

charlie Wade changed the topic and said to her, “Let’s go in and take a look.” “

Okay.” “Lin Wan’er (Alani) responded, and followed charlie Wade, stepping in.

Qingzhao’an is not big at all. There are

only two courtyards, one in front and one in the back. On

both sides of the front courtyard are the side halls, in the middle is the main hall, and behind the main hall is another There is a small courtyard with three tile-roofed houses.

charlie Wade and Lin Wan’er (Alani) first looked at the side halls on both sides. Apart from a few Buddha statues enshrined in the side halls, there is nothing special about them.

The main hall, on the other hand, has a bright lantern. It was still burning. In the incense burner, the three sandalwood sticks were almost burned to the roots.

charlie Wade looked at the incense burner, guessed the length of the incense ashes, and said, "These three sandalwood sticks seem to be very long. They may have burned for a while." More than hours. Lin

Wan'er calculated the time and said, "It has indeed been an hour since I came down the mountain from the slave's house, to meeting the master at the slave's house and explaining everything to him. In addition, the master and the slave's family went up the mountain and then turned back." Ye

Chen nodded and said, "These three sticks of incense were lit from the moment you went out." "

As he spoke, charlie Wade closed his eyes, smelled the sandalwood scent carefully, and sighed, "This sandalwood scent is so good, better than any other sandalwood scent I have ever smelled! "

Lin Wan'er (Alani) said in agreement, "I was just about to say...this sandalwood is indeed very good. I am also a lover of tea and fragrance, but the best old sandalwood I have ever come into contact with is not as good as this kind of sandalwood." , the aroma is rich, deep and slightly sweet. "

charlie Wade couldn't help but sigh, "It seems that every step we take is indeed in their calculations. They must have calculated that you would notice the abnormality and that we would turn back. These three sticks of incense should have been burned for us. "
