charlie knew that Stephen Thompson was once his father's confidant. His father must have made very detailed arrangements back then. Although he has been at the Wade family for so many years, in fact, he spent more energy on After completing the task assigned to him by his father back then.

Thinking that Zhou Liangyun was also part of his father's arrangement, it was estimated that Stephen Thompson must have heard about him.

So, charlie said to Lin Wan'er (Alani), "I have never asked Butler Stephen too many details before. It seems that I have to ask him clearly today." At this time,

charlie was thinking about how to find out what happened that year. Everything about him, as well as the arrangements left by his father, even if he was giving psychological hints to Stephen Thompson, he must ask everything that Stephen Thompson knew.

Thinking of this, he said to Lin Waner, "I will go find Butler Stephen now."

Lin Waner nodded and asked him, "Master, can the slave family come together?"

charlie said without hesitation, "Of course!"

After that, he and Lin Waner, walked out of the room where his parents lived, wanting to find Stephen Thompson and ask what happened.

When they came to the main hall, the old man Lord Wade was sitting here drinking tea alone.

Seeing charlie come out, he asked curiously, "charlie, how are you sorting out your parents' belongings?" "

Still sorting them out." charlie replied and asked him again "Grandpa, where is Butler Stephen?"

Lord Wade said, "He just said that he had something to do at the moment and he had to go and take care of it first. Are you looking for him?" "

Yes." charlie nodded and said, "I'll call him if he's not there. Call me."

After saying that, he took out his cell phone and called Stephen Thompson.

But what charlie never expected was that the operator's prompt tone came from the other end of the phone, "Sorry, the number you dialed has been turned off..."

In charlie's impression, Stephen Thompson's mobile phone was never turned off. This was his basic professional quality as a butler.

In this section He left suddenly, and his cell phone was turned off abnormally, which made charlie smell something abnormal.

However, he did not tell Lord Wade, but said to him, "Grandpa, I will go back to Aurous Hill tomorrow morning. When you see Butler Stephen, tell him that I have something to do with him and ask him to call me back." Lord Wade nodded slightly and

asked charlie, "Did you call him just now and didn't get through?"

charlie nodded and said, "It's turned off. Maybe the phone is out of battery."

"It shouldn't be..." Lord Wade frowned and said, "In the past ten or twenty years, I don't remember when Stephen's cell phone ran out of battery."

charlie smiled, "There are always special circumstances in everything. Grandpa, you should go to bed early."

Lord Wade said, "Oh, by the way, before Stephen left, he told me that the guest room has been packed. Now, if you are tired, go to bed early. There are no servants arranged in the old house today. If you need anything, please feel free to tell me."

charlie agreed with a smile, then gave Lin Wan'er (Alani) a wink, and the two returned to the The former study room.

As soon as she entered the study, Lin Wan'er (Alani) couldn't help but said, "Sir, Butler Stephen's cell phone suddenly turned off. Did he guess in advance that you would definitely ask him?" "It's possible." charlie sighed and said, "He

suddenly Leaving without saying goodbye, I suddenly felt that it would be difficult to see him again in the future. He is a smart man and knows that he

can hide for a while but not forever, so it is impossible for him to turn off his phone tonight and act as if nothing happened tomorrow. He will return to the Wade family again, unless he has already planned to never show up again after leaving this time.”

Lin Wan'er (Alani) was surprised and said, “Now that things have happened, what else can Butler Stephen not tell the young master? He has been saying this for so many years, aren't they all fulfilling the tasks assigned to him by the young master's father? Why is

Suddenly leaving without saying goodbye? Did he know that the young master would ask him after seeing these photos? “

charlie shook his head, “I don't know what he thinks, but from what I know about him, he must be loyal to the Wade family. Maybe he had his own reasons for leaving without saying goodbye, or maybe it was part of my father's arrangement back then. “

Lin Wan'er (Alani) said, “Young master is proficient in spiritual energy, and there are many ways to make people reveal their deepest secrets. When Butler Stephen left at this time, the slave family thought that he must be worried that young master would use spiritual energy to force him to reveal more hidden secrets. “

charlie sighed, “Forget it, he must have his reasons and difficulties for doing this. I believe he will not do anything to harm the Wade family, so since he has difficulties, I must also respect it. There are some things she is not willing to do now. He said, let's wait until he is willing. “

Let's talk. charlie returned to the photo album again and continued to look back.

In the later photos, charlie's parents appeared frequently.

They put on mountaineering expedition equipment and went to southern Shunnan together. The place where Meng Changsheng (Willie) first practiced, then he went to Myanmar, Bangladesh and India, and finally returned to China from India and went to Shiwanda Mountain.

Shunan and Shiwanda Mountain are both Meng Changsheng (Willie)'s cultivation places, and there are many in between. A route from Myanmar all the way west to India. charlie speculated that this line should be the road Meng Changsheng (Willie) took when he left Shunan to look for opportunities

. After having a life span of 500 years, Meng Changsheng (Willie) returned to China and went into seclusion at Shiwanda Mountain. Finally, he broke through the shackles of 500 years and extended his life span to 1,000 years. Lin Wan'er (Alani) on the side couldn't help but exclaimed, "I didn't expect that, Master

. My parents actually sorted out all the routes my master took back then! "

charlie nodded and said, "It's probably due to the "Preface to the Nine Mysteries Sutra". "

Lin Wan'er (Alani) asked"After your son goes to the United States this time, do you plan to take the route from Myanmar to India?"

charlie said, "I have this idea initially, but I still have to take it one step at a time and see if I can find Zhou Liangyun in the United States first." clues."

Lin Wan'er (Alani) said seriously, "The master's route was also taken by the slave family back then. Although the specific routes may be different, the slave family has been to these countries and has some foundations. If the master is prepared to go there, the slave family will I can help the young master a little."

"Okay." charlie nodded and said, "For specific matters, Miss Lin will wait for me to come back from the United States, and the two of us will discuss it in the long term." ...
