. replied: “Mr. Aman Ramovich, I am currently preparing to buy a new property, but I am still looking around. Houses in the core areas of Long Island are really too expensive, costing tens or even hundreds of millions of dollars. , Our family has spent a lot of money recently, and it’s really hard to come up with so much money at once.”

Aman Ramovich nodded and said casually: “It’s not very expensive to live in the core area of Long Island. I I just commissioned my staff to help me buy a manor a few days ago. It’s in the best part of Long Island, just across the road from the famous Feijia Manor. I bought it for my wedding. If you feel like it in the future, You can come and stay at any time if you are interested.”

Antonio was overjoyed and said quickly: “Thank you, Mr. Aman Ramovich!”

charlie, who came in first, after listening to the conversation between the two, looked at Aman Ramovich's superior figure from a distance. He couldn't help but laugh. He looked at Julia not far away, smiled to himself and shook his head. He thought to himself, this girl's appearance and figure are really not outstanding, and she is more than enough to match Aman Ramovich.

However, this Aman Ramovich is really unlucky. He wanted to find a wife twice, but he happened to meet him both times.

Julia saw that charlie was not afraid at this time, but was looking at her up and down a little frivolously. She couldn't help but said angrily: "Don't you know how to be afraid? If my father gets angry, he might kill you.!"

charlie said with a smile: "Don't worry, your dad doesn't have this ability, but I really want to peel off his skin today."

Julia frowned and asked: "Who are you? A member of the Chinese Gang?"

charlie shook his head and said: "I am from China, but not from the Chinese Gang."

Julia said seriously: "Don't think that this is China. Here, as long as my father says a word, his men will grab it. Shoot you for him. Even if you die, he will not bear any responsibility at all. I am not alarmist. Basically, people will die in his hands every month. If you still want to live, see you soon. If you kill him, you must kneel down and beg for mercy, beg for his forgiveness, beg for his forgiveness. When the time comes, I will try my best to say good things to you, maybe he can spare your life." charlie smiled and said: "You have too much to take care of yourself, why not

? Do you have time to say something nice for me?"

As he spoke, charlie pointed at Antonio and Aman Lamovich who were walking in from a distance, and said: "Your father invited Aman Lamovich to visit his house, he should be playing a game. Is it your idea?"
