

The Amazing Son In Law Chapter 6239

Soon, the prison guards brought charlie to the door of cell No. 8 where he was assigned.

Originally, the prisoners inside were laughing and making a mess. The prison guard shouted through the door, and all the prisoners lined up in the center of the cell.

The two prison guards waiting at the door checked the number of people through the iron railings, and then used the intercom to notify their colleagues to open the gate. Then the two went in first to check, and after confirming that there was no problem, they gave instructions to the prison guard with charlie behind. , the prison guard pushed charlie and saw charlie being brought into the cell.

As soon as he entered the cell, charlie smelled a sour smell. Body odor and foot odor mixed with the smell of bedding, plus the smell of the toilet, made it disgusting. As

soon as charlie entered, he couldn't help but frown, but the prisoner inside didn't care at all about the dirty smell inside. One of them, a muscular white man with a big beard, saw charlie's disgusted look on his face, and even

couldn't help laughing and joking, "Wow, our Asian beauties don't seem to be satisfied with the sanitary conditions here!"

The group of people burst out laughing, and one of them, a thin black man, said with a lewd smile, "Boss, this guy looks like he has tender skin and tender flesh. He should be to your liking!" The

muscular man laughed and said, "I'll let him get used to it as soon as possible." My body odor, and my little brother!"

Everyone burst into laughter. charlie frowned and glanced at the muscular man, and ten thousand ways to torture him flashed through his mind.

When the muscular man saw charlie looking at him, he deliberately raised his eyebrows at charlie, with a look of obscenity and teasing on his face.

At this time, the leading prison guard introduced charlie and said, "This is your new roommate. He will sleep in bed No. 16 from now on." After that,

he looked at the muscular man again and reminded, "Dean, you'd better restrain yourself." , what happened last time is not over yet, you have caused this kind of trouble several times."

"Shit!" The muscular man curled his lips and said, "I just fucked that kid a few times, and I originally wanted to bring him happiness. Yes, but he couldn't think about it and had to commit suicide. Can you blame me for this?"

"That's right!" A prisoner agreed with a smile, "The boss favors him, that's his blessing! What's so hard to think about?"

said Looking at it, he chuckled and asked the prison guard, "Sir, is that kid dead?" "

He's okay. He's not dead yet. He's still being rescued." The prison guard said with a dark face, "But it's not yet clear whether he can survive." It's clear, so don't cause any more trouble for me recently."

After saying that, he glanced at charlie and said to the muscular man named Dean, "It's not that you can't do some things, you just have to grasp the scale, don't do it anymore You're causing trouble for us."

The muscular man chuckled and said, "Don't worry, I will keep a good handle on it!"

The prison guard nodded, then ignored charlie, turned around and walked out with the other two prison guards.

Then, the fence gate closes automatically.

The dozen or so people who were still in line suddenly relaxed. The muscular man named Dean looked at charlie and sneered, "Hey, new guy! Let me tell you the rules of this cell." "

charlie ignored him and walked straight to his bed No. 16.

When Dean saw charlie ignoring him, he immediately became confused. Some became angry from embarrassment, and immediately rushed up, grabbed charlie's collar, clenched his fists and gestured at charlie, "Boy, I'm fucking talking to you, can't you fucking understand?" charlie frowned

. , said in a cold voice, “Your mouth really stinks, and your body also stinks. The whole cell has a disgusting stench. It seems that the hygiene of this cell needs to be improved.” As he said,

charlie Pushing his hand away, he simply tidied his bed.

Dean didn’t expect that charlie would dare to talk to him like this, and he was a little confused in his heart. He was worried that charlie had some background that he couldn’t afford to offend, so he stepped on charlie’s bed and asked in a cold voice, “Boy, what the hell are you doing?” Mom is so courageous, what’s your background? Please report it! If you can name something, I can give you some face, but if you can’t tell me, don’t blame me for being rude to you!” charlie looked

at He touched his dirty feet, leaving a shoe print on his bed, and said coldly, “I don’t have any background, I’m just an illegal immigrant caught by the immigration bureau. You don’t need to give me face, and I won’t either.” To give you face, now take your dirty feet away from me and wipe my footprints clean!”

Dean was stunned for a moment. In this cell, who can’t be respectful to him? On weekdays, I can beat whoever I want and sleep with whoever I want.

But he never dreamed that a frail-looking Asian with delicate skin and tender flesh would dare to speak nonsense in front of his muscular self.

Others did not expect that charlie, the newcomer, would be so brave and dare to talk to the boss of the cell like this. They were all shocked and curious, wanting to see how Dean would teach this ignorant boy a lesson.

You know, Dean is a standard American muscular man, big and powerful, so in a prison where fists are met head-on, his force value is relatively high. In this cell, no one is his. opponent.

Moreover, there were a total of fifteen people in the entire cell, not counting charlie, seven or eight of them were Dean’s younger brothers, and the rest were very afraid of Dean and did not dare to mess with him at all.

At this time, Dean gritted his teeth with an annoyed look on his face and said, “Boy, you may not know where you are from! I tell you, here, I, Dean, have the

final say in everything. I let you stand.” , you can’t sit down, you can’t lie down if I ask you to lie down! You have to do whatever I ask you to do, you have to eat whatever I ask you to eat, and you have to swallow whatever I ask you to do. You have to swallow whatever you want, otherwise, I will make your life worse than death!”

charlie saw that in addition to the threat on his face when he spoke, he was also full of vulgarity, and asked him expressionlessly, “Are you gay?”

Dean He clenched his fists loudly, “I’m not gay, but here, I like a thin-skinned guy like you to serve me!”

charlie nodded, “You want me to serve you, right? What are the details? Service, come and tell me about it.”

Dean laughed evilly and said, “It’s meaningless. Why don’t I take you to the bathroom and teach you step by step so that you can practice it directly!” “

Wow!” Everyone said one after another. Cheers.

. Some people even said excitedly, “Boss, you are going to have a good time before it gets dark? Can you let me have a good time when you are done?

” Enheng smiled and said, “Let me inspect the goods for everyone first! After I’m done, everyone who is interested can go in and have a good time!” After saying that,

he darkened his face, looked at charlie, and said coldly, “Let’s go , follow me to the bathroom!”

charlie nodded, pointed to his feet on his bed, and said lightly, “I’ll tell you about the shoe prints later.”

After that, he straightened his clothes and walked towards Walk to the bathroom.

Dean snorted and said to the people watching around him, “I like your character. You wait outside and no one is allowed to peek. Otherwise, I will twist his head off!” Everyone nodded with smiles

. Then Dean also walked into the bathroom.

As soon as he entered the bathroom, he closed the door and said to charlie with a lewd smile, "Since that kid committed suicide last time, I haven't met someone as thin and tender as you in a while. If you just listen to me, I will Brooklyn, I can make you walk sideways, but if you don't obey me, I will make every second of your life here worse than death!" charlie looked at

him, covered his nose and asked, "Why does your fucking mouth smell so bad? , your fucking eyes are burning just listening to you talk, don't you usually brush your teeth?"

"F*ck!" Seeing charlie sneer at him, Dean immediately cursed, "You f*cking hate my mouth. Smells? Let me tell you, my other parts stink even more! I will stuff it into your mouth and let you taste it!"

After that, he reached out to untie his pants and said with a sinister smile, "Boy, today I will I'll give you a good lesson on how to survive in Brooklyn Prison!"

"Lessons?" charlie sneered, "How about I give you a lesson first, a hygiene class!"

After that, charlie said His right hand suddenly grabbed his neck with lightning speed, and pressed his Adam's apple hard with his thumb, almost crushing his Adam's apple.

The Amazing Son In Law Chapter 6241

Dean didn't expect that the thin charlie would be the first to attack him, and he didn't expect that charlie's arms, which seemed to have no muscles at all, would be extremely powerful! When he strangled his neck, his brain seemed to be deprived of oxygen in an instant, and his neck was in severe pain, so painful that his body could not exert any strength.

He has been practicing fitness for many years, and the direction of fitness has always been strength, which is completely developing in the direction of a strongman. In his opinion, his body strength can be ranked among the top five in the entire Brooklyn Prison. How could he be crushed by a thin Asian man? !

He was suffering from severe pain in his neck. No matter how hard he struggled, he couldn't loosen charlie's fingers even a little bit. He couldn't breathe at all, and his face soon turned blue and purple from the suffocation.

He wanted to beg for mercy, but he couldn't speak at all. The look in his eyes that looked at charlie had changed from contempt and wretchedness to one of deep fear.

charlie looked at his horrified look and sneered, "You are still not convinced when you say you have a bad mouth. You can see that you haven't liked brushing your teeth since you were a child. When you grow up, you are even more dirty and lazy. Come on, let me teach you." How should you brush a stinky mouth like yours!"

After saying that, charlie took the toilet brush beside the toilet with his left hand, pinched his mouth open with his right hand, and directly brushed the toilet brush. The dirty toilet brush was stuffed directly into his mouth.

Although Dean is very big, one of his chest muscles is almost as big as an adult's head, but this guy's mouth is really not that big in comparison.

When charlie forced the toilet brush, which was thick and covered with hard burrs, into his mouth, two bloody gashes were opened at the corners of his mouth.

Dean suddenly shivered in pain, but charlie showed no mercy at all. With a strong hand, he stuffed the entire toilet brush head into Dean's mouth.

Then, as if he were cleaning a toilet, he scrubbed hard a few times, causing Dean's mouth to bleed continuously.

Dean felt that his entire mouth and throat were in terrible pain. The hard plastic bristles had already caused countless bloody wounds in his mouth. His whole body almost collapsed and he couldn't help but shed tears.

He wanted to whimper desperately to attract the attention of the boys outside the door and let them come in to rescue him. However, the bathroom door had been closed by himself, his mouth was filled with toilet brush, and his throat was pinched tightly by charlie's fingers. Even if she whimpered desperately, it was as weak as a sucking kitten and could not be heard by anyone outside.

With no hope of help, Dean could only raise his hands above his head with difficulty, praying to charlie with his eyes with a miserable look on his face.

charlie temporarily stopped his movements, left the toilet brush in his mouth, and asked him with a sneer, "Didn't you teach me how to survive in Brooklyn just now? Why are you crying like a bitch now? I'm sorry. Are you so muscular?"

Dean was speechless, and he couldn't care about charlie's humiliation, and he couldn't control his tears. He could only look at charlie with a more humble look, hoping that charlie would be merciful.

But charlie didn't have any sympathy for him. He pushed the toilet brush deeper and asked him, "What were you talking about just now? What are you trying to stuff somewhere?"

Dean shook his head in fright. But Chen continued, "Hey, you don't admit it, right? Okay, aren't you a good one? Why don't I help you stuff this toilet brush behind your back, so that you can feel completely satisfied?" Dean felt like a thunderous shock, and he

saw charlie's face was solemn and cold, and it didn't look like he was threatening him at all. His whole body was so frightened that he was trembling, fearing that charlie would really do this.

So his knees weakened and he knelt on the ground with a thud. He clasped his hands on top of his head and kept begging charlie for mercy with gestures.

charlie looked at his extremely frightened look and asked curiously, "What? Are you scared?"

Dean nodded vigorously and shed tears everywhere.

charlie twisted his wrist and twisted the toilet brush in his mouth again. A stream of blood mixed with saliva flowed down the corners of his mouth. Dean's heart was completely broken at this moment. .

Seeing that Dean's every vein in pain was beating wildly and his heart was collapsed, charlie was not ready to let him go, but said extremely coldly, "Remember this! As long as I still look unhappy with you, It's useless for you to be afraid, and it's useless to beg for mercy, I will just like you used to bully the weak when you were young, I will continue to hit you randomly, impromptuly, and for no reason, and continue to destroy you until you are completely dead!"
