

The Amazing Son In Law Chapter 6242

At this moment, Dean did not dare to have any doubts about every word charlie said.

When he heard that charlie would continue to destroy himself until he died, his heart felt as desperate as a person who grew up in a tropical rain forest and had never seen ice and snow in nature, and was suddenly thrown into a pool filled with liquid nitrogen. .

He knew that he was no match for charlie, and he also knew that all the younger brothers outside him combined were certainly no match for charlie. Therefore, he knew even more that there was no possibility for him to escape now.

If the younger brothers realized something was wrong and came in, they would probably all be subdued by charlie, and he would still not be able to be saved.

And now, there are at least four hours until dinner time.

Now, he no longer thinks about how to take revenge, or even how to save his face and dignity. He just wants to beg charlie to stop this inhumane torture and humiliation.

Who would have thought that the honor and self-esteem that he was willing to defend with his own death and that of others would be completely pierced and shattered by the old, dirty and smelly toilet brush in his mouth.

Kneeling on the ground, he could only nod desperately with the toilet brush in his mouth, his hands clasped above his head, like a well-trained teddy dog, trying to use the most humble attitude to get charlie's forgiveness.

charlie looked at the miserable state of him kneeling on the ground, sneered, and asked, "Has anyone begged you on their knees before, just like you begged me on their knees?" Dean's expression was stunned for a moment, and several pictures could not help but appear in his mind

. Familiar and unfamiliar faces, those were all poor people who were tortured to death by his inhuman means, or tortured to the point of committing suicide. Actually

, in terms of cruelty, Dean is far more cruel than Charlie.

He can use the most cruel, violent, and humiliating methods on the most innocent, cowardly, and pitiful people, and he takes pleasure in doing so.

But Charlie, no matter how ruthless his methods were, would never hurt innocent people.

Seeing that Dean didn't dare to make any response, Charlie smiled slightly and said, "This is the first time you and I have met. I don't know much about your past, but it doesn't matter. Those people outside must know very well what you have done. Let Come and tell me what evil you have done!"

After saying that, Charlie grabbed the end of the toilet brush and lifted it up, directly lifting Dean who was kneeling on the ground.

What followed was an even more severe pain in Dean's mouth. He felt that there was not even a piece of good skin the size of a needle tip in his mouth anymore, and it was all bloody and bloody ulcers. The pain was heartbreaking. .

As for Charlie, he never had any sympathy for such people.

Even though Dean had collapsed for several rounds, in Charlie's opinion, this was just a small appetizer.

After using the toilet brush to pick him up with one hand, Charlie walked to the bathroom door and gently turned the door handle.

At this time, there were fifteen manpower outside, and seven or eight people looked excited.

There was even a tall and lanky man who couldn't hold himself back any longer. As he unbuttoned his belt, he said to a few people around him, "Boss is done, it's my turn to feel good!" As he said that,

he ran to the door in two or three steps. He waited expectantly for the bathroom door to open.

The moment the door opened, he looked around to see the situation inside, and said with a flattering look, "How do you feel, boss..." As soon as he

finished speaking, he realized that standing in front of him was charlie, who had a cold face. .

He was stunned, but he didn't feel anything unusual. He just said with a lewd smile, "Oh, our Asian beauty, you can't help but want to find a second one?"

charlie smiled and closed the door with one hand. Dean on the inside stood in front of him and said with a smile, "It seems you really want to be the second one."

The Amazing Son In Law Chapter 6243

The tall and thin man, at this momentIt was as if he had seen an evil ghost whose skin had been peeled off. He was so frightened that his mouth was wide open, but he could not say anything or even make any sound.

He never dared to imagine that the man in front of him who was more miserable than the clown was actually the boss Dean whom he had admired and followed for a long time.

When Dean saw him, he subconsciously wanted to call for help, but his mouth was still blocked by the toilet brush. He opened his mouth desperately, and the blood and saliva in his mouth surged out instantly, covering the scalp of the tall, thin man with fear. tingling.

Others knew that Dean had a bad temper. Although they liked to watch the fun in this situation, except for the tall and lanky man, almost no one dared to come close to watch, so they still didn't know what was going on.

The tall and thin man collapsed in fear and subconsciously wanted to retreat, but as soon as he took a step back, charlie raised his foot and kicked him hard in the chest.

With a bang, the tall and thin man flew out directly from the bathroom door in a parabola shape, and then hit the opposite wall with a bang. He almost didn't even make a sound. He completely passed out.

The other people in the cell were startled by this sudden scene. Everyone subconsciously came over to take a look, and they saw the miserable Dean.

Everyone couldn't believe the scene in front of them and didn't know what to do for a moment, but charlie pulled the toilet brush out of Dean's mouth with

force, then sneered and said to Dean, "Come on, what do you want to do?" What you guys said, say it now."

The moment the toilet plug was pulled out, what Dean wanted to say most was to yell, 'Kill him.'

However, when the words came to his lips, he couldn't say them anyway.

He already knew very clearly in his heart that Charlie's combat power was an absolute dimensionality reduction blow in this cell.

If he lets these little brothers attack him, let alone whether these little brothers will be killed by him, Charlie will definitely not let him go just because of his rebellious behavior.

Seeing that Dean was silent, Charlie slapped him in the face and said coldly, "Weren't you pretty damn good at talking just now? As soon as I entered this cell, your mouth didn't stop talking. "Excuse me, why are you playing so hard now?"

Dean was slapped so hard that several of his teeth were knocked out, and the severe pain made his brain feel like it had been stabbed repeatedly by countless iron needles.

When the others saw Dean being beaten, they felt even more shocked.

They also know that Dean's fighting power is extremely powerful. Even Dean was mutilated into such a bird-like state. I'm afraid that the combined strength of Dean is not enough.

So everyone subconsciously stepped back, not daring to come forward to provoke Charlie.

At this time, Charlie pulled up a plastic chair and sat directly in front of a dozen people. Then he picked up the toilet brush stained with blood and flicked it hard on the ground in front of him, and a line of blood appeared on the ground. red line.

Then, Charlie said calmly, "It's good of you to give it to me. I'll give you three seconds to line up behind this line and stand in line. After I count to three, if there is anyone who hasn't stood still, I will interrupt him." One leg."

After saying that, charlie stretched out a finger and shouted “One!”

As soon as he finished speaking, Dean struggled to stand behind the red line made of his own blood.

At this time, charlie stretched out another finger and said “Two!”

Although the others were completely frightened into fools, seeing Dean, the victim, respond immediately, no one dared to delay any longer, so the chapter was

Everyone lined up behind the red line.
