The Amazing Son In Law Chapter 7045

She subconsciously took a step back and asked charlie nervously: “Who... who are you?”

charlie smiled and said, “My last name is wade, and my given name is charlie. charlie is my real name. You have set up a trap in Nigeria, and the person you want to catch is me.”

“You...” Song Ruyu panicked all of a sudden. She stammered and asked, “Why... why did you tell me...”

charlie smiled, looked at her and asked, “Didn’t you ask me?”

“I...” Song Ruyu gasped, her eyes full of fear as she murmured, “I’m asking you...you...you don’t have to be so forthright...you...you are...you are not...not going to keep me alive...so...that’s why you are so straightforward, right?”

charlie smiled, “You’re quite smart.”

Song Ruyu’s face turned pale with fear. She was only 24 years old and had just realized the truth for two years. She was the only hope of the entire family for hundreds of years. She was naturally afraid of death, but when she thought that the other party had told her everything so frankly, he must not be prepared to give her a chance to live, so she forced herself to calm down, gritted her teeth and said to charlie, “It doesn’t matter. Anyway, I want to be loyal to the Lord. If I die in your hands today, the Lord will definitely reward my family when he knows! I can say that I died for a good cause!”

“Ouch...” charlie looked at her and smacked his lips, then smiled and said, “Now that you mention it, I’m not going to kill you. If I take you and the Cavalry Guards here away, will Sara think that you have betrayed her?”

Song Ruyu looked at charlie with extreme fear, and after a moment, she suddenly said with a firm expression, “I am willing to die to show my determination to the Lord!”

After that, she immediately gathered her spiritual energy in her palm, suddenly raised her hand, and slapped her forehead with all her strength.

This slap was powerful and heavy, and it could be seen that she had used all her strength. If it was really slapped on the forehead, it would definitely make her brain into a ball of paste.

charlie didn’t expect that this woman was young and courageous, and she wanted to die to show her determination if she didn’t agree with her. This big bitch seemed to leave no way for her to live, and her temper was indeed a bit too fierce.

charlie didn’t want her to die. After all, she was still useful, so how could he let her die here directly.

So, charlie quickly dropped the rapier in his right hand and grasped her hand full of spiritual energy.

The moment the slender jade hand was grasped in his palm, the spiritual energy was immediately transferred into her body, directly sealing her dantian and meridians.

Song Ruyu had never had physical contact with a man. Now that charlie held her hand, she was so ashamed and angry that she had lost her mind. She didn’t realize that her cultivation had been sealed by charlie. She just yelled hysterically: “Lecher, let me go!”

“Okay, okay.” charlie nodded and let go of his hand instantly.

Song Ruyu was determined to die. Although the spiritual energy in her hand was gone, the strength was still there. As soon as Charlie let go of his hand, she slapped her forehead directly.

At this moment, she stared at Charlie with her eyes, her eyes were bloodshot, and she roared with hatred: "Charlie, right? I won't let you go even if I become a ghost!"

Then, the powerful slap hit her forehead.

At this moment, she stared at Charlie Wade with bloodshot eyes, and roared with hatred: "Charlie Wade, right, I will not let you go even if I become a ghost! "

Then, the powerful slap landed on her forehead.

"Pa..."

The crisp sound of the slap echoed in the office. Song Ruyu's plump and fair forehead was instantly slapped with a purple-red palm print, which matched her beautiful and cold face. It was really a bit distracting.

Charlie Wade looked at her painful expression, shook his head and teased, "Hey, look at this big beep pocket, he really is willing to spend money."

Song Ruyu grimaced in pain, feeling that she was not dead. She looked at her right palm in disbelief. It didn't matter when she looked at it. Her palm was already swollen. The original

The slender jade hand, now only five fingers are still slender, and the palm has swollen like a tender pig's hoof.

She was puzzled and thought to herself in horror: "How could it be... I have clearly used up 100% of my strength, why am I not dead?!"

The next moment, she tried to sense the spiritual energy in her body again, and suddenly found that the spiritual energy, Dantian, and meridians in her body had all been sealed, and she had become a useless person!

She looked at Charlie Wade in horror and blurted out: "You... You sealed my cultivation?!"

“Yes.” charlie Wade said calmly: “From now on, you are a useless person. Here, any Cavalry Guard can kill you.”

Song Ruyu knew that charlie Wade’s strength was unfathomable, and guessed that he must be the mysterious enemy that Po Qinghui was trying hard to find, so he gritted his teeth and said: “Then let them avenge the dead Cavalry Guard! I’m not afraid of death! But you can’t live too long, there is no need for the Lord to take action, the three elders alone can take your life!”

charlie Wade smiled and said: “Can those three old dogs kill me first? Put it aside, I said, you can’t die yet! Otherwise, I would have let you beat yourself to death just now! I kept it You are still useful!”

Song Ruyu looked at charlie Wade nervously and asked him: “What do you want? ! If I am not mistaken, you will definitely take all those death warriors and cavalry guards away next. You can easily seal my cultivation, and naturally you can also remove the poison in their bodies. They will definitely be grateful to you and work for you, but I tell you, I, Song Ruyu, will definitely not surrender to you. If you leave me behind, you will leave a time bomb for yourself! Those who accomplish great things must kill decisively. I advise you to kill me to prevent future troubles!”

charlie Wade raised his eyebrows and smacked his lips, “Tsk tsk... Song Ruyu, the name is quite retro, Old School style, but it doesn’t seem to be suitable for a young girl like you. “

“What do you care!” Song Ruyu gritted her teeth and said, “What are you talking about? Kill me quickly!”

charlie Wade said to himself, “To be honest, this name doesn’t match your temperament at all. Jade is the most beloved gem of the Chinese people. It is a beautiful thing that is warm, flawless, refreshing and makes people happy. Look at yourself, do you have anything to do with jade? You are more like a barking Pomeranian. There are big and small dogs in the village, beautiful and ugly, good and bad. You may not be the biggest, the most beautiful, or the most likable, but you are definitely the one who barks the most!”

“You... you fart!” Song Ruyu didn’t expect to be humiliated by charlie Wade like this. She cursed angrily, “Mr. charlie, you’d better kill me now, otherwise I will never reconcile with you!”

“Okay.” charlie Wade nodded and said with a smile: “To be honest, I don’t like to keep dogs. Sometimes I get a headache when I see dogs that rely on people’s power and bark non-stop. But now I suddenly feel that if I can train a vicious dog to be obedient, well-behaved and lovable, it should be a very fulfilling thing!”

Song Ruyu gritted her teeth and said sternly, “!! Not! A! Dog!”

charlie Wade smiled and said, "Of course I know you are not, I just use a dog as a metaphor. If I insult the dog, I am willing to apologize to the dog."

After that, charlie Wade changed the subject and his expression became stern. He asked her back: "Song Ruyu, right? You are my prisoner now. What I say you are, you are what you are. What qualifications do you have to be picky?!"

Song Ruyu was speechless after hearing charlie Wade's words. Seeing that charlie Wade didn't take her seriously at all, she felt angry and panicked.

She looked at charlie Wade, her tone was no longer as confident as before, and she asked him in panic: "What exactly do you want to do to me?"

charlie Wade said: "I said, you are still useful, so you'd better cooperate. Otherwise, not only may I take your life, but I may also let Sara think that you have surrendered to me. In that case, if Sara wants to kill your whole family, you can't blame me."

Song Ruyu gritted her teeth and said: "The crime is not related to your family. Don't you have this basic morality?"

charlie Wade sneered: "You still don't want to punish your family. Look at the death warriors and cavalry guards here. Whose family is not here? Whose family has not taken poison? Whose family is not in the hands of the Po Qing Society? You yourself are the evil person who aids and abets the evil, how dare you talk to me about the ethics of the martial arts world? What, your family is human, but the families of these cavalry guards and death warriors are not human?"

Song Ruyu was speechless.

She knew that if the secret of the Po Qing Society was exposed, it would definitely be defined as an evil organization or even a terrorist organization. Although her family members were also tortured by the Po Qing Society, they also relied on the support of the Po Qing Society to do all kinds of evil outside.

In the framework built by the Po Qing Society, the law of the jungle is the most basic operating law. There is no such thing as morality. It is nothing more than those who obey me will prosper, and those who go against me will perish.

Seeing that Song Ruyu was speechless, charlie Wade said coldly: "From now on, if you cooperate with me, I can spare your life and not bring any trouble to your family. But if you don't cooperate, then maybe in three days, the Po Qing Society will receive solid evidence that you have betrayed. By that time, I can't care about the life and death of your family."

Song Ruyu was terrified, but she was unwilling to give in. She forced herself to scold: "If I, Song Ruyu, don't compromise with you, I believe that the Grand Commander and the Lord of England will not be deceived by you!"

charlie Wade smiled and said, "Then I can only say that you know nothing about technology. "

After that, charlie Wade took out his mobile phone, changed the angle of the video and shot a video facing Song Ruyu's face, and then asked Song Ruyu: "Do you believe that I can easily make Sara regard you as a thorn in the eye and a thorn in the flesh?"

Song Ruyu had no idea what charlie Wade was up to. Seeing charlie Wade pick up his mobile phone to record the video, he naturally did not dare to express any dissatisfaction with himself in front of the camera.

Li's content, so he said coldly: "The British Lord is a god-like existence. She can see through everything and see the slightest detail. How could she be deceived by a villain like you!"

charlie Wade laughed and said: "You are a little too flattering to her. When she was in New York, wasn't she also pressed in a helicopter by high technology and didn't dare to breathe?"

Song Yuru asked her: "What do you mean?"

charlie Wade ignored her, but stopped recording, sent the video he had just shot to Li Yalin, and told him: "Inspector Li, I want to generate a video. I want this woman to say in person in this office at this moment that she and Sara are irreconcilable, and her expression and state must be hysterical."

Song Ruyu didn't know much about science and technology, so she was a little surprised when she heard charlie Wade send this message, and didn't understand what charlie Wade was up to.

After receiving the video, Li Yalin immediately sent it to the AI model, and attached charlie Wade's request.

Ai immediately generated a video of about ten seconds in length based on Song Yuru's real appearance and clothing, as well as the environment and furnishings of the office in the video. After charlie Wade received the video, he clicked to play it in front of Song Ruyu.

In the video, it was exactly Song Yuru's appearance and the furnishings of this office were exactly the same, and Song Ruyu said with great resentment: "Sara and I are mortal enemies!" There

was no abnormality in her expression, look, even her eyes and posture.

And the voice was also deeply learned completely according to Song Ruyu's own voice, and even Song Ruyu's parents would not hear any difference.

When an AI model that serves tens of millions of people on the market only serves charlie Wade, the video it generates is countless times more refined than the AI videos that can be seen on the market. Even if the video is enlarged into pixels, there is no clue at all. When

Song Ruyu saw this video, she was so scared that her face turned pale and her long legs couldn't stop shaking.

She looked at charlie Wade in disbelief and asked him: "This...what's going on?! I clearly didn't say anything like that!"

charlie Wade smiled and said, "It has collected your facial features, body proportions, and dressing style. More importantly, it has collected your voice, as well as all the furnishings in this office, so it can generate a video of you saying anything according to my preferences.

You and Sara are sworn enemies, or you beg me not to kill you, and as long as I can let you live, you are willing to help me deal with the Po Qing Society, and you can also tell me that you have suffered from the Po Qing Society for a long time and have long wanted to kill Sara and so on. “

After saying that, Charlie Wade looked at Song Ruyu's extremely panicked look and smiled: “Now there are so many video websites that can let anyone upload their own videos. I can also create an account and upload the videos I want to generate about you. If the top leaders of the Po Qing Society, or even Sara, see such a video, what decision do you think they will make? “

Song Ruyu was frightened by Charlie Wade and almost had a cardiac arrest.

No one knows her better than she does, and she can't even see any flaws or flaws in the video just now, which means that if Charlie Wade really does what he says, no matter what kind of video he finally produces, people who know her will definitely not have any doubts, including her parents.

There is

only one way to deal with this kind of blatant betrayal of the Poqing Society, and that is to punish the whole family and confiscate the family property!

In other words, as long as Charlie Wade does this to his family, they will definitely die.

Because, if they don't do this, it will be difficult for them to control other collateral families in the future. Killing the chicken to scare the monkey is an indispensable one at any time. link.

Although Song Ruyu regarded human life as worthless, this did not include her own family.

There are already hundreds of direct blood relatives left in the Song family. If they are really wiped out because of her, even if she dies, she does not know how to face them.

So, she instantly lost the backbone she had just now, lifted the hem of her skirt slightly with one hand, and knelt in front of charlie Wade, choking and saying: "Mr. charlie, I can cooperate with you in whatever you ask me to do, but please do not implicate my family. This kind of thing is not a joke. As long as such a video is sent out, the Poqing Society will definitely kill them all, leaving no one behind..."

charlie Wade snorted and laughed, and asked her: "Why, are you scared now?"

Song Ruyu was afraid that charlie Wade would not let her family go, and tears burst out of her eyes in an instant. She cried and said: "I know... Ruyu really knows her mistake! I am really willing to follow all your instructions, Mr. charlie. Even if you kill Ruyu, Ruyu will not say anything. I only ask you not to harm Ruyu's family and spare the more than 300 lives of the Song family..."
