

The amazing son in law - The Amazing Son In Law

Chapter 7117

Sara nodded and said lightly: “I know you are loyal. If I really have the opportunity to get the recipe of Baizhuan Qianhui Dan in this life, and find Fenggu Teng, I will be able to refine Wan Gu Changqing Dan, and then I will give you a chance of 500 years.”

When Jadiel heard this, he immediately knelt on the ground, bent down, and said gratefully: “My Lord’s kindness, I will remember it all my life! If you give me a chance of 500 years, I will serve you until the last day of 500 years. !”

Sara nodded slightly in satisfaction and said, “Okay, get up, get things done and report back to me.”

Jadiel asked hurriedly, “Lord Ying, what about the three elders? Originally, in order to prevent them from being exposed, they were asked to wait in Nigeria temporarily, and then urgently transferred to Morocco after finding clues about the other party, but now that something like this has happened, they certainly can’t be asked to go to Morocco to track down, right?”

Sara nodded and said, “Don’t let them contact Wu Shuhang, let them prepare to withdraw, but remind them not to leave Nigeria, find a way to leave Nigeria, and then start from a neighboring country, and take more detours on the way back, and don’t fly directly to Buenos Aires.”

Jadiel immediately said, “Okay, I understand, I will convey this to Wu Shuhang!”

At this time, the weak Wu Shuhang did not know where his fate would go next.

The severe pain in his hand made his mind extremely clear at times and extremely vague at times.

In a state of anxiety, he suddenly heard someone knocking on the door. Andre’s voice came from outside the door, respectfully saying: “Grand Commander, the ancestor ordered his subordinates to come and discuss relevant matters with you. He is still waiting on the other end of the phone.”

Wu Shuhang frowned. The ancestor mentioned by Andre was his great-grandfather Jadiel. However, he did not understand why the great-grandfather did not contact him directly when he had something to tell him, but found Andre instead.

In doubt, he only felt that his right eyelid was twitching non-stop, which did not seem to be a good sign.

However, he did not dare to delay too much. After all, Andre also said that the great-grandfather was waiting on the other end of the phone. It seemed that there was something he wanted to tell the two of them at the same time.

So, he got up with difficulty and opened the door. Andre walked in holding a phone and said to him, "Grand Commander, the ancestor is calling via video."

After that, he handed the phone screen to Wu Shuhang.

Wu Shuhang saw Jadiel on the screen and immediately said, "Come in and talk."

Andre came in with the phone and then said to the phone, "Ancestor, I'm here with the Grand Commander."

Jadiel on the other end of the phone said, "Turn on the hands-free."

"Okay, Ancestor." Andre turned on the speaker of the phone and then said to the phone, "Ancestor, the hands-free is already on."

"Okay." Jadiel in the video nodded, then said, "Shuhang, can you hear me?"
