## **Chapter 7142**

Loreen laughed and said, “Okay, okay, since you said so, then I will not fight with you. I will send you my passport number later.”

Loreen looked at the time and said, “It’s late. I won’t delay you two from reuniting. charlie Wade, you have booked the plane ticket and tell me the time. Then we will meet directly at the airport. ”

Claire hurriedly said, “Do you want me to take you back?”

“No need.” Loreen said, “My cousin is waiting at the gate of the community. He has been my driver recently and he is very honest.”

As she said that, she did not forget to secretly glance at charlie Wade.

Loreen’s cousin was Sam, who was asked by charlie Wade to ride a bicycle all the way from Eastcliff to Aurous Hill. Asking him to drive Loreen in Aurous Hill was also one of the punishments charlie Wade gave him.

charlie Wade guessed that Loreen said this to him so that he could have a better impression of Sam, so he casually said, “Then let your cousin drive you well, and don’t go back to Eastcliff.” Loreen

thought that charlie Wade wanted to extend Sam’s time in Aurous Hill, and hurriedly said, “No, no, we can’t let him stay here all the time. Let him go back when the time is almost up.”

Loreen hurriedly said, “Oh, I won’t disturb you two. See you the day after tomorrow. Bye!”

Claire said, “I’ll take you out.”

Seeing that his wife had gone to see the guests off, charlie Wade also followed Loreen to the door.

At this time, his father-in-law Jacob drove Cullinan into the yard, and his mother-in-law Elaine was sitting in the co-pilot.

charlie Wade was a little curious. This pair of enemies rarely went out together, so it was strange for them to come back together today.

Seeing Cullinan driving in, Loreen said, “Uncle and aunt are back. I’ll say hello to them.”

The car stopped, Jacob and Elaine got out, and Loreen said with a smile, “Hello, uncle and aunt!”

Seeing that it was Loreen, Elaine smiled and said, “When did Loreen come?”

Loreen said, “I’ve been here for a while. I chatted with Claire for a while, and I’m going back now.”

Jacob said, “Why are you in such a hurry to go back? Come in and have a cup of tea before you go.”

Loreen said, “No, Uncle Jacob, I’m here. , I have something else to do, I have to go first. ”

After that, she said to the two of them: “Goodbye uncle, goodbye aunt.”

Jacob and Elaine also said goodbye to her politely. At this time, they saw Charlie Wade standing at the door. Elaine said in surprise: “Oh, my good son-in-law has come back after making a lot of money!”

Claire saw that Elaine talked about money as soon as she opened her mouth, and couldn’t help shaking her head and said: “Mom... don’t talk about money every three sentences.”

Elaine pouted and said: “What’s the matter? Did I say something wrong? My son-in-law went out to make a lot of money, and I can’t let him talk about it?”

After saying that, he deliberately glanced at the villa next door where Old Lady Willson and Christopher’s family lived, and raised his voice a bit and said: “I, Elaine, am lucky to have a good son-in-law who can make money. Unlike some people, their sons are unreliable, and their grandsons are also unreliable!”

Jacob pushed her and muttered: “Alright, alright, go back to the house quickly. It’s so cold here, why are you yelling here?”

Charlie Wade also took the opportunity to change the subject and asked him: “Dad, what did you and Mom do when you went out?”

Jacob chuckled and said happily: “Oh! It’s none other than that old fox, President Pei. He has been trying to curry favor with me in various ways recently. Today, he insisted on inviting your mother and me to dinner at his home. He was as attentive as a dog.”

As he said that, he patted Charlie Wade’s hand. He patted Charlie Wade’s shoulder and said, “You have been in the northwest for so many days. You must have suffered a lot there. Don’t take Feng Shui jobs these days. Have a good rest at home. Besides, the New Year is coming soon. Don’t go out anymore.”

Elaine also said, “That’s right, a good son-in-law earns so much money, you can’t just make money and not spend it. I think our family should find a warm place to celebrate the New Year. How about Yazhou? It’s warm there in winter. People in the Northeast love to go there during the New Year.”

Jacob said, “Emma, what level is our family at? We still go to Yazhou to compete with them. Southeast Asia, Maldives, Tahiti, which one is not warmer than Yazhou?”

“That’s right!” Elaine nodded in agreement and said, “Our family has billions of assets, so going to Yazhou is indeed a bit lacking, but we can consider Maldives!”

Claire shook her head helplessly and said, “Mom, don’t think about where to go. charlie Wade, Loreen and I are going to Tokyo the day after tomorrow. I have to deal with company matters when I come back in a few days. I don’t have much time before the Chinese New Year. If I really wait until the Chinese New Year holiday to go out, it will be the peak season and there will be crowds everywhere. It’s better to stay at home.”

When Elaine heard that she was going to Tokyo, she hurriedly asked, “Claire, what are you going to do in Tokyo? Shopping? Mom will go with you?”
