

The amazing son in law - The Amazing Son In Law

Chapter 7154

After a while, Aurora waved to the audience who cheered for her, and left the ring surrounded by other staff members to rest in the backcourt.

In the backcourt of the martial arts hall, each player who participated in the third place match and the championship match tonight had his own independent lounge.

After Aurora returned to the lounge, the coach also walked through the crowd to charlie Wade and said with a smile: “Young man, are you Aurora’s boyfriend? I am Aurora’s coach, my last name is HALL, Aurora asked me to take you to the backcourt.”

charlie Wade was slightly stunned, but he did not deny it, so he smiled and said: “Thank you, Coach HALL.”

Coach HALL was actually just a not-so-outstanding fighting coach in Jinling. But she was lucky enough to meet a talented player like Aurora, which made her feel that she was lucky.

Aurora didn’t expect that she could go so far on this road, which was basically all thanks to charlie Wade’s help and teaching.

And Aurora met charlie Wade, a noble man, which indirectly gave Coach HALL the opportunity to rise to fame and become a famous champion coach.

Aurora’s coach once showed off his skills in front of charlie Wade. In the key battle of Aurora, he gave guidance that was completely contrary to the facts. After that game, Aurora terminated the contract with the coach and began to practice martial arts alone.

Thanks to the elixir that charlie Wade gave her, her physical fitness has changed qualitatively. Then charlie Wade taught her the martial arts skills, which made her combat effectiveness rise sharply. Since then, Aurora essentially did not need any coach.

However, she represented the college students of China to play in the competition. Faced with the various rules and regulations of the organizing committee of the competition, if she did not have a superficial coach, many things would be very cumbersome and troublesome to connect. This Coach HALL was more in line with her eyes, so she reached a cooperation with Coach HALL.

Although Coach HALL was named Aurora’s coach, he was actually more like Aurora’s tournament assistant. He could not give Aurora better guidance and suggestions in tactics, so he transformed himself into a service-oriented coach, and got along very harmoniously with Aurora.

Aurora won another championship this time, and her popularity and value will inevitably rise. In the past, she taught privately, and each class was only a few hundred yuan at most, but since

signing a contract with Aurora, the class fee has risen to 3,000 yuan per hour. After returning to China this time, it is estimated that it will rise to 6,000 yuan or more.

Because of these reasons, she looked at charlie Wade as kindly as if she was looking at her son-in-law.

After Coach HALL saw charlie Wade at the door of Aurora's lounge, he knocked on the door gently, then pushed the door open and said to charlie Wade: "You young people must have a lot to say, I won't disturb you. The next game is estimated to be at least 40 minutes. I will call Aurora after the game."

charlie Wade didn't think much about it, so he nodded, thanked him, and then walked into Aurora's lounge.

At this time, Aurora had changed out of her competition shorts and vest and put on loose sportswear. Seeing charlie Wade coming in, she happily stepped forward and asked him excitedly with a bit of admiration: "Master Wade, why are you here?"

charlie Wade smiled and said, "I heard that you were playing a game here, so I came to see. By the way, congratulations on your successful defense of the title again."

Aurora asked in surprise: "Master Wade, did you come to Tokyo just because you heard that Aurora was playing here?"

charlie Wade said truthfully: "I was originally accompanying my wife to Tokyo to watch a concert, and happened to hear that you were in the finals here today, so I came to watch your game first."

Aurora smiled and nodded. She also realized in her heart that charlie Wade probably didn't come to Japan just to watch her game, but she was already very happy that charlie Wade could come.

Hearing that charlie Wade was going to watch a concert, she hurriedly asked: "Master Wade, you are not going to accompany your wife to watch Tawanna Sweet's concert in Tokyo tomorrow night, are you?"

charlie Wade said: "Yes, that's it."

Aurora said excitedly: "What a coincidence, Master Wade! I also bought a ticket for her concert! It just so happened that I was not in such a hurry after the game and had to return to China immediately, so I thought about watching her concert before going back."

charlie Wade couldn't help but asked in surprise: "Are you also her fan?"

"Of course!" Aurora blurted out, "Not only a fan, but also a die-hard fan! Two years ago, I flew to the United States to watch her concert. Now among the young people who like to listen to songs, there are very few who don't like her!"

Aurora asked, “Master Wade, don’t you like her?”

charlie Wade smiled and said, “I don’t know much about pop music, and listening to songs is dispensable to me, so I can’t say I like or dislike most singers.”

Aurora said seriously, “Master Wade can take the time to listen to her songs. I believe you will like them after listening to them! And she is also very inspirational. She is a talented girl who became famous at a young age. Almost all the songs she sings are written by herself, and they are all world-class hits!”

Aurora suddenly remembered the Hayley Swain who played against her today, and couldn’t help muttering to herself, “But she has always publicly supported sexual minorities. I didn’t feel anything before, but after today’s game, I feel that this matter is still a bit strange...”
