

The Amazing son in law Chapter 7430

Claire's beautiful face, which was so beautiful that it could shame the moon and flowers, soon appeared in the video.

Seeing charlie, Claire asked in surprise: "Husband, where are you? Why doesn't it look like a hotel?"

charlie used the words he had just thought of and smiled, "I live in a courtyard house, which was arranged by Mr. isaac."

"Mr. isaac?" Claire asked him, "Which Mr. isaac?"

charlie smiled and said, "It was Isaac Cameron, the former CEO of Shangri-La in Aurous Hill. He got promoted and came to work at the Eastcliff headquarters. When he knew I was coming to Eastcliff, he had to show his hospitality."

Claire nodded slightly.

She had seen news reports that Tawanna and her staff were living in Shangri-La in Eastcliff.

That makes sense.

Besides, charlie didn't live in the same hotel with Tawana, which might be further proof that there was nothing going on between them.

Thinking of this, Claire couldn't help but blame herself, thinking in her heart: "Claire, Claire, what are you thinking about? You actually suspected that the male dancer that Tawana kissed passionately on the stage was your husband, and even suspected that Tawana liked your husband... How could it be... charlie didn't even live in the hotel with them..."

After comforting himself, Claire smiled and said, "It seems that this Mr. isaac is a pretty good person. He even specially arranged a place to entertain you."

charlie nodded and smiled, "You know me well. I don't like to join in the fun. Miss Sweet's staff originally arranged for me to live with them in Shangri-La, but I felt that she was such a big star, and if she lived in a hotel, there would definitely be a lot of media reporters chasing her all day long, so I thought I should just go out and find another place to live."

"Originally I wanted to spend my own money to find a hotel near the National Stadium, but Tawana's performance was so popular that all the hotels were booked long ago, so Mr. isaac arranged this place for me."

As he spoke, he flipped the camera and took a picture of the surrounding environment. He smiled and said, "Look, this place is pretty good. The decoration is very retro. There is also a study room where you can read books and cultivate your sentiments. Moreover, although this place is in the center of Eastcliff, it is quiet in the bustling city. It is really comfortable."

The environment in Claire's video dispelled a lot of doubts in his heart.

She smiled and said, "Then don't forget to treat Mr. isaac to a good meal when you come back. He took good care of us when he was in Aurous Hill. He made an exception and let us have the Sky Garden for our wedding. It should have been his help, right?"

"It's him." charlie said with a smile: "Don't worry, I have a good relationship with Mr. isaac. He wanted me to help him with Feng Shui last night, and I told him that I wouldn't take a penny."

"That's good!"

Claire breathed a sigh of relief and told him: "Then husband, you should rest early, I won't disturb you, you must be busy tomorrow."

charlie turned the video screen back, filmed himself, and said with a smile: "Wife, then you should also go to bed early."

"Don't worry." Claire smiled and said, "I was about to go to bed, but suddenly..."

Having said this, Claire paused.

She almost subconsciously said that she saw a male dancer in the video who looked like charlie.

So I quickly changed the subject: "I just suddenly missed you and wanted to see you."

charlie also sensed something was wrong. His wife suddenly sent a video at this time, which must not be as simple as she said.

The next moment, he suddenly realized that maybe Claire suddenly saw the news and video and felt that the male dancer looked like himself, so he sent him a video chat abnormally.

Thinking of this, charlie felt deeply saddened.

He felt tired of telling so many lies and at the same time felt extremely guilty.

Once some lies begin, they need to be constantly packaged and maintained with lies.

He suddenly became worried. What if one day Claire really realized that something was wrong and his lies no longer had any effect on her, what would happen to their relationship?
