

# The Amazing son in law Chapter 7438

"Once the concert begins, his work shouldn't be that demanding, right?"

"If he answers, it means he's definitely not the mystery dancer. But if he doesn't... while that doesn't prove he is, it definitely makes him more suspicious!"

As it turned out, charlie Wade couldn't answer the phone at all.

To avoid blowing his cover during the performance, he hadn't even brought his phone on stage.

Not to mention—there was nowhere to hide a phone with all that armor he was wearing.

Even if he had brought his phone, there was no way he could answer it while on stage.

Still, charlie Wade hadn't expected Claire to call him at that exact moment.

Hearing the endless ringing tone, Claire suddenly felt a strange wave of anxiety.

She murmured to herself, "Could that mysterious male dancer really be charlie Wade ? But... why? Sure, he's a Feng Shui master, but would that make two top-tier female stars go out of their way to be so enthusiastic toward him?"

charlie Wade , meanwhile, had no idea things were taking a turn like this.

He was already tired of staying in Eastcliff.

When he wasn't performing, he was surrounded by people pushing him to have kids.

When he was performing, a passionate American woman kept clinging to him and kissing him.

Honestly, it was uncomfortable either way.

That's why he and Stefanie sun had already agreed: the moment the four concerts were over, he'd head straight to the airport and fly back to Aurous Hill.

Although he still had upcoming performances in Shanghai, his role as a backup dancer was done.

Plus, the next concert wasn't for a few more days—there was no reason to waste time here.

When the final song ended, Tawana stepped forward once again to hug and kiss him.

Thankfully, starting from the second show, she had toned things down a bit and wasn't as over-the-top as during the first performance.

After the kiss, charlie Wade and Stefanie sun quickly left the stage.

They rushed to the dressing room. As charlie Wade changed out of his costume, he said, "I really can't stay any longer. I'm heading to the airport right now. Nannan, make sure to say goodbye to your parents for me. I won't be going back to see them."

Stefanie sun looked at him, surprised. "Brother charlie Wade , even if you're in a rush, you don't have to leave tonight, do you? It's already past nine."

charlie Wade replied firmly, "I have to go."

Stefanie sun teased, "Are you missing Miss Claire already?"

charlie Wade answered seriously, "What 'Miss Claire'? That's your sister-in-law."
