### **Chapter 7457**

The three of them had breakfast together in Tawana's room. Later, charlie Wade took Ruyu for a stroll through downtown Shanghai.

It was Ruyu's first time experiencing Shanghai up close, and she found everything fresh and fascinating.

When charlie Wade bought boat tickets and took her to see the scenery along the Huangpu River, she couldn't help but sigh inwardly at how wonderful the feeling of freedom truly was.

That afternoon, charlie Wade took her to watch Tawana's performance.

During the evening concert, Ruyu watched the entire show from the side of the stage. charlie Wade noticed she was deeply moved—it was clear she had never witnessed a performance of this scale before.

...

In the following days, Ruyu remained by charlie Wade's side at all times. No matter where they went, she stayed within ten meters of him.

It's worth noting that charlie Wade never asked her to do this; it was entirely of her own free will.

Tawana's performances during these shows were also flawless. After the final concert concluded successfully, she decided to remain in Shanghai for two more days and planned several live broadcasts to help promote the city to international audiences.

After her last live stream in Eastcliff, the number of tourists there had surged to record highs. Influenced by her broadcasts, a wave of foreign tourists flocked to Eastcliff, making it the world's most popular tourist destination.

Although Tawana wanted to stay and continue broadcasting, charlie Wade didn't wait for the final concert to end. Instead, he left Shanghai that night, driving Ruyu to Aurous Hill.

Along the way, Ruyu was filled with anticipation. She looked forward to visiting the city where charlie Wade lived and was eager to meet Yun Ruge, the Count of Dingyuan—one of the Four Great Earls.

Unable to hold back her curiosity, she asked charlie Wade, "Mr. Wade, what kind of person is the Earl of Dingyuan? Is she easy to get along with?"

charlie Wade thought for a moment and replied, “I haven’t interacted with her much, but I can say she’s generally friendly. Since both of you are under pressure to detoxify, you’ll likely be able to support and help each other through the process.”

charlie Wade took Ruyu to the Champs Élysées Hot Spring Hotel, where he finally met the long-anticipated Yun Ruge.

When charlie Wade introduced Ruyu to her, Yun Ruge was pleasantly surprised and said, “Hello, Miss Ruyu. Mr. Wade has mentioned you many times. I’ve been eagerly looking forward to your arrival!”

Still affected by her past with the Poqing Society, Ruyu felt a sense of awe upon seeing the elegant and poised Yun Ruge. She respectfully clasped her hands together and bowed, saying with humility, “Greetings to the Earl of Dingyuan!”

Yun Ruge chuckled and replied with a hint of self-mockery, “That title is a thing of the past. Please call me by my name from now on. ‘Earl of Dingyuan’ was a title given to me by Sara—one I never liked. And there’s no need to call yourself a subordinate either. Technically, there’s no such relationship between us.”

Only then did Ruyu realize that she was no longer bound to the Poqing Society.

She quickly responded with sincere humility, “I apologize, Miss Yun. That was presumptuous of me.”

Yun Ruge smiled and said warmly, “It’s fine. I just have a strong dislike for the Poqing Society, so I may seem a bit particular—please forgive me.”

At that moment, charlie Wade interjected, “Starting today, Miss Ruyu will be living here as well. Miss Yun, if you have any experience or insights to share, feel free to exchange ideas with her. I’ll visit you both whenever I have time. I’ll prepare things tonight and come by tomorrow afternoon.”

“No problem,” both women nodded in agreement.

charlie Wade planned to bring two Peiyuan Pills the next day. Although the pills couldn’t detoxify them, they would significantly boost their strength and enhance their internal spiritual energy—offering a major advantage in their current condition.
