

The Amazing son in law

The Amazing son in law Chapter 7746

When Lydia (Ava) (Charlie's mom) and the people around saw Lin Wan'er (Alani) stand up, they also quickly stood up with a look of respect on their faces.

Lydia (Ava) (Charlie's mom) mustered up his courage and said to Lin Wan'er (Alani), "Senior, I have a favor to ask of you. I hope you can help me."

Lin Wan'er (Alani) nodded: "Mrs. Wade, please speak."

Lydia (Ava) (Charlie's mom) said respectfully: "Until this junior has met charlie and his family, I hope that you, senior, will not mention our meeting to charlie before this junior and I recognize each other."

Lin Wan'er (Alani) agreed without hesitation, saying, "Don't worry, Madam wade. We've both been in hiding for a long time, and I understand your feelings. I will never reveal a single word to you, Young Master."

Lin Wan'er (Alani) knew that family affection would often affect a person's rationality and judgment. This was true for Lydia (Ava) (Charlie's mom), and even more so for charlie.

Over the years, she has raised so many children and has a mother-son relationship with most of them, but she never says it and never shows it. She always keeps a distance from these children in her heart. Moreover, for hundreds of years, she has maintained the hierarchy between the ancient master and the slaves with them. Even the old men like Lao Zhang, Lao Sun, and Qiu Yingshan(Curtis) who are in their octogenarians still have to call her "Miss" respectfully in front of her. This is the rule that Lin Wan'er (Alani) set for them, and it is also the safe distance that Lin Wan'er (Alani) keeps between them and herself.

Hearing Lin Wan'er (Alani)'s ready agreement, she breathed a sigh of relief and was filled with gratitude. She bowed to Lin Wan'er (Alani) and said earnestly and respectfully, "Thank you, Senior, for your help!"

Lin Wan'er (Alani) smiled and sighed, "I previously divined for you, young master, and the hexagram indicated a life-or-death situation, with both the gates of life and death controlled by one person. I never could figure out who that person was, but today I discovered it was me. Before I came here, I was still hesitant about whether to share my analysis with you, young master, but after much hesitation, I decided to come and investigate. Now it seems I chose the gate of death."

Lydia (Ava) (Charlie's mom) couldn't help but sigh, "Senior, you are a master strategist and extremely wise. If I could form an alliance with you and secretly help charlie together, it would definitely be of great benefit to charlie. What do you think, Senior?"

Lin Wan'er (Alani) didn't give a clear answer, but smiled and said, "After so much talk with Madam wade, I can't turn back. If you find out everything and blame me in the future, I only ask that you put in a few good words for me and not let him bear a grudge against me."

Lydia (Ava) (Charlie's mom) immediately understood and instantly understood Lin Wan'er (Alani)'s thoughts.

In Lin Wan'er (Alani)'s heart, Sara's life or death is no longer so important. She only cares about charlie now. Everything else doesn't matter.

At that moment, her heart was filled with mixed emotions, but she quickly recovered and said gratefully, "Thank you for your help, Senior. I'll exchange contact information with you so that we can keep in touch if anything happens in the future."

As he spoke, Lydia (Ava) (Charlie's mom) pulled out a cell phone and said to Lin Wan'er (Alani), "Senior, to avoid risks, I've removed the front and rear cameras, the microphone, and the GPS module. So, I can't make voice or video calls, but I can communicate via text."

"Okay." Lin Wan'er (Alani) smiled and said, "Madam, please agree on a code with me. For example, what will represent the young master, and what will represent Sara and the Poqing Society."

Lydia (Ava) (Charlie's mom) smiled and said, "I'd rather you figure this out, senior."

Lin Wan'er (Alani) was in a playful mood and said with a smile, "After I return, I will send someone to buy a cat to raise in the courtyard. We will call the cat Xiaoxiao. When Madam and I talk about Xiaoxiao, we will also talk about you, the Poqing Society, and the large group of stray cats that live near Zijin Villa. Sara will call him the Black Forest King."

"Black Forest King?" Lydia (Ava) (Charlie's mom) asked in surprise, his eyes wide. "Could it be a character from a cartoon Charlie watched when he was little? He seemed like a very mean cat?"

"That's right." Lin Wan'er (Alani) nodded and smiled, "It's that bad cat who always wears an octagonal hat!"

Lydia (Ava) (Charlie's mom) couldn't help but laugh out loud, and the look in his eyes when he looked at Lin Wan'er (Alani) was actually a little more loving.

At this moment, the clever and almost demonic Lin Wan'er (Alani) truly became a quirky little girl in her eyes...

The Amazing son in law Chapter 7747

In Lydia (Ava) (Charlie's mom)'s heart, his understanding and feelings towards Lin Wan'er (Alani) gradually began to become diverse.

On the one hand, she knew clearly that Lin Wan'er (Alani) was nearly four hundred years old and was definitely an ancestor-level senior, but on the other hand, she also vaguely felt that Lin Wan'er (Alani) was just a little girl, a cute girl younger than her son. Sometimes, she was like a best friend whose age she had forgotten, giving people a feeling of confidant.

Respect, admiration, appreciation, liking, and loving, when these feelings appear on one person, Lydia (Ava) (Charlie's mom) is more or less not used to it.

Lin Wan'er (Alani) sighed softly and smiled, "Madam wade and I hit it off right away and had a wonderful conversation. If there's an opportunity in the future, I hope to have another conversation like we had today."

Lydia (Ava) (Charlie's mom) knew that Lin Wan'er (Alani) was truly leaving, so he nodded and said, "I, too, hope to see you again. Due to the special circumstances, I will not see you off."

Lin Wan'er (Alani) smiled and said, "Madam wade, there's no need to see me off. I can go out on my own."

After saying that, she turned to look at Kong Yin, only to find that he was already in tears, so she smiled and said, "Zhengping, I'm leaving."

Kong Yin knew that Lin Wan'er (Alani) was about to leave, and he couldn't help but choked up and said, "Miss... Zhengping hasn't seen you for a hundred years. Today, we finally meet again. I dare to ask you to stay in the temple for a few days, even... even if it's just for one night..."

Kongyin really wanted to say, "Miss, Zhengping misses you very much," but it felt like there was something stuck in his throat and he couldn't say it.

The more he couldn't express the words in his heart, the more they turned into tears that kept falling. Two lines of tears formed a water mark and flowed down his wrinkled face, just like river water flowing through dry and cracked yellow earth.

Everyone on both sides was moved with compassion.

He even couldn't help but look at Lin Wan'er (Alani), hoping that she could fulfill Kong Yin's little wish.

Lin Wan'er (Alani) said softly, "Zhengping, it's fate that we can meet again. You know I've gotten used to separations over the years. Staying a few more days will only increase the risk and make the next separation even more painful. So, why not just keep this reunion as a surprise?"

Kong Yin could no longer hold back his emotions. Instead of continuing to sit cross-legged, he knelt on the ground, placed his hands flat on his knees, and cried like a child, "Miss, Zhengping knows how hard your life has been. Zhengping should never have made such a request... It's just... It's just..."

Kong Yin's speech became intermittent due to crying. "It's just...it's just that Zhengping has a feeling...that he has lived for more than 120 years...The end...The end is already at hand..."

"Miss... In the past one hundred years of Zhengping's life, his most... earliest memory is... being held in your arms..."

“Now...now that the end is near, Zhengping dares to hope that the last memory of this life will still be that of the young lady accompanying Zhengping...”

“In that case... in that case... Zhengping can... die... without regrets...”

Having said that, before Lin Wan’er (Alani) could say anything, he felt a sharp pain in his heart, his vision went dark, and he fell sideways.

Lin Wan’er (Alani) subconsciously wanted to help him up, but she wasn’t that quick. Master Jingqing, on the other hand, was quick to help Kongyin up. Seeing his pale face and lips as white as paper, she thought to herself that something was wrong and asked him with concern, “Master Kongyin, are you okay?”

The others also looked at Kong Yin nervously, fearing that something might happen to him.

Lin Wan’er (Alani) bit her lower lip, feeling as distressed as everyone else.

At this moment, Kong Yin suddenly opened his eyes, looked at Lin Wan’er (Alani), and said with a difficult smile, “Miss, you...you must take care of yourself!”

Lin Wan’er (Alani)’s heart skipped a beat. She realized that his time had come to an end, and tears instantly flowed from her eyes.

In a flash, she quickly leaned forward, took out a pill without hesitation, and handed it to Kong Yin’s mouth, smiling like coaxing a child and saying, “Zhengping, be good. Take this pill and everything will be fine.”

The Amazing son in law Chapter 7748

Kong Yin forced a smile with difficulty and said in a trembling voice, “When I was... when I was sick as a child... the young lady always... always persuaded Zhengping to take medicine like this. The medicine the young lady brewed... was... was very bitter, bitter... so bitter... that after drinking it, my whole... my whole body couldn’t help... couldn’t help shaking, but... but, every time it really... really worked to cure the disease...”

As he spoke, Kong Yin took a few deep breaths and continued, “But...but this time is different, Miss...Zhengping’s deadline...has really...really come...”

Lin Wan’er (Alani) wiped away her tears and said seriously, “It’s the same this time. Take this pill and everything will be fine. This is the rejuvenation pill that

the young master gave me. It can add twenty years to your lifespan. Take it and you'll be back to being the same as when you were little!"

Everyone around was shocked.

Rejuvenation Pill, who doesn't know its efficacy and value.

Lydia (Ava) (Charlie's mom) knew even more that his elder brother had spent hundreds of billions of U.S. dollars but still failed to buy a single rejuvenation pill. Ye Chen gave the rejuvenation pill to Lin Wan'er (Alani), and it must have been a life-saving pill for her, but she took it out without hesitation and was about to give it to Kong Yin to take.

Just when everyone was impressed by Lin Wan'er (Alani) and happy for Kong Yin, Kong Yin smiled and shook his head, saying, "No, Miss. I feel... I feel like the Buddha seems... seems to have come to take me away..."

Lin Wan'er (Alani) shouted sternly, "I won't let you die, not even the Buddha! Zhengping! Take this pill right now! Otherwise, don't blame me for having someone pry open your mouth and force-feed you the pill!"

Kong Yin shook his head with all his might, looking at Lin Wan'er (Alani) and choking with sobs, "Miss, let Zhengping just... just go like this. One hundred... one hundred and twenty-five years of life... and to still have you by his side at the end... is... is the true great... great perfection... and it's the blessing Zhengping has earned through his life... his whole life..."

Lin Wan'er (Alani)'s face was rarely filled with anger, and she scolded him harshly, "Zhengping, you don't even listen to what the young lady says, do you? If you don't take the medicine, I will take action!"

Kong Yin shook his head and said seriously, "Miss... Zhengping doesn't... dare not... it's just... it's just that Zhengping doesn't want to... doesn't want to live another twenty years... One hundred... one hundred and twenty-five years, in... in the secular world... is already... already extremely rare. All... all of Japan knows... knows Zhengping's age. If... if Zhengping lives another... another twenty years, Miss's enemies will definitely... definitely become suspicious... Zhengping doesn't want... doesn't want to harm Miss..."

As he spoke, he was on the verge of death. In his dying breath, he choked out a sob, “Miss... Zheng... Zhengping will become... the brightest star in the west, just like you told me when you were a child... when you were a child.”

Lin Wan’er (Alani) cried, “Zhengping, take the medicine. For the next twenty years, you can find a place where no one knows you and hide your identity. Being alive is always a good thing. Didn’t you ask me to stay for a few days? If you take the medicine, I’ll stay here for a few days, okay?”

Kong Yin’s eyes were already filled with turbid tears at this time. He shook his head desperately to wipe the tears out of his eyes, but they were soon filled with uncontrollable tears again.

He looked at Lin Wan’er (Alani), whose figure was already blurry, and said with a smile, “Miss... please forgive Zhengping for not... being able to obey your order this time...”

Lin Wan’er (Alani) held the pill in her hand, struggling internally.

She wanted to force-feed the medicine to Kong Yin, but she knew he was determined and was worried that forcing him to live twenty years would become a burden to him.

Kong Yin knew Lin Wan’er (Alani)’s struggle and said with a smile, “Miss... let go... You said before... you always... always have to let go and let... let us fly out and spread... now please... let Zhengping go... go and see those... see those brothers and sisters...”

Lin Wan’er (Alani)’s tears streamed down her face, but she nodded emphatically. Then, she held Kong Yin’s hand, which was as old as tree bark, and cried, “Then remember to say hello to them for me.”

Kong Yin smiled knowingly, relaxed instantly, and grabbed Lin Wan’er (Alani)’s hand and said, “Don’t worry, Miss, don’t worry...”

After saying this, he looked at Jing Qing with satisfaction and said, “Master Jing Qing... please... please tell Yuan Cheng for me... that after I die... on my tombstone... don’t... don’t engrave my Dharma name. Engrave... engrave my secular name... Sai... Saito Masa... Saito Shohei... this... this is the name the young lady gave me...”

Seeing this scene, Jing Qing couldn’t hide his heartache and said solemnly: “Master Kongyin, don’t worry, I will definitely convey this to you!”

Kong Yin nodded, then looked at Lin Wan'er (Alani) again, using his last bit of strength to say, "You must take care of yourself, Miss! You must... you must live to your last... your last day... You must... remember to enjoy... enjoy life, instead of... not blindly... giving to others..."

After he finished speaking, his pupils gradually dilated and he became limp until he completely lost all vital signs.

However, there was no trace of pain or unwillingness on Kong Yin's face, but instead a satisfied and open-minded smile.

Everyone around could see that for Kong Yin, seeing Lin Wan'er (Alani) and having Lin Wan'er (Alani) accompany him through the last part of his life was a true fulfillment in his life.

At the beginning of his life, he was fortunately saved by a noble person; at the end, he was accompanied by a noble person again. In between, he lived a full 125 years of ups and downs. The process was wonderful, with a beginning and an end, and his life was complete.

The Amazing son in law Chapter 7749

Lin Wan'er (Alani) has adopted many orphans like Saito Shohei in her life.

In addition to doing her best to raise and educate them, Lin Wan'er (Alani) also provided guidance and help to many people on their life journey.

She has rich life experience and is well-educated. She is definitely the best teacher in the world. When educating these children, she never hesitates to share her knowledge and experience. Therefore, although the children she raised came from humble backgrounds or even suffered hardships, most of them gradually became talents in various fields.

Over the years, Lin Wan'er (Alani) has earned a fortune, but most of it was given to these children without asking for anything in return, just to make their lives brilliant.

If we were to summarize what Lin Wan'er (Alani) had done in the past three hundred years, apart from the eternal theme of escaping, the rest was almost entirely about sowing the seeds of love in the world.

The children she raised also knew that, apart from escaping her own life, she had been constantly devoting herself to others.

She has raised generations of people in different places with different identities. She has also helped generations of people in different places with different identities, just like Miss Saito in Kyoto. She is like the Virgin Mary in the eyes of poor people. Whenever kind people encounter difficulties, Miss Saito will lend a helping hand.

In those years, the children from poor families in Kyoto envied not the sons and daughters of officials and wealthy businessmen, but the orphans who were adopted by Miss Saito.

Later, Miss Saito left Japan and no one knew where she went, but her story has been passed down from generation to generation among the older generation in Kyoto.

Lin Wan'er (Alani) spent countless efforts on these children, but never asked for anything in return. Except for people like Lao Zhang who had no ambition and only wanted to serve the young lady all his life, Lin Wan'er (Alani) rarely disturbed the lives of these people.

Not disturbing them was not only because she didn't want to cause them trouble, but more importantly, Lin Wan'er (Alani) had been trying her best to avoid separation from life and death.

Those adopted sons and daughters would eventually grow old before her. She didn't want to face the pain of eternal separation, so she simply gave all her family wealth to them and let them live their own wonderful lives. She would disappear from their lives during their best years and have no contact with these children from then on. This way, she would not have to watch the children she raised die in front of her.

I came to see Kongyin today because I was eager to investigate, but I didn't expect that I would inadvertently accompany Kongyin through the last stop of his life.

Looking at Kong Yin's extremely old and lifeless face before her, Lin Wan'er (Alani)'s emotions were a little broken. Holding the rejuvenation pill in her palm, she cried uncontrollably, muttering, "Zhengping, why are you so foolish? There is no such thing as paradise in this world. I have told you since we were young that

death is like the extinguishing of a lamp. How can a lamp that has run out of oil in this world be rekindled in another world...”

How many people would go crazy for the chance to extend their lifespan by twenty years, but Kong Yin gave up this opportunity, partly for his own sake. Lin Wan’er (Alani) felt extremely sad.

The Amazing son in law Chapter 7750

Seeing her grief, Lydia (Ava) (Charlie’s mom) stepped forward and gently embraced her, comforting her, “Everyone will die. It’s just that you’ve lived too long, making it seem as if they haven’t lived long enough. In fact, even without these extra twenty years of life, Master Kongyin would already be one of the rare longevity in the world. Moreover, he’s a monk, so he’s probably already indifferent to worldly life and death.”

Lin Wan’er (Alani)’s grief spread, and she choked up as she spoke, “Actually, Zhengping became a monk to attain enlightenment. I once told him that Buddhism was also a way to attain enlightenment, so he’d been thinking about this since he was young, saying that after enlightenment, he’d be able to protect me better and longer. Unexpectedly, this decision kept him going for over a hundred years, until he realized it was completely hopeless.”

Lin Wan’er (Alani) sighed as she spoke. “The fact that he used his secular name instead of his Buddhist name when arranging his funeral is enough to prove that he had given up his illusions about Buddhism at the last moment. So, what was the point of his unwavering persistence for over a hundred years?”

Lydia (Ava) (Charlie’s mom) had not thought of this before, but after Lin Wan’er (Alani) reminded him, he suddenly realized it.

It turns out that Master Kongyin spent his entire life pursuing enlightenment through Buddhism. He was able to persist for more than a hundred years, which shows that he must have had a very strong sense of faith in his heart. However, it was not until the last moment of his life that he realized that all his efforts over the past hundred years had been a complete failure.

So, at the last moment, he decided to leave Buddhism and end his life with the secular name given by his adoptive mother.

Lydia (Ava) (Charlie's mom) had mixed feelings, but he also felt a little more admiration for Lin Wan'er (Alani).

At this time, Jing Qing, who was still supporting Kong Yin's body, said respectfully, "Madam, Miss Lin, the abbot's passing is such a big deal, we must inform Master Kong Yin's disciples immediately. If you two find it interesting to chat, why don't you move to the other courtyard to discuss in detail while I notify the people in the temple."

Lydia (Ava) (Charlie's mom) naturally had no objection. She and Lin Wan'er (Alani) got along very well, and spending more time together would definitely be a good thing.

Lin Wan'er (Alani) said dejectedly, "Madam wade, I've finished what I needed to do, and Zhengping has left now. There's no point in me staying here any longer, so I'd better not stay any longer."

Lydia (Ava) (Charlie's mom) asked her, "Senior, don't you plan to participate in Master Kongyin's funeral arrangements?"

Lin Wan'er (Alani) shook her head dejectedly. "I won't participate. The deceased is gone. His funeral is just a formality. Besides, the Kinkaku-ji Temple will definitely be responsible for Zhengping's funeral. I can't get involved. I'd better wait until I come to Kyoto again and pay my respects at his grave."

After that, she handed the rejuvenation pill in her hand to Lydia (Ava) (Charlie's mom) and said seriously, "Madam wade, this rejuvenation pill was given by the young master, but it is of no use to me. Why don't you keep it? It can also be used in case of emergency."

Lydia (Ava) (Charlie's mom) was surprised, and after a moment he shook his head and said, "Since Chen'er gave this rejuvenation pill to you, senior, he must have his reasons. You should keep it for yourself."

Lin Wan'er (Alani) said, "The fight between Madam wade and Wu Feiyan will probably continue for a long time. Besides, this elixir can save your life at a critical moment. It will be more useful for you to carry it with you than for me."

Lydia (Ava) (Charlie's mom) shook his head again and smiled, "Senior, there's no need to insist. I can't accept it, and I don't want to."

Lin Wan'er (Alani) smiled bitterly, "This rejuvenation pill is priceless. No matter where it's placed, it'll attract a bunch of people desperately fighting for it. But I

didn't expect it to be met with such a cold reception here today. I've offered it twice in a row, but it still hasn't been delivered."

Lydia (Ava) (Charlie's mom) patted her on the back and said soothingly with a smile, "Senior, you should keep the pill and take it back. Since Chen'er gave it to you, there must be a reason for it."

Lydia (Ava) (Charlie's mom) felt very reluctant when he parted with Lin Wan'er (Alani).
