

# The Amazing Son in Law Chapter (Charlie Wade)

## CHAPTER 2575

As soon as Charlie drove away together with his front foot, Jacob became a touch impatient and quickened his pace.

actually , since the time when Matilda told him on the phone that he was going back to China, his heart was filled with Matilda's shadow.

After Matilda returned to China, it ignited the sparks that had been buried in his heart for several years.

within the past two to 3 decades, Jacob's happiest moment was when Matilda came back to cook reception and hugged herself within the kitchen.

However, Matilda's mentality is extremely rational. She knows that Jacob and Elaine aren't divorced, so she has always held a firm sense in her heart and is unwilling to form substantial progress with Jacob.

Jacob in frequent scratching,

has what chance didn't find a breakthrough.

Although Jacob was very useless all his life, he was a minimum of a traditional man. He had been looking forward to Matilda for therefore a few years , not only was he hooked in to her psychologically, but also physically.

Therefore, he has always been wanting to relive his old dreams together with his old flame girlfriend, but the occasion where the 2 of them had the foremost contact was at the university for the elderly, so he was always in estrus and stopped at courtesy.

with.

However, today's situation is different.

Matilda suddenly fell ill and had a fever, and there was nobody around to require care of it. Jacob felt that a lady was the foremost vulnerable at this point , and she or he also needed the foremost , and had a solid support.

additionally , the 2 of them have had a past of water and milk, and now they still have feelings in their hearts, my body is basically uncomfortable, so I won't leave to select you up, are available by yourself.  
“

Jacob said hurriedly: " Matilda, don't begin , lest you suffer the wind and chill again. I'll bring you some food, so i will be able to bring it in." "

Speaking, he hurriedly pushed open the door of the villa, walked through the tiny courtyard, and came to the doorway door of the villa.

When Matilda opened the door, a wave rushed into the villa.

Jacob was surprised and said, "Why is it so hot in your room?"

Matilda wrapped her down jacket tightly, and said weakly, "I was too cold, so I turned on the ground heating to the utmost and turned on the air conditioning . .

Jacob see her apathetic, looking pale look, can't help but distressed, said: "in the top how ah good, how suddenly a fever

, said:" hey, estimated this year's weather is just too wet, the temperature Although it's not cold, it's very easy to form people sick."

Jacob hurriedly reached out and grabbed Matilda's soft hand tightly, and said distressedly, "Oh, why your hand is so hot to live your body temperature? "How much is it?"

Matilda said: "I just measured it, 39 degrees 2. I took anti-fever medicine, but it still didn't work.
