Charlie clasped his fists: "Then thank you brother."

Soon, a heavy civilian helicopter landed slowly on the top of the mountain.

The plane still didn't land completely, Anthony and Isaac Cameron jumped down from left to right, and hurriedly stepped forward and asked, "Master, are you alright?"

Charlie smiled and said, "Am I standing here as if something has happened?"

After speaking, Charlie pointed to Hunter (Hamid) and said to the two of them: "Come on, let me introduce you to him.

This is Commander Hunter (Hamid), the highest commander of this opposition army. He has studied in China. Chinese is very good."

The two of them looked terrified, and hurriedly said in unison: "Hello, Commander Hunter (Hamid)!"

Hunter (Hamid) greeted them politely.

Charlie looked at the time and said, "Brother, it's late, I have to fly back to China, so I won't tell you more, let's talk about it next time!"

Hunter (Hamid) nodded, clasped his fist and said, "My brother, I don't want to thank you. Let's leave a contact information for each other.

I will give you my satellite phone number. If you have anything, you can find me at any time."

Charlie said: "Okay, let's leave each other's phone calls. If you have anything, you can call directly."

After the two left each other's contact information, Charlie said to Ziva Hank: "It's all right, Miss Ziva, let's go."

Ziva Hank then raised his head, nodding with ashamed expression.

Charlie bid farewell to Hunter (Hamid) again, clasped his fist and said, "Brother, there will be a period later!"

Hunter (Hamid) also said very religiously: "There will be a period!"

Afterwards, Charlie took Ziva Hank on the helicopter arranged by Anthony.

Hunter (Hamid) didn't want to leave in a hurry, but watched Charlie's helicopter take off until he was no longer visible. Then he sighed and stepped onto his plane.

The Amazing Son In Law Chapter 2686 | The Charismatic Charlie Wade Chapter 2686

In the helicopter returning to Lebanon, Anthony, Isaac Cameron, and vikas looked at Charlie with shock.

Especially Anthony, he originally thought that if Charlie went into Hunter (Hamid)'s sphere of influence alone this time,

90% would be taken prisoner, and he would definitely have to let the Wade Family pay for the ransom.

In fact, after knowing these circumstances, Mr. Wade was already ready to spend money to redeem people.

The company registered by the Wade family abroad had already prepared tens of millions of dollars in funds.

As long as Hunter (Hamid) gave an account, he could immediately Hit the money.

But what Anthony thought of was that Charlie not only rescued the person, but Hunter (Hamid) himself sent him to the meeting place.

What made him even more incredible was that Hunter (Hamid) was worthy of his brother and was very respectful to him.

Just when Anthony was so shocked that he couldn't add anything, Charlie asked him: "Anthony, is the Concorde airliner ready?"

Anthony came back to his senses and said hurriedly: "Go back to Master, you are ready, you can take off at any time."

Charlie nodded in satisfaction, and said: "Direct airport, transfer to Concorde and return home immediately after arriving!"
