

The Amazing Son in Law Chapter (Charlie Wade)

Chapter 2702 part 1

2702 / 1

"I am the son of the Banks Family! I am the future heir of the Banks Family! If you do something to me, the Banks Family will definitely not let you go!

Charlie curled his lips: "Since I dare to do it, I am not afraid of the Banks Family's revenge, and I tell you, this matter is far from over with you,

and your father Lord Banks is also on my list. Besides, you If I find out who the Banks Family is connected with the death of my parents,

or who else is unconvinced, I will solve them all one by one!"

Zayne questioned in a panic: "You don't have any actual evidence now.

You just attacked my Banks Family over and over again. Is there any morality at all?"

Charlie sneered, "Jianghu moral righteous words, I don't express any opinion from any population, but you Banks Family are not worthy to mention these four words!"

Zayne frowned: "What do you mean?"

Charlie smiled and said, "What do I mean, you don't know yourself? I ask you, Xion is your illegitimate daughter?!"

When Zayne heard these three words, his expression was a little embarrassed, and his voice was a little embarrassing and said:

"Xion is indeed my illegitimate daughter, but it is not me who caused her!

Charlie nodded: "I know, your father is the one who hurt her, right?"

Zayne dodges Charlie's aggressive eyes, hesitatingly excuses: "I haven't got any definitive proof of this matter so far,

so whether it is my father or not has yet to be confirmed."

Charlie said with a shame: "It's really a waste!"

Zayne blurted out: "What do you mean?!"

Charlie yelled, "I said you are really a trash! Complete trash!"

After that, Charlie pointed to Zayne's face that had been swollen into a pig's head, and said coldly:

“Xion is your illegitimate daughter, and you not only did not give her the care of her as a father,

but instead used her as a tool of murder and instructing her. She wanton and indiscriminately murdered innocents, and all her evil deeds of slaughtering Matsumoto Mitsubishi in Japan are all at your command!

You are unkind, shameless, cruel and cruel, and in vain as a father!”

“Also! Xion’s biological mother was by your side for so many years, trying to protect your safety.

She broke an arm for you, and then gave birth to Xion for you.

But what did you do to her? Acknowledge her identity? Have you ever said a word of thanks for her contribution? Not only did you fail your own flesh and blood,

you also failed the person who loved you most in the world!”

Zayne’s expression suddenly became very ugly, but anger was not in the majority, it was ashamed.

Charlie looked at him and continued: “That’s all, but when Xion was arrested, instead of saving your own bones and blood, your

Banks Family colluded with the Self-Defense Forces inside and out, using Xion’s life to give The Self-Defense Forces in exchange for military exploits, although this is not what you did, it is the insidious handwriting of your father Lord Banks.

Chapter 2702 part 2

You have no affection, shamelessly, and cruel, and your father Lord Banks is your enhanced version! A litter of rats, you are talking about!”

Zayne’s eyes dodge a little, his face also became flushed.

Charlie said coldly: “Deana is your wife who gave birth to your children; Zara is your eldest daughter,

who should have been your jewel in your palm, but your Banks Family has laid a net for the mother and daughter in Aurous Hill.

The killing of the two people is more than just unkindness, shameless undertaking, cruelty and cruelty? This is simply a scum and scum on the world who cares about human relations, everyone can be punishable!”

Zayne blurted out subconsciously: “I never wanted to kill Xion, let alone kill Zara and her mother! These are all my father did!”

Charlie said coldly: “Even if these are your father’s actions, as a husband, as a father, you don’t need to protect your wife and daughter.

After the accident, you don’t avenge your wife and daughter, but instead follow Australia ran to your father’s side with a flattering expression on his knees and licking the murderer and helping the gang to abuse him.

This proves that you are not only disregard of relationships, unkindness, and shameless undertakings, but also sell women for glory and wife for glory!”

“You sell personality, character, dignity, and flesh and blood, just to be able to inherit the Banks Family’s property in the future.

In your eyes, money is more important than anything else, and you are just a bunch of shit!

Charlie was already extremely strong, coupled with being a top expert and aura in his body,

so when his emotions grew stronger and stronger, every word he said made Zayne feel like he was hammering his own heart.

Zayne’s heart, under Charlie’s repeated rebuke, repeatedly suffered heavy hammers, and the whole person’s

mind became extremely fragile.

Charlie looked at him and asked, “Zayne, have you ever thought, if your two daughters are already dead,

how will you face them after death? When you see them, how do you kneel and confess to them? ?!”

“Or you won’t repent at all, because you are an inhuman beast at all! You don’t care about anyone’s life or death,

you only care about your own glory and wealth!”

“Perhaps Xion’s death gave you Lord Banks’s guilt, or Zara’s death gave you Lord Banks’s trust!”

“And the deaths of the two of them are combined, and what you exchange for is the supreme glory of being the heirs of the Banks Family!”

“If your son Fitz dies and can change you back to the position of the richest man in the world,

will you agree to it without hesitation?!”

“I guess you will definitely agree, because all you want is yellow robe for body addition and laurel crown crowning.

You don’t care about the yellow robe on your body.

It is sewn with the flesh of your children, let alone the laurel crown on your head, which is made of their human bones. !”

“In my opinion, even if you let your heads with your one son, two daughters and three people in your hands ascend the throne, you will never hesitate!”

“Taking you as a person, you will even cut off the heads of the three of them yourself!”
