

The Amazing Son in Law Chapter (Charlie Wade)

The Charismatic Charlie Wade Chapter 2704 / 1

2704

Do you really think I am a ruthless beast?

Do you really think I would be willing to trade the lives of my two daughters for glory and wealth? !”

“I tell you, the reason why I chose to succumb to my father is entirely because a done deal is done.

I have no other way! I can only try to reduce the loss as much as possible. Both daughters are gone. I must guarantee that I can get the heir of the Banks Family. s position!”

“It’s like a business, I have invested a huge cost, no matter what, I will win to the end!”

Charlie sneered: “Don’t be so excited, I don’t want to mock you, I just let you remember what you just said.”

After speaking, Charlie took out the mobile phone placed in the jacket pocket on his chest, and the camera with his fingers was just out of the pocket.

After taking out the phone, Charlie clicked on the red area where the video was stopped, and the video has been recorded.

Afterwards, he shook his cell phone and said to Zayne: “Everything you said just now is here.”

Zayne was confused: “You...what are you going to do?”

After speaking, he asked nervously: “Aren’t you going to publish this video?!”

Charlie asked him back: “What? Are you afraid that the Lord banks will break with you after seeing it?”

Zayne swallowed his saliva and said nervously, “You have controlled my second brother. If you abolish me again, what good will it do for you?”

After that, he hurriedly said respectfully: “If you let me go today, I can give you a generous compensation,

how about 10 billion? If it is not enough, I can add more!”

Charlie waved his hand: “Zayne, you think too much, other things may be solved with money, but today’s matter, even if you give me the entire Banks Family, it is useless.”

After speaking, he sneered and said: “But you can rest assured that this video, I will not publish it.”

Zayne asked incredulously: “Are you sure you won’t announce it?!”

Charlie nodded and smiled: "At least I don't plan to announce it yet."

After speaking, he looked at the time and smiled: "The time is almost up, let's go, I will take you to meet some old friends."

Zayne thought that Charlie would take him to see his younger brother James,

shaking his whole body nervously, and blurted out: "You...Where are you taking me?!"

Charlie smiled slightly: "Guess."

Zayne nervously said, "I...I can't guess..."

After speaking, he said again: "Will you... are you going to take me to see James?!"

Charlie smiled and said, "Don't worry, the set meal I arranged for you is completely different from your second brother's.

You two will not see each other."

After all, he grabbed Zayne's collar and said coldly: "The people I want to see with you live in this hotel. You'll know later."

Zayne was terrified in his heart, but he could only be dragged forward by Charlie.

After leaving the door of the room, he was shocked to find that several people in black were standing at the door of several rooms next door.

Including the room where his four subordinates lived, it was also closely guarded by men in black at this time.

Zayne knew very well in his heart that looking at this posture, his own people are probably too ill-fortuned.

But he didn't die, at least it was controlled by Charlie's men.

At this moment, Isaac Cameron walked up to him, took a look at Zayne, and respectfully said to Charlie: "Master,

what do you do with Zayne? Do you want to take him to Don Albert's dog farm by helicopter now?"

When Zayne heard this, his whole body shuddered, and his heart jumped wildly with fright.

Charlie smiled slightly: "Isaac, don't send everyone to the kennel. After all, the main purpose of the kennel in Don Albert is to raise dogs.

If we catch people, we will send them inside. There are more people than dogs, do you think it will be called a dog farm or a human farm?"

Isaac Cameron said with both hands and respectfully said: "The young master is right! Since it is not sent to the kennel, where should it be sent?"

I feel that sending it to Changbai Mountain and digging ginseng with the Weaver family father and son is also a good choice.”

After speaking, Isaac Cameron sighed again and again: “It’s just a pity that the weather has begun to warm up now.

If Mr. Banks goes there, he won’t experience the extremely cold winter. It’s a great pity.”

Charlie smiled and said, “These people are even more filthy than the Weaver family and his sons together.

Sending them to Changbai Mountain is tantamount to dumping unrecyclable hazardous waste to Changbai Mountain.”

After that, he wiped a sneer at the corner of his mouth,

and said sharply: “Take him to the executive floor first. After meeting the person I should meet, I will come down!”
