

The Amazing Son in Law Chapter (Charlie Wade)

Chapter 2710 / 1

2710

Seeing that although I was in the mirror, although my face was radiant, his lips were red and his teeth were white, he still lacked the sense of delicacy after applying pink and white,

I couldn't help but feel a little lost. Hey, I didn't learn how to make makeup before, and I didn't even have a lipstick and eyebrow pencil around me, otherwise I could dress up a little..."

In desperation, she could only dispel this idea and went out quickly.

At the door, Isaac Cameron was waiting here.

Seeing Xion coming out, he made a please gesture and said, "Miss Banks, please come with me."

Xion nodded, and followed Isaac Cameron to the room where Charlie was.

At this time, apart from Charlie, Zayne, Zara, and Deana did not know who the other guest Charlie was talking about was.

Therefore, the three of them are very curious.

Soon, the doorbell rang outside the door, and Isaac Cameron spoke outside the door: "Master, please come here."

Charlie gave a hum, and said, "Let her come in."

Isaac Cameron immediately opened the door and said to Xion who was beside him: "Miss Xion, please."

When Xion stepped forward, she first saw Charlie standing inside the door, and she was very happy, but after she saw the other people around Charlie clearly, she suddenly stood in a daze.

She never dreamed that her father Zayne, half sister Zara, and Zara's biological mother Deana were all here!

Zayne, Zara, and Deana were all shocked to see Xion walking in!

No one thought that Xion, who disappeared in Japan, was still alive!

The whole Japan tried hard to find her.

The Metropolitan Police Department carried out a carpet search across the country, and the soldiers of the Self-Defense Forces also searched every city in the country.

They conspired with Lord Banks to make merit, but they accidentally played it. The Maritime Self-Defense Force, in

order to save face and redeem its merits, even searched the coast of Japan, but no one found the whereabouts of Xion.

The Japanese once believed that Xion should have been killed at sea. After all, it is really difficult to find someone in the sea.

The Banks Family also felt that Xion was 90% dead, and there was a high probability that she would be buried under the sea.

Otherwise, how could she escape from the Japanese net of heaven and earth? !

But now, Xion appeared in front of them alive!

Moreover, this is not Japan!

This is China and Aurous Hill!

Moreover, since she is Charlie's guest, then Charlie must have rescued her back.

From this point of view, this Charlie simply has the ability to reach the sky!

If you don't have the ability to reach the sky, how could it be possible to bring Xion back silently from the tiger and wolf's mouth? !

This is simply incredible!

The one who was most excited was naturally Zayne.

Seeing that Xion was still alive, he was even more excited, crying and said,

"Xion! Xion is really you! It's so hard for Dad to find you!"

Charlie rolled his eyes and glanced at him, raising his hand just to slap him.

"Snapped!"

Zara and Xion were both surprised by this slap!

Zayne was also completely stunned, and he asked with anger in his heart: "What's the matter?"

What the hell is wrong with You? Why are you hitting me again? And hitting me in front of my wife and daughter!"

Charlie asked coldly at this time: "Zayne, you are so shameless. After Xion disappeared, have you really looked for her?"

"I..." Zayne was taken aback.

"Yeah, did I find her?"

"Of course not."

"That's because, I really can't find it!"

"She disappeared in the vast ocean, and the power of the whole country was unable to find her.

How can I, Zayne, have this ability?"

"Because I knew that the chances were so small that it was negligible, I didn't even really have the idea of looking for her at all."

"Besides, I've been pressed by the old man all the time, and I can't mobilize any resources.

The old man just sold Xion on the front foot. If I go to her with the back foot, why don't I confront the old man?"

"So, I really haven't looked for her..."

"In other words, Charlie didn't lose the slap in the face..."

Thinking of this, he lowered his head in shame and choked his mouth: "Xion, when you were caught by the Japanese,

I really wanted to save you. Your grandpa kept saying that he would help me save you, but he didn't expect.

He even carried me behind his back and talked to the Japanese Self-Defense Forces about those nasty conditions..."

Xion's tears rolled down suddenly.

She also guessed that it must be Grandpa Lord Banks who really wanted to betray her.

However, when she thought that her father had not made any substantial efforts to save herself, her heart also felt a little cold.

She felt that even if she was an illegitimate daughter, she was always the flesh and blood of his Zayne.

His own flesh and blood was betrayed in this way, and even his life and death were unknown.

He did nothing, and it was indeed too impersonal.

Seeing her crying, Charlie smiled slightly and comforted: "If you are away, don't be sad, don't say you are an illegitimate daughter,

even if it is the eldest daughter of Zara, he is still helpless and has never done anything. Efforts,

this person has no humanity at all. All he wants is just the position of Banks Family Patriarch.

No matter whose head is used, he will not hesitate.
