

# The Amazing Son in Law Chapter (Charlie Wade)

2713

When Zayne heard that Charlie would detain himself for three years, and he had to exchange it with his father before he could exchange

it back, he suddenly panicked.

Just as he was about to speak, Zara on the side asked: "Sir, you targeted

my father because of the anti-leaf alliance back then, but why did you target my grandfather?"

Charlie smiled slightly and said seriously: "I have three reasons for targeting your grandpa."

"First, judging from your grandfather's absolute right to speak in the Banks Family,

although your father was in charge of the Anti-Leaf Alliance back then,

your grandfather must be the real leader!"

When Zayne on the side heard this, he nodded in tears!

Charlie's words came to his heart.

In the Banks Family, the prerequisite for doing anything must be the old man nodding his head in agreement,

otherwise, no one would dare to make self-determination.

Therefore, even though the Anti-Leaf Alliance is on its own, but in essence, it is also the father who instigates it.

At this moment, Charlie looked at Xion and continued: "Secondly, I don't like your grandfather's style!"

"This old dog is too vicious. People say that tiger poison still doesn't eat children, but your grandfather and the old dog don't care about this.

Whether you are a granddaughter, a daughter-in-law, or even your own son, they are all dead ghosts that can be sacrificed at any time. ,

Such a person, shouldn't leave him in charge of the Banks Family,

otherwise I don't know how many people will be entrapped by him."

After that, he glanced at Zayne again, and said coldly, "Of course, your father is not a good person.

I heard that he gave the order to kill the dozens of Matsumoto's family?"

Zayne lowered his head and dared not speak, but he was still trembling with nervousness.

Zara was also a little ashamed. Her father made this decision, and she was shocked for a long time.

Although to a certain extent, she could understand his father's heart to avenge himself and his brother,

but he really did not expect that he would give Xion such a cruel order. .

Xion was even more ashamed.

After all, she was the one who executed the order to destroy the Matsumoto family.

Charlie continued at this time: "Third, if you don't hand over your grandfather to me, how can you sit down as the head of the Patriarch?

As long as he is still there, he will definitely not let you succeed. This person will never succeed before he dies. Will not put the power to others!"

Zara was shocked when he heard this.

She understood that Charlie wanted her grandfather for her own future and safety considerations.

Thinking of this, she was silent for a moment, nodded lightly, and said,, I promise you!"

When Zayne heard this, he hurriedly asked: "Mr. Wade, how are you going to send me off before Zhiyu hands my father into your hands?"

Charlie said lightly: "I have already thought about it.

I just met a new friend yesterday. His conditions are pretty good and he can send you over to experience life."

Zayne hurriedly pleaded: "Mr. Wade, please raise your hands high. Don't send me to a dog farm, a black coal kiln, or Changbai Mountain..."

Charlie smiled and said: "Don't worry, I plan to send you abroad for vacation and experience the exotic customs."

Zayne felt a little in his heart, and blurted out, "Mr. Wade, I don't know... I don't know which country you want to send me to?"

Zara, Xion and Deana also looked at Charlie nervously.
